CHIEF'S PREFACE

CORTEZ POLICE MANUAL PREFACE

This manual is intended both to provide guidance and serve as a reference to employees of the Cortez Police Department. It is the responsibility of each member of the Department to comply with the policies and procedures set forth within this publication; however, it is understood that law enforcement is dynamic, and that it is impossible to anticipate every circumstance that may confront an employee.

Policies, procedures, mission statements and priority statements exist to maintain high levels of professional conduct. Deviation from these written standards may be acceptable under certain circumstances, but must be reasonable; and any actions taken must ultimately reflect the Department's mission statement and priorities. To the extent that Department policy may contain provisions more restrictive than state or federal law, such provisions are not intended, nor may they be construed or applied to create a basis for liability against the City or any of its employees.

Finally, the written publications of the Department are only a part of the direction provided to employees. Communication that is directive in nature from supervisory or management personnel has the same authority as any written policy.

LAW ENFORCEMENT CODE OF ETHICS

As a law enforcement officer, my fundamental duty is to serve the community; to safeguard lives and property; to protect the innocent against deception, the weak against oppression or intimidation and the peaceful against abuse or disorder; and to respect the constitutional rights of all to liberty, equality and justice.

I will keep my private life unsullied as an example to all and will behave in a manner that does not bring discredit to me or to my agency. I will maintain courageous calm in the face of danger, scorn or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed both in my personal and official life, I will be exemplary in obeying the law and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will never act officiously or permit personal feelings, prejudices, political beliefs, aspirations, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or abuse and never accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of police service. I will never engage in acts of corruption or bribery, nor will I condone such acts by other police officers. I will cooperate with all legally authorized agencies and their representatives in the pursuit of justice.

I know that I alone am responsible for my own standard of professional performance and will take every reasonable opportunity to enhance and improve my level of knowledge and competence.

I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession . . . law enforcement.

Electronic Mail

204.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the proper use and application of the electronic mail (email) system provided by the Department. Email is a communication tool available to employees to enhance efficiency in the performance of job duties. It is to be used in accordance with generally accepted business practices and current law. Messages transmitted over the email system must only be those that involve official business activities or that contain information essential to employees for the accomplishment of business-related tasks and/or communications directly related to the business, administration or practices of the Department.

204.2 EMAIL RIGHT OF PRIVACY

All email messages, including attachments, transmitted over the department networks or through a web browser accessing the department system are considered department records and therefore are the property of the Department. The Department reserves the right to access, audit and disclose for any lawful reason, all messages, including attachments, transmitted or received through its email system or placed into its storage.

The email system is not a confidential system and therefore is not appropriate for confidential communications. If a communication must be confidential, an alternate method to communicate the message should be used. Employees using the department email system shall have no expectation of privacy concerning communications transmitted over the system.

Employees should not use personal accounts to exchange email or other information that is related to the official business of the Department.

204.3 RESTRICTIONS ON USE OF EMAIL

Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive, harassing or any other inappropriate messages on the email system is prohibited and may result in discipline.

Email messages addressed to the entire department are only to be used for official business-related items that are of particular interest to all users. All email is subject to review and scrutiny with regard to appropriate content or violation of any prohibitions. In the event that a user has questions about sending a particular email communication, the user should seek prior approval from the Chief of Police or Staff. Personal advertisements or announcements are not permitted.

It is a violation of this policy to transmit a message under another user's name or email address or to use the password of another to log into the system. Users are required to log off the network or secure the workstation when the computer is unattended. This added security measure would minimize the misuse of an individual's email, name and/or password.

204.4 EMAIL RECORD MANAGEMENT

Email may, depending upon the individual content, be a record under the Colorado Criminal Justice Records Act (CRS § 24-72-301 et seq.) and must be managed in accordance with the established records retention schedule and in compliance with state law.

Supervision Staffing Levels

206.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that proper supervision is available for all shifts. The Department intends to balance the employee's needs against its need and inherent managerial right to have flexibility and discretion in using personnel to meet operational needs. While balance is desirable, the paramount concern is the need to meet the operational requirements of the Department.

206.2 MINIMUM STAFFING LEVELS

Staffing levels should result in scheduling at least one regular supervisors on-duty whenever possible.

206.2.1 SUPERVISION DEPLOYMENTS

206.3 WORKLOAD ASSESSMENT

Annually, patrol supervisors will conduct and document a workload assessment on the number of calls for service and self-initiated field activity including their complexity, location and time required for completion. A Workload Assessment Report will be designed to allow the Department to assess the demand for service and allocation of personnel based on the workload according to each shift. The report will be forwarded to the Chief of Police.

Chapter 3 - General Operations

Use of Force

300.1 PURPOSE AND SCOPE

This policy provides guidelines on the reasonable response to resistance and aggression. While there is no way to specify the exact amount or type of reasonable response to resistance and aggression to be applied in any situation, every member of this department is expected to use these guidelines to make such decisions in a professional, impartial, and reasonable manner.

In addition to those methods, techniques, and tools set forth below, the guidelines for the reasonable application of response to resistance and aggression contained in this policy shall apply to all policies addressing the potential response to resistance and aggression, including but not limited to the Control Devices and Techniques and Conducted Energy Device policies.

300.1.1 DEFINITIONS

Definitions related to this policy include:

Deadly response to resistance and aggression - Response to resistance and aggression reasonably anticipated and intended to create a substantial likelihood of causing death or bodily injury.

Feasible - Reasonably capable of being done or carried out under the circumstances to successfully achieve the arrest or lawful objective without increasing risk to the officer or another person.

Response to resistance and aggression - The application of physical techniques or tactics, chemical agents or weapons to another person. It is not a response to resistance and aggression when a person allows him/herself to be searched, escorted, handcuffed, or restrained.

Imminent - Ready to take place; impending. Note that imminent does not mean immediate or instantaneous.

Serious bodily injury - An injury that presents a substantial risk of death, a substantial risk of serious permanent disfigurement, a substantial risk of protracted loss or impairment of the function of any part or organ of the body, or breaks, fractures, or burns of the second or third degree.

Totality of the circumstances - All facts and circumstances known to the officer at the time, taken as a whole, including the conduct of the officer and the subject leading up to the response to resistance and aggression.

300.2 POLICY

The response to resistance and aggression by law enforcement personnel is a matter of critical concern, both to the public and to the law enforcement community. Officers are involved on a daily basis in numerous and varied interactions and, when warranted, may use reasonable force in carrying out their duties.

Cortez Police Department

Cortez PD CO Policy Manual

Use of Force

Officers must have an understanding of, and true appreciation for, their authority and limitations. This is especially true with respect to overcoming resistance while engaged in the performance of law enforcement duties.

The Cortez Police Department recognizes and respects the value of all human life and dignity without prejudice to anyone. Vesting officers with the authority to respond to resistance and aggression and to protect the public welfare requires monitoring, evaluation, and a careful balancing of all interests.

300.2.1 DUTY TO INTERVENE AND REPORT

Any officer present and observing another law enforcement officer or a member using response to resistance and aggression that is clearly beyond that which is objectively reasonable under the circumstances shall, when in a position to do so, intervene to prevent the use of unreasonable response to resistance and aggression.

Any officer who observes another law enforcement officer or a member respond to resistance and aggression that is potentially beyond that which is objectively reasonable under the circumstances should report these observations to a supervisor as soon as feasible.

300.2.2 ADDITIONAL INTERVENTION AND REPORTING

An on-duty officer shall also intervene to prevent or stop another peace officer from using physical response to resistance and aggression that exceeds the degree of response to resistance and aggression permitted by CRS § 18-1-707.

An officer who witnesses another peace officer using response to resistance and aggression in excess of that permitted by CRS § 18-1-707 shall report such use of response to resistance and aggression in writing to the officer's immediate supervisor. Such report shall be within 10 days of the occurrence and include the date, time, and place of the occurrence, the identities, if known, and description of the participants, a description of the events and the response to resistance and aggression used, and must be included with all other reports of the incident (CRS § 18-8-802).

An officer shall intervene to prevent or stop another peace officer from using or directing the use of ketamine to effect an arrest, detention, restraint, transport, or punishment; to prevent the escape from custody; or to facilitate ease and convenience in the law enforcement encounter and report the intervention as required by CRS § 18-8-805 and 4 CCR 901-1:17.

300.2.3 PERSPECTIVE

When observing or reporting response to resistance and aggression used by a law enforcement officer, each officer should take into account the totality of the circumstances and the possibility that other law enforcement officers may have additional information regarding the threat posed by the subject.

Cortez Police Department

Cortez PD CO Policy Manual

Use of Force

300.3 USE OF RESPONSE TO RESISTANCE AND AGGRESSION

Officers shall use only that response to resistance and aggression that reasonably appears necessary given the facts and circumstances perceived by the officer at the time of the event to accomplish a legitimate law enforcement purpose.

The reasonableness of response to resistance and aggression will be judged from the perspective of a reasonable officer on the scene at the time of the incident. Any evaluation of reasonableness must allow for the fact that officers are often forced to make split-second decisions about the amount of force that reasonably appears necessary in a particular situation, with limited information and in circumstances that are tense, uncertain, and rapidly evolving.

Given that no policy can realistically predict every possible situation an officer might encounter, officers are entrusted to use well-reasoned discretion in determining the appropriate use of response to resistance and aggression in each incident.

It is also recognized that circumstances may arise in which officers reasonably believe that it would be impractical or ineffective to use any of the tools, weapons, or methods provided by this department. Officers may find it more effective or reasonable to improvise their response to rapidly unfolding conditions that they are confronting. In such circumstances, the use of any improvised device or method must nonetheless be reasonable and utilized only to the degree that reasonably appears necessary to accomplish a legitimate law enforcement purpose.

While the ultimate objective of every law enforcement encounter is to avoid or minimize injury, nothing in this policy requires an officer to retreat or be exposed to possible physical injury before applying reasonable response to resistance and aggression.

300.3.1 USE OF FORCE TO EFFECT AN ARREST

An officer should apply nonviolent means, when possible, and may use physical response to resistance and aggression only if nonviolent means would be ineffective to effect an arrest, prevent an escape, or prevent an imminent threat of injury or death to officers or others (CRS § 18-1-707).

Officers should only use that degree of response to resistance and aggression consistent with the minimization of injury to others (CRS § 18-1-707).

Officers shall not respond to resistance and aggression in excess of the force permitted by CRS § 18-1-707 to a person who has been rendered incapable of resisting arrest (CRS § 18-8-803).

300.3.2 ALTERNATIVE TACTICS - DE-ESCALATION

When circumstances reasonably permit, officers should use non-violent strategies and techniques to decrease the intensity of a situation, improve decision-making, improve communication, reduce the need for response to resistance and aggression, and increase voluntary compliance (e.g., summoning additional resources, formulating a plan, attempting verbal persuasion).

Cortez Police Department

Cortez PD CO Policy Manual

Use of Force

300.3.3 FACTORS USED TO DETERMINE THE REASONABLENESS OF RESPONSE TO RESISTANCE AND AGGRESSION

When determining whether to respond to resistance and aggression and evaluating whether an officer has used reasonable response to resistance and aggression, a number of factors should be taken into consideration, as time and circumstances permit. These factors include but are not limited to:

- (a) Immediacy and severity of the threat to officers or others.
- (b) The conduct of the individual being confronted, as reasonably perceived by the officer at the time.
- (c) Officer/subject factors (e.g., age, size, relative strength, skill level, injuries sustained, level of exhaustion or fatigue, the number of officers available vs. subjects).
- (d) The effects of suspected drug or alcohol use.
- (e) The individual's mental state or capacity.
- (f) The individual's ability to understand and comply with officer commands.
- (g) Proximity of weapons or dangerous improvised devices.
- (h) The degree to which the individual has been effectively restrained and his/her ability to resist despite being restrained.
- (i) The availability of other reasonable and feasible options and their possible effectiveness.
- (j) Seriousness of the suspected offense or reason for contact with the individual.
- (k) Training and experience of the officer.
- (l) Potential for injury to officers, suspects and others.
- (m) Whether the individual appears to be resisting, attempting to evade arrest by flight, or is attacking the officer.
- (n) The risk and reasonably foreseeable consequences of escape.
- (o) The apparent need for immediate control of the individual or a prompt resolution of the situation.
- (p) Whether the conduct of the individual being confronted no longer reasonably appears to pose an imminent threat to the officer or others.
- (q) Prior contacts with the individual or awareness of any propensity for violence.
- (r) Any other exigent circumstances.

300.3.4 PAIN COMPLIANCE TECHNIQUES

Pain compliance techniques may be effective in controlling a physically or actively resisting individual. Officers may only apply those pain compliance techniques for which they have successfully completed department-approved training. Officers utilizing any pain compliance technique should consider:

Cortez Police Department

Cortez PD CO Policy Manual

Use of Force

- (a) The degree to which the application of the technique may be controlled given the level of resistance.
- (b) Whether the individual can comply with the direction or orders of the officer.
- (c) Whether the individual has been given sufficient opportunity to comply.

The application of any pain compliance technique shall be discontinued once the officer determines that compliance has been achieved.

300.3.5 PROHIBITION ON CHOKEHOLDS

An officer is prohibited from using a chokehold upon another person. A chokehold is defined as a method by which a person applies sufficient pressure to a person to make breathing difficult or impossible. It also includes pressure to stop the flow of blood to the brain via the carotid arteries (CRS § 18-1-707).

300.4 DEADLY FORCE APPLICATIONS

When reasonable, the officer shall, prior to the use of deadly force, make efforts to identify themselves as a peace officer and to warn that deadly force may be used, unless the officer has objectively reasonable grounds to believe the person is aware of those facts or that doing so would unduly place officers or other persons at risk of injury or death (CRS § 18-1-707).

Use of deadly force is justified in the following circumstances involving an imminent threat or an imminent risk:

- (a) An officer may use deadly force to protect themselves or others from what the officer reasonably believes is an imminent threat of death or serious bodily injury.
- (b) An officer may use deadly force to stop a fleeing subject when the officer has probable cause to believe that the individual has committed, or intends to commit, a felony involving the infliction or threatened infliction of serious bodily injury or death, and the officer reasonably believes that there is an imminent risk of serious bodily injury or death to any other person if the individual is not immediately apprehended. Under such circumstances, a verbal warning should precede the use of deadly force, where feasible.

However, an officer shall not use deadly force against a person whose actions are a threat solely to themselves or property unless the person poses an imminent danger of death or serious physical injury to the officer or others in close proximity.

Imminent does not mean immediate or instantaneous. An imminent danger may exist even if the suspect is not at that very moment pointing a weapon at someone. For example, an imminent danger may exist if an officer reasonably believes that the individual has a weapon or is attempting to access one and intends to use it against the officer or another person. An imminent danger may also exist if the individual is capable of causing serious bodily injury or death without a weapon, and the officer believes the individual intends to do so.

Cortez Police Department

Cortez PD CO Policy Manual

Use of Force

300.4.1 MOVING VEHICLES

Shots fired at or from a moving vehicle are rarely effective and involve considerations and risks in addition to the justification for the use of a deadly response to resistance and aggression.

When feasible, officers should take reasonable steps to move out of the path of an approaching vehicle instead of discharging their firearm at the vehicle or any of its occupants. An officer should only discharge a firearm at a moving vehicle or its occupants when the officer reasonably believes there are no other reasonable means available to avert the imminent threat of the vehicle, or if deadly force other than the vehicle is directed at the officer or others.

Officers should not shoot at any part of a vehicle in an attempt to disable the vehicle.

300.5 REPORTING THE RESPONSE TO RESISTANCE AND AGGRESSION

Any response to resistance and aggression by a member of this department shall be documented promptly, completely, and accurately in an appropriate report, depending on the nature of the incident. The officer should articulate the factors perceived and why he/she believed the response to resistance and aggression was reasonable under the circumstances.

300.5.1 NOTIFICATIONS TO SUPERVISORS

Supervisory notification shall be made as soon as practicable following the application of force in any of the following circumstances:

- (a) The application caused a visible injury.
- (b) The application would lead a reasonable officer to conclude that the individual may have experienced more than momentary discomfort.
- (c) The individual subjected to the force complained of injury or continuing pain.
- (d) The individual indicates intent to pursue litigation.
- (e) Any application of the conducted energy device or control device.
- (f) Any application of a restraint device other than handcuffs, shackles, or belly chains.
- (g) The individual subjected to the force was rendered unconscious.
- (h) An individual was struck or kicked.
- (i) An individual alleges unreasonable force was used or that any of the above has occurred.

300.5.2 REPORTING TO COLORADO DIVISION OF CRIMINAL JUSTICE

Statistical data regarding all qualifying incidents shall be reported to the Colorado Division of Criminal Justice as required by CRS § 24-31-903 (see the Records Section Policy). For the purposes of this section, a qualifying incident means any (CRS § 24-31-903):

- (a) Incident involving the use of force by an officer that results in death or serious bodily injury.
- (b) Incident involving the use of force by an officer that involved the use of a weapon.
- (c) Contact with the public conducted by officers, including entries into a residence.

Cortez Police Department

Cortez PD CO Policy Manual

Use of Force

- (d) Instance of unannounced entry into a residence.

300.6 MEDICAL CONSIDERATIONS

Once it is reasonably safe to do so, medical assistance shall be obtained for any person who exhibits signs of physical distress, has sustained visible injury, expresses a complaint of injury or continuing pain, or was rendered unconscious. Any individual exhibiting signs of physical distress after an encounter should be continuously monitored until the individual can be medically assessed. Individuals should not be placed on their stomachs for an extended period, as this could impair their ability to breathe.

Based upon the officer's initial assessment of the nature and extent of the individual's injuries, medical assistance may consist of examination by an emergency medical services provider or medical personnel at a hospital or jail. If any such individual refuses medical attention, such a refusal shall be fully documented in related reports and, whenever practicable, should be witnessed by another officer and/or medical personnel. If a recording is made of the contact or an interview with the individual, any refusal should be included in the recording, if possible.

The on-scene supervisor or, if the on-scene supervisor is not available, the primary handling officer shall ensure that any person providing medical care or receiving custody of a person following any response to resistance and aggression is informed that the person was subjected to response to resistance and aggression. This notification shall include a description of the response to resistance and aggression used and any other circumstances the officer reasonably believes would be potential safety or medical risks to the subject (e.g., prolonged struggle, extreme agitation, impaired respiration).

Individuals who exhibit extreme agitation, violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics, and imperviousness to pain, or who require a protracted physical encounter with multiple officers to be brought under control, may be at an increased risk of sudden death. Calls involving these persons should be considered medical emergencies. Officers who reasonably suspect a medical emergency should request medical assistance as soon as practicable and have medical personnel stage away.

See the Medical Aid and Response Policy for additional guidelines.

300.7 SUPERVISOR RESPONSIBILITIES

A supervisor should respond to a reported response to resistance and aggression resulting in visible injury, if reasonably available. When a supervisor is able to respond to an incident in which there has been a reported response to resistance and aggression, the supervisor is expected to:

- (a) Obtain the basic facts from the involved officers. Absent an allegation of misconduct or excessive response to resistance and aggression, this will be considered a routine contact in the normal course of duties.
- (b) Ensure that any injured parties are examined and treated.
- (c) When possible, separately obtain a recorded interview with the individual upon whom response to resistance and aggression was applied. If this interview is conducted

Cortez Police Department

Cortez PD CO Policy Manual

Use of Force

without the individual having voluntarily waived his/her *Miranda* rights, the following shall apply:

1. The content of the interview should not be summarized or included in any related criminal charges.
 2. The fact that a recorded interview was conducted should be documented in a property or other report.
 3. The recording of the interview should be distinctly marked for retention until all potential for civil litigation has expired.
- (d) Once any initial medical assessment has been completed or first aid has been rendered, ensure that photographs have been taken of any areas involving visible injury or complaint of pain, as well as overall photographs of uninjured areas.
1. These photographs should be retained until all potential for civil litigation has expired.
- (e) Identify any witnesses not already included in related reports.
- (f) Review and approve all related reports.
- (g) Determine if there is any indication that the individual may pursue civil litigation.
1. If there is an indication of potential civil litigation, the supervisor should complete and route a notification of a potential claim through the appropriate channels.
- (h) Evaluate the circumstances surrounding the incident and initiate an administrative investigation if there is a question of policy noncompliance or if for any reason further investigation may be appropriate.

In the event that a supervisor is unable to respond to the scene of an incident involving the reported response to resistance and aggression, the supervisor is still expected to complete as many of the above items as circumstances permit.

300.7.1 SHIFT SERGEANT RESPONSIBILITY

The Shift Sergeant shall review each response to resistance and aggression by any personnel within his/her command to ensure compliance with this policy and to address any training issues.

300.8 TRAINING

Officers shall receive annual training on this policy and demonstrate their knowledge and understanding.

Subject to available resources, officers should receive periodic training on guidelines regarding vulnerable populations, including but not limited to children, elderly, pregnant persons, and individuals with physical, mental, or intellectual disabilities.

300.8.1 TRAINING REQUIREMENTS

Required annual training shall include:

- (a) Legal updates.
- (b) De-escalation tactics, including alternatives to force.

Cortez Police Department

Cortez PD CO Policy Manual

Use of Force

- (c) The duty to intervene.
- (d) The duty to request and/or render medical aid.
- (e) Warning shots (see the Firearms Policy).
- (f) All other subjects covered in this policy (e.g., use of deadly force, chokeholds, discharge of a firearm at or from a moving vehicle, verbal warnings).

Response to Resistance and Aggression Review Boards

301.1 PURPOSE AND SCOPE

This policy establishes a process for the Cortez Police Department to review the response to resistance and aggression by its employees.

This review process shall be in addition to any other review or investigation that may be conducted by any outside or multi-agency entity having jurisdiction over the investigation or evaluation of the use of deadly response to resistance and aggression.

301.2 POLICY

The Cortez Police Department will objectively evaluate the response to resistance and aggression by its members to ensure that their authority is used lawfully, appropriately and is consistent with training and policy.

301.3 REMOVAL FROM LINE DUTY ASSIGNMENT

Generally, whenever an employee's actions or response to resistance and aggression in an official capacity, or while using department equipment, results in death or very serious injury to another, that employee will be placed in a temporary administrative assignment pending an administrative review. The Chief of Police may exercise discretion and choose not to place an employee in an administrative assignment in any case.

301.4 REVIEW BOARD

The Response to Resistance and Aggression Review Board will be convened when the response to resistance and aggression by a member results in very serious injury or death to another.

The Assistant Chief may request the Response to Resistance and Aggression Review Board to investigate the circumstances surrounding any response to resistance and aggression.

The Lieutenant will convene the Response to Resistance and Aggression Review Board as necessary. The involved employee's Lieutenant or supervisor will also ensure that all relevant reports, documents and materials are available for consideration and review by the board.

301.4.1 COMPOSITION OF THE BOARD

The Assistant Chief should select five Response to Resistance and Aggression Review Board members from the following, as appropriate:

- Representatives of each division
- Commanding officer in the involved member's chain of command
- Non-administrative supervisor
- A peer officer
- A sworn peace officer from an outside law enforcement agency

Cortez Police Department

Cortez PD CO Policy Manual

Response to Resistance and Aggression Review Boards

- Department instructor for the type of weapon, device or technique used

The senior ranking command representative who is not in the same division as the involved employee will serve as chairperson.

301.4.2 RESPONSIBILITIES OF THE BOARD

The Response to Resistance and Aggression Review Board is empowered to conduct an administrative review and inquiry into the circumstances of an incident.

The board members may request further investigation, request reports be submitted for the board's review, call persons to present information and request the involved employee to appear. The involved employee will be notified of the meeting of the board and may choose to have a representative through all phases of the review process.

The board does not have the authority to recommend discipline.

The Chief of Police will determine whether the board should delay its review until after completion of any criminal investigation, review by any prosecutorial body, filing of criminal charges the decision not to file criminal charges, or any other action. The board should be provided all relevant available material from these proceedings for its consideration.

The review shall be based upon those facts which were reasonably believed or known by the officer at the time of the incident, applying any legal requirements, department policies, procedures and approved training to those facts. Facts later discovered but unknown to the officer at the time shall neither justify nor call into question an officer's decision regarding the response to resistance and aggression.

Any questioning of the involved employee conducted by the board will be in accordance with the department's disciplinary procedures, the Personnel Complaints Policy, and any applicable state or federal law.

The board shall make one of the following recommended findings:

- (a) The employee's actions were within department policy and procedure.
- (b) The employee's actions were in violation of department policy and procedure.

A recommended finding requires a majority vote of the board. The board may also recommend additional investigations or reviews, such as disciplinary investigations, training reviews to consider whether training should be developed or revised, and policy reviews, as may be appropriate. The board chairperson will submit the written recommendation to the Chief of Police.

The Chief of Police shall review the recommendation, make a final determination as to whether the employee's actions were within policy and procedure and will determine whether any additional actions, investigations or reviews are appropriate. The Chief of Police's final findings will be forwarded to the involved employee's Lieutenant for review and appropriate action. If the Chief of Police concludes that discipline should be considered, a disciplinary process will be initiated.

Response to Resistance and Aggression Review Boards

At the conclusion of any additional reviews, copies of all relevant reports and information will be filed with the Chief of Police.

Handcuffing and Restraints

302.1 PURPOSE AND SCOPE

This policy provides guidelines for the use of handcuffs and other restraints during detentions and arrests.

302.2 POLICY

The Cortez Police Department authorizes the use of restraint devices in accordance with this policy, the Use of Force Policy, the Transporting Persons in Custody Policy, and department training. Restraint devices shall not be used to punish, to display authority, or as a show of force.

302.3 USE OF RESTRAINTS

Only members who have successfully completed Cortez Police Department-approved training on the use of restraint devices described in this policy are authorized to use these devices.

When deciding whether to use any restraint, officers should carefully balance officer safety concerns with factors that include, but are not limited to:

- The circumstances or crime leading to the arrest.
- The demeanor and behavior of the arrested person.
- The age and health of the person.
- Whether the person is known to be pregnant.
- Whether the person has a hearing or speaking disability. In such cases, consideration should be given, safety permitting, to handcuffing to the front in order to allow the person to sign or write notes.
- Whether the person has any other apparent disability.

302.3.1 RESTRAINT OF DETAINEES

Situations may arise where it may be reasonable to restrain an individual who may, after brief investigation, be released without arrest. Unless arrested, the use of restraints on detainees should continue only for as long as is reasonably necessary to assure the safety of officers and others. When deciding whether to remove restraints from a detainee, officers should continuously weigh the safety interests at hand against the continuing intrusion upon the detainee.

302.3.2 RESTRAINT OF PREGNANT PERSONS

Persons who are known to be pregnant should be restrained in the least restrictive manner that is effective for officer safety. Leg restraints, waist chains, or handcuffs behind the body should not be used unless the officer has a reasonable suspicion that the person may resist, attempt escape, injure themselves or others, or damage property.

No person who is in labor, delivery, or recovery after delivery shall be handcuffed or restrained except in extraordinary circumstances, and only when a supervisor makes an individualized determination that such restraints are necessary for the safety of the detainee, officers, or others.

Cortez Police Department

Cortez PD CO Policy Manual

Handcuffing and Restraints

See the Transporting Persons in Custody Policy for guidelines relating to transporting pregnant persons.

302.4 APPLICATION OF HANDCUFFS OR PLASTIC CUFFS

Handcuffs, including temporary nylon or plastic cuffs, may be used only to restrain a person's hands to ensure officer safety.

Although recommended for most arrest situations, handcuffing is discretionary and not an absolute requirement of the Department. Officers should consider handcuffing any person they reasonably believe warrants that degree of restraint. However, officers should not conclude that in order to avoid risk every person should be handcuffed, regardless of the circumstances.

In most situations handcuffs should be applied with the hands behind the person's back. When feasible, handcuffs should be double-locked to prevent tightening, which may cause undue discomfort or injury to the hands or wrists.

In situations where one pair of handcuffs does not appear sufficient to restrain the individual or may cause unreasonable discomfort due to the person's size, officers should consider alternatives, such as using an additional set of handcuffs or multiple plastic cuffs.

Handcuffs should be removed as soon as it is reasonable or after the person has been searched and is safely confined within a detention facility.

302.5 APPLICATION OF SPIT HOODS/MASKS/SOCKS

Spit hoods/masks/socks are temporary protective devices designed to prevent the wearer from biting and/or transferring or transmitting fluids (saliva and mucous) to others.

Spit hoods may be placed upon persons in custody when the officer reasonably believes the person will bite or spit, either on a person or in an inappropriate place. They are generally used during application of a physical restraint, while the person is restrained, or during or after transport.

Officers utilizing spit hoods should ensure that the spit hood is fastened properly to allow for adequate ventilation and that the restrained person can breathe normally. Officers should provide assistance during the movement of restrained individuals due to the potential for impaired or distorted vision on the part of the individual. Officers should avoid comingling individuals wearing spit hoods with other detainees.

Spit hoods should not be used in situations where the restrained person is bleeding profusely from the area around the mouth or nose, or if there are indications that the person has a medical condition, such as difficulty breathing or vomiting. In such cases, prompt medical care should be obtained. If the person vomits while wearing a spit hood, the spit hood should be promptly removed and discarded. Persons who have been sprayed with oleoresin capsicum (OC) spray should be thoroughly decontaminated including hair, head and clothing prior to application of a spit hood.

Those who have been placed in a spit hood should be continually monitored and shall not be left unattended until the spit hood is removed. Spit hoods shall be discarded after each use.

Handcuffing and Restraints

302.6 APPLICATION OF AUXILIARY RESTRAINT DEVICES

Auxiliary restraint devices include transport belts, waist or belly chains, transportation chains, leg restraints and other similar devices. Auxiliary restraint devices are intended for use during long-term restraint or transportation. They provide additional security and safety without impeding breathing, while permitting adequate movement, comfort, and mobility.

Only department-authorized devices may be used. Any person in auxiliary restraints should be monitored as reasonably appears necessary.

302.7 APPLICATION OF LEG RESTRAINT DEVICES

Leg restraints may be used to restrain the legs of a violent or potentially violent person when it is reasonable to do so during the course of detention, arrest or transportation. Only restraint devices approved by the Department shall be used.

In determining whether to use the leg restraint, officers should consider:

- (a) Whether the officer or others could be exposed to injury due to the assaultive or resistant behavior of a suspect.
- (b) Whether it is reasonably necessary to protect the suspect from his/her own actions (e.g., hitting his/her head against the interior of the patrol unit, running away from the arresting officer while handcuffed, kicking at objects or officers).
- (c) Whether it is reasonably necessary to avoid damage to property (e.g., kicking at windows of the patrol unit).

302.7.1 GUIDELINES FOR USE OF LEG RESTRAINTS

When applying leg restraints the following guidelines should be followed:

- (a) If practicable, officers should notify a supervisor of the intent to apply the leg restraint device. In all cases, a supervisor shall be notified as soon as practicable after the application of the leg restraint device.
- (b) Once applied, absent a medical or other emergency, restraints should remain in place until the officer arrives at the jail or other facility or the person no longer reasonably appears to pose a threat.
- (c) Once secured, the person should be placed in a seated or upright position, secured with a seat belt, and shall not be placed on their stomach for an extended period, as this could reduce the person's ability to breathe.
- (d) The restrained person should be continually monitored by an officer while in the leg restraint. The officer should ensure that the person does not roll onto and remain on their stomach.
- (e) The officer should look for signs of labored breathing and take appropriate steps to relieve and minimize any obvious factors contributing to this condition.

Cortez Police Department

Cortez PD CO Policy Manual

Handcuffing and Restraints

302.8 REQUIRED DOCUMENTATION

If an individual is restrained and released without an arrest, the officer shall document the details of the detention and the need for handcuffs or other restraints.

If an individual is arrested, the use of restraints other than handcuffs shall be documented in the related report. The officer should include, as appropriate:

- (a) The amount of time the suspect was restrained.
- (b) How the suspect was transported and the position of the suspect.
- (c) Observations of the suspect's behavior and any signs of physiological problems.
- (d) Any known or suspected drug use or other medical problems.

302.9 TRAINING

The Patrol Lieutenant should ensure that officers receive periodic training on the proper use of handcuffs and other restraints, including:

- (a) Proper placement and fit of handcuffs and other restraint devices approved for use by the Department.
- (b) Response to complaints of pain by restrained persons.
- (c) Options for restraining those who may be pregnant without the use of leg restraints, waist chains, or handcuffs behind the body.
- (d) Options for restraining amputees or those with medical conditions or other physical conditions that may be aggravated by being restrained.
- (e) Proper placement of safely secured persons into an upright or seated position to avoid placement on the stomach for an extended period, as this could reduce the person's ability to breathe.

Control Devices and Techniques

303.1 PURPOSE AND SCOPE

This policy provides guidelines for the use and maintenance of control devices that are described in this policy.

303.2 POLICY

In order to control subjects who are violent or who demonstrate the intent to be violent, the Cortez Police Department authorizes officers to use control devices in accordance with the guidelines in this policy and the Use of Force Policy.

303.3 ISSUING, CARRYING AND USING CONTROL DEVICES

Control devices described in this policy may be carried and used by members of this department only if the device has been issued by the Department or approved by the Chief of Police or the authorized designee.

Only officers who have successfully completed department-approved training in the use of any control device are authorized to carry and use the device.

Control devices may be used when a decision has been made to control, restrain or arrest a subject who is violent or who demonstrates the intent to be violent, and the use of the device appears reasonable under the circumstances. When reasonable, a verbal warning and opportunity to comply should precede the use of these devices.

When using control devices, officers should carefully consider potential impact areas in order to minimize injuries and unintentional targets.

303.4 RESPONSIBILITIES

303.4.1 SHIFT SERGEANT RESPONSIBILITIES

The Shift Sergeant may authorize the use of a control device by selected personnel or members of specialized units who have successfully completed the required training.

303.4.2 USER RESPONSIBILITIES

All normal maintenance, charging or cleaning shall remain the responsibility of personnel using the various devices.

Any damaged, inoperative, outdated or expended control devices or munitions, along with documentation explaining the cause of the damage, shall be returned to the Rangemaster for disposition. Damage to City property forms shall also be prepared and forwarded through the chain of command, when appropriate, explaining the cause of damage.

303.5 BATON GUIDELINES

The need to immediately control a suspect must be weighed against the risk of causing serious injury. The head, neck, throat, spine, heart, kidneys and groin should not be intentionally targeted

Cortez Police Department

Cortez PD CO Policy Manual

Control Devices and Techniques

except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

When carrying a baton, uniformed personnel shall carry the baton in its authorized holder on the equipment belt. Plainclothes and non-field personnel may carry the baton as authorized and in accordance with the needs of their assignment or at the direction of their supervisor.

303.6 TEAR GAS GUIDELINES

Tear gas may be used for crowd control, crowd dispersal or against barricaded suspects based on the circumstances. Only the Shift Sergeant, Incident Commander or Specialized Response Team Commander may authorize the delivery and use of tear gas, and only after evaluating all conditions known at the time and determining that such force reasonably appears justified and necessary.

When practicable, fire personnel should be alerted or summoned to the scene prior to the deployment of tear gas to control any fires and to assist in providing medical aid or gas evacuation if needed.

303.7 OLEORESIN CAPSICUM (OC) GUIDELINES

As with other control devices, oleoresin capsicum (OC) spray and pepper projectiles may be considered for use to bring under control an individual or groups of individuals who are engaging in, or are about to engage in, violent behavior. Pepper projectiles and OC spray should not, however, be used against individuals or groups who merely fail to disperse or do not reasonably appear to present a risk to the safety of officers or the public.

303.7.1 OC SPRAY

Uniformed personnel carrying OC spray shall carry the device in its holster on the equipment belt. Plainclothes and non-field personnel may carry OC spray as authorized, in accordance with the needs of their assignment or at the direction of their supervisor.

303.7.2 TREATMENT FOR OC SPRAY EXPOSURE

Persons who have been sprayed with or otherwise affected by the use of OC should be promptly provided with clean water to cleanse the affected areas. Those persons who complain of further severe effects shall be examined by appropriate medical personnel.

303.8 ADDITIONAL CHEMICAL AGENT DEPLOYMENT CONSIDERATIONS

In response to a protest or demonstration, officers shall not use any chemical agents, including pepper spray or tear gas, without first issuing an order to disperse. The order shall be given in a reasonably sufficient manner to be heard, and repeated if necessary, and followed by sufficient time and space to allow compliance with the order (CRS § 24-31-905).

303.9 POST-APPLICATION NOTICE

Whenever tear gas or OC has been introduced into a residence, building interior, vehicle or other enclosed area, officers should inform the owners or available occupants of the possible presence of residue that could result in irritation or injury if the area is not properly cleaned.

Control Devices and Techniques

303.10 KINETIC ENERGY PROJECTILE GUIDELINES

This department is committed to reducing the potential for violent confrontations. Kinetic energy projectiles, when used properly, are less likely to result in death or serious physical injury and can be used in an attempt to de-escalate a potentially deadly situation.

303.10.1 DEPLOYMENT AND USE

Only department-approved kinetic energy munitions shall be carried and deployed. Approved munitions may be used to compel an individual to cease his/her actions when such munitions present a reasonable option.

Officers are not required or compelled to use approved munitions in lieu of other reasonable tactics if the involved officer determines that deployment of these munitions cannot be done safely. The safety of hostages, innocent persons and officers takes priority over the safety of subjects engaged in criminal or suicidal behavior.

Circumstances appropriate for deployment include, but are not limited to, situations in which:

- (a) The suspect is armed with a weapon and the tactical circumstances allow for the safe application of approved munitions.
- (b) The suspect has made credible threats to harm him/herself or others.
- (c) The suspect is engaged in riotous behavior or is throwing rocks, bottles or other dangerous projectiles at people and/or officers.
- (d) There is probable cause to believe that the suspect has already committed a crime of violence and is refusing to comply with lawful orders.

303.10.2 DEPLOYMENT CONSIDERATIONS

Before discharging projectiles, the officer should consider such factors as:

- (a) Distance and angle to target.
- (b) Type of munitions employed.
- (c) Type and thickness of subject's clothing.
- (d) The subject's proximity to others.
- (e) The location of the subject.
- (f) Whether the subject's actions dictate the need for an immediate response and the use of control devices appears appropriate.

A verbal warning of the intended use of the device should precede its application unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances. The purpose of the warning is to give the individual a reasonable opportunity to voluntarily comply and to warn other officers and individuals that the device is being deployed.

Officers should keep in mind the manufacturer's recommendations and their training regarding effective distances and target areas. However, officers are not restricted solely to use according to

Cortez Police Department

Cortez PD CO Policy Manual

Control Devices and Techniques

manufacturer recommendations. Each situation must be evaluated on the totality of circumstances at the time of deployment.

The need to immediately incapacitate the subject must be weighed against the risk of causing serious injury or death. The head and neck should not be intentionally targeted, except when the officer reasonably believes the suspect poses an imminent threat of serious bodily injury or death to the officer or others.

303.10.3 SAFETY PROCEDURES

Shotguns specifically designated for use with kinetic energy projectiles will be specially marked in a manner that makes them readily identifiable as such.

Officers will inspect the shotgun and projectiles to ensure that the shotgun is in proper working order and the projectiles are of the approved type and appear to be free from defects.

When it is not deployed, the shotgun will properly and securely stored in the vehicle. When deploying the kinetic energy projectile shotgun, the officer shall visually inspect the kinetic energy projectiles to ensure that conventional ammunition is not being loaded into the shotgun.

Absent compelling circumstances, officers who must transition from conventional ammunition to kinetic energy projectiles will employ the two-person rule for loading. The two-person rule is a safety measure in which a second officer watches the unloading and loading process to ensure that the weapon is completely emptied of conventional ammunition.

303.10.4 PROTEST OR DEMONSTRATION CONSIDERATIONS

In response to protests or demonstrations, officers should not discharge kinetic energy projectiles in a manner that intentionally targets the head, neck, pelvis, or back of any person (CRS § 24-31-905).

Officers shall not indiscriminately discharge kinetic energy projectiles into a crowd (CRS § 24-31-905).

