LIBRARY CODE OF CONDUCT

We want every person in this community to feel welcome and safe at the library. Our behavior rules are in place to ensure that everyone's library experience is the best it can be and to maintain a peaceful environment.

Library patrons agree to:

- Respect other patrons and library staff.
- Respect the library and patrons' property.
- Comply with keeping our campus free of alcohol, tobacco, drugs, firearms, and weapons.
- Follow all other library policies and postings.
- Obey the law.
- Follow library staff instructions at all times.

Failure to follow these rules can result in administrative action, including loss of library privileges, ranging from a one-day suspension to an indefinite suspension.
