

# Water Service Line Customer Survey

As your water provider, the **City of Cortez** needs to determine the material of your water service line to ensure safe drinking water and comply with new regulations. A service line is the underground pipe that carries water from the water main, likely in the street, into your home or building. Refer to the attached instructions on how to locate your water service line and identify its material.

Please complete the survey below to see if your service line contains lead. Return the completed survey form and a photo of your service line to us at [lsli@cortezco.gov](mailto:lsli@cortezco.gov) or bring to 110 West Progress Circle, Cortez, CO as soon as possible.