303.11 TRAINING FOR CONTROL DEVICES

The Patrol Lieutenant shall ensure that all personnel who are authorized to carry a control device have been properly trained and certified to carry the specific control device and are retrained or recertified as necessary.

- (a) Proficiency training shall be monitored and documented by a certified, control-device weapons or tactics instructor.
- (b) All training and proficiency for control devices will be documented in the officer's training file.
- (c) Officers who fail to demonstrate proficiency with the control device or knowledge of this agency's Use of Force Policy will be provided remedial training. If an officer cannot demonstrate proficiency with a control device or knowledge of this agency's Use of Force Policy after remedial training, the officer will be restricted from carrying the control device and may be subject to discipline.

303.12 REPORTING USE OF CONTROL DEVICES AND TECHNIQUES

Any application of a control device or technique listed in this policy shall be documented in the related incident report and reported pursuant to the Use of Force Policy.

Conducted Energy Device

304.1 PURPOSE AND SCOPE

This policy provides guidelines for the issuance and use of the conducted energy device (CED).

304.2 POLICY

The CED is used in an attempt to control a violent or potentially violent individual. The appropriate use of such a device may result in fewer serious injuries to officers and suspects.

304.3 ISSUANCE AND CARRYING CEDS

Only members who have successfully completed department-approved training may be issued and may carry the CED.

The Rangemaster should keep a log of issued CED devices and the serial numbers of cartridges/magazines issued to members.

CEDs are issued for use during a member's current assignment. Those leaving a particular assignment may be required to return the device to the department inventory.

Officers shall only use the CED and cartridges/magazines that have been issued by the Department. Cartridges/magazines should not be used after the manufacturer's expiration date.

Uniformed officers who have been issued the CED shall wear the device in an approved holster.

Officers who carry the CED while in uniform shall carry it in a holster on the side opposite the duty weapon.

- (a) All CEDs shall be clearly distinguishable to differentiate them from the duty weapon and any other device.
- (b) For single-shot devices, whenever practicable, officers should carry an additional cartridge on their person when carrying the CED.
- (c) Officers should not hold a firearm and the CED at the same time.

Non-uniformed officers may secure the CED in a concealed, secure location in the driver's compartment of their vehicles.

304.3.1 USER RESPONSIBILITIES

Officers shall be responsible for ensuring that the issued CED is properly maintained and in good working order. This includes a function test and battery life monitoring, as required by the manufacturer, and should be completed prior to the beginning of the officer's shift.

CEDs that are damaged or inoperative, or cartridges/magazines that are expired or damaged, shall be returned to the Rangemaster for disposition. Officers shall submit documentation stating the reason for the return and how the CED or cartridge/magazine was damaged or became inoperative, if known.

Cortez Police Department

Cortez PD CO Policy Manual

Conducted Energy Device

304.4 VERBAL AND VISUAL WARNINGS

A verbal warning of the intended use of the CED should precede its application, unless it would otherwise endanger the safety of officers or when it is not practicable due to the circumstances.

The purpose of the warning is to:

- (a) Provide the individual with a reasonable opportunity to voluntarily comply.
- (b) Provide other officers and individuals with a warning that the CED may be deployed.

If, after a verbal warning, an individual fails to voluntarily comply with an officer's lawful orders and it appears both reasonable and feasible under the circumstances, the officer may, but is not required to, activate any warning on the device, which may include display of the electrical arc, an audible warning, or the laser in a further attempt to gain compliance prior to the application of the CED. The laser should not be intentionally directed into anyone's eyes.

The fact that a verbal or other warning was given or the reasons it was not given shall be documented by the officer deploying the CED in the related report.

304.5 USE OF THE CED

The CED has limitations and restrictions requiring consideration before its use. The CED should only be used when its operator can safely deploy the device within its operational range. Although the CED may be effective in controlling most individuals, officers should be aware that the device may not achieve the intended results and be prepared with other options.

If sufficient personnel are available and can be safely assigned, an officer designated as lethal cover for any officer deploying a CED may be considered for officer safety.

304.5.1 APPLICATION OF THE CED

The CED may be used when the circumstances reasonably perceived by the officer at the time indicate that such application reasonably appears necessary to control a person who:

- (a) Is violent or is physically resisting.
- (b) Has demonstrated, by words or action, an intention to be violent or to physically resist, and reasonably appears to present the potential to harm officers, themselves, or others.

Mere flight from a pursuing officer, without additional circumstances or factors, is not good cause for the use of the CED to apprehend an individual.

The CED shall not be used to psychologically torment, to elicit statements, or to punish any individual.

304.5.2 SPECIAL DEPLOYMENT CONSIDERATIONS

The use of the CED on certain individuals should generally be avoided unless the totality of the circumstances indicates that other available options reasonably appear ineffective or would present a greater danger to the officer, the subject or others, and the officer reasonably believes that the need to control the individual outweighs the potential risk of using the device. This includes:

- (a) Individuals who are known to be pregnant.

Cortez Police Department

Cortez PD CO Policy Manual

Conducted Energy Device

- (b) Elderly individuals or obvious juveniles.
- (c) Individuals with obviously low body mass.
- (d) Individuals who are handcuffed or otherwise restrained.
- (e) Individuals known to have been recently sprayed with a flammable chemical agent or who are otherwise known to be in close proximity to any known combustible vapor or flammable material, including alcohol-based oleoresin capsicum (OC) spray.
- (f) Individuals whose position or activity is likely to result in collateral injury (e.g., falls from height, located in water, operating vehicles).

Because the application of the CED in the drive-stun mode (i.e., direct contact without probes) relies primarily on pain compliance, the use of the drive-stun mode generally should be limited to supplementing the probe-mode to complete the circuit, or as a distraction technique to gain separation between officers and the subject, thereby giving officers time and distance to consider other force options or actions.

304.5.3 TARGETING CONSIDERATIONS

Recognizing that the dynamics of a situation and movement of the subject may affect target placement of probes, when practicable, officers should attempt to target the back, lower center mass, and upper legs of the subject, and avoid intentionally targeting the head, neck, area of the heart, or genitals. If circumstances result in one or more probes inadvertently striking an area outside of the preferred target zones, the individual should be closely monitored until examined by paramedics or other medical personnel.

304.5.4 MULTIPLE APPLICATIONS OF THE CED

Once an officer has successfully deployed two probes on the subject, the officer should continually assess the subject to determine if additional probe deployments or cycles reasonably appear necessary. Additional factors officers may consider include but are not limited to:

- (a) Whether it is reasonable to believe that the need to control the individual outweighs the potentially increased risk posed by multiple applications.
- (b) Whether the probes are making proper contact.
- (c) Whether the individual has the ability and has been given a reasonable opportunity to comply.
- (d) Whether verbal commands or other options or tactics may be more effective.

Given that on certain devices (e.g., TASER 10™) each trigger pull deploys a single probe, the officer must pull the trigger twice to deploy two probes to create the possibility of neuro-muscular incapacitation.

304.5.5 ACTIONS FOLLOWING DEPLOYMENTS

Officers should take appropriate actions to control and restrain the individual as soon as reasonably practicable to minimize the need for longer or multiple exposures to the CED. As soon as practicable, officers shall notify a supervisor any time the CED has been discharged. If

Cortez Police Department

Cortez PD CO Policy Manual

Conducted Energy Device

needed for evidentiary purposes, the expended cartridge, along with any probes and wire, should be submitted into evidence (including confetti tags, when equipped on the device). The evidence packaging should be marked "Biohazard" if the probes penetrated the subject's skin.

304.5.6 DANGEROUS ANIMALS

The CED may be deployed against an animal if the animal reasonably appears to pose an imminent threat to human safety.

304.5.7 OFF-DUTY CONSIDERATIONS

Officers are not authorized to carry department CEDs while off-duty.

Officers shall ensure that CEDs are secured while in their homes, vehicles, or any other area under their control, in a manner that will keep the device inaccessible to others.

304.6 DOCUMENTATION

Officers shall document all CED discharges in the related arrest/crime reports. Photographs should be taken of any obvious probe impact or drive-stun application sites. Notification shall also be made to a supervisor in compliance with the Response to Resistance and Aggression Policy. Unintentional discharges, pointing the device at a person, audible warning, laser activation, and arcing the device, other than for testing purposes, will also be documented on the report form. Data downloads from the CED after use on a subject should be done as soon as practicable using a department-approved process to preserve the data.

304.7 MEDICAL TREATMENT

Consistent with local medical personnel protocols and absent extenuating circumstances, only appropriate medical personnel or officers trained in probe removal and handling should remove CED probes from a person's body. Used CED probes shall be treated as a sharps biohazard, similar to a used hypodermic needle, and handled appropriately. Universal precautions should be taken.

All persons who have been struck by CED probes, who have been subjected to the electric discharge of the device, or who sustained direct exposure of the laser to the eyes shall be medically assessed prior to booking. Additionally, any such individual who falls under any of the following categories should, as soon as practicable, be examined by paramedics or other qualified medical personnel:

- (a) The person is suspected of being under the influence of controlled substances and/or alcohol.
- (b) The person may be pregnant.
- (c) The person reasonably appears to be in need of medical attention.
- (d) The CED probes are lodged in a sensitive area (e.g., groin, female breast, head, face, neck).
- (e) The person requests medical treatment.

Cortez Police Department

Cortez PD CO Policy Manual

Conducted Energy Device

Any individual exhibiting signs of distress or who is exposed to multiple or prolonged applications shall be transported to a medical facility for examination or medically evaluated prior to booking. If any individual refuses medical attention, such a refusal should be witnessed by another officer and/or medical personnel and shall be fully documented in related reports. If an audio/video recording is made of the contact or an interview with the individual, any refusal should be included, if possible.

The transporting officer shall inform any person providing medical care or receiving custody that the individual has been subjected to the application of the CED (see the Medical Aid and Response Policy).

304.8 SUPERVISOR RESPONSIBILITIES

When possible, supervisors should respond to calls when they reasonably believe there is a likelihood the CED may be used. A supervisor should respond to all incidents where the CED was activated.

A supervisor should review each incident where a person has been exposed to a CED. The device's internal logs should be downloaded by a supervisor or Rangemaster and saved with the related arrest/crime report. The supervisor should arrange for photographs of probe sites to be taken and witnesses to be interviewed.

304.9 TRAINING

Personnel who are authorized to carry the CED shall be permitted to do so only after successfully completing the initial department-approved training. Any personnel who have not carried the CED as a part of their assignments for a period of six months or more shall be recertified by a qualified CED instructor prior to again carrying or using the device.

Proficiency training for personnel who have been issued CEDs should occur every year. A reassessment of an officer's knowledge and/or practical skills may be required at any time, if deemed appropriate, by the Patrol Lieutenant. All training and proficiency for CEDs will be documented in the officer's training files.

Command staff, supervisors, and investigators should receive CED training as appropriate for the investigations they conduct and review.

Officers who do not carry CEDs should receive training that is sufficient to familiarize them with the device and with working with officers who use the device.

The Patrol Lieutenant is responsible for ensuring that all members who carry CEDs have received initial and annual proficiency training. Periodic audits should be used for verification.

Application of CEDs during training could result in injuries and should not be mandatory for certification.

The Patrol Lieutenant should include the following training:

- (a) A review of this policy.
- (b) A review of the Use of Force Policy.

Cortez Police Department

Cortez PD CO Policy Manual

Conducted Energy Device

- (c) Performing weak-hand draws or cross-draws until proficient to reduce the possibility of unintentionally drawing and firing a firearm.
- (d) Target area considerations, to include techniques or options to reduce the unintentional application of probes to the head, neck, area of the heart, and groin.
- (e) Scenario-based training, including virtual reality training when available.
- (f) Handcuffing a subject during the application of the CED and transitioning to other force options.
- (g) De-escalation techniques.
- (h) Restraint techniques that do not impair respiration following the application of the CED.
- (i) Proper use of cover and concealment during deployment of the CED for purposes of officer safety.
- (j) Proper tactics and techniques related to multiple applications of CEDs.

Officer-Involved Shootings and Deaths

305.1 PURPOSE AND SCOPE

The purpose of this policy is to establish policy and procedures for the investigation of an incident in which a person is injured or dies as the result of an officer-involved shooting or dies as a result of other action of an officer.

In other incidents not covered by this policy, the Chief of Police may decide that the investigation will follow the process provided in this policy.

305.2 POLICY

The policy of the Cortez Police Department is to ensure that officer-involved shootings and deaths are investigated in a thorough, fair and impartial manner.

305.3 TYPES OF INVESTIGATIONS

Officer-involved shootings and deaths involve several separate investigations. The investigations may include:

- A criminal investigation of the suspect's actions.
- A criminal investigation of the involved officer's actions.
- An administrative investigation as to policy compliance by involved officers.
- A civil investigation to determine potential liability.

305.4 CONTROL OF INVESTIGATIONS

Investigators from surrounding agencies may be assigned to work on the criminal investigation of officer-involved shootings and deaths. This may include at least one investigator from the agency that employs the involved officer.

Jurisdiction is determined by the location of the shooting or death and the agency employing the involved officer. The following scenarios outline the jurisdictional responsibilities for investigating officer-involved shootings and deaths.

305.4.1 CRIMINAL INVESTIGATION OF SUSPECT ACTIONS

The investigation of any possible criminal conduct by the suspect is controlled by the agency in whose jurisdiction the suspect's crime occurred. For example, the Cortez Police Department would control the investigation if the suspect's crime occurred in City of Cortez.

If multiple crimes have been committed in multiple jurisdictions, identification of the agency that will control the investigation may be reached in the same way as with any other crime. The investigation may be conducted by the agency in control of the criminal investigation of the involved officer, at the discretion of the Chief of Police and with concurrence from the other agency.

Cortez Police Department

Cortez PD CO Policy Manual

Officer-Involved Shootings and Deaths

305.4.2 CRIMINAL INVESTIGATION OF OFFICER ACTIONS

The control of the criminal investigation into the involved officer's conduct during the incident will be determined by the employing agency's protocol. When an officer from this department is involved, the criminal investigation will be handled according to the Criminal Investigation section of this policy.

Requests made of this department to investigate a shooting or death involving an outside agency's officer shall be referred to the Chief of Police or the authorized designee for approval.

305.4.3 ADMINISTRATIVE AND CIVIL INVESTIGATION

Regardless of where the incident occurs, the administrative and civil investigation of each involved officer is controlled by the respective employing agency.

305.5 INVESTIGATION PROCESS

The following procedures are guidelines used in the investigation of an officer-involved shooting or death.

305.5.1 UNINVOLVED OFFICER RESPONSIBILITIES

Upon arrival at the scene of an officer-involved shooting or death, the first uninvolved CPD officer will be the officer-in-charge and will assume the responsibilities of a supervisor until properly relieved. This officer should, as appropriate:

- (a) Secure the scene and identify and eliminate hazards for all those involved.
- (b) Take reasonable steps to obtain emergency medical attention for injured individuals.
- (c) Request additional resources from the Department or other agencies.
- (d) Coordinate a perimeter or pursuit of suspects.
- (e) Check for injured persons and evacuate as needed.
- (f) Brief the supervisor upon arrival.

305.5.2 SUPERVISOR RESPONSIBILITIES

Upon arrival at the scene, the first uninvolved CPD supervisor should ensure completion of the duties as outlined above, plus:

- (a) Attempt to obtain a brief overview of the situation from any uninvolved officers.
 1. In the event that there are no uninvolved officers who can supply adequate overview, the supervisor should attempt to obtain a brief voluntary overview from one involved officer.
- (b) If necessary, the supervisor may administratively order any CPD officer to immediately provide public safety information necessary to secure the scene, identify injured parties and pursue suspects.
 1. Public safety information shall be limited to such things as outstanding suspect information, number and direction of any shots fired, perimeter of the incident scene, identity of known or potential witnesses and any other pertinent information.

Cortez Police Department

Cortez PD CO Policy Manual

Officer-Involved Shootings and Deaths

2. The initial on-scene supervisor should not attempt to order any involved officer to provide any information other than public safety information.
- (c) Provide all available information to the Shift Sergeant and Dispatch. If feasible, sensitive information should be communicated over secure networks.
- (d) Take command of and secure the incident scene with additional CPD members until properly relieved by another supervisor or other assigned personnel or investigator.
- (e) As soon as practicable, ensure that involved officers are transported (separately, if feasible) to a suitable location for further direction.
 1. Each involved CPD officer should be given an administrative order not to discuss the incident with other involved officers or CPD members pending further direction from a supervisor.
 2. When an involved officer's weapon is taken or left at the scene for other than officer-safety reasons (e.g., evidence), ensure that he/she is provided with a comparable replacement weapon or transported by other officers.

305.5.3 SHIFT SERGEANT RESPONSIBILITIES

Upon learning of an officer-involved shooting or death, the Shift Sergeant shall be responsible for coordinating all aspects of the incident until relieved by the Chief of Police or a Staff Member.

All outside inquiries about the incident shall be directed to the Chief of Police or designee.

305.5.4 NOTIFICATIONS

The following persons shall be notified as soon as practicable:

- Chief of Police
- Command Staff
- Southwest Colorado Officer Involved Investigations Team of the 22nd Judicial District rollout team
- Outside agency investigators (if appropriate)
- Psychological/peer support personnel
- Coroner (if necessary)

305.5.5 INVOLVED OFFICERS

The following shall be considered for the involved officer:

- (a) Any request for legal or union representation will be accommodated.
 1. Involved CPD officers shall not be permitted to meet collectively or in a group with an attorney or any representative prior to providing a formal interview or report.
 2. Requests from involved non-CPD officers should be referred to their employing agency.

Cortez Police Department

Cortez PD CO Policy Manual

Officer-Involved Shootings and Deaths

- (b) Discussions with licensed attorneys will be considered privileged as attorney-client communications.
- (c) Discussions with agency representatives/employee groups will be privileged only as to the discussion of non-criminal information.
- (d) A licensed psychotherapist shall be provided by the Department to each involved CPD officer. A licensed psychotherapist may also be provided to any other affected CPD members, upon request.
 - 1. Interviews with a licensed psychotherapist will be considered privileged.
 - 2. An interview or session with a licensed psychotherapist may take place prior to the member providing a formal interview or report. However, involved members shall not be permitted to consult or meet collectively or in a group with a licensed psychotherapist prior to providing a formal interview or report.
 - 3. A separate fitness-for-duty exam may also be required (see the Fitness for Duty Policy).
 - 4. Communications between the involved officer and a peer support member are addressed in the Wellness Program Policy.

Care should be taken to preserve the integrity of any physical evidence present on the involved officer's equipment or clothing, such as blood or fingerprints, until investigators or lab personnel can properly retrieve it.

Each involved CPD officer shall be given reasonable paid administrative leave following an officer-involved shooting or death or appropriate duty reassignment as agreed upon by the involved officer and the Department to allow the officer to receive services and manage the impact of the incident on the officer and the officer's family and significant others. It shall be the responsibility of the Shift Sergeant to make schedule adjustments to accommodate such leave.

305.6 CRIMINAL INVESTIGATION

The Southwest Colorado Officer Involved Investigations Team is responsible for the criminal investigation into the circumstances of any officer-involved shooting or death.

If available, investigative personnel from this department may be assigned to partner with investigators from outside agencies or the Southwest Colorado Officer Involved Investigations Team to avoid duplicating efforts in related criminal investigations.

Once public safety issues have been addressed, criminal investigators should be given the opportunity to obtain a voluntary statement from involved officers and to complete their interviews.

The following shall be considered for the involved officer:

- (a) CPD supervisors and Lieutenant personnel should not participate directly in any voluntary interview of CPD officers. This will not prohibit such personnel from monitoring interviews or providing the criminal investigators with topics for inquiry.
- (b) If requested, any involved officer will be afforded the opportunity to consult individually with a representative of his/her choosing or an attorney prior to speaking with criminal investigators. However, in order to maintain the integrity of each involved officer's

Cortez Police Department

Cortez PD CO Policy Manual

Officer-Involved Shootings and Deaths

statement, involved officers shall not consult or meet with a representative or an attorney collectively or in groups prior to being interviewed.

- (c) If any involved officer is physically, emotionally or otherwise not in a position to provide a voluntary statement when interviewed by criminal investigators, consideration should be given to allowing a reasonable period for the officer to schedule an alternate time for the interview.
- (d) Any voluntary statement provided by an involved officer will be made available for inclusion in any related investigation, including administrative investigations. However, no administratively coerced statement will be provided to any criminal investigators unless the officer consents.

305.6.1 REPORTS BY INVOLVED CPD OFFICERS

In the event that suspects remain outstanding or subject to prosecution for related offenses, this department shall retain the authority to require involved CPD officers to provide sufficient information for related criminal reports to facilitate the apprehension and prosecution of those individuals.

While the involved CPD officer may write the report, it is generally recommended that such reports be completed by assigned investigators, who should interview all involved officers as victims/witnesses. Since the purpose of these reports will be to facilitate criminal prosecution, statements of involved officers should focus on evidence to establish the elements of criminal activities by suspects. Care should be taken not to duplicate information provided by involved officers in other reports.

Nothing in this section shall be construed to deprive an involved CPD officer of the right to consult with legal counsel prior to completing any such criminal report.

Reports related to the prosecution of criminal suspects will be processed according to normal procedures but should also be included for reference in the investigation of the officer-involved shooting or death.

305.6.2 WITNESS IDENTIFICATION AND INTERVIEWS

Because potential witnesses to an officer-involved shooting or death may become unavailable or the integrity of their statements compromised with the passage of time, a supervisor should take reasonable steps to promptly coordinate with criminal investigators to utilize available law enforcement personnel for the following:

- (a) Identification of all persons present at the scene and in the immediate area.
 - 1. When feasible, a recorded statement should be obtained from those persons who claim not to have witnessed the incident but who were present at the time it occurred.
 - 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose

Cortez Police Department

Cortez PD CO Policy Manual

Officer-Involved Shootings and Deaths

of identification, attempts to identify the witness prior to his/her departure should be made whenever feasible.

- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by a member of the Department.
 - 1. A written, verbal or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transportation.
- (c) Promptly contacting the suspect's known family and associates to obtain any available and untainted background information about the suspect's activities and state of mind prior to the incident.

305.6.3 INVESTIGATIVE PERSONNEL

Once notified of an officer-involved shooting or death, it shall be the responsibility of the designated Detective Division supervisor to assign appropriate investigative personnel to handle the investigation of related crimes. Department investigators will be assigned to work with investigators from the Southwest Colorado Officer Involved Investigations Team and may be assigned to separately handle the investigation of any related crimes not being investigated by the Southwest Colorado Officer Involved Investigations Team.

All related department reports, except administrative and/or privileged reports, will be forwarded to the designated Detective Division supervisor for approval. Privileged reports shall be maintained exclusively by members who are authorized such access. Administrative reports will be forwarded to the appropriate Lieutenant.

305.6.4 MULTI-AGENCY INVESTIGATION

Officer-involved shootings that result in injury or death or other uses of force by an officer that result in death shall be investigated by a multi-agency team. The multi-agency team shall include at least one other police or sheriff's agency or the Colorado Bureau of Investigation. The Chief of Police or the authorized designee shall ensure this protocol is posted on the Cortez Police Department website and is available to the public upon request (CRS § 16-2.5-301).

305.7 ADMINISTRATIVE INVESTIGATION

In addition to all other investigations associated with an officer-involved shooting or death, this department will conduct an internal administrative investigation of involved CPD officers to determine conformance with department policy. This investigation will be conducted under the supervision of the Assistant Chief and will be considered a confidential officer personnel file.

Interviews of members shall be subject to department policies (see the Personnel Complaints Policy) and applicable laws.

- (a) Any officer involved in a shooting or death may be requested or administratively compelled to provide a blood sample for alcohol/drug screening. Absent consent from the officer, such compelled samples and the results of any such testing shall not be disclosed to any criminal investigative agency.

Cortez Police Department

Cortez PD CO Policy Manual

Officer-Involved Shootings and Deaths

- (b) If any officer has voluntarily elected to provide a statement to criminal investigators, the assigned administrative investigator should review that statement before proceeding with any further interview of that involved officer.
 - 1. If a further interview of the officer is deemed necessary to determine policy compliance, care should be taken to limit the inquiry to new areas with minimal, if any, duplication of questions addressed in the voluntary statement. The involved officer shall be provided with a copy of his/her prior statement before proceeding with any subsequent interviews.
- (c) In the event that an involved officer has elected not to provide criminal investigators with a voluntary statement, the assigned administrative investigator shall conduct an administrative interview to determine all relevant information.
 - (a) Although this interview should not be unreasonably delayed, care should be taken to ensure that the officer's physical and psychological needs have been addressed before commencing the interview.
 - (b) If requested, the officer shall have the opportunity to select an uninvolved representative to be present during the interview. However, in order to maintain the integrity of each individual officer's statement, involved officers shall not consult or meet with a representative collectively or in groups prior to being interviewed.
 - (c) Administrative interviews should be recorded by the investigator. The officer may also record the interview.
 - (d) The officer shall be informed of the nature of the investigation. If an officer refuses to answer questions, he/she should be given his/her Garrity rights and ordered to provide full and truthful answers to all questions. The officer shall be informed that the interview will be for administrative purposes only and that the statement cannot be used criminally.
 - (e) The Assistant Chief shall compile all relevant information and reports necessary for the Department to determine compliance with applicable policies.
 - (f) Regardless of whether the use of force is an issue in the case, the completed administrative investigation shall be submitted to the Use of Force Review Board, which will restrict its findings as to whether there was compliance with the Use of Force Policy.
 - (g) Any other indications of potential policy violations shall be determined in accordance with standard disciplinary procedures.

305.8 CIVIL LIABILITY RESPONSE

A member of this department may be assigned to work exclusively under the direction of the legal counsel for the Department to assist in the preparation of materials deemed necessary in anticipation of potential civil litigation.

All materials generated in this capacity shall be considered attorney work product and may not be used for any other purpose. The civil liability response is not intended to interfere with any other investigation but shall be given reasonable access to all other investigations.

305.9 AUDIO AND VIDEO RECORDINGS

Any officer involved in a shooting or death may be permitted to review available body-worn video, or other video or audio recordings prior to providing a recorded statement or completing reports.

Upon request, non-law enforcement witnesses who are able to verify their presence and their ability to contemporaneously perceive events at the scene of an incident may also be permitted to review available body-worn video, or other video or audio recordings with the approval of assigned investigators or a supervisor.

Any body-worn and other known video or audio recordings of an incident should not be publicly released during an ongoing investigation without consulting the prosecuting attorney or City Attorney's Office, as appropriate.

305.10 DEBRIEFING

Following an officer-involved shooting or death, the Cortez Police Department should conduct both a Critical Incident Stress Debriefing and a tactical debriefing. See the Wellness Program Policy for guidance on Critical Incident Stress Debriefings.

305.10.1 TACTICAL DEBRIEFING

A tactical debriefing should take place to identify any training or areas of policy that need improvement. The Chief of Police should identify the appropriate participants. This debriefing should not be conducted until all involved members have provided recorded or formal statements to criminal and/or administrative investigators.

305.11 MEDIA RELATIONS

Any media release shall be prepared with input and concurrence from the supervisor and department representative responsible for each phase of the investigation. Releases will be available to the Chief of Police or designee in the event of inquiries from the media.

No involved CPD officer shall make any comment to the media unless he/she is authorized by the Chief of Police or a Staff Member.

Department members receiving inquiries regarding officer-involved shootings or deaths occurring in other jurisdictions shall refrain from public comment and will direct those inquiries to the agency having jurisdiction and primary responsibility for the investigation.

305.12 POST-INCIDENT SERVICES FOR FAMILY

The family members and significant others of an officer who has been involved in a shooting or deadly use of force should be provided, as department resources reasonably allow (CRS § 16-2.5-403):

- (a) At least one confidential post-incident meeting with a qualified mental health professional (CRS § 16-2.5-402) in a timely manner following the incident, including through telehealth services.
- (b) Ongoing confidential mental health services from a qualified mental health professional (CRS § 16-2.5-402) as needed, including through telehealth services.

- (c) Peer support, including department peer support or online or telehealth peer support.

305.13 PROTOCOLS FOR RETURN TO DUTY

The Department shall take steps to facilitate returning department members back to their duty assignments following their involvement in a shooting or deadly use of force, taking into consideration the Department's size and resources (CRS § 16-2.5-403).

305.13.1 REINTEGRATION

Taking into account that involved officers may experience psychological, physical, or emotional reactions, the Department shall implement a reintegration plan that considers having the officer:

- (a) Return to the scene of the incident.
- (b) Fire the officer's weapon at the range.
- (c) Participate in graded re-entry with a companion officer or peer support officer of the officer's choosing.

305.13.2 ONGOING SUPPORTIVE MENTAL HEALTH SERVICES

An officer who has been involved in a shooting or deadly use of force shall be provided ongoing supportive mental health services, including confidential follow-up by a qualified mental health professional (CRS § 16-2.5-402), either in person or through telehealth services.

305.14 POLICY REVIEW

The Department shall review this policy biennially and make any necessary updates to reflect current best practices and available resources (CRS § 16-2.5-403).

Firearms

306.1 PURPOSE AND SCOPE

This policy provides guidelines for issuing firearms, the safe and legal carrying of firearms, firearms maintenance and firearms training.

This policy does not apply to issues related to the use of firearms that are addressed in the Use of Force or Officer-Involved Shootings and Deaths policies.

This policy only applies to those members who are authorized to carry firearms.

306.1.1 AUTHORIZATION TO CARRY FIREARMS

Only certified personnel who have met all state and Colorado Peace Officer Standards and Training (POST) requirements and have been authorized by the Chief of Police shall have the peace officer privilege to carry a firearm both on- and off-duty (CRS § 16-2.5-101).

306.1.2 ELIGIBLE IMMIGRANTS

An eligible immigrant who has been hired by the Department to enroll in a POST-approved training academy may possess and use a firearm in accordance with this policy at the academy and may transport, store, clean, and maintain a firearm as necessary for purposes of completing such training (CRS § 16-2.5-101).

306.2 POLICY

The Cortez Police Department will equip its members with firearms to address the risks posed to the public and department members by violent and sometimes well-armed persons. The Department will ensure firearms are appropriate and in good working order and that relevant training is provided as resources allow.

306.3 AUTHORIZED FIREARMS, AMMUNITION AND OTHER WEAPONS

Members shall only use firearms that are issued or approved by the Department and have been thoroughly inspected by the Rangemaster. Except in an emergency or as directed by a supervisor, no firearm shall be carried by a member who has not qualified with that firearm at an authorized department range.

All other weapons not provided by the Department, including, but not limited to, edged weapons, chemical or electronic weapons, impact weapons or any weapon prohibited or restricted by law or that is not covered elsewhere by department policy, may not be carried by members in the performance of their official duties without the express written authorization of the member's Lieutenant. This exclusion does not apply to the carrying of a single folding pocketknife that is not otherwise prohibited by law.

306.3.1 DUTY FIREARMS

The authorized department-issued handgun is the Glock 45 9MM.

Only issued or approved shotguns and rifles are authorized for on-duty use.

Cortez Police Department

Cortez PD CO Policy Manual

Firearms

306.3.2 PERSONALLY OWNED DUTY FIREARMS

Members desiring to carry an authorized but personally owned duty firearm must receive written approval from the Chief of Police or the authorized designee. Once approved, personally owned duty firearms are subject to the following restrictions:

- (a) The firearm shall be in good working order and on the department list of approved firearms.
- (b) The firearm shall be inspected by the Rangemaster prior to being carried and thereafter shall be subject to inspection whenever it is deemed necessary.
- (c) Prior to carrying the firearm, members shall qualify under range supervision and thereafter shall qualify in accordance with the department qualification schedule. Members must demonstrate proficiency and safe handling, and that the firearm functions properly.
- (d) Members shall provide written notice of the make, model, color, serial number and caliber of the firearm to the Rangemaster, who will maintain a list of the information.

306.4 EQUIPMENT

Firearms carried on- or off-duty shall be maintained in a clean, serviceable condition. Maintenance and repair of authorized personally owned firearms are the responsibility of the individual member.

306.4.1 REPAIRS AND MODIFICATIONS

Each member shall be responsible for promptly reporting any damage or malfunction of an assigned firearm to a supervisor or the Rangemaster.

Firearms that are the property of the Department or personally owned firearms that are approved for department use may be repaired or modified only by a person who is department-approved and certified as an armorer or gunsmith in the repair of the specific firearm. Such modification or repair must be authorized in advance by the Rangemaster.

Any repairs or modifications to the member's personally owned firearm shall be done at his/her expense and must be approved by the Rangemaster.

306.4.2 HOLSTERS

Only department-approved holsters shall be used and worn by members. Members shall periodically inspect their holsters to make sure they are serviceable and provide the proper security and retention of the handgun.

306.4.3 TACTICAL LIGHTS

Tactical lights may only be installed on a firearm carried on- or off-duty after they have been examined and approved by the Rangemaster. Once the approved tactical lights have been properly installed on any firearm, the member shall qualify with the firearm to ensure proper functionality and sighting of the firearm prior to carrying it.

306.4.4 OPTICS OR LASER SIGHTS

Optics or laser sights may only be installed on a firearm carried on- or off-duty after they have been examined and approved by the Rangemaster. Any approved sight shall only be installed in strict accordance with manufacturer specifications. Once approved sights have been properly installed on any firearm, the member shall qualify with the firearm to ensure proper functionality and sighting of the firearm prior to carrying it.

Except in an approved training situation, a member may only sight in on a target when the member would otherwise be justified in pointing a firearm at the target.

306.5 SAFE HANDLING, INSPECTION AND STORAGE

Members shall maintain the highest level of safety when handling firearms and shall consider the following:

- (a) Members shall not unnecessarily display or handle any firearm.
- (b) Members shall be governed by all rules and regulations pertaining to the use of the range and shall obey all orders issued by the Rangemaster. Members shall not dry fire or practice quick draws except as instructed by the Rangemaster or other firearms training staff.
- (c) Members shall not clean, repair, load or unload a firearm anywhere in the Department, except where clearing barrels are present.
- (d) Shotguns or rifles removed from vehicles or the equipment storage room shall be loaded and unloaded in the parking lot and outside of the vehicle, using clearing barrels.
- (e) Members shall not place or store any firearm or other weapon on department premises except where the place of storage is locked. No one shall carry firearms into the jail section or any part thereof when securing or processing an arrestee, but shall place all firearms in a secured location. Members providing access to the jail section to persons from outside agencies are responsible for ensuring firearms are not brought into the jail section.
- (f) Members shall not use any automatic firearm, heavy caliber rifle, gas or other type of chemical weapon or firearm from the armory, except with approval of a supervisor.
- (g) Any firearm authorized by the Department to be carried on- or off-duty that is determined by a member to be malfunctioning or in need of service or repair shall not be carried. It shall be promptly presented to the Department or a Rangemaster approved by the Department for inspection and repair. Any firearm deemed in need of repair or service by the Rangemaster will be immediately removed from service. If the firearm is the member's primary duty firearm, a replacement firearm will be issued to the member until the duty firearm is serviceable.

306.5.1 INSPECTION AND STORAGE

Handguns shall be inspected regularly and upon access or possession by another person. Shotguns and rifles shall be inspected at the beginning of the shift by the member to whom the weapon is issued. The member shall ensure that the firearm is carried in the proper condition and

loaded with approved ammunition. Inspection of the shotgun and rifle shall be done while standing outside of the patrol vehicle. All firearms shall be pointed in a safe direction or into clearing barrels.

Personally owned firearms may be safely stored in lockers at the end of the shift. Department-owned firearms shall be stored in the appropriate equipment storage room. Handguns may remain loaded if they are secured in an appropriate holster. Shotguns and rifles shall be unloaded in a safe manner outside the building and then stored in the appropriate equipment storage room.

306.5.2 STORAGE AT HOME

Members shall ensure that all firearms and ammunition are locked and secured while in their homes, vehicles or any other area under their control, and in a manner that will keep them inaccessible to children and others who should not have access. Members shall not permit department-issued firearms to be handled by anyone not authorized by the Department to do so. Members should be aware that negligent storage of a firearm could result in civil liability.

306.5.3 ALCOHOL AND DRUGS

Firearms shall not be carried by any member, either on- or off-duty, who has consumed an amount of an alcoholic beverage, taken any drugs or medication, or has taken any combination thereof that would tend to adversely affect the member's senses or judgment.

306.6 FIREARMS TRAINING AND QUALIFICATIONS

All members who carry a firearm while on-duty are required to successfully complete training quarterly with their duty firearms. In addition to quarterly training, all members will qualify at least annually with their duty firearms. Members will qualify with off-duty and secondary firearms at least twice a year. Training and qualifications must be on an approved range course.

At least annually, all members carrying a firearm should receive practical training designed to simulate field situations including low-light shooting.

306.6.1 NON-CERTIFICATION OR NON-QUALIFICATION

If any member fails to meet minimum standards for firearms training or qualification for any reason, including injury, illness, duty status or scheduling conflict, that member shall submit a memorandum to his/her immediate supervisor prior to the end of the required training or qualification period.

Those who fail to meet minimum standards or qualify on their first shooting attempt shall be provided remedial training and will be subject to the following requirements:

- (a) Additional range assignments may be scheduled to assist the member in demonstrating consistent firearm proficiency.
- (b) Members shall be given credit for a range training or qualification when obtaining a qualifying score or meeting standards after remedial training.
- (c) No range credit will be given for the following:
 1. Unauthorized range make-up

Cortez Police Department

Cortez PD CO Policy Manual

Firearms

2. Failure to meet minimum standards or qualify after remedial training

Members who repeatedly fail to meet minimum standards will be removed from field assignment and may be subject to disciplinary action.

306.6.2 QUALIFICATION STANDARDS

The qualification standards, including the score required for qualification, target type, timing, distance and other conditions, are noted in an attachment to this policy. In addition to the range course qualification, members must achieve a passing score on any written tests based on the training provided.

306.7 FIREARM DISCHARGE

Except during training or recreational use, any member who discharges a firearm intentionally or unintentionally, on- or off-duty, shall make a verbal report to their supervisor as soon as circumstances permit. If the discharge results in injury or death to another person, additional statements and reports shall be made in accordance with the Officer-Involved Shootings and Deaths Policy. If a firearm was discharged as a use of force, the involved member shall adhere to the additional reporting requirements set forth in the Use of Force Policy.

In all other cases, written reports shall be made as follows:

- (a) If on-duty at the time of the incident, the member shall file a written report with their Lieutenant or provide a recorded statement to investigators prior to the end of shift, unless otherwise directed.
- (b) If off-duty at the time of the incident, the member shall file a written report or provide a recorded statement no later than the end of the next regularly scheduled shift, unless otherwise directed by a supervisor.

306.7.1 DESTRUCTION OF ANIMALS

Members are authorized to use firearms to stop an animal in circumstances where the animal reasonably appears to pose an imminent threat to human safety and alternative methods are not reasonably available or would likely be ineffective. Officers should follow their training to identify animal behaviors that may reasonably put local law enforcement officers or other individuals in imminent danger, in addition to animal behaviors that do not reasonably suggest or pose an imminent danger.

In circumstances where there is sufficient advance notice that a potentially dangerous animal may be encountered, department members should develop reasonable contingency plans for dealing with the animal (e.g., fire extinguisher, conducted energy device (CED), oleoresin capsicum (OC) spray, animal control officer). Nothing in this policy shall prohibit any member from shooting a dangerous animal if circumstances reasonably dictate that a contingency plan has failed, becomes impractical, or if the animal reasonably appears to pose an imminent threat to human safety.

Subject to safety concerns or other exigent circumstances, officers should consider alternatives to the use of firearms. Such alternatives include using the officer's CED or allowing the owner to control or remove the animal from the immediate area.

Cortez Police Department

Cortez PD CO Policy Manual

Firearms

306.7.2 INJURED ANIMALS

Officers may euthanize an animal when, in his/her judgment and in the opinion of a licensed veterinarian, the animal is experiencing extreme pain or suffering or is severely injured, disabled or diseased past recovery and where other dispositions are impractical. In the event a licensed veterinarian is not available, the animal may be euthanized at the request of the owner or by the written certificate of two persons called to view the animal (CRS § 35-42-110).

Injured wildlife may be euthanized whenever the officer determines that no other reasonable action would be practical, humane or effective for the rehabilitation of the wildlife (2 CCR 406-14:1405).

306.7.3 WARNING AND OTHER SHOTS

Generally, shots fired for the purpose of summoning aid are discouraged and may not be discharged unless the member reasonably believes that they appear necessary, effective, and reasonably safe.

Warning shots shall not be used.

306.7.4 NEGLIGENT DISCHARGE

If firearm discharge is the result of negligence, the involved officer shall undergo remedial firearms training and qualification as determined by the Rangemaster.

306.8 RANGEMASTER DUTIES

The range will be under the exclusive control of the Rangemaster. All members attending will follow the directions of the Rangemaster. The Rangemaster will maintain a roster of all members attending the range and will submit the roster to the Patrol Lieutenant after each range date. Failure of any member to sign in and out with the Rangemaster may result in non-participation or non-qualification.

The range shall remain operational and accessible to department members during hours established by the Department.

The Rangemaster has the responsibility of making periodic inspection, at least once a year, of all duty firearms carried by members of this department to verify proper operation. The Rangemaster has the authority to deem any department-issued or personally owned firearm unfit for service. The member will be responsible for all repairs to his/her personally owned firearm; it will not be returned to service until it has been inspected and approved by the Rangemaster.

The Rangemaster has the responsibility for ensuring each member meets the minimum requirements during training shoots and, on at least a yearly basis, can demonstrate proficiency in the care, cleaning and safety of all firearms the member is authorized to carry.

The Rangemaster shall complete and submit to the Patrol Lieutenant documentation of the training courses provided. Documentation shall include the qualifications of each instructor who provides the training, a description of the training provided and, on a form that has been approved by the Department, a list of each member who completes the training. The Rangemaster should keep

accurate records of all training shoots, qualifications, repairs, maintenance or other records as directed by the Patrol Lieutenant.

306.9 FLYING WHILE ARMED

The Transportation Security Administration (TSA) has imposed rules governing law enforcement officers flying armed on commercial aircraft. The following requirements apply to officers who intend to be armed while flying on a commercial air carrier or flights where screening is conducted (49 CFR 1544.219):

- (a) Officers wishing to fly while armed must be flying in an official capacity, not for vacation or pleasure, and must have a need to have the firearm accessible, as determined by the Department based on the law and published TSA rules.
- (b) Officers must carry their Cortez Police Department identification card, bearing the officer's name, a full-face photograph, identification number, the officer's signature and the signature of the Chief of Police or the official seal of the Department and must present this identification to airline officials when requested. The officer should also carry the standard photo identification needed for passenger screening by airline and TSA officials (e.g., driver's license, passport).
- (c) The Cortez Police Department must submit a National Law Enforcement Telecommunications System (NLETS) message prior to the officer's travel. If approved, TSA will send the Cortez Police Department an NLETS message containing a unique alphanumeric identifier. The officer must present the message on the day of travel to airport personnel as authorization to travel while armed.
- (d) An official letter signed by the Chief of Police authorizing armed travel may also accompany the officer. The letter should outline the officer's need to fly armed, detail his/her itinerary, and should include that the officer has completed the mandatory TSA training for a law enforcement officer flying while armed.
- (e) Officers must have completed the mandated TSA security training covering officers flying while armed. The training shall be given by the department-appointed instructor.
- (f) It is the officer's responsibility to notify the air carrier in advance of the intended armed travel. This notification should be accomplished by early check-in at the carrier's check-in counter.
- (g) Any officer flying while armed should discreetly contact the flight crew prior to take-off and notify them of his/her assigned seat.
- (h) Discretion must be used to avoid alarming passengers or crew by displaying a firearm. The officer must keep the firearm concealed on his/her person at all times. Firearms are not permitted in carry-on luggage and may not be stored in an overhead compartment.
- (i) Officers should try to resolve any problems associated with flying armed through the flight captain, ground security manager, TSA representative or other management representative of the air carrier.
- (j) Officers shall not consume alcoholic beverages while aboard an aircraft, or within eight hours prior to boarding an aircraft.

306.10 CARRYING FIREARMS OUT OF STATE

Qualified, active, full-time officers of this department are authorized to carry a concealed firearm in all other states subject to the following conditions (18 USC § 926B):

- (a) The officer shall carry his/her Cortez Police Department identification card whenever carrying such firearm.
- (b) The officer is not the subject of any current disciplinary action.
- (c) The officer may not be under the influence of alcohol or any other intoxicating or hallucinatory drug.
- (d) The officer will remain subject to this and all other department policies (including qualifying and training).

Officers are cautioned that individual states may enact local regulations that permit private persons or entities to prohibit or restrict the possession of concealed firearms on their property, or that prohibit or restrict the possession of firearms on any state or local government property, installation, building, base or park. Federal authority may not shield an officer from arrest and prosecution in such locally restricted areas.

Active law enforcement officers from other states are subject to all requirements set forth in 18 USC § 926B.

306.11 TRAINING

In addition to general training regarding the use of firearms, the Patrol Lieutenant shall ensure that training is provided on encounters with dogs in the course of duty as required by CRS § 29-5-112. At a minimum, the training must cover the policies and procedures adopted by this department.

306.11.1 ADDITIONAL REQUIREMENTS

Before being authorized to carry any firearm, members will be given access to and receive training on this policy and the Use of Force Policy. Each member shall acknowledge that he/she has been provided access to and has had the opportunity to review and understand both policies.

Vehicle Pursuits

307.1 PURPOSE AND SCOPE

This policy provides guidelines for vehicle pursuits in order to protect the safety of involved officers, the public, and fleeing suspects.

307.1.1 DEFINITIONS

Definitions related to this policy include:

Boxing-in - A low-speed tactic designed to stop a fleeing vehicle by surrounding it with emergency vehicles and then slowing all vehicles to a stop.

Pursuit Intervention Technique (PIT) - A low-speed tactic designed to apply lateral pressure to the rear quarter panel of a fleeing vehicle, causing it to spin out, stall, and come to a stop (also known as a Precision Immobilization Technique).

Ramming - The deliberate act of impacting a fleeing vehicle with another vehicle to functionally damage or otherwise force the fleeing vehicle to stop.

Roadblock - A tactic designed to stop a fleeing vehicle by intentionally placing an emergency vehicle or other immovable object in the path of the fleeing vehicle.

Tire deflation device - A device designed to be placed on the roadway and puncture the tires of a fleeing vehicle, sometimes referred to as spike strips.

Vehicle pursuit - An attempt by one or more law enforcement officers to apprehend a suspect in a motor vehicle who, having been given a visual and audible signal to stop, fails to yield or uses high-speed driving or other evasive tactics (e.g., driving off a highway, turning suddenly) in an attempt to avoid arrest.

307.2 POLICY

It is the policy of this department to balance the need to apprehend a fleeing suspect with the risks associated with vehicle pursuits.

307.3 INITIATING A PURSUIT

Officers who have received appropriate training are authorized to initiate a vehicle pursuit when the need to apprehend a fleeing suspect clearly outweighs the risks a vehicle pursuit poses for officers and the public.

When balancing the risk of a pursuit with the need to apprehend the suspect, officers shall consider:

- (a) The seriousness of the known or reasonably suspected crime committed by the suspect and the threat to the safety of the public if the suspect remains at large.
- (b) Whether the identity of the suspect is known with enough certainty to enable apprehension at a later time.

Cortez Police Department

Cortez PD CO Policy Manual

Vehicle Pursuits

- (c) The speed of the vehicles relative to the conditions of the area, such as the population density, amount of vehicular and pedestrian traffic (e.g., school zones), time of day, and road conditions and weather conditions.
- (d) The pursuing officer's driving capabilities, familiarity with the area, and quality of radio communications with the [dispatcher]/supervisor.
- (e) The nature of the pursuing unit (e.g., marked vs. unmarked) and its speed and performance capabilities in relation to the fleeing vehicle (e.g., performance motorcycle).
- (f) Whether there are other persons in or on the fleeing vehicle and their relationship to the situation (e.g., passengers, co-offenders, hostages).
- (g) Whether the pursuing unit is carrying passengers other than on-duty police officers. Pursuits should not be undertaken with an arrestee in the pursuit vehicle unless exigent circumstances exist.
- (h) The availability of other resources such as air support or vehicle locator/deactivation technology.
- (i) The importance of protecting the public and balancing the known or reasonably suspected offense and the apparent need for immediate capture against the risks to officers, innocent motorists, and others (CRS § 42-4-108).

307.4 PURSUIT UNITS

Vehicle pursuits should be limited to three police department emergency vehicles (two pursuit units and the supervisor vehicle). However, an officer or supervisor may request that additional units join a pursuit if, after assessing the factors outlined above, it reasonably appears that the number of officers involved may be insufficient to safely arrest the number of suspects.

307.4.1 EMERGENCY EQUIPMENT

Vehicle pursuits shall only be conducted using authorized police department vehicles that are equipped with emergency lighting and sirens as required by law (CRS § 42-4-213). Each pursuit unit's emergency lights and sirens shall remain activated throughout the unit's participation in the pursuit (CRS § 42-4-108).

Officers operating vehicles not equipped with emergency lights and siren are prohibited from pursuing a fleeing vehicle or joining a pursuit. Officers in such vehicles may provide support to pursuing units when needed, but should operate the vehicle in compliance with all traffic laws and should discontinue such support immediately upon arrival of a sufficient number of authorized emergency vehicles or any air support.

307.4.2 MOTORCYCLES AND UNMARKED UNITS

When involved in a pursuit, police department motorcycles and unmarked vehicles should be replaced by marked four-wheel emergency vehicles as soon as practicable.

Cortez Police Department

Cortez PD CO Policy Manual

Vehicle Pursuits

307.4.3 PRIMARY UNIT

The initial pursuing officer should be designated as the primary unit and will be responsible for the conduct of the pursuit unless that unit is unable to remain reasonably close to the suspect's vehicle. The primary responsibility of the officer initiating the pursuit is the apprehension of the suspect without unreasonable danger to themselves or others.

As soon as practicable, the primary unit should notify Dispatch of the pursuit, request priority radio traffic, and provide appropriate information including:

- (a) The location, direction of travel, and estimated speed of the pursuit.
- (b) The description of the fleeing vehicle, including the license plate number, if known.
- (c) The reason for the pursuit.
- (d) A description of the fleeing vehicle's evasive driving behavior (e.g., rapid lane changes, no headlights, driving on the wrong side of the road).
- (e) Known or suspected weapons, threat of force, violence, injuries, hostages, or other unusual hazards.
- (f) The suspected number of occupants and their identities or descriptions.
- (g) The weather, road, and traffic conditions.
- (h) The need for any additional resources or equipment.
- (i) The identities of other law enforcement agencies involved in the pursuit.

The primary unit is responsible for broadcasting the progress of the pursuit until a secondary or air unit joins the pursuit. Once an additional unit joins the pursuit, the primary unit should relinquish the responsibility of broadcasting the progress to the secondary or air unit unless circumstances reasonably indicate otherwise.

307.4.4 SECONDARY UNIT

The second officer in the pursuit should be designated as the secondary unit and is responsible for:

- (a) Notifying Dispatch of their entry into the pursuit.
- (b) Broadcasting the progress of the pursuit, updating known or critical information, and providing changes in the pursuit, unless the situation indicates otherwise.
- (c) Identifying the need for and requesting additional resources or equipment as appropriate.
- (d) Serving as backup to the primary unit once the fleeing vehicle has been stopped.

307.4.5 AIR UNITS

When available, air unit assistance should be requested. The air unit should assume responsibility of broadcasting the pursuit once they have established visual contact with the fleeing vehicle. Ground units should maintain operational control and consider whether the continued close proximity and/or involvement in the pursuit is warranted.

Cortez Police Department

Cortez PD CO Policy Manual

Vehicle Pursuits

The air unit should coordinate the activities of resources on the ground, report progress of the pursuit, and provide pursuing units with details of upcoming traffic congestion, road hazards, or other information pertinent to evaluating whether to continue the pursuit. If ground units are not within visual contact of the fleeing vehicle and the air unit determines that it is unsafe to continue the pursuit, the air unit should recommend termination.

307.5 PURSUIT DRIVING

The decision to use specific driving tactics requires consideration of the same factors as initiating a pursuit. In addition, officers involved in the pursuit should adhere to the following:

- (a) Pursuing units should space themselves far enough from other involved vehicles to be able to see and avoid hazards and react safely to maneuvers by the fleeing vehicle.
- (b) Pursuing units should exercise caution and slow down as necessary when proceeding through intersections.
- (c) Pursuing units should not follow a fleeing vehicle driving against traffic (wrong way) and should instead:
 - 1. Request assistance from available air support.
 - 2. Maintain visual contact with the fleeing vehicle by paralleling it on the correct side of the roadway.
 - 3. Request other units to observe exits available to the fleeing vehicle.
- (d) Pursuing units should request that Dispatch notify the Colorado State Patrol and/or another law enforcement agency if it appears that the pursuit may enter its jurisdiction.
- (e) Pursuing units should not attempt to pass other pursuit units unless the situation indicates otherwise or they are requested to do so. Passing another pursuit unit should only be attempted with a clear understanding of the maneuver.

307.5.1 RULES OF THE ROAD

Officers shall drive with due regard for the safety of all persons and property. However, when in pursuit, if there is no unreasonable risk to persons and property, officers may (CRS § 42-4-108):

- (a) Proceed past a red or stop signal or stop sign but only after slowing down as may be necessary for safe operation.
- (b) Exceed the speed limit.
- (c) Disregard regulations governing direction of movement or turning in specified directions.

307.5.2 OFFICERS NOT INVOLVED IN THE PURSUIT

Officers not directly involved in the pursuit should stay alert to its progress and location and may proceed safely to intersections ahead of the pursuit to warn cross traffic. When clearing intersections along the pursuit path, officers are authorized to use emergency equipment and should attempt to place their vehicles in locations that provide some safety or an escape route in

Cortez Police Department

Cortez PD CO Policy Manual

Vehicle Pursuits

the event of an unintended accident or a suspect intentionally trying to ram the police department vehicle.

Other than clearing intersections along the pursuit path, uninvolved officers should avoid operating under emergency conditions (emergency lights and siren) and should remain in their assigned areas unless directed otherwise by a supervisor.

When needed, non-pursuing officers and officers who have dropped out of the pursuit should respond to the pursuit termination point in a non-emergency manner, observing the rules of the road. Officers should not parallel the pursuit route.

307.6 SUPERVISORY CONTROL AND RESPONSIBILITIES

The field supervisor of the officer initiating the pursuit, or if unavailable, the nearest field supervisor, will be responsible for:

- (a) Immediately notifying the involved units and the [dispatcher] of supervisory presence and ascertaining all reasonably available information in order to continuously assess the situation and risk factors associated with the pursuit.
- (b) Exercising management and control of the pursuit and, when appropriate, engaging in the pursuit to provide on-scene supervision.
- (c) Confirming that no more pursuing units than required are involved in the pursuit.
- (d) Directing that the pursuit be terminated if, in the supervisor's judgment, continuing the pursuit is not justified under the guidelines of this policy.
- (e) Assessing the emotional state of the officers involved and directing an officer to disengage from the pursuit if it appears they are unable to control their emotions.
- (f) Requesting additional assistance from air support, canines, or other resources, if available and appropriate.
- (g) Verifying that the proper radio channel is being used.
- (h) Confirming the Shift Sergeant has been notified of the pursuit.
- (i) Overseeing the notification and/or coordination of outside agencies if the pursuit leaves or is likely to leave the jurisdiction of this department.
- (j) Continuing the management and control of Cortez Police Department units when a pursuit enters another jurisdiction.
- (k) Preparing documentation of the pursuit and conducting a post-pursuit review, as required.

307.6.1 SHIFT SERGEANT RESPONSIBILITIES

Upon becoming aware that a pursuit has been initiated, the Shift Sergeant should monitor and continually assess the situation and ensure the pursuit is conducted within the guidelines and requirements of this policy. The Shift Sergeant has the final responsibility for the coordination, control, and termination of a vehicle pursuit and shall be in overall command.

Cortez Police Department

Cortez PD CO Policy Manual

307.7 DISPATCH

Radio communications during a pursuit should be conducted on the primary channel unless instructed otherwise by a supervisor or [dispatcher]. If the pursuit leaves the jurisdiction of this department or such is imminent, involved units should, whenever available, switch radio communications to a tactical or emergency channel most accessible by participating agencies.

307.7.1 DISPATCH RESPONSIBILITIES

Upon notification or becoming aware that a pursuit has been initiated, the [dispatcher] is responsible for:

- (a) Clearing the radio channel of non-emergency traffic.
- (b) Coordinating pursuit communications of the involved units and personnel.
- (c) Broadcasting pursuit updates as well as other pertinent information as necessary.
- (d) Ensuring that a field supervisor is notified of the pursuit.
- (e) Notifying and coordinating with other involved or affected agencies as practicable.
- (f) Notifying the Shift Sergeant as soon as practicable.
- (g) Assigning an incident number and logging all pursuit activities.

307.8 INTERJURISDICTIONAL CONSIDERATIONS

Unless entry into another jurisdiction is expected to be brief, the primary unit or supervisor should ensure that notification is provided to each outside jurisdiction into which the pursuit is reasonably expected to enter, regardless of whether such jurisdiction is expected to assist.

307.8.1 ASSUMPTION OF PURSUIT BY ANOTHER AGENCY

When a pursuit enters another agency's jurisdiction, the primary unit or the supervisor should determine whether to request the other agency assume the pursuit, taking into consideration the distance traveled, familiarity with the area, and other pertinent facts.

Once another agency has agreed to assume the pursuit, pursuing units should relinquish control and discontinue participation unless the continued assistance of the Cortez Police Department is requested by the agency assuming the pursuit. Upon relinquishing control of the pursuit, the involved officers may, with supervisory approval, proceed to the termination point in order to provide information and assistance for the arrest of the suspect and reporting of the incident. The supervisor should coordinate such assistance with the assuming agency and obtain any information that is necessary for department reports.

307.8.2 PURSUITS EXTENDING INTO THIS JURISDICTION

Officers from this department should not join a pursuit being conducted by another agency unless specifically requested to do so by that agency and with approval from a supervisor.

When a request is made for this department to assist or take over a pursuit that has entered the jurisdiction of the Cortez Police Department, the Shift Sergeant or supervisor should review the request as soon as practicable, taking into consideration:

Cortez Police Department

Cortez PD CO Policy Manual

Vehicle Pursuits

- (a) Whether the need to apprehend the fleeing suspect outweighs the risks of the pursuit to officers and the public.
- (b) Whether there is adequate staffing to continue the pursuit.
- (c) The available units' capabilities to maintain the pursuit.
- (d) The number of available units and other resources of the pursuing agency.

Assistance to a pursuing agency by officers of this department should terminate at the City limits, provided that the pursuing agency has sufficient assistance from other sources. Ongoing participation from this department should continue only until sufficient assistance is present.

In the event that a pursuit from another agency terminates within this jurisdiction, officers should provide appropriate assistance to the pursuing agency such as scene control, inter-agency coordination, completion of supplemental reports, and any other reasonable assistance requested or needed.

307.9 PURSUIT INTERVENTION

Pursuit interventions should only be used when it reasonably appears that using the intervention will contain or prevent the pursuit, and the need to immediately stop the fleeing vehicle outweighs the risks of injury or death to officers and others.

Pursuit interventions may be construed as a use of force, including deadly force, and are subject to the policies guiding such use. Officers should consider the guidelines for the use of force when deciding how, when, where, and if a pursuit intervention should be employed. Refer to the Use of Force Policy for additional guidance.

Whenever practicable, an officer should seek approval from a supervisor before employing any pursuit intervention to stop a fleeing vehicle. Officers should not attempt a pursuit intervention unless they have received the appropriate training for the intervention being used.

307.9.1 TIRE DEFLATION DEVICE

Before deploying a tire deflation device, officers should consider factors such as:

- (a) Speed of the fleeing vehicle - Traveling at high speeds increases the risk the suspect will lose control of the vehicle after driving over or swerving to avoid a tire deflation device.
- (b) Weather and visibility - Tire deflation devices should only be deployed when the location, weather, and other conditions allow the deploying officer to clearly see the fleeing vehicle, pursuit units, and other approaching traffic.
- (c) Cover - Deployment should occur in a location that provides the deploying officer adequate cover and escape from intentional or unintentional exposure to the approaching vehicles.
- (d) Road conditions - Soft or loose material such as dirt or gravel may prevent a tire deflation device from puncturing the vehicle's tire. Deploying the device on loose pavement or icy or wet roads increases the risk of the suspect losing control of the vehicle.

Cortez Police Department

Cortez PD CO Policy Manual

Vehicle Pursuits

- (e) Characteristics of the deployment area - A tire deflation device should not be deployed in areas that are heavily populated with pedestrians, at times of heavy traffic, or at a location where there is a heightened chance of striking a fixed object.
- (f) Characteristics of the fleeing vehicle - Except in extraordinary circumstances, a tire deflation device should not be used when the fleeing vehicle is a motorcycle or other vehicle with fewer than four wheels, an ATV, a vehicle transporting hazardous materials, or a school bus transporting children.

Because of the risks to deploying officers, the intent to deploy a tire deflation device and its location should be clearly communicated to the [dispatcher] and all involved units.

307.9.2 PIT

A PIT should only be attempted in a vehicle with a reinforced bumper.

Before conducting a PIT, officers should consider factors such as:

- (a) Speed of the fleeing vehicle - Conducting a PIT while traveling at high speeds increases the risk of the suspect or officer losing control of their vehicle. A PIT should not be conducted at speeds greater than the speed at which the officer has received training.
- (b) Road conditions - Because the intention of a PIT is to cause the fleeing vehicle to spin out by reducing the friction between the tires and the roadway, the material of the roadway (e.g., pavement, gravel, dirt) should be considered and a PIT should not be attempted when road conditions are wet or icy.
- (c) Characteristics of the deployment area - A PIT should not be attempted in areas that are heavily populated with pedestrians, at times of heavy traffic, or at a location where there is a heightened chance of striking a fixed object.
- (d) Characteristics of the fleeing vehicle - A PIT should not be used when the pursued vehicle is a motorcycle or other vehicle with fewer than four wheels, an ATV, a vehicle transporting hazardous materials, or a school bus transporting children. The increased risk of rolling over should be evaluated on vehicles with a high center of gravity.
- (e) Number of pursuit units - A PIT should not be used unless there is a sufficient number of pursuit units available to prevent further movement of the fleeing vehicle after spinning out.

307.9.3 BOXING-IN

Boxing-in should only be used when the fleeing vehicle is stopped or traveling at a low speed.

Boxing-in requires the participation of multiple units and therefore must be carefully coordinated with all involved.

307.9.4 RAMMING AND ROADBLOCKS

Ramming and roadblocks shall only be used when deadly force is warranted and all other reasonable alternatives have been exhausted or reasonably appear ineffective.

Cortez Police Department

Cortez PD CO Policy Manual

Vehicle Pursuits

307.9.5 FIREARMS

Specific guidance on the use of a firearm during a vehicle pursuit is addressed in the Use of Force Policy.

307.10 TERMINATING A PURSUIT

The factors considered when initiating a pursuit should be continually reevaluated by pursuing units during the pursuit, as the circumstances and conditions change, and as new information becomes available. If at any time the risk of continuing the pursuit outweighs the need to immediately apprehend the suspect, the pursuit should be terminated.

In addition, a pursuit should be terminated when:

- (a) A supervisor directs the pursuit to be terminated.
- (b) The location of the fleeing vehicle is no longer known.
- (c) The distance between the pursuing units and the fleeing vehicle is so great that further pursuit would be futile or would continue for an unreasonable time and/or distance.
- (d) The pursuing unit sustains damage or a mechanical failure that makes it unsafe to drive or renders the emergency lighting and sirens partially or completely inoperable and there are no additional units readily available to take over the pursuit.

When a pursuit terminates for any reason, all pursuit units should verbally acknowledge termination, turn off emergency lights and sirens, reduce their speed, and obey all traffic laws. The primary unit should communicate the location of pursuit termination to the [dispatcher].

307.10.1 LOSS OF PURSUED VEHICLE

When a pursuit is terminated because the location of the fleeing vehicle is no longer known, the primary unit should broadcast pertinent information for other units to assist in locating the suspect. The primary unit or supervisor will be responsible for coordinating any further search for the pursued vehicle.

307.10.2 APPREHENSION OF SUSPECTS

Officers should exercise proper self-discipline and sound professional judgment at the conclusion of a pursuit and while apprehending the suspect.

Unless otherwise directed by a supervisor, an officer other than the primary unit should coordinate efforts to apprehend the suspect following the pursuit.

Any use of force necessary to apprehend the suspect shall be consistent with the Use of Force Policy.

307.11 DEBRIEFING

Participating officers should return to the Department as soon as practical following a pursuit to debrief with a supervisor.

307.12 REPORTING REQUIREMENTS

Appropriate reports should be completed as required by applicable laws, policies, and procedures.

Cortez Police Department

Cortez PD CO Policy Manual

Vehicle Pursuits

- (a) Pursuing officers should complete appropriate crime/arrest and pursuit reports.
- (b) The involved supervisor, or if unavailable, the on-duty field supervisor, shall obtain available information and promptly complete appropriate written notification to the Chief of Police or the authorized designee. The notification should briefly summarize the pursuit and include, at a minimum:
 - 1. Date and time of the pursuit.
 - 2. Reason and circumstances surrounding the pursuit (e.g., seriousness of the crime, road and traffic conditions, speed and driving behavior of the fleeing vehicle) that warranted initiation and continuation of the pursuit.
 - 3. Length of pursuit in distance and time, including the starting and termination points.
 - 4. Involved vehicles and officers.
 - 5. Alleged offenses.
 - 6. Whether a suspect was apprehended, as well as the means and methods used.
 - 7. Arrestee information, if applicable.
 - 8. Any injuries and/or medical treatment.
 - 9. Any property or equipment damage.
 - 10. Name of supervisor at the scene or who handled the incident.

After receiving copies of the written notification, reports, and other pertinent information, the Chief of Police or the authorized designee shall conduct or assign a post-pursuit review, as appropriate.

The Chief of Police should direct an annual documented review and analysis of department vehicle pursuits to minimally include policy suitability, policy compliance, and training or equipment needs. The review should not contain the names of officers, suspects, or case numbers.

307.13 PURSUIT TRAINING

The Patrol Lieutenant should ensure that members of this department receive initial and annual training on this policy and vehicle pursuits relevant to their role (e.g., officers, supervisors, air units, [dispatcher]s).

Officer training should address decision-making involved in initiating, continuing, and terminating a pursuit by balancing the need to apprehend the suspect with the risk of a pursuit. Subject to available resources, training on pursuit driving and the deployment of pursuit intervention tactics should include scenario-based training and behind-the-wheel practice, in addition to classroom instruction.

307.14 POLICY ACKNOWLEDGEMENT

Officers of this department shall certify in writing that they have received, read, and understand this policy initially, upon any amendments, and whenever training on the policy is provided.

Officer Response to Calls

308.1 PURPOSE AND SCOPE

This policy provides for the safe and appropriate response to all emergency and non-emergency situations.

308.2 RESPONSE TO CALLS

Officers responding to any call shall proceed with due regard for the safety of all persons and property.

Officers not responding to a call as an emergency response shall observe all traffic laws and proceed without the use of emergency lights and siren.

Officers responding to a call as an emergency response shall continuously operate emergency lighting equipment and shall sound the siren as reasonably necessary (CRS § 42-4-108(3) and CRS § 42-4-213).

Responding with emergency lights and siren does not relieve the an officer of the duty to drive with due regard for the safety of all persons and property and does not protect the officer from the consequences of reckless disregard for the safety of others (CRS § 42-4-108(4)).

The use of any other warning equipment without emergency lights and siren does not generally provide an exemption from the vehicle laws (CRS § 42-4-108(3)).

Officers should only respond to a call as an emergency response when so dispatched or when responding to circumstances the officer reasonably believes involves the potential for immediate danger to persons or property. Examples of such circumstances may include:

- An officer who requires urgent assistance.
- A burglary in process that appears to involve a threat to any person's safety.
- A robbery in progress.
- A person brandishing a weapon.
- An apparent homicide.
- A suicide in progress.
- A fight, riot or other large disturbance involving injuries.
- An assault or other violence in progress.
- A domestic dispute where injury is reasonably believed to be imminent, or has just occurred and the suspect is present.
- A kidnapping in progress.
- A traffic collision or other event involving a serious injury or the possibility of injury that may reasonably require immediate medical aid.

Cortez Police Department

Cortez PD CO Policy Manual

Officer Response to Calls

308.3 REQUESTING EMERGENCY ASSISTANCE

Officers may request emergency assistance when they reasonably believe that there is an imminent threat to the safety of officers, or assistance is needed to prevent imminent serious harm to a citizen.

If circumstances permit, the requesting officer should give the following information:

- The unit number
- The location
- The reason for the request and type of emergency
- The number of units required

Where a situation has stabilized and emergency response is not required, the requesting officer shall promptly notify Dispatch.

308.3.1 NUMBER OF UNITS PARTICIPATING

Normally, only those units reasonably necessary should respond to a call with an emergency response. The Shift Sergeant or the field supervisor should monitor all emergency responses and reduce or enhance the response as warranted.

308.4 INITIATING EMERGENCY CALL RESPONSE

If an officer believes an emergency response to any call is appropriate, the officer shall immediately notify the Dispatch Center.

An emergency response of more than one unit should initiate notification by the Dispatch Center to the Shift Sergeant or field supervisor. The Shift Sergeant or field supervisor will make a determination regarding the appropriateness of the response and reduce or enhance the response as warranted.

308.5 RESPONSIBILITIES OF THE RESPONDING OFFICER

Officers shall exercise sound judgment and care with due regard for life and property when responding to a call with an emergency response. During a call involving an emergency response officers may (CRS § 42-4-108(2)):

- (a) Disregard regulations governing parking or standing when using a warning lamp.
- (b) Proceed past a red or stop signal or stop sign, but only after slowing down as may be necessary for safe operation.
- (c) Exceed any speed limits provided this does not endanger life or property.
- (d) Disregard regulations governing direction of movement or turning in specified directions.

The decision to continue as an emergency response is at the discretion of the officer. If, in the officer's judgment, the roadway conditions or traffic congestion does not permit such a response without unreasonable risk, the officer may elect to respond to the call without the use of red lights and siren at the legal speed limit. In such an event, the officer should immediately notify Dispatch.

Cortez Police Department

Cortez PD CO Policy Manual

Officer Response to Calls

An officer shall also discontinue an emergency response when directed by a supervisor or as otherwise appropriate.

Upon determining that an emergency response is appropriate, an officer shall immediately give the location from which he/she is responding.

The first officer arriving at an emergency response scene should determine whether to increase or reduce the level of the response and notify Dispatch of their determination. Any subsequent change in the appropriate response level should be communicated to Dispatch by the officer in charge of the scene unless a supervisor assumes this responsibility.

308.5.1 EMERGENCY RESPONSE SPECIAL CONDITIONS

While performing certain emergency response tasks, the use of emergency lights or sirens may increase the danger to the responding officers or the public. In the following circumstances, officers may consider the appropriateness of an emergency response without siren, emergency lights or both:

- (a) An officer is attempting to confirm his/her suspicion that a driver has violated the traffic code and there is no other reasonable suspicion or probable cause to stop the driver (CRS § 42-4-108(3)).
- (b) An emergency response requires an element of stealth that would be defeated by the use of emergency lighting or siren. This response should use a siren and emergency lights until a stealth response without lights and siren is required, and the response should then continue accordingly.

Any emergency response without the use of emergency lights and siren shall be conducted with due regard for the safety of the public and property and the recognition that such a response may not provide an exemption from the vehicle laws (CRS § 42-4-108(3)).

Any emergency response without the use of lights or siren shall cease if the circumstances no longer warrant such a response.

308.6 COMMUNICATIONS RESPONSIBILITIES

A dispatcher shall ensure acknowledgment and response of assisting units when an officer requests emergency assistance or when the available information reasonably indicates that the public is threatened with serious injury or death and an immediate law enforcement response is needed. The dispatcher shall:

- (a) Attempt to assign the closest available unit to the location requiring assistance.
- (b) Immediately notify the Shift Sergeant.
- (c) Confirm the location from which the unit is responding.
- (d) Notify and coordinate outside emergency services (e.g., fire and ambulance).
- (e) Continue to obtain and broadcast information as necessary concerning the response, and monitor the situation until it is stabilized or terminated.

Cortez PD CO Policy Manual

Officer Response to Calls

- (f) Control all radio communication during the emergency and coordinate assistance under the direction of the Shift Sergeant or field supervisor.

308.7 SUPERVISORY RESPONSIBILITIES

Upon being notified that an emergency response has been initiated, the Sergeant or the supervisor shall verify the following:

- (a) The proper response has been initiated.
- (b) No more than those units reasonably necessary under the circumstances are involved in the response.
- (c) Affected outside jurisdictions are being notified as practicable.

The supervisor shall, whenever practicable, monitor the response until it has been stabilized or terminated, and assert control by directing units into or out of the response if necessary. If, in the supervisor's judgment, the circumstances require additional units to be assigned an emergency response, the supervisor may do so.

It is the supervisor's responsibility to terminate an emergency response that, in his/her judgment, is inappropriate due to the circumstances.

When making the decision to authorize an emergency response, the Sergeant or the supervisor should consider the following:

- The type of call or crime involved
- The necessity of a timely response
- Traffic and roadway conditions
- The location of the responding units

308.8 FAILURE OF EMERGENCY EQUIPMENT

If the emergency equipment on the vehicle should fail to operate, the officer must terminate the emergency response and continue accordingly.

The officer shall notify the Sergeant, supervisor or the Dispatch Center of the equipment failure so that another unit may be assigned to the emergency response.

Domestic Violence

309.1 PURPOSE AND SCOPE

The purpose of this policy is to provide the guidelines necessary to deter, prevent and reduce domestic violence through vigorous enforcement and to address domestic violence as a serious crime against society. The policy specifically addresses the commitment of this department to take enforcement action when appropriate, to provide assistance to victims and to guide officers in the investigation of domestic violence.

309.1.1 DEFINITIONS

Definitions related to this policy include:

Court order - All forms of orders related to domestic violence, that have been issued by a court of this state or another, whether civil or criminal, regardless of whether service has been made.

309.2 POLICY

The Cortez Police Department's response to incidents of domestic violence and violations of related court orders shall stress enforcement of the law to protect the victim and shall communicate the philosophy that domestic violence is criminal behavior. It is also the policy of this department to facilitate victims' and offenders' access to appropriate civil remedies and community resources whenever feasible.

309.3 OFFICER SAFETY

The investigation of domestic violence cases often places officers in emotionally charged and sometimes highly dangerous environments. No provision of this policy is intended to supersede the responsibility of all officers to exercise due caution and reasonable care in providing for the safety of any officers and parties involved.

309.4 INVESTIGATIONS

The following guidelines should be followed by officers when investigating domestic violence cases:

- (a) Calls of reported, threatened, imminent, or ongoing domestic violence and the violation of any court order are of extreme importance and should be considered among the highest response priorities. This includes incomplete 9-1-1 calls.
- (b) When practicable, officers should obtain and document statements from the victim, the suspect, and any witnesses, including children, in or around the household or location of occurrence.
- (c) Officers should list the full name and date of birth (and school if available) of each child who was present in the household at the time of the offense. The names of other children who may not have been in the house at that particular time should also be obtained for follow-up.
- (d) When practicable and legally permitted, video or audio record all significant statements and observations.

Cortez Police Department

Cortez PD CO Policy Manual

Domestic Violence

- (e) All injuries should be photographed, regardless of severity, taking care to preserve the victim's personal privacy. Where practicable, photographs should be taken by a person of the same sex. Victims whose injuries are not visible at the time of the incident should be asked to return in the event that the injuries later become visible.
- (f) Officers should request that the victim complete and sign an authorization for release of medical records related to the incident when applicable.
- (g) If the suspect is no longer at the scene, officers should make reasonable efforts to locate the suspect to further the investigation, provide the suspect with an opportunity to make a statement, and make an arrest or seek an arrest warrant if appropriate.
- (h) When completing an incident or arrest report for violation of a court order, the arresting officer should attach a copy of the order to the incident or arrest report.
- (i) Officers should take appropriate enforcement action when there is probable cause to believe an offense has occurred. Factors that should not be used as sole justification for declining to take enforcement action include:
 - 1. Whether the suspect lives on the premises with the victim.
 - 2. Claims by the suspect that the victim provoked or perpetuated the violence.
 - 3. The potential financial or child custody consequences of arrest.
 - 4. The physical or emotional state of either party.
 - 5. Use of drugs or alcohol by either party.
 - 6. Denial that the abuse occurred where evidence indicates otherwise.
 - 7. A request by the victim not to arrest the suspect.
 - 8. Location of the incident (public/private).
 - 9. Speculation that the complainant may not follow through with the prosecution.
 - 10. Actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability, or marital status of the victim or suspect.
 - 11. The social status, community status, or professional position of the victim or suspect.

309.4.1 IF A SUSPECT IS ARRESTED

If a suspect is arrested, officers should:

- (a) Advise the victim that there is no guarantee the suspect will remain in custody.
- (b) Provide the victim's contact information to the jail staff to enable notification of the victim upon the suspect's release from jail.
- (c) Advise the victim whether any type of court order will be in effect when the suspect is released from jail.

Cortez Police Department

Cortez PD CO Policy Manual

Domestic Violence

309.4.2 IF NO ARREST IS MADE

If no arrest is made, the officer should:

- (a) Advise the parties of any options, including but not limited to:
 - 1. Voluntary separation of the parties.
 - 2. Appropriate resource referrals (e.g., counselors, friends, relatives, shelter homes, victim witness unit).
- (b) Document the resolution in a report.

309.5 VICTIM ASSISTANCE

Victims may be traumatized or confused. Officers should:

- (a) Recognize that a victim's behavior and actions may be affected.
- (b) Provide the victim with the department's domestic violence information handout, even if the incident may not rise to the level of a crime.
- (c) Alert the victim to any available victim advocates, shelters and community resources.
- (d) Stand by for a reasonable amount of time when an involved person requests law enforcement assistance while removing essential items of personal property.
- (e) Seek medical assistance as soon as practicable for the victim if he/she has sustained injury or complains of pain.
- (f) Ask the victim whether he/she has a safe place to stay. Assist in arranging to transport the victim to an alternate shelter if the victim expresses a concern for his/her safety or if the officer determines that a need exists.
- (g) Make reasonable efforts to ensure that children or dependent adults who are under the supervision of the suspect or victim are being properly cared for.
- (h) Seek or assist the victim in obtaining an emergency order if appropriate.

309.6 DISPATCH ASSISTANCE

All calls of domestic violence, including incomplete 9-1-1 calls, should be dispatched as soon as practicable.

Dispatchers are not required to verify the validity of a court order before responding to a request for assistance. Officers should request that dispatchers check whether any of the involved persons are subject to the terms of a court order.

309.7 FOREIGN COURT ORDERS

Various types of orders may be issued in domestic violence cases. Any foreign court order properly issued by a court of another state, Indian tribe or territory shall be enforced by officers as if it were the order of a court in this state. An order should be considered properly issued when it reasonably appears that the issuing court has jurisdiction over the parties and reasonable notice and opportunity to respond was given to the party against whom the order was issued (18 USC

Cortez Police Department

Cortez PD CO Policy Manual

Domestic Violence

§ 2265). An otherwise valid out-of-state court order shall be enforced, regardless of whether the order has been properly registered with this state.

309.8 VERIFICATION OF COURT ORDERS

Determining the validity of a court order, particularly an order from another jurisdiction, can be challenging. Therefore, in determining whether there is probable cause to make an arrest for a violation of any court order, officers should carefully review the actual order when available, and, where appropriate and practicable:

- (a) Ask the subject of the order about his/her notice or receipt of the order, his/her knowledge of its terms and efforts to respond to the order.
- (b) Check available records or databases that may show the status or conditions of the order.
- (c) Contact the issuing court to verify the validity of the order.
- (d) Contact a law enforcement official from the jurisdiction where the order was issued to verify information.

Officers should document in an appropriate report their efforts to verify the validity of an order, regardless of whether an arrest is made. Officers should contact a supervisor for clarification when needed.

309.8.1 VERIFICATION OF TRIBAL PROTECTION ORDERS

If any party to a domestic dispute is a member of a tribe or consider themselves a Native American person, officers should ask whether there are any protection orders from a tribal court.

Officers should take reasonable steps to verify the protection order, including calling the relevant tribe's dispatch line, and not rely solely on National Crime Information Center or other databases.

309.9 LEGAL MANDATES AND RELEVANT LAWS

Colorado law provides for the following:

309.9.1 STANDARDS FOR ARRESTS

Officers investigating a domestic violence report should consider the following:

- (a) If an officer has probable cause to believe an offender has committed an offense of domestic violence, an arrest shall be made (CRS § 18-6-803.6).
- (b) An officer is not required to arrest both parties involved in an alleged act of domestic violence when both claim to have been victims of such domestic violence (CRS § 18-6-803.6). If an officer receives complaints of domestic violence from two or more opposing persons, the officer shall evaluate each complaint separately to determine if a crime has been committed by one or more persons.
- (c) In determining whether a crime has been committed by one or more persons, the officer shall consider the following (CRS § 18-6-803.6):
 1. Any prior complaints of domestic violence.
 2. The relative severity of the injuries inflicted on each person.

Cortez Police Department

Cortez PD CO Policy Manual

Domestic Violence

3. The likelihood of future injury to each person.
 4. The possibility that one of the persons acted in self-defense.
- (d) Unless impractical, if probable cause exists to believe an offender has violated a court order and that such offender had notice of the court order, an arrest shall be made (CRS § 18-6-803.5). If the circumstances make arrest impractical, the officer shall seek a warrant of arrest for the offender (CRS § 18-6-803.5).
- (e) If a restrained person is arrested for violating or attempting to violate any provision of a court order, the arresting officer shall make all reasonable efforts to contact the protected party to notify him/her of such arrest (CRS § 18-6-803.5).

309.9.2 REPORTS AND RECORDS

In the event that an individual is arrested by the Cortez Police Department for violating a court order, the Records Techs shall forward to the Montezuma County Court a copy of the arrest report, to include, a list of witnesses to the violation, a list of any charges filed or requested against the restrained person. The Records Techs shall also ensure that if requested a copy of the same information is provided to the protected party. The agency shall delete the address and telephone number of a witness from the list sent to the court upon request of such witness, and such address and telephone number shall not thereafter be made available to any person, except law enforcement officials and the prosecuting agency, without order of the court (CRS § 18-6-803.5).

If a restrained person is on bond in connection with a violation or attempted violation of a protection order in this or any other state and is subsequently arrested by the Cortez Police Department for violating or attempting to violate a protection order, the Records Techs shall notify the prosecuting attorney so that a motion may be filed with the court that issued the prior bond for the revocation of the bond and for the issuance of a warrant, if appropriate (CRS § 18-6-803.5).

309.9.3 SERVICE OF COURT ORDERS

Officers responding to a domestic violence call who encounter a person named in a court order that has not been otherwise served shall serve the person with a copy of the order (CRS § 13-14-107).

Search and Seizure

310.1 PURPOSE AND SCOPE

Both the federal and state Constitutions provide every individual with the right to be free from unreasonable searches and seizures. This policy provides general guidelines for Cortez Police Department personnel to consider when dealing with search and seizure issues.

310.2 POLICY

It is the policy of the Cortez Police Department to respect the fundamental privacy rights of individuals. Members of this department will conduct searches in strict observance of the constitutional rights of persons being searched. All seizures by this department will comply with relevant federal and state law governing the seizure of persons and property.

The Department will provide relevant and current training to officers as guidance for the application of current law, local community standards and prosecutorial considerations regarding specific search and seizure situations, as appropriate.

310.3 SEARCHES

The U.S. Constitution generally provides that a valid warrant is required in order for a search to be valid. There are, however, several exceptions that permit a warrantless search.

Examples of law enforcement activities that are exceptions to the general warrant requirement include, but are not limited to, searches pursuant to the following:

- Valid consent
- Incident to a lawful arrest
- Legitimate community caretaking interests
- Vehicle searches under certain circumstances
- Exigent circumstances

Certain other activities are recognized by federal and state courts and by certain statutes as legitimate law enforcement activities that also do not require a warrant. Such activities may include seizure and examination of abandoned property, and observations of activities and property located on open public areas.

Because case law regarding search and seizure is constantly changing and subject to interpretation by the courts, each member of this department is expected to act in each situation according to current training and his/her familiarity with clearly established rights as determined by case law.

Whenever practicable, officers are encouraged to contact a supervisor to resolve questions regarding search and seizure issues prior to electing a course of action.

Cortez Police Department

Cortez PD CO Policy Manual

Search and Seizure

310.4 SEARCH PROTOCOL

Although conditions will vary and officer safety and other exigencies must be considered in every search situation, the following guidelines should be followed whenever circumstances permit:

- (a) Members of this department will strive to conduct searches with dignity and courtesy.
- (b) Officers should explain to the person being searched the reason for the search and how the search will be conducted.
- (c) Searches should be carried out with due regard and respect for private property interests and in a manner that minimizes damage. Property should be left in a condition as close as reasonably possible to its pre-search condition.
- (d) In order to minimize the need for forcible entry, an attempt should be made to obtain keys, combinations or access codes when a search of locked property is anticipated.
- (e) When the person to be searched is of the opposite sex as the searching officer, a reasonable effort should be made to summon an officer of the same sex as the subject to conduct the search. When it is not practicable to summon an officer of the same sex as the subject, the following guidelines should be followed:
 1. Another officer or a supervisor should witness the search.
 2. The officer should not search areas of the body covered by tight-fitting clothing, sheer clothing or clothing that could not reasonably conceal a weapon.

310.5 FIELD AND TRANSPORTATION SEARCHES

An officer should conduct a custody search of an individual immediately after his/her arrest, when receiving an individual from the custody of another, and before transporting a person who is in custody in any department vehicle.

Whenever practicable, a custody search should be conducted by an officer of the same sex as the person being searched. If an officer of the same sex is not reasonably available, a witnessing officer should be present during the search.

310.6 DOCUMENTATION

Officers are responsible to document any search and to ensure that any required reports are sufficient including, at minimum, documentation of the following:

- Reason for the search
- Any efforts used to minimize the intrusiveness of any search (e.g., asking for consent or keys)
- What, if any, injuries or damage occurred
- All steps taken to secure property
- The results of the search, including a description of any property or contraband seized
- If the person searched is the opposite sex, any efforts to summon an officer of the same sex as the person being searched and the identification of any witness officer

Search and Seizure

Supervisors shall review reports to ensure the reports are accurate, that actions are properly documented and that current legal requirements and Department policy have been met.

Temporary Custody of Juveniles

311.1 PURPOSE AND SCOPE

This policy provides guidelines consistent with the Juvenile Justice and Delinquency Prevention Act for juveniles taken into temporary custody by members of the Cortez Police Department (34 USC § 11133).

311.1.1 DEFINITIONS

Definitions related to this policy include:

Juvenile non-offender - An abused, neglected, dependent, or alien juvenile who may be legally held for the juvenile's own safety or welfare. Juvenile non-offenders include a juvenile taken into protective custody for being under the influence or incapacitated by substances and clearly dangerous to the health and safety of the juvenile under CRS § 27-81-111, and any runaway taken into temporary custody under CRS § 19-3-401. This also includes any juvenile who may have initially been contacted for an offense that would not subject an adult to arrest (e.g., fine-only offense) but was taken into custody for the juvenile's protection or for purposes of reuniting the juvenile with a parent, guardian, or other responsible person.

Juvenile offender - A juvenile under 18 years of age who is alleged to have committed an offense that would subject an adult to arrest (a non-status offense) (CRS § 19-1-103(21); CRS § 19-1-103(88)). Juvenile offenders include juveniles taken into custody for possession of a handgun under CRS § 18-12-108.5 (28 CFR 31.303).

Non-secure custody - When a juvenile is held in the presence of an officer or other custody employee at all times and is not placed in a locked room, cell, or behind any locked doors. Juveniles in non-secure custody may be handcuffed but not to a stationary or secure object. Personal supervision, through direct visual monitoring and audio two-way communication, is maintained. Monitoring through electronic devices, such as video, does not replace direct visual observation.

Safety checks - Direct visual observation by a member of this department performed at random intervals, within time frames prescribed in this policy, to provide for the health and welfare of juveniles in temporary custody.

Secure custody - When a juvenile offender is held in a locked room, a set of rooms, or a cell. Secure custody also includes being physically secured to a stationary object.

Examples of secure custody include:

- (a) A juvenile left alone in an unlocked room within the secure perimeter of the adult temporary holding area.
- (b) A juvenile handcuffed to a rail.
- (c) A juvenile placed in a room that contains doors with delayed egress devices that have a delay of more than 30 seconds.

Cortez Police Department

Cortez PD CO Policy Manual

Temporary Custody of Juveniles

- (d) A juvenile being processed in a secure booking area when an unsecure booking area is available.
- (e) A juvenile left alone in a secure booking area after being photographed and fingerprinted.
- (f) A juvenile placed in a cell within the adult temporary holding area, whether or not the cell door is locked.
- (g) A juvenile placed in a room that is capable of being locked or contains a fixed object designed for cuffing or restricting movement.

Sight and sound separation - Located or arranged to prevent physical, visual, or auditory contact.

Status offender - A juvenile suspected of committing a criminal violation of the law that would not be a criminal violation but for the age of the offender. Examples may include running away, underage possession of tobacco, curfew violation, and truancy. A juvenile in custody on a court order or warrant based upon a status offense is also a status offender.

311.2 POLICY

The Cortez Police Department is committed to releasing juveniles from temporary custody as soon as reasonably practicable and keeping juveniles safe while they are in temporary custody at the Cortez Police Department. Juveniles should be held in temporary custody only for as long as reasonably necessary for processing, transfer or release.

311.3 JUVENILES WHO SHOULD NOT BE HELD

Juveniles who exhibit certain behaviors or conditions should not be held at the Cortez Police Department. These include:

- (a) Unconsciousness or having been unconscious while being taken into custody or transported.
- (b) Serious injuries or a medical condition requiring immediate medical attention.
- (c) A suspected suicide risk or showing obvious signs of severe emotional or mental disturbance (see the Civil Commitments Policy).
 - 1. If the officer taking custody of a juvenile believes that he/she may be a suicide risk, the officer shall ensure continuous direct supervision until evaluation, release or transfer to an appropriate facility is completed.
- (d) Significant intoxication or showing signs of having ingested any substance that poses a significant risk to their health, whether or not they appear intoxicated.
- (e) Extremely violent or continuously violent behavior.
- (f) Afflicted with, or displaying symptoms of, a communicable disease that poses an unreasonable exposure risk.

Cortez Police Department

Cortez PD CO Policy Manual

Temporary Custody of Juveniles

Officers taking custody of a juvenile who exhibits any of the above conditions should take reasonable steps to provide medical attention or mental health assistance and notify a supervisor of the situation.

These juveniles should not be held at the Cortez Police Department unless they have been evaluated by a qualified medical and/or mental health professional.

311.4 CUSTODY OF JUVENILES

Officers should take custody of a juvenile and temporarily hold the juvenile at the Cortez Police Department when there is no other lawful and practicable alternative to temporary custody. Refer to the Child Abuse Policy for additional information regarding detaining a juvenile who is suspected of being a victim.

No juvenile should be held in temporary custody at the Cortez Police Department without authorization of the arresting officer's supervisor or the Shift Sergeant. Juveniles taken into custody shall be held in non-secure custody unless otherwise authorized by this policy.

Any juvenile taken into custody should be released to the care of the juvenile's parent, legal guardian, or other responsible adult, or transferred to a juvenile custody facility or to other authority as soon as practicable. In no event should a juvenile be held beyond six hours from the time of his/her entry into the Cortez Police Department without Court notification (34 USC § 11133).

311.4.1 CUSTODY OF JUVENILE NON-OFFENDERS

Non-offenders taken into protective custody in compliance with the Child Abuse Policy should generally not be held at the Cortez Police Department. Custodial arrangements should be made for non-offenders as soon as reasonably possible. Juvenile non-offenders may not be held in secure custody (34 USC § 11133).

311.4.2 CUSTODY OF JUVENILE STATUS OFFENDERS

Status offenders should generally be released by citation or with a warning rather than taken into temporary custody. However, officers may take custody of a status offender if requested to do so by a parent or legal guardian in order to facilitate reunification (e.g., transported home or to the station to await a parent). Juvenile status offenders may not be held in secure custody (34 USC § 11133).

311.4.3 CUSTODY OF JUVENILE OFFENDERS

Juvenile offenders should be held in non-secure custody while at the Cortez Police Department unless another form of custody is authorized by this policy or is necessary due to exigent circumstances.

311.4.4 REQUIREMENTS FOR CUSTODY OF JUVENILE OFFENDERS

A juvenile offender may be taken into temporary custody (CRS § 19-2.5-209):

- (a) When there are reasonable grounds to believe that the juvenile has committed a violation of a statute, ordinance, or court order that would subject an adult to an arrest.

Cortez Police Department

Cortez PD CO Policy Manual

Temporary Custody of Juveniles

(b) Pursuant to a lawful warrant issued by a court pursuant to CRS § 19-2.5-204.

A juvenile offender shall not be held longer than is reasonably necessary to obtain basic identification information and to contact the juvenile's parents, guardian, or legal custodian (CRS § 19-2.5-303).

The juvenile shall be released to the care of the juvenile's parents or other responsible adult unless a determination is made in accordance with CRS § 19-2.5-303 that the juvenile poses a substantial risk of flight from prosecution or of serious harm to others.

If the juvenile is not released to the care of the juvenile's parents or other responsible adult, the juvenile shall be taken directly to the court, a detention facility, or shelter designated by the court, or a preadjudication service program without unnecessary delay (CRS § 19-2.5-303).

As an alternative to taking a juvenile offender to a detention facility or shelter, an officer may, if authorized by policy of the court, serve a written promise to appear for juvenile proceedings upon the juvenile and the juvenile's parent, guardian, or legal custodian (CRS § 19-2.5-303).

When a juvenile is not released pending charges, the officer shall:

- Notify the screening team for the judicial district in which the juvenile was taken into custody (CRS § 19-2.5-303).
- Promptly provide to the court and to defense counsel the affidavit supporting probable cause for the arrest and a copy of the arrest report if available (CRS § 19-2.5-305).

311.4.5 PETTY OFFENSE TICKETS

Offenders 10 years of age or older who have committed an offense that would be a petty offense or municipal ordinance violation if committed by an adult may be issued a petty offense ticket. The Cortez Police Department shall maintain annual data on the petty offense tickets issued, including the age, ethnicity, and gender of each juvenile ticketed and the disposition of each ticket (CRS § 19-2.5-208).

311.5 ADVISEMENTS

The screening team for the judicial district generally notifies the juvenile's parent, guardian, or legal custodian that, if the juvenile is placed in detention or a temporary holding facility, all parties have a right to a prompt hearing to determine whether the juvenile is to be further detained. The notification may be made to a person with whom the juvenile is residing if a parent, guardian, or legal custodian cannot be located. If the screening team is unable to make the notification, officers may make it (CRS § 19-2.5-303).

311.5.1 REPORTING

The Records Techs shall ensure incidents that result in a citation, summons, arrest or custody of a juvenile that occurs on public school grounds or vehicles, or at school activities or events are reported to the Division of Criminal Justice (DCJ) as required by CRS § 22-32-146. The reports shall be in the format provided by DCJ and include:

- (a) The juvenile's full name, date of birth, race, ethnicity and gender.

Cortez Police Department

Cortez PD CO Policy Manual

- (b) The name of the school where the incident occurred or the name of the school that either operated the vehicle or held the activity or event.
- (c) The date the juvenile was arrested, taken into custody or issued a summons or ticket.
- (d) The arrest or incident report number assigned by the Cortez Police Department.
- (e) The most serious offense for which the juvenile was arrested, issued a summons or ticket, based on the National Crime Information Center (NCIC) crime code.
- (f) The type of weapon involved, if any, for offenses classified under the NCIC incident-based reporting system as group A offenses.
- (g) The originating reporting identifier of the Cortez Police Department.

311.6 JUVENILE CUSTODY LOGS

Any time a juvenile is held in custody at the Department, the custody shall be promptly and properly documented in the juvenile custody log provided by the State.

311.7 NO-CONTACT REQUIREMENTS

Sight and sound separation shall be maintained between all juveniles and adults while in custody at the Department (34 USC § 11133). There should also be sight and sound separation between non-offenders and juvenile and status offenders.

In situations where brief or accidental contact may occur (e.g., during the brief time a juvenile is being fingerprinted and/or photographed in booking), a member of the Cortez Police Department shall maintain a constant, immediate, side-by-side presence with the juvenile or the adult to minimize any contact. If inadvertent or accidental contact does occur, reasonable efforts shall be taken to end the contact.

311.8 TEMPORARY CUSTODY REQUIREMENTS

Members and supervisors assigned to monitor or process any juvenile at the Cortez Police Department shall ensure the following:

- (a) The Shift Sergeant is notified if it is anticipated that a juvenile may need to remain at the Cortez Police Department more than four hours. This will enable the Shift Sergeant to ensure no juvenile is held at the Cortez Police Department more than six hours.
- (b) Juveniles in custody are informed that they will be monitored at all times, except when using the toilet.
 - 1. There shall be no viewing devices, such as peep holes or mirrors, of which the juvenile is not aware.
 - 2. This does not apply to surreptitious and legally obtained recorded interrogations.
- (c) A member of the same sex will supervise personal hygiene activities and care, such as changing clothing or using the restroom, without direct observation to allow for privacy.
- (d) Personal visual checks and significant incidents/activities are noted on the log.
- (e) There is reasonable access to toilets and wash basins.

- (f) Food is provided if a juvenile has not eaten within the past four hours or is otherwise in need of nourishment, including any special diet required for the health of the juvenile.
- (g) There is reasonable access to a drinking fountain or water.
- (h) There are reasonable opportunities to stand and stretch, particularly if handcuffed or otherwise restrained.
- (i) There is privacy during family, guardian, and/or attorney visits.
- (j) Juveniles are generally permitted to remain in their personal clothing unless the clothing is taken as evidence or is otherwise unsuitable or inadequate for continued wear while in custody.
- (k) Clean blankets are provided as reasonably necessary to ensure the comfort of an individual.
 - 1. The supervisor should ensure that there is an adequate supply of clean blankets.
- (l) Adequate shelter, heat, light, and ventilation are provided without compromising security or enabling escape.
- (m) Adequate furnishings are available, including suitable chairs or benches.
- (n) Juveniles have the right to the same number of telephone calls as an adult in custody (see the Temporary Custody of Adults Policy).
- (o) Discipline is not administered to any juvenile, nor will juveniles be subjected to corporal or unusual punishment, humiliation, or mental abuse.

311.9 USE OF RESTRAINT DEVICES

Juvenile offenders may be handcuffed in accordance with the Handcuffing and Restraints Policy. A juvenile offender may be handcuffed at the Cortez Police Department when the juvenile presents a heightened risk. However, non-offenders and status offenders should not be handcuffed unless they are combative or threatening.

Other restraints shall only be used after less restrictive measures have failed and with the approval of the Shift Sergeant. Restraints shall only be used so long as it reasonably appears necessary for the juvenile's protection or the protection of others.

Juveniles in restraints shall be kept away from other unrestrained individuals in custody and monitored in such a way as to protect the juvenile from abuse.

311.9.1 PREGNANT JUVENILES

Juveniles who are known to be pregnant should be restrained in accordance with the Handcuffing and Restraints Policy.

311.10 PERSONAL PROPERTY

The personal property of a juvenile shall be processed in the same manner as an adult in temporary custody (see the Temporary Custody of Adults Policy).

Cortez Police Department

Cortez PD CO Policy Manual

Temporary Custody of Juveniles

311.11 SECURE CUSTODY

Only juvenile offenders 14 years of age or older may be placed in secure custody. Shift Sergeant approval is required before placing a juvenile offender in secure custody (CRS § 19-2.5-305).

Secure custody should only be used for juvenile offenders when there is a reasonable belief that the juvenile is a serious risk of harm to the juvenile or others.

Members of this department should not use secure custody for convenience when non-secure custody is, or later becomes, a reasonable option.

When practicable, handcuffing one hand of a juvenile offender to a fixed object while otherwise maintaining the juvenile in non-secure custody should be considered as the method of secure custody. A member must be present at all times to ensure the juvenile's safety while secured to a stationary object.

Generally, juveniles should not be secured to a stationary object for more than 60 minutes. Supervisor approval is required to secure a juvenile to a stationary object for longer than 60 minutes and every 30 minutes thereafter. Supervisor approval should be documented.

311.11.1 LOCKED ENCLOSURES

A thorough inspection of the area shall be conducted before placing a juvenile into the enclosure to ensure there are no weapons or contraband and that the area is clean and sanitary. An inspection should be conducted when he/she is released. Any damage noted to the area should be photographed and documented.

The following requirements shall apply:

Adult Abuse

312.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the investigation and reporting of suspected abuse of certain adults who may be more vulnerable than others. This policy also addresses mandatory notification for Cortez Police Department members as required by law.

312.1.1 DEFINITIONS

Definitions related to this policy include:

Adult abuse - Any offense or attempted offense involving violence or neglect of an adult victim when committed by a person responsible for the adult's care, or any other act that would mandate reporting or notification to a social service agency or law enforcement.

312.2 POLICY

The Cortez Police Department will investigate all reported incidents of alleged adult abuse and ensure proper reporting and notification as required by law.

312.3 MEDICAL EXAMINATIONS

When an adult abuse investigation requires a medical examination, the investigating officer should obtain consent for such examination from the victim, his/her guardian, or the agency or entity having legal custody of the adult. The officer should also arrange for the adult's transportation to the appropriate medical facility.

In cases where the alleged offender is a family member, guardian, or agency or entity having legal custody and is refusing to give consent for the medical examination, officers should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for officers to take the adult for a medical examination, the supervisor should consider other government agencies or services that may obtain a court order for such an examination.

312.4 INTERVIEWS

312.4.1 PRELIMINARY INTERVIEWS

Absent extenuating circumstances or impracticality, officers should record the preliminary interview with a suspected adult abuse victim. Officers should avoid multiple interviews with the victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating officers should defer interviews until a person who is specially trained in such interviews is available.

312.4.2 DETAINING VICTIMS FOR INTERVIEWS

An officer should not detain an adult involuntarily who is suspected of being a victim of abuse solely for the purpose of an interview or physical exam without his/her consent or the consent of a guardian unless one of the following applies:

- (a) Exigent circumstances exist, such as:

Cortez Police Department

Cortez PD CO Policy Manual

Adult Abuse

1. A reasonable belief that medical issues of the adult need to be addressed immediately.
 2. A reasonable belief that the adult is or will be in danger of harm if the interview or physical exam is not immediately completed.
 3. The alleged offender is a family member or guardian and there is reason to believe the adult may be in continued danger.
- (b) A court order or warrant has been issued.

312.5 PROTECTIVE CUSTODY

Before taking an adult abuse victim into protective custody when facts indicate the adult may not be able to care for him/herself, the officer should make reasonable attempts to contact the county department of human or social services. Generally, removal of an adult abuse victim from his/her family, guardian, or other responsible adult should be left to the welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove an adult abuse victim from his/her family or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the victim. Prior to taking an adult abuse victim into protective custody, the officer should take reasonable steps to deliver the adult to another qualified legal guardian, unless it reasonably appears that the release would endanger the victim or result in abduction. If this is not a reasonable option, the officer shall ensure that the adult is delivered to the county department of human or social services.

Whenever practicable, the officer should inform a supervisor of the circumstances prior to taking an adult abuse victim into protective custody. If prior notification is not practicable, officers should contact a supervisor promptly after taking the adult into protective custody.

When adult abuse victims are under state control or have a state-appointed guardian or there are other legal holdings for guardianship, it may be necessary or reasonable to seek a court order on behalf of the adult victim to either remove the adult from a dangerous environment (protective custody) or restrain a person from contact with the adult.

312.6 INVESTIGATIONS AND REPORTING

All reported or suspected cases of adult abuse require investigation and a report, even if the allegations appear unfounded or unsubstantiated.

Investigations and reports related to suspected cases of adult abuse should address, as applicable:

- (a) The overall basis for the contact. This should be done by the investigating officer in all circumstances where a suspected adult abuse victim is contacted.
- (b) Any relevant statements the victim may have made and to whom he/she made the statements.

Cortez Police Department

Cortez PD CO Policy Manual

Adult Abuse

- (c) If a person is taken into protective custody, the reasons, the name and title of the person making the decision, and why other alternatives were not appropriate.
- (d) Documentation of any visible injuries or any injuries identified by the victim. This should include photographs of such injuries, if practicable.
- (e) Whether the victim was transported for medical treatment or a medical examination.
- (f) Whether the victim identified a household member as the alleged perpetrator, and a list of the names of any other potential victims or witnesses who may reside in the residence.
- (g) Identification of any prior related reports or allegations of abuse, including other jurisdictions, as reasonably known.
- (h) Previous addresses of the victim and suspect.
- (i) Other potential witnesses who have not yet been interviewed, such as relatives or others close to the victim's environment.
- (j) Whether a death involved the Colorado End-of-Life Options Act (CRS § 25-48-119):
 - (a) Whether an individual knowingly or intentionally forged or altered a request for medical aid-in-dying medication to end an individual's life without the individual's authorization.
 - (b) Whether an individual knowingly or intentionally concealed or destroyed a rescission of a request for medical aid-in-dying medication.
 - (c) Whether an individual knowingly or intentionally coerced or exerted undue influence on a person with a terminal illness to request medical aid-in-dying medication or to destroy a rescission of a request for such medication.

An ombudsman should be called to the scene if the abuse occurred in a long-term care facility (CRS § 26-11.5-101 et seq.).

Any unexplained death of an adult who was in the care of a guardian or caretaker should be considered as potential adult abuse and investigated similarly.

312.7 MANDATORY NOTIFICATION

- (a) Observes the mistreatment or self-neglect of an at-risk adult.
- (b) Has reasonable cause to believe that an at-risk adult has been mistreated or is self-neglecting.
- (c) Has reasonable cause to believe that an at-risk adult is in imminent risk of mistreatment or self-neglect.

Cross reporting to social services is mandatory for at-risk adults who have an intellectual and developmental disability or are seventy years of age or older (CRS § 18-6.5-102; CRS § 18-6.5-108).

Cortez Police Department

Cortez PD CO Policy Manual

Adult Abuse

For purposes of notification, mistreatment includes abuse, neglect, exploitation, or any act by a person with a relationship to the at-risk adult even when it does not rise to the level of abuse, caretaker neglect, or exploitation but causes harm to the health, safety, or welfare of an at-risk adult (CRS § 26-3.1-101).

Notification is not required for someone who was merely present when a qualified person self-administered a prescribed medical aid-in-dying medication (CRS § 25-48-116).

312.9 DRUG-ENDANGERED VICTIMS

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of an adult abuse victim who has been exposed to the manufacturing, trafficking or use of narcotics.

312.9.1 SUPERVISOR RESPONSIBILITIES

The Detective Division supervisor should:

- (a) Work with professionals from the appropriate agencies, including the county department of human or social services, other law enforcement agencies, medical

Child Abuse

All cases of the unexplained death of a child should be investigated as thoroughly as if it had been a case of suspected child abuse (e.g., a sudden or unexplained death of an infant).

313.6 PROTECTIVE CUSTODY

Before taking any child into protective custody, the officer should make reasonable attempts to contact the county department of human or social services. Generally, removal of a child from his/her family, guardian, or other responsible adult should be left to the child welfare authorities when they are present or have become involved in an investigation.

Generally, members of this department should remove a child from his/her parent or guardian without a court order only when no other effective alternative is reasonably available and immediate action reasonably appears necessary to protect the child. Prior to taking a child into protective custody, the officer should take reasonable steps to deliver the child to another qualified parent or legal guardian, unless it reasonably appears that the release would endanger the child or result in abduction. If this is not a reasonable option, the officer shall ensure that the child is delivered to the county department of human or social services.

- (c) Without a court order when an arrest warrant has been issued for the child's parent or guardian on the basis of an alleged violation of CRS § 18-3-304.
- (d) A seriously endangered newborn child (less than 72 hours old) may be detained in a hospital, without a warrant, by an officer upon the recommendation of the county department of human or social services, a physician, a registered nurse, a licensed practical nurse, or a physician's assistant, while an order of the court pursuant to CRS § 19-3-405(1) is being pursued. Child Abuse

313.6.1 COURT ORDERS

Unless already being addressed by the county department of human or social services, an officer should apply for a court order prior to taking a child into protective custody or as soon as practical thereafter when the officer (CRS § 19-3-405):

- (a) Believes that the circumstances or conditions of the child are such that continuing in his/her place of residence or in the care and custody of the person responsible for the child's care and custody would present a danger to that child's life or health in the reasonably foreseeable future.
- (b) Believes that the child is able to remain safely in his/her place of residence or in the care and custody of the person responsible for the child's care and custody only if certain emergency protection orders are entered.

- (b) At the earliest opportunity, notify the court that the child has been taken into protective custody.
- (c) Promptly file a brief written report with the court and any agency or person so designated by the court stating the facts that led to the child being taken into custody and the reason why the child was not released.

Whenever a child is taken into temporary protective custody, the child's parent, guardian, or legal custodian shall be notified without unnecessary delay (CRS § 19-3-402(1)). The notification shall include information regarding the right to a hearing.

313.6.3 SAFE HAVEN ACT PROVISIONS

A parent is not guilty of child abuse as defined in CRS § 18-6-401 if the parent surrenders his/her newborn infant (72 hours old or younger) to an on-duty firefighter or staff member at a hospital or community clinic emergency center under the safe haven provisions of CRS § 19-3-304.5. A supervisor and the county department of human or social services should be notified without delay.

313.7 INTERVIEWS

313.7.1 PRELIMINARY INTERVIEWS

Absent extenuating circumstances or impracticality, officers should record the preliminary interview with suspected child abuse victims. Officers should avoid multiple interviews with a child victim and should attempt to gather only the information necessary to begin an investigation. When practicable, investigating officers should defer interviews until a person who is specially trained in such interviews is available. Generally, child victims should not be interviewed in the home or location where the alleged abuse occurred.

 3. The alleged offender is the custodial parent or guardian and there is reason to believe the child may be in continued danger.
- (b) A court order or warrant has been issued.

313.8 MEDICAL EXAMINATIONS

If the child has been the victim of abuse that requires a medical examination, the investigating officer should obtain consent for such examination from the appropriate parent, guardian or agency having legal custody of the child. The officer should also arrange for the child's transportation to the appropriate medical facility.

In cases where the alleged offender is the custodial parent or guardian and is refusing consent for the medical examination, officers should notify a supervisor before proceeding. If exigent circumstances do not exist or if state law does not provide for officers to take the child for a medical examination, the notified supervisor should consider obtaining a court order for such an examination.

313.9 DRUG-ENDANGERED CHILDREN

A coordinated response by law enforcement and social services agencies is appropriate to meet the immediate and longer-term medical and safety needs of children exposed to the manufacturing, trafficking or use of narcotics.

313.9.1 SUPERVISOR RESPONSIBILITIES

The Detective Division Supervisor should:

- (a) Work with professionals from the appropriate agencies, including the county department of human or social services, other law enforcement agencies, medical service providers and local prosecutors to develop community specific procedures for responding to situations where there are children endangered by their exposure to methamphetamine labs or the manufacture and trafficking of other drugs.
- (b) Activate any available interagency response when an officer notifies the Detective Division Supervisor that the officer has responded to a drug lab or other narcotics crime scene where a child is present or where evidence indicates that a child lives there.

320.4 REPORT PREPARATION

Reports should be sufficiently detailed for their purpose and free from errors prior to submission and approval. It is the responsibility of the member to complete and submit all reports taken during the shift before going off-duty unless permission to hold the report has been approved by a supervisor. Generally, reports requiring prompt follow-up action on active leads or arrest reports where the suspect remains in custody should not be held.

All reports shall accurately reflect the identity of the persons involved; all pertinent information seen, heard, or assimilated by any other sense; and any actions taken. Members shall not suppress, conceal, or distort the facts of any reported incident, nor shall any member make a false report orally or in writing. Generally, the reporting member's opinions should not be included in reports unless specifically identified as such.

320.4.1 HANDWRITTEN OR TYPED REPORTS

County, state, and federal agency forms may be block printed unless the requirement for typing is apparent. Supervisors may require block printing or typing of reports of any nature for department consistency.

Handwritten reports must be prepared legibly. If the report is not legible, the submitting member will be required by the reviewing supervisor to promptly make corrections and resubmit the report.

In general, the narrative portion of reports where an arrest is made or when there is a long narrative should be typed or dictated. Members who dictate reports shall use appropriate grammar, as the content is not the responsibility of the typist.

Members who generate reports on computers are subject to all requirements of this policy.

Media Relations

321.1 PURPOSE AND SCOPE

This policy provides guidelines for media releases and media access to scenes of disasters, criminal investigations, emergencies and other law enforcement activities.

321.2 RESPONSIBILITIES

The ultimate authority and responsibility for the release of information to the media shall remain with the Chief of Police. However, in situations not warranting immediate notice to the Chief of Police and in situations where the Chief of Police has given staff prior approval, may prepare and release information to the media in accordance with this policy and the applicable law.

321.2.1 MEDIA REQUEST

Any media request for information or access to a law enforcement situation shall be referred to the designated Department media representative, or if unavailable, to the first available supervisor. Prior to releasing any information to the media, employees shall consider the following:

- (a) At no time shall any employee of this department make any comment or release any official information to the media without prior approval from a supervisor or the designated Department media representative.
- (b) In situations involving multiple law enforcement agencies or other criminal justice agencies including, but not limited to, prosecutors and coroners, every reasonable effort should be made to coordinate media releases with the authorized representative of each involved agency prior to the release of any information by this department.
- (c) Under no circumstance should any member of this department make any comments to the media regarding any law enforcement incident not involving this department without prior approval of the Chief of Police.

321.2.2 PUBLIC INFORMATION OFFICER COMMUNITY RELATIONS

The designated PIO is responsible for maintaining a relationship with the local community (e.g., local businesses, service clubs, schools, religious organizations, other government agencies) that is consistent with the goals and objectives of this department.

321.3 MEDIA ACCESS

Authorized members of the media should be provided access to scenes of disasters, criminal investigations, emergencies and other law enforcement activities. Access by the media is subject to the following conditions:

- (a) The media representative shall produce valid press credentials that shall be prominently displayed at all times while in areas otherwise closed to the public.
- (b) Media representatives may be prevented from interfering with emergency operations and criminal investigations.

Cortez Police Department

Cortez PD CO Policy Manual

Media Relations

1. Reasonable effort should be made to provide a safe staging area for the media that is near the incident and that will not interfere with emergency or criminal investigation operations. All information released to the media should be coordinated through the PIO or other designated spokesperson.
 - (c) No member of this department shall be required to submit to media visits or interviews without the consent of the involved employee.
 - (d) Media interviews with individuals who are in custody shall not be permitted unless in compliance with a jail facility policy. Exceptions are only permitted with the approval of the Chief of Police and the express written consent of the person in custody.

A tactical operation should be handled in the same manner as a crime scene, except the news media shall be permitted within the outer perimeter of the scene, subject to any restrictions as determined by the supervisor in charge. Department members shall not jeopardize a tactical operation in order to accommodate the news media. All comments to the media shall be coordinated through a supervisor or the PIO.

321.3.1 TEMPORARY FLIGHT RESTRICTIONS

Whenever the presence of media or other aircraft pose a threat to public or officer safety or significantly hamper incident operations, the field supervisor should consider requesting a Temporary Flight Restriction (TFR). All requests for a TFR should be routed through the Shift Sergeant. The TFR request should include specific information regarding the perimeter and altitude necessary for the incident. It should be requested through the appropriate control tower. If the control tower is not known, the Federal Aviation Administration (FAA) should be contacted (14 CFR 91.137).

321.3.2 PROVIDING ADVANCE INFORMATION

To protect the safety and rights of officers and other persons, advance information about planned actions by law enforcement personnel, such as movement of persons in custody or the execution of an arrest or search warrant, should not be disclosed to the news media nor should media representatives be invited to be present at such actions except with the prior approval of the Chief of Police.

Any exceptions to the above should only be considered for the furtherance of legitimate law enforcement purposes. Prior to approving any exception, the Chief of Police will consider, at minimum, whether the release of information or presence of the media would unreasonably endanger any individual, prejudice the rights of any person or is otherwise prohibited by law.

321.4 SCOPE OF INFORMATION SUBJECT TO RELEASE

The Department will maintain a daily information log of significant law enforcement activities that shall be made available, upon request, to media representatives through the Records Department. This log will consist of data classified as public and should generally contain:

- (a) The date, time, location, case number, type of crime, extent of injury or loss and names of individuals (except confidential informants) involved in crimes occurring within this

jurisdiction, unless the release of such information would endanger the safety of any individual or jeopardize the successful completion of any ongoing investigation.

- (b) The date, time, location, case number, name, birth date and charges for each person arrested by this department, unless the release of such information would endanger the safety of any individual or jeopardize the successful completion of any ongoing investigation.
- (c) The time and location of other significant law enforcement activities or requests for service with a brief summary of the incident subject to the restrictions of this policy and applicable law.

Any requests for copies of related reports or additional information not contained in this log shall be referred to the designated media representative, the custodian of records. Such requests will be processed in accordance with policy and state law.

321.4.1 STATE RESTRICTED INFORMATION

It shall be the responsibility of the authorized employee dealing with media requests to ensure that restricted information is not inappropriately released to the media by this department (see the Records Maintenance and Release and the Personnel Records policies). When in doubt, authorized and available legal counsel should be obtained.

321.5 RELEASE OF INFORMATION

The Department may routinely release information to the media without receiving a specific request. This may include media releases regarding critical incidents, information of public concern, updates regarding significant incidents or requests for public assistance in solving crimes or identifying suspects. This information may also be released through the department website or other electronic data sources.

Subpoenas and Court Appearances

322.1 PURPOSE AND SCOPE

Cortez Police Department members will respond appropriately to all subpoenas and any other court-ordered appearances.

322.3 SUBPOENAS

Only department members authorized to receive a subpoena on behalf of this department or any of its members may do so.

Criminal subpoenas should be delivered to the member named in the subpoena unless substituted service is otherwise authorized by local court rules (Crim. P. Rule 17).

Subpoenas should not be accepted without properly posted fees pursuant to applicable law (CRCP Rule 45; Crim. P. Rule 17).

322.3.3 OFF-DUTY RELATED SUBPOENAS

Members receiving valid subpoenas for off-duty actions not related to their employment or appointment will not be compensated for their appearance. Arrangements for time off shall be coordinated through their immediate supervisors.

322.4 REQUIREMENT TO APPEAR

Members are required to comply with the terms of any properly served subpoena or court-ordered appearance. This includes properly served orders to appear issued by a state administrative agency.

322.5 STANDBY

To facilitate standby agreements, members are required to provide and maintain current information on their addresses and contact telephone numbers with the Department.

If a member on standby changes his/her location during the day, the member shall notify the designated department member of how he/she can be reached. Members are required to remain on standby until released by the court or the party that issued the subpoena.

- (f) If the subpoena cannot be served, a note is attached stating the reason(s) that it cannot be served. This note is dated and signed by the Community Services Officer. The subpoena and note is then returned to Municipal Court and the city attorney.

Mutual Aid and Outside Agency Assistance

323.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance to officers in the request of or answering the request for assistance from another law enforcement agency.

It is the policy of this department to provide assistance whenever reasonably possible. Assistance shall be consistent with the applicable laws and policies of this department when another law enforcement agency requests assistance with an arrest or detention of any person. This department may also request an outside agency to provide assistance (CRS § 29-5-104).

The Department may at the discretion of the Chief of Police establish an agreement for reciprocal law enforcement with another agency, including those of neighboring states, provided those agreements meet statutory requirements pursuant to CRS § 29-1-206. An agreement may include:

- (a) Assisting other peace officers in the line of their duties and within the course of their employment.
- (b) Exchanging Department peace officers with peace officers of another agency on a temporary basis.

323.2 ASSISTING OUTSIDE AGENCIES

Generally, calls for assistance from other agencies are received via radio transmission and are routed to the Shift Sergeant's office or an on-duty supervisor for approval. Any such response to assist an outside agency should be considered for authorization pursuant to law or an established mutual aid plan (see generally CRS § 33.5-713).

When an authorized employee of an outside agency requests the assistance of this department in taking a person into custody, available officers shall respond and assist in making a lawful arrest. If an officer receives a request in the field for assistance, that officer shall notify a supervisor. Arrestees may be temporarily detained by this department until arrangements for transportation are made by the outside agency. Only in exceptional circumstances will this department provide transportation of arrestees to another agency's facilities.

When such assistance is rendered, a case number will be issued to report action taken by Cortez Police Department personnel.

323.3 REQUESTING ASSISTANCE FROM OUTSIDE AGENCIES

If assistance is needed from another agency, the employee requesting assistance shall first notify a supervisor of his/her intentions. The handling officer or supervisor should direct assisting personnel to where they are needed and to whom they should report when they arrive.

The requesting officer should secure radio frequencies for use by all involved agencies so that communication can be coordinated as needed. If necessary, reasonable effort should be taken to provide radio equipment capable of communicating on the assigned frequency to any personnel who do not have compatible radios.

Mutual Aid and Outside Agency Assistance

A resource to consider for obtaining mutual aid assistance could include the State of Colorado All Hazards Emergency Resource Mobilization Annex available from the Colorado Division of Homeland Security and Emergency Management.

323.4 HAZARDOUS MATERIAL EMERGENCIES MUTUAL AID

The Incident Commander, in cooperation with other agencies, is charged with making an immediate appraisal of the situation and its potential. Responders should:

- Establish scene management.

- Consider personal protection/decontamination.
- Isolate the incident and identify zones of activity.

- Perform fire fighting, rescue, emergency medical and other critical life-saving response activities in accordance with the County Emergency Operations Plan.
- Contact the local Colorado state dispatch and request support if it occurs on any federal, state or county highway located outside of municipal city limits.
- Seek additional resources if the event exceeds, or is expected to exceed, the capability of local resources, including mutual aid and state or federal assistance. When requesting local, state or federal assistance, this Department should clarify if it is requesting assistance only or complete scene management.

323.5 MANDATORY SHARING

Equipment and supplies purchased with federal funds or grants with contingent sharing requirements should be documented and updated as necessary. The conditions relative to sharing, the training requirements connected to the use of the supplies and equipment, and those trained in the use of the supplies and equipment should be included in the documentation. Copies of the list should be provided to the Dispatch Center and the Shift Sergeant to ensure proper use in compliance with agreements.

Registered Offender Information

324.1 PURPOSE AND SCOPE

This policy establishes guidelines by which the Cortez Police Department will address issues associated with certain offenders who are residing in the jurisdiction and how the Department will disseminate information and respond to public inquiries for information about registered sex offenders.

324.2 POLICY

It is the policy of the Cortez Police Department to identify and monitor registered offenders living within this jurisdiction and to take reasonable steps to address the risks those persons may pose.

324.3 REGISTRATION

The Records Techs shall establish a process to reasonably accommodate registration of certain offenders. The process should rebut any allegation on the part of the offender that the registration process was too confusing, burdensome, or difficult for compliance. Employees assigned to register offenders should receive appropriate training regarding the registration process.

Upon conclusion of the registration process, the Records Techs shall ensure that the registration information is provided to the Colorado Bureau of Investigation (CBI) (CRS § 16-8-115; CRS § 16-13-903; CRS § 16-22-109; CRS § 16-22-110).

The refusal of a registrant to provide any of the required information or complete the process should initiate a criminal investigation for failure to register.

324.3.1 CONTENTS OF REGISTRATION

The registrant shall be required to complete the registration form provided by CBI.

Registration by a person who lacks a fixed residence shall be accepted unless it includes a location that would violate state law or local ordinance. The registrant shall be advised of any such violation and allowed five days to secure an alternate location (CRS § 16-22-108).

324.3.2 WAIVERS OF IN-PERSON RE-REGISTRATION

The Records Techs should (CRS § 16-22-108):

- (a) Establish procedures for determining whether a registrant is eligible for a waiver under CRS § 16-22-108.
- (b) Submit verification forms to CBI and other applicable law enforcement agencies.
- (c) Review existing waivers to confirm registrants still meet eligibility requirements for the waiver.
- (d) Notify victims, upon request by the victim, that a waiver has been authorized.

324.3.3 AUTOMATIC TERMINATION OF REGISTRATION

The Detective Division supervisor or the authorized designee shall notify a registrant whose duty to register has automatically terminated under CRS § 16-22-103 of the termination upon attempt

to register. The Detective Division supervisor shall remove the registrant from the registry and notify CBI of the termination (CRS § 16-22-108).

324.4 MONITORING OF REGISTERED OFFENDERS

The Records Techs should establish a system to periodically, and at least once annually, verify that a registrant remains in compliance with his/her registration requirements after the initial registration. This verification should include:

- (a) Efforts to confirm residence using an unobtrusive method, such as an internet search or drive-by of the declared residence.
- (b) Review of information on CBI's Convicted Sex Offender Registry website.
- (c) Contact with a registrant's parole or probation officer.

Any discrepancies should be reported to the Records Techs.

The Records Techs should also establish a procedure to routinely disseminate information regarding registered offenders to Cortez Police Department personnel, including timely updates regarding new or relocated registrants.

324.4.1 MANDATORY CONFIRMATION

Following a registrant's first registration with the Department, the residence verification referenced above shall occur as soon as possible after the registration and annually thereafter. Residence confirmation shall occur quarterly if the registrant is a sexually violent predator (CRS § 16-22-109).

324.5 DISSEMINATION OF PUBLIC INFORMATION

Employees will not unilaterally make a public notification advising the community of a particular registrant's presence in the community. Employees who identify a significant risk or other public safety issue associated with a registrant should promptly advise their supervisors. The supervisor should evaluate the request and forward the information to the Chief of Police or the authorized designee if warranted. A determination will be made by the Chief of Police or the authorized designee, with the assistance of legal counsel as necessary, whether such a public alert should be made.

Members of the public requesting information on registrants should be provided with CBI's Convicted Sex Offender Registry website or the Cortez Police Department's website.

The Records Techs shall release local registered offender information to residents in accordance with state law (CRS § 16-22-112; CRS § 24-72-301 et seq.) and in compliance with a Colorado Criminal Justice Records Act request.

324.5.1 RELEASE NOTIFICATIONS

Sex registrant information that is released shall include the written statement: "The Colorado sex offender registry includes only those persons who have been required by law to register and who are in compliance with the sex offender registration laws. Persons should not rely solely on the sex offender registry as a safeguard against perpetrators of sexual assault in their communities."

Cortez Police Department

Cortez PD CO Policy Manual

Registered Offender Information

The crime for which a person is convicted may not accurately reflect the level of risk.” (CRS § 16-22-112(5))

324.5.2 MANDATORY DISSEMINATION

The Department shall release local sex offender information to residents in accordance with Colorado law and the rules set forth by CBI. Information released shall include, at a minimum, the name, address or addresses, and aliases of the registrant; the registrant's date of birth; a photograph of the registrant, if requested and readily available; and the offense that led to the registration requirement and the date of the offense (CRS § 16-22-110; CRS § 16-22-112). Information concerning victims shall not be released.

The Department will also make the mandated community notifications regarding sexually violent predators. These community notifications shall only occur under the circumstances and in the manner specified by the Colorado Department of Public Safety's Sex Offender Management Board (SOMB) (CRS § 16-13-904; CRS § 16-13-905; CRS § 16-13-906).

324.5.3 DISCRETIONARY DISSEMINATION

The Department may also provide local sex offender information to any other person the Department determines warrants notification as permitted by law. If the Department elects not to release registrant information to a non-resident, the Department may submit a request from the non-resident to CBI (CRS § 16-22-112).

324.5.4 INFORMATION AVAILABLE VIA THE INTERNET

The Department may post the following registered offender information on its website only if the person is adjudicated or convicted of the offenses in CRS § 16-22-112:

- (a) Offender information, including the offender's name or aliases, photograph, sex, height, weight, name, address and offenses committed, as allowed by law
- (b) Educational information concerning protection from sex offenders that has been developed in conjunction with SOMB and a sexual assault victims' advocacy group, or a link to educational information included on the CBI website
- (c) A link to the National Sex Offender Public Website
- (d) A link to the CBI Convicted Sex Offender Registry website
- (e) A link to other law enforcement agencies

324.5.5 PURGE OF LOCAL SEX OFFENDER REGISTRY

When a court order discontinuing a registrant's duty to register is received by the Department, the Records Techs shall ensure that the registrant's registration information is removed from the department local sex offender registry (CRS § 16-22-113).

324.6 NOTIFICATION PRIOR TO RELEASE OR DISCHARGE

Notification of a registrant's release on parole will be made by the sentencing court, the probation department, community corrections, the county jail or the Colorado Department of Corrections (CDOC) (CRS § 16-22-106; CRS § 16-22-107).

Prior to registrants being discharged from the CDOC, this department shall verify that (CRS § 16-22-107(4)(a)):

- (a) The address provided by the person is a residence.
- (b) The occupants or owners of the residence know of the person's history of unlawful sexual behavior.
- (c) The occupants or owners of the residence have agreed to allow the person to reside at the address.
- (d) If the registrant is being released on parole, the address complies with any conditions of the parole.

If any of the information required for verification is not true, the Department shall notify the CDOC that the person provided false information concerning the address at which he/she intends to reside (CRS § 16-22-107(4)(b)).

324.6.1 CONFIDENTIAL INFORMATION

The forms completed by persons required to register pursuant to Colorado law shall be confidential and shall not be open to inspection by the public or any person other than law enforcement personnel except as provided by law (CRS § 16-22-109(4)).

326.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for situations where officers initially respond to and investigate the circumstances of a deceased person.

Some causes of death may not be readily apparent and some cases differ substantially from what they appear to be initially. The thoroughness of death investigations and use of appropriate resources and evidence gathering techniques is critical.

Death investigations shall be conducted pursuant to CRS § 30-10-606.

326.2 POLICY

It is the policy of the Cortez Police Department to respond, document, and investigate incidents where a person is deceased. Investigations involving the death of a person, including those from natural causes, accidents, workplace incidents, suicide, and homicide, shall be initiated, conducted, and properly documented.

326.3 INVESTIGATION CONSIDERATIONS

Emergency medical services shall be called in all suspected death cases, unless the death is obvious (e.g., decapitated, decomposed).

A supervisor shall be notified as soon as possible to assist and provide appropriate personnel and resources. The on-scene supervisor should determine whether follow-up investigation is required and notify the Detective Division Commander as necessary. The Shift Sergeant will make notification to command staff in accordance with the Major Incident Notification Policy.

326.3.1 CORONER REQUEST

Officers are not authorized to pronounce death unless they are also Coroners, Deputy Coroners, or appointed Coroner investigators. The Coroner shall be called as soon as practicable after the scene is safe and secure in all deaths. Investigating officers shall investigate and work in cooperation with the Coroner involving any of the following circumstances (CRS § 30-10-606(1)):

- (a) The death is, or may be, unnatural as a result of external influences, injury, or violence, including:
 - 1. A death that is due to the influence of, or is the result of, intoxication by alcohol, drugs, or poison.
 - 2. A death that is the result of an accident, including an accident at the workplace.
 - 3. A death that involves the unexpected or unexplained death of an infant or child.
- (b) There is no physician in attendance, or the physician is at the scene but is unable to certify the cause of death.
- (c) The death occurs within 24 hours of admission to a hospital.
- (d) The death is the result of a criminal abortion, including any situation where such abortion may have been self-induced.

Cortez Police Department

Cortez PD CO Policy Manual

Death Investigation

- (e) The death is the result of a disease that may be hazardous or contagious or may constitute a threat to the health of the public.
- (f) The death results from the action of a peace officer, or while the person was in the custody of law enforcement officials or incarcerated in a public institution.
- (g) The death was sudden, and happened to a person who was in apparent good health.
- (h) The body is unidentifiable, decomposed, charred, or skeletonized.
- (i) The death occurs under circumstances that the Coroner determines may warrant further inquiry in order to determine the cause and manner of death, or that requires further law enforcement investigation.

In cases involving any of the above-mentioned circumstances, the body of the deceased shall not be removed from the place of death prior to the arrival of the Coroner. This restriction shall not apply if the Coroner grants permission for removal or removal is necessary to identify the victim, protect property from damage, preserve evidence, or protect life, health, or safety.

When the Coroner arrives at the scene, law enforcement personnel shall make all reasonable accommodations to allow the Coroner to collect time-sensitive information.

If a suicide note is found at the place of death, investigating officers or the Coroner shall take custody of the note based on a prior agreement. If there is no prior agreement, investigating officers have the authority to take custody of the suicide note and shall provide a copy to the Coroner.

326.3.2 SEARCHING DEAD BODIES

- (a) The Coroner or their assistant and authorized investigators are generally the only persons permitted to move, handle, or search a body.
- (b) An officer may make a reasonable search of an individual who it is reasonable to believe is dead, or near death, for the purpose of identification or for information identifying the individual as an anatomical donor. If a donor document is located, the Coroner or their assistant shall be promptly notified.
- (c) The Coroner, with the permission of the Department, may take property, objects, or articles found on the deceased or in the immediate vicinity of the deceased that may be necessary for conducting an investigation to determine the identity of the deceased or the cause or manner of death.
- (d) Should exigent circumstances indicate to an officer that any other search of a known dead body is warranted prior to the arrival of the Coroner or their assistant, the investigating officer should first obtain verbal consent from the Coroner or their assistant when practicable.
- (e) Whenever reasonably possible, a witness, preferably a relative to the deceased or a member of the household, should be requested to remain nearby the scene and available to the officer pending the arrival of the Coroner or their assistant. The name and address of this person shall be included in the narrative of the death report.

Cortez Police Department

Cortez PD CO Policy Manual

Death Investigation

- (f) Whenever personal effects are removed from the body of the deceased by the Coroner or their assistant, a receipt shall be obtained. This receipt shall be attached to the death report.

326.3.3 SUSPECTED HOMICIDE

If the initially assigned officer suspects that the death involves a homicide or other suspicious circumstances, the officer shall take steps to protect the scene. The Detective Division shall be notified to determine the possible need for an investigator to respond to the scene.

If the on-scene supervisor, through consultation with the Patrol Lieutenant or Detective Division supervisor, is unable to determine the manner of death, the investigation shall proceed as though it is a homicide.

The investigator assigned to investigate a homicide or death that occurred under suspicious circumstances may, with the approval of their supervisor, request the Coroner to conduct physical examinations and tests, and to provide a report.

326.3.4 EMPLOYMENT-RELATED DEATHS OR INJURIES

Any member of this department who responds to and determines that a death, serious illness, or serious injury has occurred as a result of an accident at or in connection with the victim's employment should ensure that the regional Occupational Safety and Health Administration (OSHA) office is notified of all pertinent information.

326.3.5 REPORTING

All incidents involving a death shall be documented on the appropriate form.

326.4 UNIDENTIFIED DEAD BODY

If the identity of a dead body cannot be established, the handling officer will request from the Coroner a unique identifying number for the body. The number shall be included in any report.

326.5 DEATH NOTIFICATION

When reasonably practicable, and if not handled by the Coroner's Office, notification to the next-of-kin of the deceased person shall be made, in person, by the officer assigned to the incident. If the next-of-kin lives in another jurisdiction, a law enforcement official from that jurisdiction shall be requested to make the personal notification.

If a deceased person has been identified as a missing person, this department shall attempt to locate family members and inform them of the death and location of the deceased missing person's remains. All efforts to locate and notify family members shall be recorded in appropriate reports.

Identity Theft

327.1 PURPOSE AND SCOPE

Identity theft is a growing trend that frequently involves related crimes in multiple jurisdictions. This policy is intended to provide guidelines for the reporting and investigation of such crimes.

327.2 REPORTING

- (a) To maintain uniformity in reporting, officers shall initiate a report for victims residing within the jurisdiction of this department when the crime occurred. For incidents of identity theft occurring outside this jurisdiction, officers should observe the following:
 - 1. For any victim not residing within this jurisdiction, the officer may either take a courtesy report to be forwarded to the victim's residence agency or the victim should be encouraged to promptly report the identity theft to the law enforcement agency where he/she resides (CRS § 16-5-103(4)).
- (b) While the crime of identity theft should be reported to the law enforcement agency where the victim resides, officers of this department should investigate and report crimes occurring within this jurisdiction that have resulted from the original identity theft (e.g., the identity theft occurred elsewhere, but the fraud, usage of services or receipt of goods were acquired or occurred in this jurisdiction).
- (c) Officers should include all known incidents of fraudulent activity (e.g., credit card number applied for in victim's name when the victim has never made such an application).
- (d) Officers should also cross-reference all known reports made by the victim (e.g., U.S. Secret Service, credit reporting bureaus, U.S. Postal Service and Department of Motor Vehicles) with all known report numbers.
- (e) The reporting officer should inform victims of identity theft that an Order of Factual Innocence is available to help those who are wrongly linked to crimes (CRS § 16-5-103(2)(b)). A court may order identifying information contained in criminal justice records to show that the information is not accurate and does not reflect the perpetrator's identity because of identity theft. Information can be obtained by contacting the Department of Revenue.
- (f) Following supervisory review and Department processing, the initial report should be forwarded to the appropriate investigator for follow-up investigation, coordination with other agencies and prosecution as circumstances dictate.

327.3 PREVENTIVE MEASURES

The victim should be advised to place a security freeze on his/her consumer report, as allowed by law. A victim may also access additional information on the official Colorado state government website.

Cortez Police Department

Cortez PD CO Policy Manual

Identity Theft

327.4 INFORMATION

The victim should be encouraged to contact the Federal Trade Commission (FTC), which is responsible for receiving and processing complaints under the Identity Theft and Assumption Deterrence Act. The victim can find FTC contact information online through its official website. Additional information may be found at the U.S. Department of Justice and/or FBI websites.

Private Persons Arrests

328.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance for handling private person's arrests and detentions made pursuant to CRS § 16-3-201, CRS § 16-3-202(2) and CRS § 16-19-115.

328.2 ADVISING PRIVATE PERSONS OF THE ARREST PROCESS

Officers should use sound discretion in determining whether to advise an individual of the arrest process.

- (a) When advising any individual regarding the right to make a private person's arrest, officers should refrain from encouraging or dissuading any individual from making such an arrest and should instead limit advice to the legal requirements for such an arrest, as listed below.
- (b) Private individuals should be discouraged from using force to effect a private person's arrest. Absent immediate threat to their own safety or the safety of others, private individuals should be encouraged to refer matters to law enforcement officials for further investigation or arrest.

328.3 ARRESTS BY PRIVATE PERSONS

A private person may arrest another under the following circumstances (CRS § 16-3-201, CRS § 16-3-202(2) and CRS § 16-19-115):

- (a) For any crime that has been or is being committed or attempted in his/her presence
- (b) When directed by any peace officer to assist a peace officer
- (c) When there is reasonable information that the accused has been charged in the courts of a state with a crime punishable by death or imprisonment for a term exceeding one year
 1. The accused shall be taken before a judge without unnecessary delay and a complaint must be made against the accused under oath by the private person making the arrest.

328.4 OFFICER RESPONSIBILITIES

Any officer presented with a private person who has made a private person's arrest must determine whether there is reasonable cause to believe that such an arrest would be lawful.

- (a) Should any officer determine that there is no reasonable cause to believe that a private person's arrest is lawful, the officer should take no action to further detain or restrain the individual beyond that which reasonably appears necessary to investigate the matter, to determine the lawfulness of the arrest and protect the public safety.

Cortez Police Department

Cortez PD CO Policy Manual

Private Persons Arrests

1. Any officer who determines that a private person's arrest appears to be unlawful should promptly release the arrested individual. The officer must include the basis of such a determination in a related report.
 2. Absent reasonable cause to support a private person's arrest or other lawful grounds to support an independent arrest by the officer, the officer should advise the parties that no arrest will be made and that the circumstances will be documented in a related report.
- (b) Whenever an officer determines that there is reasonable cause to believe that a private person's arrest is lawful, the officer may exercise any of the following options:
1. Take the individual into physical custody for booking.
 2. Release the individual upon a misdemeanor citation or pending formal charges.

328.5 REPORTING REQUIREMENTS

In all circumstances in which a private person is claiming to have made an arrest, the individual must complete and sign a Voluntary Witness Form. If the person fails or refuses to do so, the arrested subject shall be released unless the officer has an independent reason to take the person into custody.

In addition to the Voluntary Witness Form (and any other related documents, such as citations and booking forms), officers shall complete a narrative report regarding the circumstances and disposition of the incident.

Limited English Proficiency Services

329.1 PURPOSE AND SCOPE

This policy provides guidance to members when communicating with individuals with limited English proficiency (LEP) (42 USC § 2000d).

329.1.1 DEFINITIONS

Definitions related to this policy include:

Authorized interpreter - A person who has been screened and authorized by the Department to act as an interpreter and/or translator for others.

Interpret or interpretation - The act of listening to a communication in one language (source language) and orally converting it to another language (target language), while retaining the same meaning.

Limited English proficient (LEP) - Any individual whose primary language is not English and who has a limited ability to read, write, speak or understand English. These individuals may be competent in certain types of communication (e.g., speaking or understanding) but still be LEP for other purposes (e.g., reading or writing). Similarly, LEP designations are context-specific; an individual may possess sufficient English language skills to function in one setting but these skills may be insufficient in other situations.

Qualified bilingual member - A member of the Cortez Police Department, designated by the Department, who has the ability to communicate fluently, directly and accurately in both English and another language. Bilingual members may be fluent enough to communicate in a non-English language but may not be sufficiently fluent to interpret or translate from one language into another.

Translate or translation - The replacement of written text from one language (source language) into an equivalent written text (target language).

329.2 POLICY

It is the policy of the Cortez Police Department to reasonably ensure that LEP individuals have meaningful access to law enforcement services, programs and activities, while not imposing undue burdens on its members.

The Department will not discriminate against or deny any individual access to services, rights or programs based upon national origin or any other protected interest or right.

329.3 LEP COORDINATOR

The Chief of Police shall delegate certain responsibilities to an LEP Coordinator. The LEP Coordinator shall be appointed by, and directly responsible to, the authorized designee.

The responsibilities of the LEP Coordinator include, but are not limited to:

- (a) Coordinating and implementing all aspects of the Cortez Police Department's LEP services to LEP individuals.

Cortez Police Department

Cortez PD CO Policy Manual

Limited English Proficiency Services

- (b) Developing procedures that will enable members to access LEP services, including telephonic interpreters, and ensuring the procedures are available to all members.
- (c) Ensuring that a list of all qualified bilingual members and authorized interpreters is maintained and available to each Shift Sergeant and Communications Supervisor. The list should include information regarding the following:
 - 1. Languages spoken
 - 2. Contact information
 - 3. Availability
- (d) Ensuring signage stating that interpreters are available free of charge to LEP individuals is posted in appropriate areas and in the most commonly spoken languages.
- (e) Reviewing existing and newly developed documents to determine which are vital documents and should be translated, and into which languages the documents should be translated.
- (f) Annually assessing demographic data and other resources, including contracted language services utilization data and community-based organizations, to determine if there are additional documents or languages that are appropriate for translation.
- (g) Identifying standards and assessments to be used by the Department to qualify individuals as qualified bilingual members or authorized interpreters.
- (h) Periodically reviewing efforts of the Department in providing meaningful access to LEP individuals, and, as appropriate, developing reports, new procedures, or recommending modifications to this policy.
- (i) Receiving and responding to complaints regarding department LEP services.
- (j) Ensuring appropriate processes are in place to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to department services, programs and activities.

329.4 FOUR-FACTOR ANALYSIS

Since there are many different languages that members could encounter, the Department will utilize the four-factor analysis outlined in the U.S. Department of Justice (DOJ) Guidance to Federal Financial Assistance Recipients, available at the DOJ website, to determine which measures will provide meaningful access to its services and programs. It is recognized that law enforcement contacts and circumstances will vary considerably. This analysis, therefore, must remain flexible and will require an ongoing balance of four factors, which are:

- (a) The number or proportion of LEP individuals eligible to be served or likely to be encountered by department members, or who may benefit from programs or services within the jurisdiction of the Department or a particular geographic area.
- (b) The frequency with which LEP individuals are likely to come in contact with department members, programs or services.

Cortez Police Department

Cortez PD CO Policy Manual

Limited English Proficiency Services

- (c) The nature and importance of the contact, program, information or service provided.
- (d) The cost of providing LEP assistance and the resources available.

329.5 TYPES OF LEP ASSISTANCE AVAILABLE

Cortez Police Department members should never refuse service to an LEP individual who is requesting assistance, nor should they require an LEP individual to furnish an interpreter as a condition for receiving assistance. The Department will make every reasonable effort to provide meaningful and timely assistance to LEP individuals through a variety of services.

The Department will utilize all reasonably available tools, such as language identification cards, when attempting to determine an LEP individual's primary language.

LEP individuals may choose to accept department-provided LEP services at no cost or they may choose to provide their own.

Department-provided LEP services may include, but are not limited to, the assistance methods described in this policy.

329.6 WRITTEN FORMS AND GUIDELINES

Vital documents or those that are frequently used should be translated into languages most likely to be encountered. The LEP Coordinator will arrange to make these translated documents available to members and other appropriate individuals, as necessary.

329.7 AUDIO RECORDINGS

The Department may develop audio recordings of important or frequently requested information in a language most likely to be understood by those LEP individuals who are representative of the community being served.

329.8 QUALIFIED BILINGUAL MEMBERS

Bilingual members may be qualified to provide LEP services when they have demonstrated through established department procedures a sufficient level of skill and competence to fluently communicate in both English and a non-English language. Members utilized for LEP services must demonstrate knowledge of the functions of an interpreter/translator and the ethical issues involved when acting as a language conduit. Additionally, bilingual members must be able to communicate technical and law enforcement terminology, and be sufficiently proficient in the non-English language to perform complicated tasks, such as conducting interrogations, taking statements, collecting evidence or conveying rights or responsibilities.

When a qualified bilingual member from this department is not available, personnel from other City departments, who have been identified by the Department as having the requisite skills and competence, may be requested.

329.9 AUTHORIZED INTERPRETERS

Any person designated by the Department to act as an authorized interpreter and/or translator must have demonstrated competence in both English and the involved non-English language,

Cortez Police Department

Cortez PD CO Policy Manual

Limited English Proficiency Services

must have an understanding of the functions of an interpreter that allows for correct and effective translation, and should not be a person with an interest in the department case or investigation involving the LEP individual. A person providing interpretation or translation services may be required to establish the accuracy and trustworthiness of the interpretation or translation in a court proceeding.

Authorized interpreters must pass a screening process established by the LEP Coordinator which demonstrates that their skills and abilities include:

- (a) The competence and ability to communicate information accurately in both English and in the target language.
- (b) Knowledge, in both languages, of any specialized terms or concepts peculiar to this department and of any particularized vocabulary or phraseology used by the LEP individual.
- (c) The ability to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (d) Knowledge of the ethical issues involved when acting as a language conduit.

329.9.1 SOURCES OF AUTHORIZED INTERPRETERS

The Department may contract with authorized interpreters who are available over the telephone. Members may use these services with the approval of a supervisor and in compliance with established procedures.

Other sources may include:

- Qualified bilingual members of this department or personnel from other City departments.
- Individuals employed exclusively to perform interpretation services.
- Contracted in-person interpreters, such as state or federal court interpreters, among others.
- Interpreters from other agencies who have been qualified as interpreters by this department, and with whom the Department has a resource-sharing or other arrangement that they will interpret according to department guidelines.

329.9.2 COMMUNITY VOLUNTEERS AND OTHER SOURCES OF LANGUAGE ASSISTANCE

Language assistance may be available from community volunteers who have demonstrated competence in either monolingual (direct) communication and/or in interpretation or translation (as noted in above), and have been approved by the Department to communicate with LEP individuals.

Where qualified bilingual members or other authorized interpreters are unavailable to assist, approved community volunteers who have demonstrated competence may be called upon when appropriate. However, department members must carefully consider the nature of the contact and

Cortez Police Department

Cortez PD CO Policy Manual

Limited English Proficiency Services

the relationship between the LEP individual and the volunteer to ensure that the volunteer can provide neutral and unbiased assistance.

While family or friends of an LEP individual may offer to assist with communication or interpretation, members should carefully consider the circumstances before relying on such individuals. For example, children should not be relied upon except in exigent or very informal and non-confrontational situations.

329.10 CONTACT AND REPORTING

While all law enforcement contacts, services and individual rights are important, this department will utilize the four-factor analysis to prioritize service to LEP individuals so that such services may be targeted where they are most needed, according to the nature and importance of the particular law enforcement activity involved.

Whenever any member of this department is required to complete a report or other documentation, and interpretation services are provided to any involved LEP individual, such services should be noted in the related report. Members should document the type of interpretation services utilized and whether the individual elected to use services provided by the Department or some other identified source.

329.11 RECEIVING AND RESPONDING TO REQUESTS FOR ASSISTANCE

The Cortez Police Department will take reasonable steps and will work with the Department of Human Resources to develop in-house language capacity by hiring or appointing qualified members proficient in languages representative of the community being served.

329.11.1 EMERGENCY CALLS TO 9-1-1

Department members will make every reasonable effort to promptly accommodate LEP individuals utilizing 9-1-1 lines. When a 9-1-1 call-taker receives a call and determines that the caller is an LEP individual, the call-taker shall quickly determine whether sufficient information can be obtained to initiate an appropriate emergency response. If language assistance is still needed, the language is known and a qualified bilingual member is available in Dispatch, the call shall immediately be handled by the qualified bilingual member.

If a qualified bilingual member is not available or the call-taker is unable to identify the caller's language, the call-taker will contact the contracted telephone interpretation service and establish a three-way call between the call-taker, the LEP individual and the interpreter.

Dispatchers will make every reasonable effort to dispatch a qualified bilingual member to the assignment, if available and appropriate.

While 9-1-1 calls shall receive top priority, reasonable efforts should also be made to accommodate LEP individuals seeking routine access to services and information by utilizing the resources listed in this policy.

Cortez Police Department

Cortez PD CO Policy Manual

Limited English Proficiency Services

329.12 FIELD ENFORCEMENT

Field enforcement will generally include such contacts as traffic stops, pedestrian stops, serving warrants and restraining orders, crowd/traffic control and other routine field contacts that may involve LEP individuals. The scope and nature of these activities and contacts will inevitably vary. Members and/or supervisors must assess each situation to determine the need and availability of language assistance to all involved LEP individuals and utilize the methods outlined in this policy to provide such assistance.

Although not every situation can be addressed in this policy, it is important that members are able to effectively communicate the reason for a contact, the need for information and the meaning or consequences of any enforcement action. For example, it would be meaningless to request consent to search if the officer is unable to effectively communicate with an LEP individual.

If available, officers should obtain the assistance of a qualified bilingual member or an authorized interpreter before placing an LEP individual under arrest.

329.13 INVESTIGATIVE FIELD INTERVIEWS

In any situation where an interview may reveal information that could be used as the basis for arrest or prosecution of an LEP individual and a qualified bilingual member is unavailable or lacks the skills to directly communicate with the LEP individual, an authorized interpreter should be used. This includes interviews conducted during an investigation with victims, witnesses and suspects. In such situations, audio recordings of the interviews should be made when reasonably possible. Identification and contact information for the interpreter (e.g., name, address) should be documented so that the person can be subpoenaed for trial if necessary.

If an authorized interpreter is needed, officers should consider calling for an authorized interpreter in the following order:

- An authorized department member or allied agency interpreter
- An authorized telephone interpreter
- Any other authorized interpreter

Any *Miranda* warnings shall be provided to suspects in their primary language by an authorized interpreter or, if the suspect is literate, by providing a translated *Miranda* warning card.

The use of an LEP individual's bilingual friends, family members, children, neighbors or bystanders may be used only when a qualified bilingual member or authorized interpreter is unavailable and there is an immediate need to interview an LEP individual.

329.14 CUSTODIAL INTERROGATIONS

Miscommunication during custodial interrogations may have a substantial impact on the evidence presented in a criminal prosecution. Only qualified bilingual members or, if none is available or appropriate, authorized interpreters shall be used during custodial interrogations. *Miranda* warnings shall be provided to suspects in their primary language by the qualified bilingual member or an authorized interpreter.

Cortez Police Department

Cortez PD CO Policy Manual

Limited English Proficiency Services

In order to ensure that translations during custodial interrogations are accurately documented and are admissible as evidence, interrogations should be recorded whenever reasonably possible. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

329.15 BOOKINGS

When gathering information during the booking process, members should remain alert to the impediments that language barriers can create. In the interest of the arrestee's health and welfare, the safety and security of the facility, and to protect individual rights, it is important that accurate medical screening and booking information be obtained. Members should seek the assistance of a qualified bilingual member whenever there is concern that accurate information cannot be obtained or that booking instructions may not be properly understood by an LEP individual.

329.16 COMPLAINTS

The Department shall ensure that LEP individuals who wish to file a complaint regarding members of this department are able to do so. The Department may provide an authorized interpreter or translated forms, as appropriate. Complaints will be referred to the LEP Coordinator.

Investigations into such complaints shall be handled in accordance with the Personnel Complaints Policy. Authorized interpreters used for any interview with an LEP individual during an investigation should not be members of this department.

Any notice required to be sent to an LEP individual as a complaining party pursuant to the Personnel Complaints Policy should be translated or otherwise communicated in a language-accessible manner.

329.17 COMMUNITY OUTREACH

Community outreach programs and other such services offered by this department are important to the ultimate success of more traditional law enforcement duties. This department will continue to work with community groups, local businesses and neighborhoods to provide equal access to such programs and services.

329.18 TRAINING

To ensure that all members who may have contact with LEP individuals are properly trained, the Department will provide periodic training on this policy and related procedures, including how to access department-authorized telephonic and in-person interpreters and other available resources.

The Patrol Lieutenant shall be responsible for ensuring new members receive LEP training. Those who may have contact with LEP individuals should receive refresher training at least once every two years thereafter. The Patrol Lieutenant shall maintain records of all LEP training provided, and will retain a copy in each member's training file in accordance with established records retention schedules.

Cortez Police Department

Cortez PD CO Policy Manual

Limited English Proficiency Services

329.18.1 TRAINING FOR AUTHORIZED INTERPRETERS

All members on the authorized interpreter list must successfully complete prescribed interpreter training. To complete interpreter training successfully, an interpreter must demonstrate proficiency in and ability to communicate information accurately in both English and in the target language, demonstrate knowledge in both languages of any specialized terms or phraseology, and understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.

Members on the authorized interpreter list must receive refresher training annually or they will be removed from the authorized interpreter list. This annual training should include language skills competency (including specialized terminology) and ethical considerations.

The Patrol Lieutenant shall be responsible for coordinating the annual refresher training and will maintain a record of all training the interpreters have received.

- (g) Providing notice to the public regarding the rights and protections afforded by the ADA. This may include posters, published notices, handbooks, manuals, and pamphlets describing department services, programs, and activities and the availability of assistive devices, auxiliary aids, and services, as well as modifications (28 CFR 35.106).
- (h) Collaborating with other [city/county] departments during the planning process to provide that new construction and any alteration to an existing building or facility are undertaken in compliance with the ADA (28 CFR 35.151).
- (i) Developing, implementing, and publishing appropriate procedures to provide for the prompt and equitable resolution of complaints and inquiries regarding discrimination in access to services, programs, and activities. The complaint procedures should include an appeal process (28 CFR 35.107).
- (j) Verifying that third parties providing department services, programs, or activities through contract, outsourcing, licensing, or other arrangement have established reasonable policies and procedures to prevent discrimination against and denial of access to persons with disabilities.
- (k) Recommending amendments to this policy as needed.

330.4 REQUESTS

The goal of any modification should be to allow a person with a disability to participate in a service, program, or activity the same as a person who does not have a disability.

Upon receiving a request for a modification, members should make reasonable efforts to accommodate the request based on the preference of the person with the disability. Members should not ask about the nature and extent of a person's disability but should limit questions to elicit information necessary to determine the need for a modification and the appropriate type of modification.

If the requested modification or an alternative modification can reasonably be made at the time of the request, the member should make the modification. A member who is unable to accommodate a request or unsure about whether a request should be accommodated should contact a supervisor.

The supervisor should review and approve the request, if practicable and appropriate. Otherwise, the supervisor should document the requesting person's contact information and the modification being requested and forward the request to the ADA coordinator for processing as soon as reasonably practicable.

330.4.1 DENIAL OF A REQUEST

The following should be considered before denying a request for modification:

Cortez Police Department

Cortez PD CO Policy Manual

ADA Compliance

- (a) Requests for modifications should be approved unless complying with the request would result in (28 CFR 35.150):
 - 1. A substantial alteration of the service, program, or activity.
 - 2. An undue financial or administrative burden on the Department. All resources available for use in the funding and operation of the service, program, or activity at issue should be considered in this determination.
 - 3. A threat to or the destruction of the historic significance of a historic property.
 - 4. A direct threat to the health or safety of others (28 CFR 35.139).
- (b) If any of these circumstances are present, the ADA coordinator should work with department members and the person requesting the modification to determine if an alternative modification is available.
- (c) Where new construction or physical modification of an existing building or facility would be unfeasible or unduly burdensome, the ADA coordinator should work with department members to determine whether alternative modifications are available. Alternative methods that should be considered include (28 CFR 35.150):
 - 1. Reassigning services, programs, or activities to accessible buildings or facilities.
 - 2. Utilizing technology, equipment, rolling stock, or other conveyances.
 - 3. Delivering the services, programs, or activities directly to a person with a disability by way of home visits or meeting the person at an accessible location.
 - 4. Any other means or methods that would make services, programs, or activities readily accessible.
- (d) If no alternative modification is appropriate, the ADA coordinator shall issue a written statement explaining why a modification of the service, program, or activity will not be made (28 CFR 35.150).

330.4.2 PERSONAL DEVICES AND ASSISTANCE

Although members should make every effort to comply with requests, the provision of personal devices or assistance (e.g., wheelchairs, eyeglasses, hearing aids, personal assistance in eating or using the restroom) to persons with disabilities is not required (28 CFR 35.135).

330.4.3 SURCHARGES

Surcharges shall not be imposed upon persons with disabilities to cover the costs of providing modifications (28 CFR 35.130(f)).

330.5 COMMUNICATIONS WITH PERSONS WITH DISABILITIES

Members should remain alert to the possibility of communication problems when engaging with persons with disabilities. When a member knows or suspects an individual requires assistance to effectively communicate, the member should identify the individual's choice of assistive devices, auxiliary aids, and services. The individual's preferred communication method should be honored unless another effective method of communication exists under the circumstances (28 CFR 35.160).

Cortez Police Department

Cortez PD CO Policy Manual

ADA Compliance

Factors to consider when determining whether an alternative method may be effective include:

- (a) The methods of communication usually used by the individual.
- (b) The nature, length, and complexity of the communication involved.
- (c) The context of the communication.

In emergency situations involving an imminent threat to the safety or welfare of any person, members may use whatever modification reasonably appears effective under the circumstances. This may include exchanging written notes or using the services of a person who knows sign language but is not a qualified interpreter, even if the person who is deaf or hard of hearing would prefer a qualified sign language interpreter. Once the emergency has ended, the method of communication should be reconsidered. The member should inquire as to the individual's preference and give primary consideration to that preference.

Any waiver of a qualified interpreter, assistive device, or auxiliary aid shall be in writing. The person may have access to counsel for advice and shall have actual, full knowledge of the right to effective communication (CRS § 13-90-208).

330.5.1 TYPES OF ASSISTANCE AVAILABLE

Department members shall not refuse an available type of assistive device, auxiliary aid, or service to a person with a disability who is requesting assistance. The Department will not require persons with disabilities to furnish their own assistive device, auxiliary aid, or service as a condition for receiving access to department services, programs, and activities. The Department will make every reasonable effort to provide equal access and timely assistance to persons with disabilities through a variety of assistive devices, auxiliary aids, and services (28 CFR 35.160).

The Department will not require that persons with disabilities use department-provided assistive devices, auxiliary aids, and services. Department-provided assistive devices, auxiliary aids, and services may include but are not limited to the means described in this policy.

330.5.2 AUDIO RECORDINGS AND ENLARGED PRINT

The Department may develop audio recordings to assist people who are blind or have a visual impairment. If such a recording is not available, members may read aloud from the appropriate form or provide forms with enlarged print.

330.5.3 QUALIFIED INTERPRETERS

A qualified interpreter may be needed in lengthy or complex transactions (e.g., interviewing a victim, witness, suspect, or arrestee) with individuals who normally rely on sign language or speechreading (i.e., lip-reading) to understand what others are saying.

Officers pursuing a criminal investigation shall make arrangements to provide a qualified interpreter, assistive device, or auxiliary aid to assist in an interview or questioning of a victim or witness who has a hearing impairment (CRS § 13-90-204).

Cortez Police Department

Cortez PD CO Policy Manual

ADA Compliance

The qualified interpreter should not be a person with an interest in the matter. A person providing interpretation services may be required to establish the accuracy and trustworthiness of the interpretation in a legal proceeding.

Qualified interpreters should be:

- (a) Available within a reasonable amount of time.
- (b) Experienced in providing interpretation services related to law enforcement matters in the person's primary language.
- (c) Familiar with the use of text- and video-based communications products and systems.
- (d) Certified in either American Sign Language (ASL) or Signing Exact English (SEE).
- (e) Able to understand and adhere to the interpreter role without deviating into other roles, such as counselor or legal adviser.
- (f) Knowledgeable of the ethical issues involved when providing interpreter services.

Members should use department-approved procedures to request a qualified interpreter at the earliest reasonable opportunity or when it is reasonably apparent that an interpreter is needed. The use of a video remote interpreting service should be considered, where appropriate, if a live interpreter is not available. Persons with disabilities shall not be required to provide an interpreter (28 CFR 35.160).

330.5.4 TELECOMMUNICATION SERVICES

In situations where an individual without a disability would have access to a telephone (e.g., during booking or attorney contacts), members must also provide those with communication-related disabilities the opportunity to place calls using an available TTY, TDD, or other voice, text, or video-based communications product or system. Members shall provide additional time, as needed, for effective communication due to the slower nature of assisted communications.

The Department will accept all TDD and computer modem calls placed by individuals with communications-related disabilities and received via a telecommunications relay service (28 CFR 35.162).

330.5.5 COMMUNITY VOLUNTEERS

Where qualified interpreters are unavailable to assist members, department-approved community volunteers who have demonstrated competence in communication services, such as ASL or SEE, may be called upon to provide interpreter services when appropriate. However, department members must carefully consider the nature of the interaction and the relationship between the individual with the disability and the volunteer to be reasonably satisfied that the volunteer can provide neutral and unbiased assistance.

330.5.6 FAMILY AND FRIENDS

While family or friends may offer to assist with interpretation, members should carefully consider the circumstances before relying on such individuals. The nature of the interaction and relationship between the individual with the disability and the person offering services must be carefully

Cortez Police Department

Cortez PD CO Policy Manual

ADA Compliance

considered to determine whether the family member or friend can provide neutral and unbiased assistance.

Except in an emergency involving an imminent threat to the safety or welfare of any person and no qualified interpreter is reasonably available, members shall not use a minor child as an interpreter (28 CFR 35.160).

330.5.7 FIELD ENFORCEMENT CONSIDERATIONS

Due to the unpredictable and varied nature of field enforcement, the Department recognizes that it is impracticable to provide immediate access to a comprehensive supply of assistive devices, auxiliary aids, and services to every member of this department. Members involved in interactions with persons with disabilities that occur in the field should assess each situation to determine if communication assistance is necessary. The length, complexity, and importance of the communication, as well as the individual's preferred method of communication, should be considered when determining what, if any, resources should be used and whether a qualified interpreter or other service is needed.

330.6 CUSTODIAL INTERROGATIONS

In an effort to ensure that the rights of individuals with disabilities are protected during a custodial interrogation, this department will provide reasonable modifications before beginning an interrogation, unless exigent circumstances exist or the individual has made a clear indication that the individual understands the process and desires to proceed without receiving a modification. *Miranda* warnings should be provided to a suspect via the individual's preferred method of communication.

Interrogations should be recorded whenever reasonably practicable. See guidance on recording custodial interrogations in the Investigation and Prosecution Policy.

330.6.1 STATE REQUIREMENTS

Officers who arrest an individual with a hearing impairment shall make available to the individual a qualified interpreter to assist during *Miranda* warnings, interrogations, or statements. If the individual is otherwise eligible for release, they shall not be held pending the arrival of a qualified interpreter (CRS § 13-90-204).

330.7 ARREST

If an individual with a communication-related disability is arrested, the arresting officer shall use department-approved procedures to provide a qualified interpreter as soon as reasonably practicable, unless the individual indicates a preference for a different assistive device, auxiliary aid, or service, or the officer reasonably determines another effective method of communication exists under the circumstances.

Individuals who are arrested and are assisted by service animals should be permitted to make arrangements for the care of such animals prior to transport.

330.8 WEBSITE ACCESS

The ADA coordinator should work with the appropriate parties to develop online content that is readily accessible to persons with disabilities. Department web content should be developed in conformance with the most current guidelines issued by the U.S. Department of Justice and federal regulations (28 CFR 35 Subpart H; 28 CFR 35.200).

Department website content should also be made available to persons with disabilities in an alternative format upon request, if reasonably practicable.

330.9 DOCUMENTATION

Whenever any modification has been provided, the member involved should document:

- (a) The type of modification, assistive device, auxiliary aid, or service provided.
- (b) Whether the individual elected to use an assistive device, auxiliary aid, or service provided by the Department or another identified source, as applicable.
- (c) Whether the individual's express preference for the modification was not honored and the reason why an alternative method was used.

The documentation and any written communications exchanged should be maintained consistent with the Records Maintenance and Release Policy.

All written communications exchanged in a criminal case shall be attached to the member's report or placed into evidence.

330.10 COMPLAINTS

A member who receives a complaint or becomes aware of potential disability discrimination, an ADA violation, or a person's inability to access the department's programs, services, or activities should document the complaint and promptly refer the matter to the ADA coordinator (28 CFR 35.107). The Department shall assist persons with disabilities who require assistance to file a complaint regarding members of this department. The Department may provide a qualified interpreter or forms in enlarged print, as appropriate.

330.11 TRAINING

Members should receive periodic training on ADA compliance, to include:

- (a) Awareness and understanding of this policy, related procedures, forms, and available resources.
- (b) Procedures for handling requests for modifications.
- (c) Accessing assistive devices, auxiliary aids, and services needed to accommodate requests for modifications.
- (d) General requirements of the ADA, including modifying policies and practices, communicating with individuals with disabilities, and identifying alternate ways to provide access to programs, services, and activities as appropriate to the member's job duties.

Cortez Police Department

Cortez PD CO Policy Manual

ADA Compliance

Management staff, even if they do not interact regularly with individuals with disabilities, should receive training as appropriate to understand and reinforce this policy.

The Patrol Lieutenant should maintain records of all training provided and retain a copy in each member's training file in accordance with the established records retention schedule.

330.11.1 CALL-TAKER TRAINING

Emergency call-takers shall be trained in the use of department assistive devices, auxiliary aids, and services for communicating with individuals with communication-related disabilities. Such training and information should include:

- (a) The requirements of the ADA and Section 504 of the Rehabilitation Act for telephone emergency service providers.
- (b) ASL syntax and accepted abbreviations.
- (c) Practical instruction on identifying and processing calls using TTY, TDD, or other voice, text, and video-based communications products and systems.
- (d) Hands-on experience in using TTY, TDD, or other voice, text, and video-based communications products and systems.

Training should be provided for all Dispatch members who may have contact with individuals from the public who have communication-related disabilities. Refresher training should be provided as appropriate.

330.11.2 STATE-SPECIFIC TRAINING REQUIREMENTS

Annual in-service training for officers shall include training on interactions with persons with various types of disabilities (CRS § 24-31-315).

Pupil Arrest Reporting

331.1 PURPOSE AND SCOPE

The purpose of this policy is to describe the procedures to follow when a pupil is arrested on school grounds and during school hours.

331.2 PUPIL ARREST REPORTING

In the event a school pupil is arrested on school grounds and during school hours, the arresting officer shall include in the report the necessary information to ensure that the Records Section notifies the chief administrative officer of the school or the appropriate designee of the arrest of a pupil.

If the arrest involved alcohol or a controlled substance, the Records Section shall ensure the chemical abuse pre-assessment team of the school is notified regarding the arrest, as allowed by law.

331.2.1 PUPIL ARREST AFTER NOTIFICATION

Based upon the circumstances of the investigation, it may be appropriate to notify the school prior to the arrest. Prior notification and assistance from the school may reduce disruption to school operations and other students.

331.2.2 PUPIL ARREST BEFORE NOTIFICATION

Based upon the circumstances of the investigation, it may be appropriate to arrest the pupil before notifying the school. This may be appropriate if the pupil is a flight risk, if prior notification will impede the investigation or if notification creates additional risks to students, faculty, the officer or the public.

Proper notification to the school after the pupil's arrest should then be made when circumstances reasonably allow.

331.2.3 PARENTAL NOTIFICATION

Upon arrest, it is the arresting officer's responsibility to ensure the parents of the arrested pupil are properly notified. Notification shall be made by the officer, regardless of subsequent notifications by the juvenile detention facility. Notifications should be documented and include the charges against the pupil and information as to where the pupil will be taken.

Child and Dependent Adult Safety

332.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that children and dependent adults are not left without appropriate care in the event their caregiver or guardian is arrested or otherwise prevented from providing care due to actions taken by members of this department.

This policy does not address the actions to be taken during the course of a child abuse or dependent adult investigation. These are covered in the Child Abuse Policy and the Adult Abuse Policy.

332.2 POLICY

It is the policy of this department to mitigate, to the extent reasonably possible, the stressful experience individuals may have when a parent or caregiver is arrested. The Cortez Police Department will endeavor to create a strong cooperative relationship with local, state and community-based social services to ensure an effective, collaborative response that addresses the needs of those affected.

332.3 PROCEDURES DURING AN ARREST

When encountering an arrest or prolonged detention situation, officers should make reasonable attempts to determine if the arrestee is responsible for children or dependent adults. In some cases, this may be obvious, such as when children or dependent adults are present. However, officers should inquire if the arrestee has caregiver responsibilities for any children or dependent adults who are without appropriate supervision. The following steps should be taken:

- (a) Inquire about and confirm the location of any children or dependent adults.
- (b) Look for evidence of children and dependent adults. Officers should be mindful that some arrestees may conceal the fact that they have a dependent for fear the individual may be taken from them.
- (c) Consider inquiring of witnesses, neighbors, friends and relatives of the arrestee as to whether the person is responsible for a child or dependent adult.

Whenever reasonably possible, officers should take reasonable steps to accomplish the arrest of a parent, guardian or caregiver out of the presence of his/her child or dependent adult. Removing children or dependent adults from the scene in advance of the arrest will generally ensure the best outcome for the individual.

Whenever it is safe to do so, officers should allow the parent or caregiver to assure children or dependent adults that they will be provided care. If this is not safe or if the demeanor of the parent or caregiver suggests this conversation would be non-productive, the officer at the scene should explain the reason for the arrest in age-appropriate language and offer reassurance to the child or dependent adult that he/she will receive appropriate care.

Cortez Police Department

Cortez PD CO Policy Manual

Child and Dependent Adult Safety

332.3.1 AFTER AN ARREST

Whenever an arrest is made, the officer should take all reasonable steps to ensure the safety of the arrestee's disclosed or discovered children or dependent adults.

Officers should allow the arrestee reasonable time to arrange for care of children and dependent adults. Temporary placement with family or friends may be appropriate. However, any decision should give priority to a care solution that is in the best interest of the child or dependent adult. In such cases the following guidelines should be followed:

- (a) Allow the person reasonable time to arrange for the care of children and dependent adults with a responsible party, as appropriate.
 - 1. Officers should consider allowing the person to use his/her cell phone to facilitate arrangements through access to contact phone numbers, and to lessen the likelihood of call screening by the recipients due to calls from unknown sources.
- (b) Unless there is evidence to the contrary (e.g., signs of abuse, drug use, unsafe environment), officers should respect the parent or caregiver's judgment regarding arrangements for care. It is generally best if the child or dependent adult remains with relatives or family friends that he/she knows and trusts because familiarity with surroundings and consideration for comfort, emotional state and safety are important.
 - 1. Except when a court order exists limiting contact, the officer should attempt to locate and place children or dependent adults with the non-arrested parent, guardian or caregiver.
- (c) Provide for the immediate supervision of children or dependent adults until an appropriate caregiver arrives.
- (d) Notify the Department of Human Services, if appropriate.
- (e) Notify the field supervisor or Shift Sergeant of the disposition of children or dependent adults.

If children or dependent adults are at school or another known location outside the household at the time of arrest, the arresting officer should attempt to contact the school or other known location and inform the principal or appropriate responsible adult of the caregiver's arrest and of the arrangements being made for the care of the arrestee's dependents. The result of such actions should be documented in the associated report.

332.3.2 DURING THE BOOKING PROCESS

During the booking process, the arrestee should be allowed to make additional telephone calls to relatives or other responsible individuals as is reasonably necessary to arrange for the care of any child or dependent adult. These telephone calls should be given as soon as practicable and are in addition to any other telephone calls allowed by law.

If an arrestee is unable to resolve the care of any child or dependent adult through this process, a supervisor should be contacted to determine the appropriate steps to arrange for care. These steps may include additional telephone calls or contacting a local, county or state services agency.

Cortez Police Department

Cortez PD CO Policy Manual

Child and Dependent Adult Safety

332.3.3 REPORTING

- (a) For all arrests where children are present or living in the household, the reporting member will document the following information:
1. Name
 2. Sex
 3. Age
 4. Special needs (e.g., medical, mental health)
 5. How, where and with whom or which agency the child was placed
 6. Identities and contact information for other potential caregivers
 7. Notifications made to other adults (e.g., schools, relatives)
- (b) For all arrests where dependent adults are present or living in the household, the reporting member will document the following information:
1. Name
 2. Sex
 3. Age
 4. Whether he/she reasonably appears able to care for him/herself
 5. Disposition or placement information if he/she is unable to care for him/herself

332.3.4 SUPPORT AND COUNSELING REFERRAL

If, in the judgment of the handling officers, the child or dependent adult would benefit from additional assistance, such as counseling services, contact with a victim advocate or a crisis telephone number, the appropriate referral information may be provided.

332.4 DEPENDENT WELFARE SERVICES

Whenever an arrestee is unwilling or incapable of arranging for the appropriate care of any child or dependent adult, the handling officer should contact the appropriate welfare service or other department-approved social service to determine whether protective custody is appropriate.

Only when other reasonable options are exhausted should a child or dependent adult be transported to the police facility, transported in a marked law enforcement vehicle or taken into formal protective custody.

Under no circumstances should a child or dependent adult be left unattended or without appropriate care.

332.5 TRAINING

The Patrol Lieutenant is responsible to ensure that all members of this department who may be involved in arrests affecting children or dependent adults receive approved training on effective safety measures when a parent, guardian or caregiver is arrested.

Service Animals

333.1 PURPOSE AND SCOPE

The purpose of this policy is to provide the guidelines necessary to ensure that the rights of individuals who use service animals to assist with disabilities are protected in accordance with Title II of the Americans with Disabilities Act (ADA).

333.1.1 DEFINITIONS

Definitions related to this policy include:

Service animal - A dog that is trained to do work or perform tasks for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. The work or tasks performed by a service animal must be directly related to the individual's disability (28 CFR 35.104).

Service animal also includes a miniature horse if the horse is trained to do work or perform tasks for people with disabilities, provided the horse is housebroken, is under the handler's control, the facility can accommodate the horse's type, size, and weight, and the horse's presence will not compromise legitimate safety requirements necessary for safe operation of the facility (28 CFR 35.136(i)).

333.2 POLICY

It is the policy of the Cortez Police Department to provide equal access to services, programs, and activities of the Department to persons with service animals. Department members shall protect the rights of persons assisted by service animals in accordance with state and federal law. This protection extends to any person who is training a service animal (CRS § 24-34-804).

333.3 IDENTIFICATION AND USE OF SERVICE ANIMALS

Service animals that are assisting individuals with disabilities are permitted in all public facilities and areas where the general public is allowed. Department members are expected to treat individuals with service animals with the same courtesy and respect that the Cortez Police Department affords to all members of the public (28 CFR 35.136).

Some service animals may be readily identifiable. However, many do not have a distinctive symbol, harness, or collar.

Service animals may be used in a number of ways to provide assistance, including:

- Guiding people who are blind or have low vision.
- Alerting people who are deaf or hard of hearing.
- Retrieving or picking up items, opening doors, or flipping switches for people who have limited use of their hands, arms, or legs.
- Pulling wheelchairs.
- Providing physical support and assisting with stability and balance.

Cortez Police Department

Cortez PD CO Policy Manual

Service Animals

- Doing work or performing tasks for persons with traumatic brain injury, intellectual disabilities, or psychiatric disabilities, such as reminding a person with depression to take medication.
- Alerting a person with anxiety to the onset of panic attacks, providing tactile stimulation to calm a person with post-traumatic stress disorder, assisting people with schizophrenia to distinguish between hallucinations and reality, and helping people with traumatic brain injury to locate misplaced items or follow daily routines.

333.4 INQUIRIES REGARDING SERVICE ANIMALS

If it is apparent or if a member is aware that an animal is a service animal, the individual generally should not be asked any questions as to the status of the animal. If it is unclear whether an animal meets the definition of a service animal, the member should ask the individual only the following questions (28 CFR 35.136(f)):

- Is the animal required because of a disability?
- What task or service has the service animal been trained to perform?

If the individual explains that the animal is required because of a disability and has been trained to work or perform at least one task, the animal meets the definition of a service animal and no further questions as to the animal's status should be asked. The individual should not be questioned about their disabilities nor should members ask any individual to provide any license, certification, or identification card for the service animal.

333.5 CONTACT WITH SERVICE ANIMALS

Service animals are not pets. Department members should not interfere with a service animal by talking to, petting, or otherwise initiating contact.

333.6 REMOVAL OF SERVICE ANIMALS

If a service animal is not housebroken, exhibits vicious behavior, poses a direct threat to the health of others, or unreasonably disrupts or interferes with normal business operations, a department supervisor may direct the handler to remove the animal from the premises. Barking alone is not a threat nor does a direct threat exist if the person takes prompt, effective action to control the service animal (28 CFR 35.136 (b); 28 CFR 35.139).

Each incident must be considered individually, and past incidents alone are not cause for excluding a service animal. Removal of a service animal may not be used as a reason to refuse access to services, programs, and activities to an individual with a disability. Members are expected to provide all services, programs, and activities that are reasonably available to an individual with a disability, with or without a service animal.

333.7 COMPLAINTS

When handling calls of a complaint regarding a service animal, members should remain neutral and should be prepared to explain the ADA requirements concerning service animals to the concerned parties. Businesses are required to allow service animals to accompany their handlers into the same areas that other customers or members of the public are allowed (28 CFR 36.302).

Cortez Police Department

Cortez PD CO Policy Manual

Service Animals

Absent a violation of law independent of the ADA, officers should take no enforcement action beyond keeping the peace. Individuals who believe they have been discriminated against as a result of a disability should be referred to the Civil Rights Division of the U.S. Department of Justice (DOJ).

Volunteers

334.1 PURPOSE AND SCOPE

It is the policy of this department to use qualified volunteers for specified tasks and duties in order to create efficiencies for the Department and improve services to the community. Volunteers are intended to supplement and support, rather than supplant, certified officers and non-sworn personnel. Volunteers can be an important part of any organization and have proven to be a valuable asset to law enforcement agencies. Volunteers help to increase department responsiveness, delivery of services and information input, and provide new program opportunities. In addition, volunteers bring new skills and expertise to the Department and prompt new enthusiasm.

334.1.1 DEFINITIONS

Definitions related to this policy include:

Volunteer - An individual who performs a service for the Department without promise, expectation or receipt of compensation for services rendered. This may include unpaid chaplains, unpaid officers, interns, persons providing administrative support and youth involved in a law enforcement Explorer Post, among others.

334.1.2 VOLUNTEER ELIGIBILITY

Requirements for participation as an Cortez Police Department volunteer include:

- (a) At least 18 years of age for all positions other than Explorer.
- (b) At least 14 years of age for Explorer.
- (c) A valid driver's license if the position requires vehicle operation.
- (d) Liability insurance for any personally owned equipment, vehicles or horses utilized during volunteer work.
- (e) No conviction of a felony, any crime of a sexual nature, any crime related to assault, any crime related to moral turpitude or any crime related to impersonating a law enforcement officer.
- (f) No conviction of a misdemeanor crime within the past 10 years, excluding petty traffic offenses.
- (g) No condition of mental health disorder or chemical dependency that may adversely affect the person's ability to serve in the position.
- (h) Physical requirements reasonably appropriate to the assignment.
- (i) A personal background history and character suitable for a person representing the Department, as validated by a background investigation.

The Chief of Police may apply exceptions for eligibility based on organizational needs and the qualification of the individual.

334.2 VOLUNTEER MANAGEMENT

Cortez Police Department

Cortez PD CO Policy Manual

Volunteers

334.2.1 VOLUNTEER COORDINATOR

The function of the Volunteer Coordinator is to provide a central coordinating point for effective volunteer management within the Department, and to direct and assist staff and volunteer efforts to jointly provide more productive services. The Volunteer Coordinator or the authorized designee shall be responsible for the following:

- (a) Recruiting, selecting and training qualified volunteers for various positions
- (b) Maintaining records for each volunteer
- (c) Tracking and evaluating the contribution of volunteers
- (d) Maintaining the volunteer handbook and outlining expectations, policies and responsibilities for all volunteers
- (e) Maintaining a record of volunteer schedules and work hours
- (f) Completion and dissemination as appropriate of all necessary paperwork and information
- (g) Planning periodic recognition events
- (h) Administering discipline when warranted
- (i) Maintaining liaison with other community volunteer programs and assisting in community-wide efforts to recognize and promote volunteering

334.2.2 RECRUITMENT

Volunteers should be recruited on a continuous and ongoing basis in accordance with department policy on equal opportunity nondiscriminatory employment. A primary qualification for participation in the application process should be an interest in, and an ability to assist, the Department in serving the public.

Requests for volunteers should be submitted in writing by interested staff to the Volunteer Coordinator through the chain of command. A complete position description and a requested time frame should be included in the request. All parties should understand that the recruitment of volunteers is enhanced by creative and interesting assignments. The Volunteer Coordinator may withhold assignment of any volunteer until such time as the requesting unit is prepared to make effective use of volunteer resources.

334.2.3 SCREENING

All prospective volunteers should complete the volunteer application form. The Volunteer Coordinator or the authorized designee should conduct a face-to-face interview with the applicant.

A documented background investigation shall be completed on each volunteer applicant and shall include, but not necessarily be limited to, the following:

- (a) Traffic and criminal background check
- (b) Employment

Cortez Police Department

Cortez PD CO Policy Manual

Volunteers

- (c) References
- (d) Credit check

A volunteer whose assignment requires the use of, access to or places him/her in the vicinity of criminal histories, investigative files or information portals shall require submission of prints and clearance through the Colorado Bureau of Investigation.

334.2.4 SELECTION AND PLACEMENT

Service as a volunteer shall begin with an official notice of acceptance or appointment to a volunteer position. Notice may only be given by an authorized representative of the Department, who will normally be the Volunteer Coordinator. No volunteer should begin performance of any position until he/she has been officially accepted for that position and completed all necessary screening and documentation.

At the time of final acceptance, each volunteer should complete all necessary enrollment documentation and will receive a copy of the job description and agreement of service with the Department. All volunteers shall receive a copy of the volunteer handbook and shall be required to sign a volunteer agreement.

Volunteers should be placed only in assignments or programs that are consistent with their knowledge, skills, abilities and with the needs of the Department.

Reserve Unit volunteers are generally assigned to augment regular staffing levels.

334.2.5 EMPLOYEES WORKING AS RESERVE OFFICERS

Certified employees of this department, when authorized, may also serve as reserve officers. However, the Department must not utilize the services of a reserve or volunteer in such a way that it would violate employment laws or labor agreements (example: a detention officer working as a reserve officer for reduced or no pay). Therefore, the Reserve Coordinator should consult the Department of Human Resources prior to an employee serving in a reserve, auxiliary or volunteer capacity (29 CFR 553.30).

334.2.6 TRAINING

Volunteers will be provided with an orientation program to acquaint them with the Department, personnel, policies and procedures that have a direct impact on their work assignment.

Volunteers should receive position-specific training to ensure they have adequate knowledge and skills to complete tasks required by the position and should receive periodic ongoing training as deemed appropriate by their supervisor or the Volunteer Coordinator.

Depending on the assignment, training may include the following:

- (a) Role of the volunteer
- (b) Department policies
- (c) Training specific to the procedure manual for the volunteer position

- (d) Discrimination and harassment training
- (e) CPR/first aid
- (f) CERT/Citizens Emergency Response Training

- (h) Scenario-based searching methods
- (i) Evidence preservation
- (j) Basic traffic direction and control
- (k) Roadway incursion safety
- (l) Self-defense techniques
- (m) Vehicle operations, including specialized vehicles
- (n) Horsemanship
- (o) Issuance of citations

Pursuant to Colorado Peace Officer Standards and Training (POST) rules and regulations, the Department may establish training, licensing and continuing education requirements for its reserve officers.

Training should reinforce to volunteers that they should not intentionally represent themselves as, or by omission infer, that they are certified officers or other full-time members of the Department. They shall always represent themselves as volunteers.

All volunteers shall comply with the rules of conduct and with all orders and directives, either oral or written, issued by the Department. Whenever a rule, regulation or guideline in this manual refers to a certified officer, it shall also apply to a volunteer, unless by its nature it is inapplicable.

334.2.7 FITNESS FOR DUTY

No volunteer shall report to work or be on-duty when his/her judgment or physical condition has been impaired by alcohol, medication, other substances, illness or injury.

Volunteers shall report to their supervisor any changes in status that may affect their ability to fulfill their duties. This includes, but is not limited to, the following:

- (a) Driver's license
- (b) Medical condition
- (c) Arrests
- (d) Criminal investigations
- (e) All law enforcement contacts

Cortez Police Department

Volunteers

All volunteers shall adhere to the guidelines set forth by this department regarding drug and alcohol use.

334.2.8 DRESS CODE

As representatives of the Department, volunteers are responsible for presenting a professional image to the community. Volunteers shall dress appropriately for the conditions and performance of their duties.

Volunteers shall conform to approved dress consistent with their duty assignment. Uniforms authorized for volunteers should be readily distinguishable from those worn by certified officers. No volunteer shall wear his/her uniform or identifiable parts of that uniform while off-duty.

Volunteers shall be required to return any issued uniform or department property at the termination of service.

334.3 SUPERVISION OF VOLUNTEERS

Each volunteer who is accepted to a position with the Department must have a clearly identified supervisor who is responsible for direct management of that volunteer. This supervisor will be responsible for day-to-day management and guidance of the work of the volunteer and should be available to the volunteer for consultation and assistance.

A volunteer may be assigned as, and act as, a supervisor of other volunteers, provided the supervising volunteer is under the direct supervision of a paid staff member.

Functional supervision of volunteers is the responsibility of the supervisor in charge of the unit where the volunteer is assigned. Following are some considerations to keep in mind while supervising volunteers:

- (a) Take the time to introduce volunteers to employees on all levels.
- (b) Ensure volunteers have work space and the necessary office supplies.
- (c) Make sure the work is challenging. Do not hesitate to give them an assignment or task that will tap these valuable resources.

334.4 CONFIDENTIALITY

With appropriate security clearance, volunteers may have access to private and confidential information, such as criminal histories or investigative files. Unless otherwise directed by a supervisor, the duties of the position or department policy, all information shall be considered confidential. Only that information specifically identified and approved by authorized personnel shall be released. Confidential information shall be given only to persons who have a need and a right to know as determined by department policy and supervisory personnel.

Each volunteer will receive training in data practices and be required to sign a nondisclosure agreement before being given an assignment with the Department. Subsequent unauthorized disclosure of any private or confidential information, verbally, in writing or by any other means, by the volunteer is grounds for immediate dismissal and possible criminal prosecution.

Cortez Police Department

Volunteers

Volunteers shall not address public gatherings, appear on radio or television, prepare any article for publication, act as correspondents to a newspaper or other periodical, release or divulge any information concerning the activities of the Department, or maintain that they represent the Department in such matters without permission from the proper department personnel.

334.5 PROPERTY AND EQUIPMENT

Volunteers will be issued an identification card that must be worn and visible at all times while on-duty. Any fixed and portable equipment issued by the Department shall be for official and authorized use only. Any property or equipment issued to a volunteer shall remain the property of the Department and shall be returned at the termination of service.

334.5.1 VEHICLE USE

Volunteers assigned to duties such as vacation house checks or other assignments that require the use of a vehicle must first complete the following:

- (a) A driving safety briefing
- (b) Verification that the volunteer possesses a valid driver's license
- (c) Verification that the volunteer carries current vehicle insurance

The Volunteer Coordinator should ensure that all volunteers receive safety briefing updates and license and insurance verification at least once a year.

When operating a Department vehicle, volunteers shall obey all rules of the road, including seat belt requirements.

Volunteers should not operate a marked patrol car unless there is a prominently placed sign indicating that it is out of service and is being operated for maintenance purposes only; that it is being operated during an approved skills course; that it is being used to transport equipment; that it is being used to provide supplementary assistance under the direction of an on-duty certified officer. Volunteers are not authorized to operate a Department vehicle for enforcement patrol operations or under emergency conditions (lights and siren).

334.5.2 RADIO AND [MDT/MDC] USAGE

Volunteers shall successfully complete state and federal database access training and radio procedures training prior to using the law enforcement radio or MDT and shall comply with all related provisions. The Volunteer Coordinator should ensure that radio and database access training is provided for volunteers whenever necessary.

334.6 DISCIPLINARY PROCEDURES/TERMINATION

A volunteer may be removed from the volunteer program at the discretion of the Chief of Police or the Volunteer Coordinator. Volunteers shall have no property interests in their continued appointment. However, if a volunteer is removed for alleged misconduct, the volunteer will be afforded an opportunity solely to clear his/her name through a liberty interest hearing. The hearing shall be limited to a single appearance before the Chief of Police or the authorized designee.

Cortez Police Department

Cortez PD CO Policy Manual

Volunteers

Volunteers may resign from volunteer service with this department at any time. It is requested that volunteers who intend to resign provide advance notice of their departure and a reason for their decision.

334.6.1 EXIT INTERVIEWS

Exit interviews, where possible, should be conducted with volunteers who are leaving their positions. The interview should ascertain why the volunteer is leaving the position and solicit the volunteer's suggestions on improving the position. When appropriate, the interview should also include a discussion on the possibility of involvement in some other capacity with the Department.

334.7 EVALUATION

An evaluation of the overall volunteer program will be conducted on an annual basis by the Volunteer Coordinator. Regular evaluations should be conducted with volunteers to ensure the best use of human resources, to ensure personnel problems can be identified and dealt with promptly and fairly, and to ensure optimum job satisfaction on the part of volunteers.

334.8 EMERGENCY CALL-OUT FOR VOLUNTEER PERSONNEL

The Volunteer Coordinator shall develop a plan outlining an emergency call-out procedure for volunteer personnel.

Native American Graves Protection and Repatriation

335.1 PURPOSE AND SCOPE

This policy is intended to ensure the protection and security of ancient or historic grave sites, including notification of personnel responsible for cultural items, in compliance with the Native American Graves Protection and Repatriation Act (NAGPRA) (25 USC § 3001 et seq.).

335.1.1 DEFINITIONS

Definitions related to this policy include (43 CFR 10.2):

Funerary objects - Objects that, as part of the death rite or ceremony of a Native American culture, are reasonably believed to have been placed intentionally at the time of death or later with or near individual human remains. Funerary objects are either associated funerary objects or unassociated funerary objects.

Associated funerary objects are any funerary objects related to removed human remains, where the location of the human remains is known. This includes objects that were made exclusively for burial purposes or to contain human remains, regardless of the physical location or existence of any related human remains.

Unassociated funerary objects are any other funerary objects that are identified by a preponderance of the evidence such as:

- Related to human remains but the remains were not removed, or the location of the remains is unknown.
- Related to specific individuals or families.
- Removed from specific burial sites with Native American cultural affiliation.
- Removed from an area where such burial sites are known to have existed, but the site no longer exists.

Native American human remains - Any physical part of the body of a Native American individual.

Objects of cultural patrimony - Objects having ongoing historical, traditional, or cultural importance that is central to the Native American group or culture itself and, therefore, cannot be appropriated or conveyed by any individual, including members of the Native American group or Native Hawaiian organization. Such objects must have been considered inalienable by the Native American group at the time the object was separated from the group.

Sacred objects - Specific ceremonial objects needed by traditional Native American religious leaders for the practice of traditional Native American religions.

335.2 POLICY

It is the policy of the Cortez Police Department that the protection of Native American human remains, funerary objects, associated funerary objects, unassociated funerary objects, sacred

objects, or objects of cultural patrimony is the responsibility of all members. Such protection includes minimizing destruction, contamination, inadvertent disruption, or complicated custody transfer processes.

335.3 COMPLIANCE WITH THE NATIVE AMERICAN GRAVES PROTECTION AND REPATRIATION ACT

Upon discovery or arrival upon a scene where it reasonably appears that a Native American grave, human remains, funerary objects, associated funerary objects, unassociated funerary objects, sacred objects, or objects of cultural patrimony are exposed or otherwise unsecured, members shall secure the site in the same manner as a crime scene. All activity at the scene other than scene preservation activity must cease (43 CFR 10.5).

No photography or video recording may be permitted by the media or any group or individual who may wish to exhibit the remains.

Without delay, the appropriate agency or group shall be notified to respond and take control of the scene. These include the following (43 CFR 10.5; CRS § 24-80-1302):

- When appropriate, the Coroner.
- Federal land - Appropriate agency at the U.S. Department of the Interior or U.S. Department of Agriculture
- State land - Appropriate Colorado land management agency
- Tribal land - Responsible Indian tribal official

335.4 EVIDENCE AND PROPERTY

If the location has been investigated as a possible homicide scene prior to identification as a NAGPRA site, investigators shall work with other appropriate agencies and individuals to ensure the proper transfer and repatriation of any material collected. Members shall ensure that any remains or artifacts located at the site are expediently processed (43 CFR 10.7).

Off-Duty Law Enforcement Actions

336.1 PURPOSE AND SCOPE

The decision to become involved in a law enforcement action when off-duty can place an officer as well as others at great risk and must be done with careful consideration. This policy is intended to provide guidelines for officers of the Cortez Police Department with respect to taking law enforcement action while off-duty.

336.2 POLICY

Officers generally should not initiate law enforcement action while off-duty. Officers should not attempt to initiate enforcement action when witnessing minor crimes, such as suspected intoxicated drivers, reckless driving or minor property crimes. Such incidents should be promptly reported to the appropriate law enforcement agency.

When the safety of the public or the prevention of major property damage requires immediate action, officers should first consider reporting and monitoring the activity and only take direct action as a last resort.

Officers are not expected to place themselves in unreasonable peril. However, any certified member of this department who becomes aware of an incident or circumstance that he/she reasonably believes poses an imminent threat of serious bodily injury or death or significant property damage may take reasonable action to minimize the threat.

336.3 FIREARMS

Officers of this department may carry firearms while off-duty in accordance with federal regulations, state law and Department policy. All firearms and ammunition must meet guidelines as described in the Firearms and Qualification Policy. When carrying firearms while off-duty, officers shall also carry their department-issued badge and identification.

Officers should refrain from carrying firearms when the consumption of alcohol is likely or when the need to carry a firearm is outweighed by safety considerations. Firearms shall not be carried by any officer who has consumed an amount of an alcoholic beverage or taken any drugs that would tend to adversely affect the officer's senses or judgment. The carrying of firearms is prohibited while under the influence of alcohol or a controlled substance (CRS § 18-12-106(d)).

336.4 DECISION TO INTERVENE

There is no legal requirement for off-duty officers to take law enforcement action. However, should officers decide to intervene, they must evaluate whether the action is necessary or desirable and should take into consideration:

- (a) The tactical disadvantage of being alone and that there may be multiple or hidden suspects.
- (b) The inability to communicate with responding units.
- (c) The lack of equipment, such as handcuffs, oleoresin capsicum (OC) spray or a baton.

Cortez Police Department

Cortez PD CO Policy Manual

Off-Duty Law Enforcement Actions

- (d) The lack of cover.
- (e) The potential for increased risk to bystanders if the off-duty officer were to intervene.
- (f) Unfamiliarity with the surroundings.
- (g) The potential for the off-duty officer to be misidentified by other peace officers or members of the public.

Officers should consider waiting for on-duty uniformed officers to arrive and gather as much accurate intelligence as possible, instead of immediately intervening.

336.4.1 INTERVENTION PROCEDURE

If involvement is reasonably necessary, the officer should attempt to call or have someone else call 9-1-1 to request immediate assistance. The operator should be informed that an off-duty officer is on-scene and should be provided a description of the officer if possible.

Whenever practicable, the officer should loudly and repeatedly identify him/herself as an Cortez Police Department officer until acknowledged. Official identification should also be displayed.

336.4.2 INCIDENTS OF PERSONAL INTEREST

Officers should refrain from handling incidents of personal interest, (e.g., family or neighbor disputes) and should remain neutral. In such circumstances, officers should call the responsible agency to handle the matter.

336.4.3 RESPONSIBILITIES

Non-sworn personnel should not become involved in any law enforcement actions while off-duty except to notify the local law enforcement authority and remain at the scene, if safe and practicable.

336.4.4 OTHER CONSIDERATIONS

When encountering a non-uniformed officer in public, uniformed officers should wait for acknowledgement by the non-uniformed officer in case he/she needs to maintain an undercover capability.

336.5 REPORTING

Any officer, prior to taking any off-duty enforcement action, shall notify and receive approval of a supervisor (or other applicable law enforcement authority if acting outside the jurisdiction of the Cortez Police Department). If prior contact is not reasonably possible, an officer shall notify the applicable local law enforcement agency as soon as reasonably practicable. The Shift Sergeant shall determine whether a report should be filed by the employee.

Officers should cooperate fully with the agency having jurisdiction in providing statements or reports as requested or as appropriate.

Department Use of Social Media

337.1 PURPOSE AND SCOPE

338.3 MEMBER RESPONSIBILITIES

Officers should, as time and circumstances reasonably permit:

- (a) Make casual and consensual contacts with community members to promote positive community relationships (see the Detentions, Contacts and Photographing Detainees Policy).
- (b) Become reasonably familiar with the schools, businesses and community groups in their assigned jurisdictional areas.
- (c) Work with community members and the department community relations coordinator to identify issues and solve problems related to community relations and public safety.
- (d) Conduct periodic foot patrols of their assigned areas to facilitate interaction with community members. Officers carrying out foot patrols should notify an appropriate supervisor and Dispatch of their status (i.e., on foot patrol) and location before beginning and upon completion of the foot patrol. They should also periodically inform Dispatch of their location and status during the foot patrol.

338.4 COMMUNITY RELATIONS COORDINATOR

The Chief of Police or the authorized designee should designate a member of the Department to serve as the community relations coordinator. He/she should report directly to the Chief of Police or authorized designee and is responsible for:

- (a) Obtaining department-approved training related to his/her responsibilities.

Cortez Police Department

Cortez PD CO Policy Manual

- (b) Responding to requests from department members and the community for assistance in identifying issues and solving problems related to community relations and public safety.
- (c) Working with community groups, department members and other community resources to:

 - 2. Organize programs and activities that help build positive relationships between department members and the community and provide community members with an improved understanding of department operations.

338.5 COMMUNITY AND YOUTH ACTIVITIES AND PROGRAMS

The community relations coordinator should organize or assist with programs and activities that create opportunities for department members and community members, especially youth, to interact in a positive setting. Examples of such programs and events include:

- (a) Department-sponsored athletic programs (e.g., baseball, basketball, soccer, bowling).
- (b) Police-community get-togethers (e.g., cookouts, meals, charity events).
- (c) Youth leadership and life skills mentoring.
- (d) School resource officer/Drug Abuse Resistance Education (D.A.R.E.®) programs.
- (e) Neighborhood Watch and crime prevention programs.

338.6 LAW ENFORCEMENT OPERATIONS EDUCATION

The community relations coordinator should develop methods to educate community members on general law enforcement operations so they may understand the work that officers do to keep the community safe. Examples of educational methods include:

- (a) Department website postings.
- (b) Presentations to driver education classes.
- (c) Instruction in schools.

Cortez Police Department

Cortez PD CO Policy Manual

Community Relations

- (d) Department ride-alongs (see the Ride-Along Policy).
- (e) Scenario/Simulation exercises with community member participation.
- (f) Youth internships at the Department.

Instructional information should include direction on how community members should interact with the police during enforcement or investigative contacts and how community members can make a complaint to the Department regarding alleged misconduct or inappropriate job performance by department members.

338.7 SAFETY AND OTHER CONSIDERATIONS

Department members responsible for community relations activities should consider the safety of the community participants and, as much as reasonably practicable, not allow them to be present in any location or situation that would jeopardize their safety.

Department members in charge of community relations events should ensure that participating community members have completed waiver forms before participation, if appropriate. A parent or guardian must complete the waiver form if the participating community member has not reached 18 years of age.

Community members are subject to a criminal history check before approval for participation in certain activities, such as citizen academies.

338.8 TRAINING

Subject to available resources, members should receive training related to this policy, including training on topics such as:

- (a) Effective social interaction and communication skills.
- (b) Cultural, racial and ethnic diversity and relations.
- (c) Building community partnerships.
- (d) Community policing and problem-solving principles.
- (e) Enforcement actions and their effects on community relations.

Where practicable and appropriate, community members, especially those with relevant expertise, should be involved in the training to provide input from a community perspective.

338.8.1 STATE-MANDATED TRAINING

The Patrol Lieutenant is responsible for ensuring that members attend community policing and community partnership training as required by CRS § 24-31-315.

Reserve Officers

339.1 PURPOSE AND SCOPE

The Cortez Police Department Reserve Unit was established to supplement and assist regular certified police officers in their duties. This unit provides volunteer professional and special function reserve officers who can augment regular staffing levels (CRS § 16-2.5-110).

339.2 SELECTION AND APPOINTMENT OF POLICE RESERVE OFFICERS

The Cortez Police Department shall endeavor to recruit and appoint only those applicants who meet the high ethical, moral and professional standards set forth by this department.

Reserve officers who hold certification by the Colorado Peace Officer Standards and Training (POST) Board are considered peace officers while engaged in the performance of their duties under CRS § 16-2.5-110(1)(b).

339.2.1 APPOINTMENT

Applicants who are selected for appointment as a reserve officer shall, on the recommendation of the Chief of Police, be sworn in and take the Oath of Office as required for the position. Members of the Reserve Unit serve at the appointing authority's discretion.

A reserve officer may not perform any law enforcement function without obtaining a POST Reserve Certificate or Peace Officer Certificate (CRS § 16-2.5-110(1)(b)).

Reserve officers may act only in a supplementary capacity to the regular force and shall be under the direct supervision of a fully certified peace officer (CRS § 16-2.5-110(1)(b)).

339.2.2 COMPENSATION FOR POLICE RESERVE OFFICERS

A reserve officer shall serve without compensation but may be reimbursed at the discretion of the City for (CRS § 16-2.5-110(5)):

- (a) Any authorized out-of-pocket expenses incurred in the course of his/her duties.
- (b) For his/her time during a declared emergency or during a time of special need.

The City shall pay the cost of workers' compensation benefits for injuries incurred by a reserve officer while on-duty and while acting within the scope of his/her assigned duties.

339.2.3 EMPLOYEES WORKING AS RESERVE OFFICERS

Qualified employees of this department, when authorized, may also serve as reserve officers. However, the Department shall not utilize the services of a reserve in such a way that it would violate employment laws or labor agreements (e.g., a detention officer working as a reserve officer for reduced or no pay). Therefore, the Reserve Coordinator should consult with the Department of Human Resources prior to an employee serving in a reserve capacity (29 CFR 553.30).

Cortez Police Department

Cortez PD CO Policy Manual

Reserve Officers

339.3 DUTIES OF RESERVE OFFICERS

Reserve officers assist regular officers in the enforcement of laws and in maintaining peace and order within the community. Assignments of reserve officers will usually be to augment the Patrol Division. Reserve officers may be assigned to other areas within the Department as needed.

339.3.1 POLICY COMPLIANCE

Police reserve officers shall be required to adhere to all Department policies and procedures. A copy of the policies and procedures will be made available to each reserve officer upon appointment and he/she shall become thoroughly familiar with these policies.

Whenever a rule, regulation or guideline in the Policy Manual refers to a certified full-time officer, it shall also apply to a certified reserve officer, unless by its nature it is inapplicable.

339.4 FIELD TRAINING

All reserve officers shall complete the same department-specified field training program as regular officers as described in the Field Training Officer Program Policy.

At the completion of field training, the primary training officer will meet with the Reserve Coordinator. Based upon the reserve officer's evaluations, plus input from the primary training officer, the Reserve Coordinator shall decide if the reserve officer has satisfactorily completed his/her formal training. If the reserve officer has progressed satisfactorily, he/she will then graduate from the formal training process. If his/her progress is not satisfactory, the Reserve Coordinator will decide upon the appropriate action to be taken.

When a reserve officer has satisfactorily completed field training, he/she will no longer be required to ride with a reserve training officer. The reserve officer may now be assigned to ride with any officer.

339.4 SUPERVISION

Reserve officers perform some of the duties of a peace officer and shall be under the immediate supervision of a certified peace officer (CRS § 16-2.5-110(1)(b)).

339.4.1 RESERVE OFFICER MEETINGS

All reserve officer meetings will be scheduled and conducted by the Reserve Coordinator. All reserve officers are required to attend scheduled meetings. Any absences must be satisfactorily explained to the Reserve Coordinator.

339.4.1 IDENTIFICATION OF OFFICERS

All reserve officers will be issued a uniform badge and a Department identification card. The uniform badge shall be the same as that worn by a regular full-time officer. The identification card will be the standard identification card with the exception that "Reserve" will be indicated on the card.

Cortez Police Department

Cortez PD CO Policy Manual

Reserve Officers

339.4.2 UNIFORM

Reserve officers shall conform to all uniform regulation and appearance standards of this department.

339.4.3 INVESTIGATIONS AND COMPLAINTS

If a reserve officer has a complaint made against him/her or becomes involved in an internal investigation, that complaint or internal investigation may be investigated by the Reserve Coordinator, at the discretion of the Patrol Lieutenant in compliance with the Personnel Complaints Policy.

Reserve officers are considered at-will employees. Any disciplinary action that may have to be administered to a reserve officer shall be accomplished as outlined in the Policy Manual with the exception that the right to a hearing is limited to the opportunity to clear his/her name.

339.4.5 RESERVE OFFICER EVALUATIONS

While in training, reserve officers will be continuously evaluated using standardized daily and weekly observation reports. The reserve will be considered a trainee until training has been completed. Reserve officers having completed their field training will be evaluated annually using performance dimensions applicable to the duties and authorities granted to that reserve officer.

339.5 FIREARMS REQUIREMENTS

An appointment to the reserve force must be approved by the City before the person appointed may carry a weapon or otherwise act as a peace officer.

339.5.1 CONCEALED FIREARMS PROHIBITED

No reserve officer will be permitted to carry a concealed firearm while in an off-duty capacity, other than to and from work, except those reserve officers who possess a valid concealed firearm permit.

An instance may arise where a reserve officer is assigned to a plainclothes detail for his/her assigned tour of duty. Under these circumstances, the reserve officer may be permitted to carry a weapon more suited to the assignment with the knowledge and approval of the supervisor in charge of the detail.

Any reserve officer who is permitted to carry a firearm other than the assigned duty weapon may do so only after verifying that the weapon conforms to Department standards. The weapon must be registered by the reserve officer and be inspected and certified as fit for service by a Department Rangemaster.

Before being allowed to carry any optional firearm during an assigned tour of duty, the reserve officer shall have demonstrated his/her proficiency with said weapon.

When a reserve officer has satisfactorily completed training, he/she may be issued a permit to carry a concealed weapon. The decision to issue a concealed weapon permit will be made by the Chief of Police with input from the Reserve Coordinator and administrative staff.

In issuing a concealed weapon permit, a reserve officer's qualification will be individually judged. A reserve officer's dedication to the program and demonstrated maturity, among other factors,

Cortez Police Department

Cortez PD CO Policy Manual

Reserve Officers

will be considered before a concealed weapon permit will be issued. Once issued, the concealed weapon permit will be valid only for as long as the reserve officer remains in good standing with the City of Cortez Reserve Officer Program.

339.5.2 RESERVE OFFICER FIREARM TRAINING

All reserve officers are required to maintain proficiency with firearms used in the course of their assignments. Reserve officers who carry a firearm while on-duty shall comply with all areas of the firearms training section of the Policy Manual and shall be certified for firearms proficiency with the same frequency and subject to the same requirements as a regular certified officer (CRS § 16-2.5-110(2)).

339.7 EMERGENCY CALLOUT FOR RESERVE PERSONNEL

The Reserve Coordinator shall develop a plan outlining an emergency callout procedure for reserve personnel.

Discriminatory Harassment

340.1 PURPOSE AND SCOPE

This policy is intended to prevent department members from being subjected to discriminatory harassment, including sexual harassment and retaliation. Nothing in this policy is intended to create a legal or employment right or duty that is not created by law.

340.2 POLICY

The Cortez Police Department is an equal opportunity employer and is committed to creating and maintaining a work environment that is free of all forms of discriminatory harassment, including sexual harassment and retaliation. The Department will not tolerate discrimination against members in hiring, promotion, discharge, compensation, fringe benefits and other privileges of employment. The Department will take preventive and corrective action to address any behavior that violates this policy or the rights it is designed to protect.

The non-discrimination policies of the Department may be more comprehensive than state or federal law. Conduct that violates this policy may not violate state or federal law but still could subject a member to discipline.

340.3 DEFINITIONS

Definitions related to this policy include:

340.3.1 DISCRIMINATION

The Department prohibits all forms of discrimination, including any employment-related action by a member that adversely affects an applicant or member and is based on actual or perceived race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, age, disability, pregnancy, genetic information, veteran status, marital status, and any other classification or status protected by law.

Discriminatory harassment, including sexual harassment, is verbal or physical conduct that demeans or shows hostility or aversion toward an individual based upon that individual's protected class. It has the effect of interfering with an individual's work performance or creating a hostile or abusive work environment.

Conduct that may, under certain circumstances, constitute discriminatory harassment can include making derogatory comments; making crude and offensive statements or remarks; making slurs or off-color jokes; stereotyping; engaging in threatening acts; making indecent gestures, pictures, cartoons, posters, or material; making inappropriate physical contact; or using written material or department equipment and/or systems to transmit or receive offensive material, statements, or pictures. Such conduct is contrary to department policy and to a work environment that is free of discrimination.

Cortez PD CO Policy Manual

Discriminatory Harassment

340.3.2 RETALIATION

Retaliation is treating a person differently or engaging in acts of reprisal or intimidation against the person because the person has engaged in protected activity, filed a charge of discrimination, participated in an investigation, or opposed a discriminatory practice. Retaliation will not be tolerated.

340.3.3 SEXUAL HARASSMENT

The Department prohibits all forms of discrimination and discriminatory harassment, including sexual harassment. It is unlawful to harass an applicant or a member because of that person's sex.

Sexual harassment includes but is not limited to unwelcome sexual advances, requests for sexual favors, or other verbal, visual, or physical conduct of a sexual nature when:

- (a) Submission to such conduct is made either explicitly or implicitly a term or condition of employment, position, or compensation.
- (b) Submission to, or rejection of, such conduct is used as the basis for any employment decisions affecting the member.
- (c) Such conduct has the purpose or effect of substantially interfering with a member's work performance or creating an intimidating, hostile, or offensive work environment.

340.3.4 ADDITIONAL CONSIDERATIONS

Discrimination and discriminatory harassment do not include actions that are in accordance with established rules, principles, or standards, including:

- (a) Acts or omission of acts based solely upon bona fide occupational qualifications under the Equal Employment Opportunity Commission (EEOC) and the Colorado Civil Rights Division.
- (b) Bona fide requests or demands by a supervisor that the member improve the member's work quality or output, that the member report to the job site on time, that the member comply with City or department rules or regulations, or any other appropriate work-related communication between supervisor and member.

340.4 RESPONSIBILITIES

This policy applies to all department members. All members shall follow the intent of these guidelines in a manner that reflects department policy, professional standards, and the best interest of the Department and its mission.

Members are encouraged to promptly report any discriminatory, retaliatory, or harassing conduct or known violations of this policy to a supervisor. Any member who is not comfortable with reporting violations of this policy to the member's immediate supervisor may bypass the chain of command and make the report to a higher-ranking supervisor or manager. Complaints may also be filed with the Chief of Police, the Director of Human Services, or the City Manager.

Any member who believes, in good faith, that the member has been discriminated against, harassed, or subjected to retaliation, or who has observed harassment, discrimination, or

retaliation, is encouraged to promptly report such conduct in accordance with the procedures set forth in this policy.

- (e) Making a timely determination regarding the substance of any allegation based upon all available facts.
- (f) Notifying the Chief of Police or the Director of Human Services in writing of the circumstances surrounding any reported allegations or observed acts of discrimination, harassment, or retaliation no later than the next business day.

340.4.2 SUPERVISOR'S ROLE

Supervisors and managers shall be aware of the following:

- (a) Behavior of supervisors and managers should represent the values of the Department and professional standards.
- (b) False or mistaken accusations of discrimination, harassment, or retaliation can have negative effects on the careers of innocent members.

Nothing in this section shall be construed to prevent supervisors or managers from discharging supervisory or management responsibilities, such as determining duty assignments, evaluating or counseling members, or issuing discipline in a manner that is consistent with established procedures.

340.4.3 RESPONSIBILITIES UPON RECEIPT OF COMPLAINT

Upon receipt or notification of a complaint filed with the Colorado Civil Rights Division, the Chief of Police or the authorized designee shall assign the complaint for action. The person assigned the complaint is responsible to ensure completion of the following (CRS § 24-34-301, et seq.):

Members with questions regarding what constitutes discrimination, sexual harassment, or retaliation are encouraged to contact a supervisor, a manager, the Chief of Police, the Director of Human Services, or the City Manager for further information, direction, or clarification.

340.5 INVESTIGATION OF COMPLAINTS

Various methods of resolution exist. During the pendency of any such investigation, the supervisor of the involved members should take prompt and reasonable steps to mitigate or eliminate any continuing abusive or hostile work environment. It is the policy of the Department that all complaints of discrimination, retaliation, or harassment shall be fully documented, and promptly and thoroughly investigated.

340.5.1 SUPERVISOR RESOLUTION

Members who believe they are experiencing discrimination, harassment, or retaliation should be encouraged to inform the individual that the behavior is unwelcome, offensive, unprofessional, or inappropriate. However, if the member feels uncomfortable or threatened or has difficulty expressing the member's concern, or if this does not resolve the concern, assistance should be sought from a supervisor or manager who is a rank higher than the alleged transgressor.

340.5.2 FORMAL INVESTIGATION

If the complaint cannot be satisfactorily resolved through the process described above, a formal investigation will be conducted.

The member assigned to investigate the complaint will have full authority to investigate all aspects of the complaint. Investigative authority includes access to records and the cooperation of any members involved. No influence will be used to suppress any complaint and no member will be subject to retaliation or reprisal for filing a complaint, encouraging others to file a complaint, or for offering testimony or evidence in an investigation.

Formal investigation of the complaint will be confidential to the extent possible and will include but not be limited to details of the specific incident, frequency and dates of occurrences, and names of any witnesses. Witnesses will be advised regarding the prohibition against retaliation, and that a disciplinary process, up to and including termination, may result if retaliation occurs.

Members who believe they have been discriminated against, harassed, or retaliated against because of their protected status are encouraged to follow the chain of command but may also file a complaint directly with the Chief of Police, the Director of Human Services, or the City Manager.

340.5.3 ALTERNATIVE COMPLAINT PROCESS

No provision of this policy shall be construed to prevent any member from seeking legal redress outside the Department. Members who believe that they have been harassed, discriminated against, or retaliated against are entitled to bring complaints of employment discrimination to federal, state, and/or local agencies responsible for investigating such allegations. Specific

Mobile Identification Devices

342.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines of the control, use, maintenance and accountability of Mobile Fingerprint Identification Device.

342.1.1 DEFINITIONS

Mobile Fingerprint Identification Device - A mobile device, which can capture an individual's fingerprint and compare that print against files contained in the Automated Fingerprint Identification System (AFIS) database or the Criminal Justice Information System (CJIS) database. Regardless of their design or brand names, the unit will be identified as "the device" throughout this policy.

342.2 POLICY

It is the policy of the Cortez Police Department that the use of the devices shall be for law enforcement purposes only and done in a manner consistent with local, state and federal laws, training and this policy.

342.3 ADMINISTRATION

The Chief of Police shall appoint a member as an administrator for the program. The administrator will be responsible for the training, maintenance, and accountability of the device.

The use of the device is intended to provide officers with automated methods of identifying persons who cannot provide other means of identification or to provide verification of the presented identification documents. The search is directed against criminal justice fingerprint databases. Use of the device will increase efficiency and enhance the ability to identify individuals who are not properly identified during an encounter with law enforcement.

342.4 OPERATIONS

Only members who have successfully completed department-approved training may use the device. The use of the device shall be consistent with the training received and the guidance of this policy. Detailed instructions will be provided to every trained user.

If the device is defective for any reason the administrator shall be notified.

342.4.1 RESTRICTIONS PREVENTING THE USE OF THE DEVICE

The use of the device is based on consent (Refer to the Search and Seizure Policy). Consent to submitting to the taking of a subject's fingerprint is implied when the subject is deceased or unconscious. The unconscious person identification could assist in their medical treatment.

The use of the device will not unreasonably extend the duration of the encounter.

Officers shall not use physical force to cause the submission of the person to be fingerprinted by the device.

The Device shall not be used when there is no reasonable suspicion of criminal activity.

Cortez Police Department

Cortez PD CO Policy Manual

Mobile Identification Devices

The Device shall not be used when during an encounter based on reasonable suspicion; the individual rescinds their compliance with the fingerprint process and consent is withdrawn.

342.4.2 CONSENT

Once consent has been obtained, the device can be utilized under the following conditions:

- (a) To identify persons needing assistance whose identification is unknown and who cannot be identified through any other reasonable means.
- (b) During an encounter where an Officer has a lawful right to inquire about the individual's identity due to the reasonable suspicion of criminal activity.
- (c) To verify the identification of a suspect wanted on a warrant if in the warrant his identification information is sufficient to establish reasonable suspicion that the individual is the suspect identified in the warrant: (e.g., a name, address, DOB, physical description or photograph).
- (d) If during a reasonable suspicion encounter, the basis for the encounter is lost or eliminated before an officer requests, attempts, or finishes the fingerprint procedure, the suspect shall no longer be detained.
- (e) The use of a mobile video recorder (BWC) or other device shall be utilized during any encounter. Documentation will be required for any instance when the recording was not practical or available.

342.5 DOCUMENTATION

The following shall be documented:

- (a) The reason for taking the fingerprints.
- (b) The use or attempted use of the device shall be recorded on an incident report.

The device administrator and the Patrol Lieutenant should be notified of the usage, circumstances of usage and maintenance issues of the device.

The device administrator shall maintain a log of the usage, circumstances and maintenance issues of the device.

400.1.2 TERRORISM

The Office of Preparedness and Security (OPS) coordinates Colorado's response to terrorism (CRS § 24-33.5-1601(1)(g); CRS § 24-33.5-1606).

It is the goal of the Cortez Police Department to make every reasonable effort to accurately and appropriately gather and report any information that may relate to either foreign or domestic terrorism. Officers should advise a supervisor as soon as practicable of any activity believed to be terrorism related and should document such incidents with a written report or Field Interview (FI).

The supervisor should ensure that all terrorism-related reports and FIs are forwarded to the Detective Division supervisor in a timely fashion.

Cortez Police Department

Cortez PD CO Policy Manual

Patrol Function

The Detective Division supervisor should forward the information as soon as practicable to the OPS Colorado Information Analysis Center.

400.2 PATROL INFORMATION SHARING PROCEDURES

The following guidelines are intended to develop and maintain intraorganizational cooperation and information flow between the various divisions of the Cortez Police Department.

400.2.1 CRIME ANALYSIS UNIT

The Detective Secretary will be the central unit for information exchange. Criminal information and reports can be submitted to the Records Section for distribution to all divisions within the Department through daily and special bulletins.

400.2.2 CRIME REPORTS

A crime report may be completed by any patrol officer who receives criminal information. The report will be processed and forwarded to the appropriate bureau for retention or follow-up investigation.

400.2.3 PATROL BRIEFINGS

Patrol supervisors, investigative sergeants and special unit sergeants are encouraged to share information as much as reasonably possible. All supervisors and/or officers will be provided an opportunity to share information through daily patrol briefings, as time permits.

400.3 CROWDS, EVENTS AND GATHERINGS

Officers may encounter gatherings of people, including but not limited to, civil demonstrations, civic, social and business events, public displays, parades and sporting events. Officers should monitor such events as time permits in an effort to keep the peace and protect the safety and rights of those present. A patrol supervisor should be notified when it becomes reasonably foreseeable that such an event may require increased monitoring, contact or intervention.

Officers responding to an event or gathering that warrants law enforcement involvement should carefully balance the speech and association rights of those present with applicable public safety concerns before taking enforcement action. Officers are encouraged to contact organizers or responsible persons to seek voluntary compliance that may address relevant public safety/order concerns.

Officers should consider enforcement of applicable state and local laws when the activity blocks the entrance or egress of a facility or location and when voluntary compliance with the law is not achieved.

Bias-Based Policing

401.1 PURPOSE AND SCOPE

This policy provides guidance to department members that affirms the Cortez Police Department's commitment to policing that is fair and objective.

Nothing in this policy prohibits the use of specified characteristics in law enforcement activities designed to strengthen the department's relationship with its diverse communities (e.g., cultural and ethnicity awareness training, youth programs, community group outreach, partnerships).

401.1.1 DEFINITIONS

Definitions related to this policy include:

Bias-based policing or improper profiling - An inappropriate reliance on actual or perceived characteristics such as race, ethnicity, national origin (including limited English proficiency), religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, disability, or affiliation with any non-criminal group (protected characteristics) as the basis for providing differing law enforcement service or enforcement. This includes explicit and implicit biases (i.e., conscious and unconscious beliefs or attitudes towards certain groups) (CRS § 24-31-309).

401.2 POLICY

The Cortez Police Department is committed to providing law enforcement services to the community with due regard for the racial, cultural or other differences of those served. It is the policy of this department to provide law enforcement services and to enforce the law equally, fairly, objectively and without discrimination toward any individual or group.

401.3 BIAS-BASED POLICING PROHIBITED

Bias-based policing is strictly prohibited.

However, nothing in this policy is intended to prohibit an officer from considering protected characteristics in combination with credible, timely and distinct information connecting a person or people of a specific characteristic to a specific unlawful incident, or to specific unlawful incidents, specific criminal patterns or specific schemes.

401.4 MEMBER RESPONSIBILITIES

Every member of this department shall perform his/her duties in a fair and objective manner and is responsible for promptly reporting any suspected or known instances of racial- or bias-based profiling to a supervisor. Members should, when reasonable to do so, intervene to prevent any biased-based actions by another member.

Officers shall provide, without being asked, a business card to any person who was detained in a traffic stop and was not cited or arrested. The business card shall include identifying information including, but not limited to, the officer's name, division, and badge or other identification number and a telephone number that may be used, if necessary, to report any comments, either positive

Cortez Police Department

Cortez PD CO Policy Manual

Bias-Based Policing

or negative, regarding the traffic stop; and information about how to file a complaint related to the contact (CRS § 24-31-309(4)(a)).

401.4.1 REASON FOR CONTACT

Officers contacting a person shall be prepared to articulate sufficient reason for the contact, independent of the protected characteristics of the individual.

After making a consensual or nonconsensual contact for the purpose of enforcing the law or investigating possible violations of the law, officers should complete a report as required by CRS 24-31-309. To the extent that written documentation would otherwise be completed (e.g., arrest report, Field Interview (FI) card), the involved officer should include those facts giving rise to the contact, as applicable.

Except for required data-collection forms or methods, nothing in this policy shall require any officer to document a contact that would not otherwise require reporting.

401.5 SUPERVISOR RESPONSIBILITIES

Supervisors should monitor those individuals under their command for compliance with this policy and shall handle any alleged or observed violations in accordance with the Personnel Complaints Policy. Supervisors should ensure that the identity of a person filing a bias-based profiling complaint is kept confidential to the extent permitted by law or unless necessary for further processing of the complaint (CRS § 24-31-309).

- (a) Supervisors should discuss any issues with the involved officer and their supervisor in a timely manner.
 - 1. Supervisors should document these discussions in the prescribed manner.
- (b) Supervisors should periodically review Mobile Audio/Video MAV recordings, body-worn camera (BWC) media, [Mobile Digital Terminal] ([MDT/MDC]) data, and any other available resource used to document contact between officers and the public to ensure compliance with this policy.
 - 1. Supervisors should document these periodic reviews.
 - 2. Recordings that capture a potential instance of bias-based policing should be appropriately retained for administrative investigation purposes.
- (c) Supervisors shall initiate investigations of any actual or alleged violations of this policy.
- (d) Supervisors should take prompt and reasonable steps to address any retaliatory action taken against any member of this department who discloses information concerning bias-based policing.

401.6 STATE REPORTING

The Department shall compile, on at least an annual basis, any information derived from complaints of profiling that are received due to the distribution of business cards as provided in this policy. The information shall be made available to the public but shall not include the names of officers or the names of persons alleging profiling (CRS § 24-31-309).

Cortez Police Department

Cortez PD CO Policy Manual

Bias-Based Policing

401.7 ADMINISTRATION

The Patrol Lieutenant should review the efforts of the Department to provide fair and objective policing and submit an annual report, including public concerns and complaints, to the Chief of Police. The report should also include a documented review of department activities with potential for bias. This may include traffic and field contacts, asset forfeiture efforts, citizen complaints, and any corrective measures taken. The annual report should not contain any identifying information about any specific complaint, member of the public, or officer. It should be reviewed by the Chief of Police to identify any changes in training or operations that should be made to improve service.

Supervisors should review this policy and the annual report, and discuss the results with those they are assigned to supervise.

401.8 PUBLIC INFORMATION

The Patrol Lieutenant will ensure that this policy is made available to the public for inspection during business hours (CRS § 24-31-309).

Crime and Disaster Scene Integrity

402.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance in handling a major crime or disaster.

402.2 SCENE RESPONSIBILITY

The first officer at the scene of a crime or major incident is generally responsible for the immediate safety of the public and preservation of the scene. Officers shall also consider officer safety and the safety of those persons entering or exiting the area, including those rendering medical aid to any injured parties. Once an officer has assumed or been assigned to maintain the integrity and security of the crime or disaster scene, the officer shall maintain the crime or disaster scene until he/she is properly relieved by a supervisor or other designated person.

402.3 FIRST RESPONDER CONSIDERATIONS

The following list generally describes the first responder's function at a crime or disaster scene. This list is not intended to be all-inclusive, is not necessarily in order and may be altered according to the demands of each situation:

- (a) Broadcast emergency information, including requests for additional assistance and resources.
- (b) Provide for the general safety of those within the immediate area by mitigating, reducing or eliminating threats or dangers.
- (c) Locate or identify suspects and determine whether dangerous suspects are still within the area.
- (d) Provide first aid to injured parties if it can be done safely.
- (e) Evacuate the location safely as required or appropriate.
- (f) Secure the inner perimeter.
- (g) Protect items of apparent evidentiary value.
- (h) Secure an outer perimeter.
- (i) Identify potential witnesses.
- (j) Start a chronological log noting critical times and personnel allowed access.

402.4 POLICY

It is the policy of the Cortez Police Department to secure crime or disaster scenes so that evidence is preserved, and to identify and mitigate the dangers associated with a major crime or disaster scene for the safety of the community and those required to enter or work near the scene.

402.5 SEARCHES

Officers arriving at crime or disaster scenes are often faced with the immediate need to search for and render aid to victims, and to determine if suspects are present and continue to pose a threat. Once officers are satisfied that no additional suspects are present and/or there are no injured

Cortez Police Department

Cortez PD CO Policy Manual

Crime and Disaster Scene Integrity

persons to be treated, those exigent circumstances will likely no longer exist. Officers should thereafter secure the scene and conduct no further search until additional or alternate authority for the search is obtained, such as consent or a search warrant.

402.5.1 CONSENT

When possible, officers should seek written consent to search from authorized individuals. However, in the case of serious crimes or major investigations, it may be prudent to also obtain a search warrant. Consent as an additional authorization may be sought, even in cases where a search warrant has been granted.

Ride-along requirements for department Cadets and Explorers are covered in the Police Cadets and Explorers Policy.

403.5.1 OFF-DUTY PARTICIPATION

Off-duty members of this department or any other law enforcement agency, and employees of the City, will not be permitted to participate in a ride-along with on-duty members of this department without the express consent of the Shift Sergeant.

In the event that such participation is permitted, the off-duty department member, other law enforcement agency personnel, or City employee shall not:

- (a) Be considered on-duty.
- (b) Represent him/herself as a member of this department or any other law enforcement agency.
- (c) Participate in any law enforcement activity except as emergency circumstances may require.

403.5.2 CRIMINAL HISTORY CHECK

All ride-along applicants are subject to a criminal history check. The criminal history check may include a local records check and a Colorado Crime Information Center (CCIS) and National Crime Information Center (NCIC) criminal history check prior to approval of the ride-along.

403.5.3 SUITABLE ATTIRE

Any person approved to participate in a ride-along is required to be suitably dressed in a collared shirt, blouse, or jacket; slacks; and shoes. Sandals, t-shirts, tank tops, shorts, and ripped or torn pants are not permitted. Hats and ball caps will not be worn without the express consent of the Shift Sergeant. The Shift Sergeant or a supervisor may refuse a ride-along to anyone who is not dressed appropriately.

403.6 REQUESTS TO PARTICIPATE

Generally, ride-along and job observation requests will be maintained and scheduled by the Shift Sergeant. The applicant will complete and sign a ride-along or job observation waiver form. Information requested will include a valid state-issued identification card or driver's license number, birthdate, address, and telephone number.

Cortez Police Department

Cortez PD CO Policy Manual

Ride-Alongs

The Shift Sergeant will schedule a date, based on availability, generally one week after the date of application. If approved, a copy of the waiver form will be forwarded to the appropriate Division as soon as possible for scheduling considerations.

If the request is denied, a representative of this department will advise the applicant of the denial.

403.7 MEMBER RESPONSIBILITIES

The assigned department member shall consider the safety of the ride-along or job observation participant at all times. The member shall maintain control over the participant and shall instruct the individual about the conditions that necessarily limit his/her participation. Instructions should include:

- (a) The participant will follow the directions of the department member.
- (b) The participant will not become involved in any investigation, handling of evidence, discussions with victims or suspects, reading an individual's criminal history or other protected information, or handing any police department equipment.
- (c) Participation may be terminated at any time by the member if the participant interferes with the performance of the member's duties.
 - 1. If the ride-along is in progress, the member may return the participant to the point the ride originated.
- (d) Participants may be allowed to continue a ride-along during the transportation and booking process, provided it does not jeopardize their safety.
- (e) Members should not allow participants to be present in any location or situation that would jeopardize the participant's safety or cause undue stress or embarrassment to a victim or any other member of the public.
- (f) Participants who are not law enforcement officers shall not be permitted to accompany the department member into a private residence without the express consent of the resident or other authorized person.

The member assigned to provide a ride-along shall advise the [dispatcher] that a ride-along participant is present in the vehicle before going into service. An officer with a ride-along participant should use sound discretion when encountering a potentially dangerous situation, such as a high-speed pursuit and, if feasible, let the participant out of the vehicle in a well-lit public place. The [dispatcher] will be advised of the situation and as soon as practicable have another department member respond to pick up the participant at that location. The ride-along may be continued or terminated at this time.

Conduct by a person participating in a ride-along that results in termination of the ride, or is otherwise inappropriate, should be immediately reported to the Shift Sergeant. The member should enter comments regarding the reasons for terminating the ride-along on the waiver form.

Upon completion of the ride-along, the member shall return the waiver form to the Shift Sergeant.

Hazardous Material Response

404.1 PURPOSE AND SCOPE

Hazardous materials present a potential harm to employees and others as a result of their exposure. To comply with applicable law, the following represents the policy of this department.

404.1.1 HAZARDOUS MATERIAL DEFINED

Hazardous material - A substance which by its nature, containment and reactivity, has the capability of inflicting harm to people, other living organisms, property or the environment during exposure. Hazardous materials are characterized as being toxic, corrosive, flammable, explosive, oxidizing, asphyxiating, pathogenic, allergenic, biohazardous, or radioactive and pose a threat to health when improperly managed.

404.2 HAZARDOUS MATERIAL RESPONSE

Employees may encounter situations involving suspected hazardous materials, such as at the scene of a traffic collision, chemical spill or fire. When employees come into contact with a suspected hazardous material, they should take certain steps to protect themselves and other persons.

The fire department is the agency trained and equipped to properly respond and mitigate most hazardous materials and biohazards.

Responders should not perform tasks or use equipment without proper training.

A responder entering the area may require decontamination before he/she is allowed to depart the scene and should be evaluated by appropriate technicians and medical professionals for signs of exposure.

The following steps should be considered at any scene involving suspected hazardous materials:

- (a) Make the initial assessment of a potential hazardous material from a safe distance.
- (b) Remain upwind, uphill and at a safe distance, maintaining awareness of weather and environmental conditions, until the material is identified and a process for handling has been determined.
- (c) Wear personal protective gear, being cognizant that some hazardous material may quickly volatilize into a form which is readily inhaled.
- (d) Attempt to identify the type of hazardous material from a safe distance using optical aids (binoculars/spotting scopes) if they are available. Identification can be determined by:
 1. Placards and use of the Emergency Response Guidebook.
 2. Driver's statements or shipping documents from the person transporting the material.

Cortez Police Department

Cortez PD CO Policy Manual

Hazardous Material Response

3. Information obtained from any involved person with knowledge regarding the hazardous material.
- (e) Obtain information from any involved party who has knowledge regarding the hazardous material. Information should include:
 1. The identity of the material.
 2. How to secure and contain the material.
 3. Any other information to protect the safety of those present, the community and the environment.
 - (f) Notify the fire department. Provide weather conditions, wind direction, a suggested safe approach route and any other information pertinent to responder safety.
 - (g) Provide first aid to injured parties if it can be done safely and without contamination.
 - (h) Begin evacuation of the immediate and surrounding areas, dependent on the material. Voluntary evacuation should be considered. Depending on the material, mandatory evacuation may be necessary.
 - (i) Make reasonable efforts to secure the scene to prevent access from unauthorized personnel.
 - (j) Establish a decontamination area when needed.
 - (k) Contact the local Colorado State Patrol Dispatch to request assistance from the Colorado State Patrol Hazardous Materials Unit.
 - (l) If available, activate reverse 9-1-1 calling to the affected area.

404.3 REPORTING EXPOSURE

Department personnel who believe they have been exposed to a hazardous material shall immediately report the exposure to a supervisor. Each exposure shall be documented by the employee in an employee memorandum, which shall be forwarded via chain of command to the appropriate Lieutenant as soon as practicable. Should the affected employee be unable to document the exposure for any reason, it shall be the responsibility of the notified supervisor to complete the memorandum.

Injury or illness caused or believed to be caused from exposure to hazardous materials shall be reported the same as any other on-duty injury or illness, in addition to a crime report or incident report.

404.3.1 SUPERVISOR RESPONSIBILITIES

When a supervisor has been informed that an employee has been exposed to a hazardous material, he/she shall ensure that immediate medical treatment is obtained and appropriate action is taken to treat the exposure.

Cortez Police Department

Cortez PD CO Policy Manual

Hazardous Material Response

To ensure the safety of employees, safety equipment is available through supervisory personnel. Safety items not maintained by the Department will be obtained through the appropriate fire department.

Hostage and Barricade Incidents

405.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for situations where officers have legal cause to contact, detain or arrest a person, and the person refuses to submit to the lawful requests of the officers by remaining in a structure or vehicle and/or by taking a hostage.

The scope of this policy is not intended to address all variables that officers encounter during their initial response or when a hostage or barricade situation has developed. This policy does not require or purport to recommend specific strategies or tactics for resolution as each incident is a dynamic and rapidly evolving event.

405.1.1 DEFINITIONS

Definitions related to this policy include:

Barricade situation - An incident where a person maintains a position of cover or concealment and ignores or resists law enforcement personnel, and it is reasonable to believe the subject is armed with a dangerous or deadly weapon.

Hostage situation - An incident where it is reasonable to believe a person is unlawfully held by a hostage-taker as security so that specified terms or conditions will be met.

405.2 POLICY

It is the policy of the Cortez Police Department to address hostage and barricade situations with due regard for the preservation of life and balancing the risk of injury, while obtaining the safe release of hostages, apprehending offenders and securing available evidence.

405.3 COMMUNICATION

When circumstances permit, initial responding officers should try to establish and maintain lines of communication with a barricaded person or hostage-taker. Officers should attempt to identify any additional subjects, inquire about victims and injuries, seek the release of hostages, gather intelligence information, identify time-sensitive demands or conditions and obtain the suspect's surrender.

When available, department-authorized negotiators should respond to the scene as soon as practicable and assume communication responsibilities. Negotiators are permitted to exercise flexibility in each situation based upon their training, the circumstances presented, suspect actions or demands and the available resources. Decisions will be made by the highest-ranking supervisor available for the situation. Non-negotiable items will be determined on a case-by-case basis, by the negotiator and the supervisor.

405.3.1 EMERGENCY COMMUNICATIONS

Any department member supervising a hostage or barricade situation in this jurisdiction may order a security employee of a communications or internet access provider to cut, reroute or

Cortez Police Department

Cortez PD CO Policy Manual

Hostage and Barricade Incidents

divert telephone lines or a cellular or digital communications signal to prevent the suspect from communicating with any person other than a law enforcement officer (CRS § 18-9-312).

Any department member supervising a hostage or barricade situation may also order a telecommunication provider to disclose location information of any hostage's or other named person's telecommunications device if the supervising member reasonably believes that the time required to obtain a court order would increase the risk of death or serious bodily injury to the hostage or any person with the named person (CRS § 18-9-312). The supervising member shall ensure that a court order is obtained within 48 hours of the initial request for the location information (CRS § 18-9-312).

405.4 FIRST RESPONDER CONSIDERATIONS

First responding officers should promptly and carefully evaluate all available information to determine whether an incident involves, or may later develop into, a hostage or barricade situation.

The first responding officer should immediately request a supervisor's response as soon as it is determined that a hostage or barricade situation exists. The first responding officer shall assume the duties of the supervisor until relieved by a supervisor or a more qualified responder. The officer shall continually evaluate the situation, including the level of risk to officers, to the persons involved and to bystanders, and the resources currently available.

The handling officer should brief the arriving supervisor of the incident, including information about suspects and victims, the extent of any injuries, additional resources or equipment that may be needed, and current perimeters and evacuation areas.

405.4.1 BARRICADE SITUATION

Unless circumstances require otherwise, officers handling a barricade situation should attempt to avoid a forceful confrontation in favor of stabilizing the incident by establishing and maintaining lines of communication while awaiting the arrival of specialized personnel and trained negotiators. In the interim, the following options, while not all-inclusive or in any particular order, should be considered:

- (a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.
- (b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.
- (c) Request additional personnel, resources and equipment as needed (e.g., canine team, air support).
- (d) Provide responding emergency personnel with a safe arrival route to the location.
- (e) Evacuate non-injured persons in the immediate threat area if it is reasonably safe to do so.

Cortez Police Department

Cortez PD CO Policy Manual

Hostage and Barricade Incidents

- (f) Attempt or obtain a line of communication and gather as much information on the subject as possible, including weapons, other involved parties, additional hazards or injuries.
- (g) Establish an inner and outer perimeter as circumstances require and resources permit to prevent unauthorized access.
- (h) Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.
- (i) Determine the need for and notify the appropriate persons within and outside the Department, such as command officers and the Command Staff.
- (j) If necessary and available, establish a tactical or exclusive radio frequency for the incident.
- (k) Establish a command post.

405.4.2 HOSTAGE SITUATION

Officers presented with a hostage situation should attempt to avoid a forceful confrontation in favor of controlling the incident in anticipation of the arrival of specialized personnel and trained hostage negotiators. However, it is understood that hostage situations are dynamic and can require that officers react quickly to developing or changing threats. The following options, while not all-inclusive or in any particular order, should be considered:

- (a) Ensure injured persons are evacuated from the immediate threat area if it is reasonably safe to do so. Request medical assistance.
- (b) Assign personnel to a contact team to control the subject should he/she attempt to exit the building, structure or vehicle, and attack, use deadly force, attempt to escape or surrender prior to additional resources arriving.
- (c) Establish a rapid response team in the event it becomes necessary to rapidly enter a building, structure or vehicle, such as when the suspect is using deadly force against any hostages (see the Rapid Response and Deployment Policy).
- (d) Assist hostages or potential hostages to escape if it is reasonably safe to do so. Hostages should be kept separated if practicable pending further interview.
- (e) Request additional personnel, resources and equipment as needed (e.g., canine team, air support).
- (f) Provide responding emergency personnel with a safe arrival route to the location.
- (g) Evacuate non-injured persons in the immediate threat area if it is reasonably safe to do so.
- (h) Coordinate pursuit or surveillance vehicles and control of travel routes.
- (i) Attempt or obtain a line of communication and gather as much information about the suspect as possible, including any weapons, victims and their injuries, additional hazards, other involved parties and any other relevant intelligence information.

Cortez Police Department

Cortez PD CO Policy Manual

Hostage and Barricade Incidents

- (j) Establish an inner and outer perimeter as resources and circumstances permit to prevent unauthorized access.
- (k) Evacuate bystanders, residents and businesses within the inner and then outer perimeter as appropriate. Check for injuries, the presence of other involved subjects, witnesses, evidence or additional information.
- (l) Determine the need for and notify the appropriate persons within and outside the Department, such as command officers and the Public Information Officer.
- (m) If necessary and available, establish a tactical or exclusive radio frequency for the incident.

405.5 SUPERVISOR RESPONSIBILITIES

Upon being notified that a hostage or barricade situation exists, the supervisor should immediately respond to the scene, assess the risk level of the situation, establish a proper chain of command and assume the role of Incident Commander (IC) until properly relieved. This includes requesting a SRT response if appropriate. In addition, the following options, listed here in no particular order, should be considered:

- (a) Ensure injured persons are evacuated and treated by medical personnel.
- (b) Ensure the completion of necessary first responder responsibilities or assignments.
- (c) Request crisis negotiators, specialized units, additional personnel, resources or equipment as appropriate.
- (d) Establish a command post location as resources and circumstances permit.
- (e) Designate assistants who can help with intelligence information and documentation of the incident.
- (f) If it is practicable to do so, arrange for video documentation of the operation.
- (g) Consider contacting utility and communication providers when restricting such services (e.g., restricting electric power, gas, telephone service).
- (h) Ensure adequate law enforcement coverage for the remainder of the City during the incident. The supervisor should direct nonessential personnel away from the scene unless they have been summoned by the supervisor or Dispatch.
- (i) Identify a media staging area outside the outer perimeter and have the department Public Information Officer or a designated temporary media representative provide media access in accordance with the Media Relations Policy.
- (j) Identify the need for mutual aid and the transition or relief of personnel for incidents of extended duration.
- (k) Debrief personnel and review documentation as appropriate.

405.6 CRISIS RESPONSE UNIT RESPONSIBILITIES

It will be the IC's decision whether to deploy the SRT during a hostage or barricade situation. Once the IC authorizes deployment, the SRT Commander or the authorized designee will be responsible for the tactical portion of the operation. The IC shall continue supervision of the command post

Cortez Police Department

Cortez PD CO Policy Manual

Hostage and Barricade Incidents

operation, outer perimeter security and evacuation, media access and support for the SRT. The IC and the SRT Commander or the authorized designee shall maintain communications at all times.

405.6.1 REPORTING

Unless otherwise relieved by a supervisor or IC, the handling officer at the scene is responsible for completion and/or coordination of incident reports.

Response to Bomb Calls

406.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to assist members of the Cortez Police Department in their initial response to incidents involving explosives, explosive devices, explosion/bombing incidents or threats of such incidents. Under no circumstances should these guidelines be interpreted as compromising the safety of first responders or the public. When confronted with an incident involving explosives, safety should always be the primary consideration.

406.2 POLICY

It is the policy of the Cortez Police Department to place a higher priority on the safety of persons and the public over damage or destruction to public or private property.

406.3 RECEIPT OF BOMB THREAT

Department members receiving a bomb threat should obtain as much information from the individual as reasonably possible, including the type, placement and alleged detonation time of the device.

If the bomb threat is received on a recorded line, reasonable steps should be taken to ensure that the recording is preserved in accordance with established department evidence procedures.

The member receiving the bomb threat should ensure that the Shift Sergeant is immediately advised and informed of the details. This will enable the Shift Sergeant to ensure that the appropriate personnel are dispatched and, as appropriate, the threatened location is given an advance warning.

406.4 GOVERNMENT FACILITY OR PROPERTY

A bomb threat targeting a government facility may require a different response based on the government agency.

406.4.1 CORTEZ POLICE DEPARTMENT FACILITY

If the bomb threat is against the Cortez Police Department facility, the Shift Sergeant will direct and assign officers as required for coordinating a general building search or evacuation of the police department, as he/she deems appropriate.

406.4.2 OTHER COUNTY OR MUNICIPAL FACILITY OR PROPERTY

If the bomb threat is against a county or municipal facility within the jurisdiction of the Cortez Police Department that is not the property of this department, the appropriate agency will be promptly informed of the threat. Assistance to the other entity may be provided as the Shift Sergeant deems appropriate.

406.4.3 FEDERAL BUILDING OR PROPERTY

If the bomb threat is against a federal building or property, the Federal Protective Service should be immediately notified. The Federal Protective Service provides a uniformed law enforcement response for most facilities, which may include use of its Explosive Detector Dog teams.

Cortez Police Department

Cortez PD CO Policy Manual

Response to Bomb Calls

If the bomb threat is against a federal government property where the Federal Protective Service is unable to provide a timely response, the appropriate facility's security or command staff should be notified.

Bomb threats against a military installation should be reported to the military police or other military security responsible for the installation.

406.5 BOMB THREATS AT PUBLIC OR PRIVATE FACILITY

This procedure shall be followed should a bomb threat occur at a private facility or another public facility and the Department is informed of the threat.

406.5.1 BOMB THREAT RESPONSE OPTIONS

The options available to the person in charge of the facility are generally:

- (a) No search and no evacuation.
- (b) Search without evacuation.
- (c) Evacuation without search.
- (d) Evacuation and search.

406.5.2 REQUEST FOR ASSISTANCE

Should the person in charge of the facility request assistance, the Shift Sergeant shall be notified and will make the decision whether the Department renders assistance and to what level. Should the information and circumstances indicate a reasonably apparent imminent threat to safety, a more active approach, including law enforcement control over the facility, may be considered.

406.5.3 EVACUATION OR SEARCH ASSISTANCE

Should the Shift Sergeant determine that the Department will assist or control a bomb threat incident, the Shift Sergeant will determine:

- (a) The level of assistance.
- (b) The plan for assistance.
- (c) Whether to evacuate and/or search.
- (d) The appropriate support necessary.

Considerations regarding the involvement of the facility staff in searching and evacuating is important. A search or evacuation can be difficult without a working familiarity of the facility. The person in charge of the facility should be made aware of the possibility of damage to the facility as a product of a search. The safety of all participants is the paramount concern.

Consideration for additional support resources should include notification and response, or standby notice, for fire, medical and ambulance.

Cortez Police Department

Cortez PD CO Policy Manual

Response to Bomb Calls

406.6 PRIVATE FACILITY OR PROPERTY

When a member of this department receives notification of a bomb threat at a location in the City of Cortez, the member receiving the notification should obtain as much information as reasonably possible from the notifying individual, including:

- (a) The location of the facility.
- (b) The nature of the threat.
- (c) Whether the type and detonation time of the device is known.
- (d) Whether the facility is occupied and, if so, the number of occupants currently on-scene.
- (e) Whether the individual is requesting police assistance at the facility.
- (f) Whether there are any internal facility procedures regarding bomb threats in place, such as:
 1. No evacuation of personnel and no search for a device.
 2. Search for a device without evacuation of personnel.
 3. Evacuation of personnel without a search for a device.
 4. Evacuation of personnel and a search for a device.

The member receiving the bomb threat information should ensure that the Shift Sergeant is immediately notified so that he/she can communicate with the person in charge of the threatened facility.

406.6.1 ASSISTANCE

The Shift Sergeant should be notified when police assistance is requested. The Shift Sergeant will make the decision whether the Department will render assistance and at what level. Information and circumstances that indicate a reasonably apparent, imminent threat to the safety of either the facility or the public may require a more active approach, including police control over the facility.

Should the Shift Sergeant determine that the Department will assist or control such an incident, he/she will determine:

- (a) The appropriate level of assistance.
- (b) The plan for assistance.
- (c) Whether to evacuate and/or search the facility.
- (d) Whether to involve facility staff in the search or evacuation of the building.
 1. The person in charge of the facility should be made aware of the possibility of damage to the facility as a result of a search.
 2. The safety of all participants is the paramount concern.
- (e) The need for additional resources, including:
 1. Notification and response, or standby notice, for fire and emergency medical services.

Cortez Police Department

Cortez PD CO Policy Manual

Response to Bomb Calls

Even though a facility does not request police assistance to clear the interior of a building, based upon the circumstances and known threat, officers may be sent to the scene to evacuate other areas that could be affected by the type of threat, or for traffic and pedestrian control.

406.7 FOUND DEVICE

When handling an incident involving a suspected explosive device, the following guidelines, while not all inclusive, should be followed:

- (a) No known or suspected explosive item should be considered safe regardless of its size or apparent packaging.
- (b) The device should not be touched or moved except by the bomb squad or military explosive ordnance disposal team.
- (c) Personnel should not transmit on any equipment that is capable of producing radio frequency energy within the evacuation area around the suspected device. This includes the following:
 1. Two-way radios
 2. Cell phones
 3. Other personal communication devices
- (d) The appropriate bomb squad or military explosive ordnance disposal team should be summoned for assistance.
- (e) The largest perimeter reasonably possible should initially be established around the device based upon available personnel and the anticipated danger zone.
- (f) A safe access route should be provided for support personnel and equipment.
- (g) Search the area for secondary devices as appropriate and based upon available resources.
- (h) Consider evacuation of buildings and personnel near the device or inside the danger zone and the safest exit route.
- (i) Promptly relay available information to the Shift Sergeant including:
 1. The time of discovery.
 2. The exact location of the device.
 3. A full description of the device (e.g., size, shape, markings, construction).
 4. The anticipated danger zone and perimeter.
 5. The areas to be evacuated or cleared.

406.8 EXPLOSION/BOMBING INCIDENTS

When an explosion has occurred, there are multitudes of considerations which may confront the responding officers. As in other catastrophic events, a rapid response may help to minimize injury to victims, minimize contamination of the scene by gathering crowds, or minimize any additional damage from fires or unstable structures.

Cortez Police Department

Cortez PD CO Policy Manual

Response to Bomb Calls

406.8.1 CONSIDERATIONS

Officers responding to explosions, whether accidental or a criminal act, should consider the following actions:

- (a) Assess the scope of the incident, including the number of victims and extent of injuries.
- (b) Request additional personnel and resources, as appropriate.
- (c) Assist with first aid.
- (d) Identify and take appropriate precautions to mitigate scene hazards, such as collapsed structures, bloodborne pathogens and hazardous materials.
- (e) Assist with the safe evacuation of victims, if possible.
- (f) Establish an inner perimeter to include entry points and evacuation routes. Search for additional or secondary devices.
- (g) Preserve evidence.
- (h) Establish an outer perimeter and evacuate if necessary.
- (i) Identify witnesses.

406.8.2 NOTIFICATIONS

When an explosion has occurred, the following people should be notified as appropriate:

- Fire department
- Bomb squad
- Additional department personnel, such as investigators and forensic services
- Shift Sergeant
- Other law enforcement agencies, including local, state or federal agencies, such as the FBI and the Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF)
- Other government agencies, as appropriate

406.8.3 CROWD CONTROL

Only authorized members with a legitimate need should be permitted access to the scene. Spectators and other unauthorized individuals should be restricted to a safe distance as is reasonably practicable given the available resources and personnel.

406.8.4 PRESERVATION OF EVIDENCE

As in any other crime scene, steps should immediately be taken to preserve the scene. The Shift Sergeant should assign officers to protect the crime scene area, which could extend over a long distance. Consideration should be given to the fact that evidence may be imbedded in nearby structures or hanging in trees and bushes.

Civil Commitments

407.1 PURPOSE AND SCOPE

This policy provides guidelines for when officers may place an individual under protective custody for civil commitment (CRS § 27-65-106; CRS § 27-65-107; CRS § 27-81-111).

407.2 POLICY

It is the policy of the Cortez Police Department to protect the public and individuals through legal and appropriate use of the civil commitment process.

407.3 AUTHORITY

Officers may take a person into protective custody:

- (a) When the officer has probable cause to believe that a person is either gravely disabled or an imminent danger to self or others due to a mental health disorder (CRS § 27-65-106).
 1. The officer should transport the person to a designated or approved facility for a 72-hour treatment and evaluation.
- (b) When the officer has probable cause to believe that a person is experiencing a behavioral health crisis and in immediate need of professional intervention to prevent harm to self or others (CRS § 27-65-107).
 1. The officer should consult with a behavioral health crisis response team, if available, and transport the person to a designated or approved outpatient mental health facility or other clinically appropriate facility.
 2. The officer should provide the person to be transported an opportunity to make a telephone call, absent any safety concerns.
- (c) When the officer has probable cause to believe that a person is under the influence of or incapacitated by substances and is clearly dangerous to the health and safety of the person's self or others (CRS § 27-81-111).
 1. The officer should transport the person to a designated or approved treatment facility.

If an appropriate facility is not available for a mental health hold or behavioral health crisis hold, officers should take the person to an emergency medical services facility, as defined by CRS § 27-65-102 (CRS § 27-65-106; CRS § 27-65-107).

If an appropriate facility is not available for a substance abuse hold, the person may be detained in an emergency medical services facility or jail facility, but only for as long as may be necessary to prevent injury to the person's self or others or to prevent a breach of the peace. Juveniles in protective custody shall not be detained in a jail facility (CRS § 27-81-111).

407.3.1 DETENTION

Detention of a person under a mental health hold does not constitute an arrest. When a person is taken into protective custody for a mental health hold, that person shall not be detained in the

Cortez Police Department

Cortez PD CO Policy Manual

Civil Commitments

jail, lockup, or other place used for the confinement of persons charged with an offense (CRS § 27-65-106).

Detention of a person held for a substance abuse emergency commitment is considered protective custody and does not constitute an arrest (CRS § 27-81-111).

407.3.2 VOLUNTARY EVALUATION

If an officer encounters an individual who may qualify for a civil commitment, he/she may inquire as to whether the person desires to voluntarily be evaluated at an appropriate facility. If the individual so desires, the officers should:

- (a) Transport the individual to an appropriate facility that is able to conduct the evaluation and admit the person pursuant to a voluntary application.
- (b) If at any point the individual changes his/her mind regarding voluntary evaluation, officers should proceed with the civil commitment, if appropriate.
- (c) Document the circumstances surrounding the individual's desire to pursue voluntary evaluation and/or admission.

407.3.3 RESTRAINTS

If the patient is violent or potentially violent, the officer will notify the staff. The staff member in charge will have discretion as to whether soft restraints will be used. If these restraints are desired, the officer will wait while they are being applied to help provide physical control of the patient, if needed.

407.3.4 WRITTEN DOCUMENTATION

The officer may complete an M.5 and provide it to the staff member assigned to that patient. The officer will retain a copy of the emergency admission form for inclusion in the case report.

The officer shall also provide a verbal summary to a receiving facility staff member regarding the circumstances leading to the involuntary detention.

407.3.5 SECURING OF WEAPONS

If a receiving facility prohibits weapons or if an extraordinary event occurs in the treatment facility and officers determine a need to secure their firearms, the firearm shall be secured in the appropriate gun locker at the facility or in the police unit.

407.4 CONSIDERATIONS AND RESPONSIBILITIES

Any officer handling a call involving an individual who may qualify for a civil commitment should consider, as time and circumstances reasonably permit:

- (a) Available information that might assist in determining the cause and nature of the individual's action or stated intentions.
- (b) Community or neighborhood mediation services.
- (c) Conflict resolution and de-escalation techniques.

Cortez Police Department

Cortez PD CO Policy Manual

Civil Commitments

- (d) Community or other resources available to assist in dealing with mental health issues.

While these steps are encouraged, nothing in this section is intended to dissuade officers from taking reasonable action to ensure the safety of the officers and others.

Civil commitments should be preferred over arrest for people who have mental health issues and are suspected of committing minor crimes or creating other public safety issues.

407.5 TRANSPORTATION

Transport for any individual for a civil commitment shall be conducted in accordance with the Transporting Persons in Custody Policy.

Officers may transport individuals in a patrol unit and shall secure them in accordance with the Handcuffing and Restraints Policy.

407.5.1 RETURN OF FIREARMS AND WEAPONS

- (a) Whenever the handling officer has cause to believe that the return of any weapon taken into custody might endanger the person or others, the officer shall detail those facts and circumstances in a report.
- (b) The report shall be forwarded to the Evidence Custodian which shall be responsible for initiating a petition to the District Court through the District Attorney for a hearing to determine whether the weapon will be returned.
- (c) If no petition is initiated within the above period, the Department shall make the weapon available for return in accordance with subsection (d) below. If the person does not confirm a desire for a hearing within the prescribed 30 days, the Department may file a petition for an order of default.
- (d) Under no circumstances shall any firearm be returned to any individual unless and until such person presents valid identification and satisfactory evidence of ownership, or authorization by the owner is established.
- (e) A firearm may not be released until it has been verified that the person receiving the weapon, who may or may not be its owner, is not prohibited from receiving or possessing the weapon by 18 USC § 922 (d) or CRS § 18-12-108.
- (f) In no case in which a firearm or other deadly weapon is not retained as evidence shall the Department be required to retain such firearms or other deadly weapon longer than 180 days after notice has been provided to the owner that such firearm or other deadly weapon is available for return. At the expiration of such period, the firearm or other deadly weapon may be processed for disposal.

407.6 TRANSFER TO APPROPRIATE FACILITY

Upon arrival at the facility, the officer will escort the individual into a treatment area designated by a facility staff member. If the individual is not seeking treatment voluntarily, the officer shall provide the staff member with the written application for a civil commitment and remain present to provide clarification of the grounds for detention, upon request.

Cortez Police Department

Cortez PD CO Policy Manual

Civil Commitments

Absent exigent circumstances, the transporting officer should not assist facility staff with the admission process, including restraint of the individual. However, if the individual is transported and delivered while restrained, the officer may assist with transferring the individual to facility restraints and will be available to assist during the admission process, if requested. Under normal circumstances, officers will not apply facility-ordered restraints.

407.7 DOCUMENTATION

The officer shall complete an application for emergency admission, provide it to the facility staff member assigned to that patient, and retain a copy of the application for inclusion in the case report (CRS § 27-65-106; CRS § 27-65-107; CRS § 27-81-111).

The officer should also provide a verbal summary to any evaluating staff member regarding the circumstances leading to the involuntary detention.

407.8 REPORTING SUBSTANCE ABUSE HOLDS

The officer should ensure that the Records Techs is provided enough information relating to a substance abuse hold to meet the reporting requirements of the Behavioral Health Administration (CRS § 27-81-111).

407.9 CRIMINAL OFFENSES

Officers investigating an individual who is suspected of committing a minor criminal offense and who is being taken into custody for a civil commitment should resolve the criminal matter by issuing a warning or a citation, as appropriate.

When an individual who may qualify for a civil commitment has committed a serious criminal offense that would normally result in an arrest and transfer to a jail facility, the officer should:

- (a) Arrest the individual when there is probable cause to do so.
- (b) Notify the appropriate supervisor of the facts supporting the arrest and the facts that would support the detention.
- (c) Facilitate the individual's transfer to jail.
- (d) Thoroughly document in the related reports the circumstances that indicate the individual may qualify for a civil commitment.

In the supervisor's judgment, the individual may instead be transported to the appropriate mental health facility. The supervisor should consider the seriousness of the offense, the treatment options available, the ability of this department to regain custody of the individual, department resources (e.g., posting a guard) and other relevant factors in making this decision.

407.10 FIREARMS AND OTHER WEAPONS

Whenever an individual is taken into custody for a civil commitment, the handling officers should seek to determine if the individual owns or has access to any firearm or other deadly weapon. Officers should consider whether it is appropriate and consistent with current search and seizure law under the circumstances to seize any such firearms or other dangerous weapons (e.g., safekeeping, evidence, consent).

Cortez Police Department

Cortez PD CO Policy Manual

Civil Commitments

Officers are cautioned that a search warrant may be needed before entering a residence or other place to search, unless lawful, warrantless entry has already been made (e.g., exigent circumstances, consent). A warrant may also be needed before searching for or seizing weapons.

The handling officer should further advise the individual of the procedure for the return of any firearm or other weapon that has been taken into custody.

407.11 TRAINING

This department will endeavor to provide department-approved training on interaction with persons with a mental disability, behavioral health crises, substance abuse crises, civil commitments, and crisis intervention.

Summons Releases

408.1 PURPOSE AND SCOPE

The purpose of this policy is to provide members of the Cortez Police Department with guidance on when to release adults who are suspected offenders on a summons for a criminal offense, rather than having the person held in custody for a court appearance or released on bail.

Additional release restrictions may apply to those detained for domestic violence, as outlined in the Domestic Violence Policy.

408.2 POLICY

The Cortez Police Department will consider its resources and its mission of protecting the community when exercising any discretion to release suspected offenders on a summons, when authorized to do so.

408.3 RELEASE

A suspected offender may be released on issuance of a summons as follows:

- (a) For a misdemeanor or petty offense when the officer is satisfied that the person will comply with the requirements of the summons (CRS § 16-3-105)
- (b) For a civil infraction (CRS § 16-2.3-103)
- (c) For certain traffic violations punishable as a misdemeanor, petty offense, or misdemeanor traffic offense in accordance with CRS § 42-4-1707
- (d) For crimes other than those described in CRS § 24-4.1-302(1), and for certain other felonies when the local district attorney has approved criteria for the issuance of a summons unless any of the following apply (CRS § 16-5-206):
 1. There is a reasonable likelihood that the person will not appear.
 2. The person has had a felony arrest in the preceding five years.
 3. There is an allegation that the person used a deadly weapon (e.g., firearm, knife, bludgeon, any other weapon capable of producing death or serious bodily injury) in the commission of the crime.
 4. The person has an outstanding arrest warrant.

In addition, for civil infractions and certain parking violations, the officer may give the offender a penalty assessment notice and release the offender upon its terms (CRS § 16-2-201; CRS § 16-2.3-102; CRS § 42-4-1701(5)(a)). The penalty assessment notice must be a summons and complaint that contains the information required by CRS § 16-2-201, CRS § 16-2.3-102, or CRS § 42-4-1707.

408.4 PROHIBITIONS

The release of a suspected offender on a summons is not permitted for felony offenses, except when local district attorney has approved criteria for the issuance of a summons for non-violent offenses pursuant to CRS § 16-5-206 (CRS § 16-3-105).

Cortez Police Department

Cortez PD CO Policy Manual

Summons Releases

See the Domestic Violence Policy for release restrictions related to those investigations.

408.4.1 PROHIBITIONS IN CERTAIN NON-VIOLENT OFFENSES

A summons otherwise authorized pursuant to procedures approved by the local district attorney shall not be issued in lieu of a custodial arrest when an officer reasonably believes that any of the following apply (CRS § 16-5-206):

- (a) There is a reasonable likelihood that the person will not appear in court.
- (b) The defendant has had a felony arrest during the preceding five years.
- (c) There is an allegation that the defendant used a deadly weapon (e.g., firearm, knife, bludgeon, any other weapon capable of producing death or serious bodily injury) in the commission of the crime.
- (d) The person has an outstanding arrest warrant.

408.5 CONSIDERATIONS

In determining whether to cite and release a person when discretion is permitted, officers should consider:

- (a) The type of offense committed.
- (b) The known criminal history of the suspected offender.
- (c) The ability to identify the suspected offender with reasonable certainty.
- (d) Whether there is any record of the individual failing to appear in previous cases or other articulable indications that the individual may not appear in court for this offense (CRS § 16-3-105).
- (e) The individual's ties to the area, such as residence, employment or family.
- (f) Whether there is reasonable likelihood that criminal conduct by the individual will continue.

408.6 REQUESTING CASE NUMBERS

Many cases involving a criminal citation release can be handled without requesting a case number. Traffic situations and local code violations can be documented on the reverse side of the records copy of the citation. However, most state statute sections will require a case number to document the incident properly in a report. This section does not preclude an officer from requesting a case number if he/she feels the situation should be documented more thoroughly in a case report.

Foreign Diplomatic and Consular Representatives

409.1 PURPOSE AND SCOPE

This policy provides guidelines to ensure that members of the Cortez Police Department extend appropriate privileges and immunities to foreign diplomatic and consular representatives in accordance with international law.

409.2 POLICY

The Cortez Police Department respects international laws related to the special privileges and immunities afforded foreign diplomatic and consular representatives assigned to the United States.

All foreign diplomatic and consular representatives shall be treated with respect and courtesy, regardless of any privileges or immunities afforded them.

409.3 CLAIMS OF IMMUNITY

If a member comes into contact with a person where law enforcement action may be warranted and the person claims diplomatic or consular privileges and immunities, the member should, without delay:

- (a) Notify a supervisor.
- (b) Advise the person that his/her claim will be investigated and he/she may be released in accordance with the law upon confirmation of the person's status.
- (c) Request the person's identification card, either issued by the U.S. Department of State (DOS), Office of the Chief of Protocol, or in the case of persons accredited to the United Nations, by the U.S. Mission to the United Nations. These are the only reliable documents for purposes of determining privileges and immunities.
- (d) Contact the DOS Diplomatic Security Command Center at 571-345-3146 or toll free at 866-217-2089 , or at another current telephone number and inform the center of the circumstances.
- (e) Verify the immunity status with DOS and follow any instructions regarding further detention, arrest, prosecution and/or release, as indicated by the DOS representative. This may require immediate release, even if a crime has been committed.

Identity or immunity status should not be presumed from the type of license plates displayed on a vehicle. If there is a question as to the status or the legitimate possession of a Diplomat or Consul license plate, a query should be run via the National Law Enforcement Telecommunications System (NLETS), designating "US" as the state.

Rapid Response and Deployment

410.1 PURPOSE AND SCOPE

Violence that is committed in schools, workplaces and other locations by individuals or a group of individuals who are determined to target and kill persons and to create mass casualties presents a difficult situation for law enforcement. The purpose of this policy is to identify guidelines and factors that will assist officers in situations that call for rapid response and deployment.

410.2 POLICY

The Cortez Police Department will endeavor to plan for rapid response to crisis situations, and to coordinate response planning with other emergency services as well as with those that are responsible for operating sites that may be the target of a critical incident.

Nothing in this policy shall preclude the use of reasonable force, deadly or otherwise, by members of the Department in protecting themselves or others from death or serious injury.

410.3 FIRST RESPONSE

If there is a reasonable belief that acts or threats by a suspect are placing lives in imminent danger, first responding officers should consider reasonable options to reduce, prevent or eliminate the threat.

If a suspect is actively engaged in the infliction of serious bodily harm or other life-threatening activity toward others, officers should take immediate action, if reasonably practicable, while requesting additional assistance.

Officers should remain aware of the possibility that an incident may be part of a coordinated multi-location attack that may require some capacity to respond to other incidents at other locations.

When deciding on a course of action officers should consider:

- (a) Whether to advance on or engage a suspect who is still a possible or perceived threat to others. Any advance or engagement should be based on information known or received at the time.
- (b) Whether to wait for additional resources or personnel. This does not preclude an individual officer from taking immediate action.
- (c) Whether individuals who are under imminent threat can be moved or evacuated with reasonable safety.
- (d) Whether the suspect can be contained or denied access to victims.
- (e) Whether the officers have the ability to effectively communicate with other personnel or resources.
- (f) Whether planned tactics can be effectively deployed.
- (g) The availability of rifles, shotguns, shields, breaching tools, control devices and any other appropriate tools, and whether the deployment of these tools will provide a tactical advantage.

Cortez Police Department

Cortez PD CO Policy Manual

Rapid Response and Deployment

In a case of a barricaded suspect with no hostages and no immediate threat to others, officers should consider summoning and waiting for additional assistance (special tactics and/or hostage negotiation team response).

410.4 CONSIDERATIONS

When dealing with a crisis situation members should:

- (a) Assess the immediate situation and take reasonable steps to maintain operative control of the incident.
- (b) Obtain, explore and analyze sources of intelligence and known information regarding the circumstances, location and suspect involved in the incident.
- (c) Attempt to attain a tactical advantage over the suspect by reducing, preventing or eliminating any known or perceived threat.
- (d) Attempt, if feasible and based upon the suspect's actions and danger to others, a negotiated surrender of the suspect and release of the hostages.

410.5 PLANNING

The Patrol Lieutenant should coordinate critical incident planning. Planning efforts should consider:

- (a) Identification of likely critical incident target sites, such as schools, shopping centers, entertainment and sporting event venues.
- (b) Availability of building plans and venue schematics of likely critical incident target sites.
- (c) Communications interoperability with other law enforcement and emergency service agencies.
- (d) Training opportunities in critical incident target sites, including joint training with site occupants.
- (e) Evacuation routes in critical incident target sites.
- (f) Patrol first-response training.
- (g) Response coordination and resources of emergency medical and fire services.
- (h) Equipment needs.
- (i) Mutual aid agreements with other agencies.
- (j) Coordination with private security providers in critical incident target sites.

410.6 TRAINING

The Patrol Lieutenant should include rapid response to critical incidents in the training plan. This training should address:

- (a) Orientation to likely critical incident target sites, such as schools, shopping centers, entertainment and sporting event venues.
- (b) Communications interoperability with other law enforcement and emergency service agencies.

Cortez Police Department

Cortez PD CO Policy Manual

Rapid Response and Deployment

- (c) Patrol first-response training, including patrol rifle, shotgun, breaching tool and control device training.
- (d) First aid, including gunshot trauma.
- (e) Reality-based scenario training (e.g., active shooter, disgruntled violent worker).

Immigration Violations

411.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines to members of the Cortez Police Department relating to immigration and interacting with federal immigration officials.

411.2 CORTEZ POLICE DEPARTMENT IMMIGRATION VIOLATION POLICY

The U.S. Immigration and Customs Enforcement (ICE) has primary jurisdiction for enforcement of the provisions of Title 8, United States Code (USC) dealing with illegal entry. When assisting ICE at its specific request, or when suspected criminal violations are discovered as a result of inquiry or investigation based on probable cause originating from activities other than the isolated violations of Title 8, USC §§ 1304, 1324, 1325, and 1326, this department may assist in the enforcement of federal immigration laws.

411.3 PROCEDURES FOR IMMIGRATION COMPLAINTS

Persons wishing to report immigration violations should be referred to the local office of ICE. The Employer Sanction Unit of ICE has primary jurisdiction for enforcement of Title 8, USC.

411.3.1 BASIS FOR CONTACT

Officers must make legitimate contact with and have reasonable suspicion that an individual is an undocumented alien prior to investigating immigration status. The fact that an individual is suspected of being an undocumented alien should generally not be the sole basis for contact, detention, or arrest.

411.3.2 SWEEPS

The Cortez Police Department does not independently conduct sweeps or other concentrated efforts to detain suspected undocumented aliens.

When enforcement efforts are increased in a particular area, equal consideration should be given to all suspected violations and not just those affecting a particular race, ethnicity, age, gender, sexual orientation, religion, socioeconomic status, or other group.

The disposition of each contact (e.g., warning, citation or arrest), while discretionary in each case, should not be affected by such factors as race, ethnicity, age, gender, sexual orientation, religion, or socioeconomic status.

411.3.3 IDENTIFICATION

Whenever an individual is reasonably suspected of a criminal violation (e.g., infraction, misdemeanor or felony), the investigating officer should take reasonable steps to determine the individual's identity through valid identification or other reliable sources. If an individual would have otherwise been released for an infraction or misdemeanor on a citation, the person should be taken to the station and given a reasonable opportunity to verify his/her true identity (e.g., telephone calls). If the person's identity is thereafter reasonably established, the original citation release should be completed without consideration of immigration status.

Cortez Police Department

Cortez PD CO Policy Manual

Immigration Violations

411.3.4 ARRESTS

If the officer intends to take enforcement action and the individual is unable to reasonably establish his/her true identity, the officer may take the person into custody on the suspected criminal violation if there is a substantial likelihood that the individual will not show up at a later date. A field supervisor shall approve all such arrests.

411.3.5 BOOKING

If there is a substantial likelihood that a person will not show up at a later date because he/she cannot reasonably establish his/her true identity, the individual may, upon approval of a supervisor, be booked into jail for the suspected criminal violation and held for bail.

411.3.6 DETENTION

A person detained exclusively for a traffic violation or misdemeanor should not be detained longer than necessary for the purpose of establishing his/her true identity.

411.4 CONSIDERATIONS PRIOR TO REPORTING TO ICE

The Cortez Police Department is concerned for the safety of local citizens and thus detection of criminal behavior is of primary interest in dealing with any persons. The decision to arrest shall be based upon those factors which establish probable cause and not on arbitrary aspects. Race, ethnicity, age, gender, sexual orientation, religion and socioeconomic status alone are of no bearing on the decision to arrest.

All individuals, regardless of their immigration status, must feel secure that contacting law enforcement will not make them vulnerable to deportation. Members of this Department should not attempt to determine the immigration status of crime victims and witnesses or take enforcement action against them absent exigent circumstances or reasonable cause to believe that a crime victim or witness is involved in violating criminal laws. Generally, if an officer suspects that a victim or witness is an undocumented immigrant, the officer need not report the person to ICE unless circumstances indicate such reporting is reasonably necessary.

Nothing in this policy is intended to restrict officers from exchanging legitimate law enforcement information or otherwise abrogate the duty to cooperate with federal, state or local government entities (8 USC § 1373; 8 USC § 1644).

411.5 U VISA AND T VISA NONIMMIGRANT STATUS

Under certain circumstances, federal law allows temporary immigration benefits, known as a U visa, to victims and witnesses of certain qualifying crimes (8 USC § 1101(a)(15)(U)).

Similar immigration protection, known as a T visa, is available for certain qualifying victims of human trafficking (8 USC § 1101(a)(15)(T)).

Any request for assistance in applying for U visa or T visa status should be forwarded in a timely manner to the Detective Division supervisor assigned to oversee the handling of any related case (CRS § 24-4.1-405). The Detective Division supervisor should:

Cortez Police Department

Cortez PD CO Policy Manual

Immigration Violations

- (a) Consult with the assigned investigator to determine the current status of any related case and whether further documentation is warranted.
- (b) Contact the appropriate prosecutor assigned to the case, if applicable, to ensure the certification or declaration has not already been completed and whether a certification or declaration is warranted (CRS § 24-4.1-403).
- (c) Address the request and complete the certification or declaration, if appropriate, in a timely manner in accordance with CRS § 24-4.1-402.
 - 1. The instructions for completing certification and declaration forms can be found on the U.S. Department of Homeland Security (DHS) website.
- (d) Ensure that any decision to complete, or not complete, a certification or declaration form is documented in the case file and forwarded to the appropriate prosecutor. Include a copy of any completed form in the case file.

411.5.1 TIME FRAME FOR COMPLETION

The Detective Division supervisor should ensure that the certification for the U visa is processed within 90 days of the request, unless the victim is in federal immigration removal proceedings or a family member would become ineligible for U nonimmigrant status within 60 days, in which case the certification shall be executed within 30 days of receipt of the request (CRS § 24-4.1-402).

411.5.2 APPROVAL OR DENIAL OF CERTIFICATION

If certification is approved, the Detective Division supervisor, at no charge, shall return the signed certification form with reports relevant to the approval to the requestor (CRS § 24-4.1-403).

If certification is denied, the Detective Division supervisor shall inform the requestor in writing regarding the reason for the denial as provided in CRS § 24-4.1-403.

411.5.3 RELEASE OF INFORMATION

Personal identifying information or information regarding the citizenship or immigration status of any victim of criminal activity or trafficking who is requesting a certification shall not be disclosed except when allowed by law (CRS § 24-4.1-404) (see also the Records Maintenance and Release Policy for additional guidance).

411.5.4 DOCUMENTATION AND REPORTING

The Detective Division supervisor shall keep written documentation regarding the number of certification forms that are (CRS § 24-4.1-406):

- (a) Requested by a victim.
- (b) Signed.
- (c) Denied and for what reason.
- (d) Decided outside of the statutory timelines.

The Detective Division supervisor or the authorized designee should ensure that the information collected regarding certification forms is reported annually to the Colorado Division of Criminal Justice (CRS § 24-4.1-406).

Emergency Utility Service

412.1 PURPOSE AND SCOPE

The City Public Works Department has personnel available to handle emergency calls 24 hours a day, seven days a week. Calls for service during non-business hours are frequently directed to the Police Department. Requests for such service received by this department should be handled in the following manner.

412.1.1 BROKEN WATER LINES

The City's responsibility ends at the water meter. Any break or malfunction in the water system from the water meter to the citizen's residence or business is the customer's responsibility. Public Works can only turn off the valve at the meter. The citizen can normally accomplish this.

If a break occurs on the City side of the meter, emergency personnel should be called as soon as practicable by Dispatch.

412.1.2 ELECTRICAL LINES

City Public Works does not maintain electrical lines to street light poles. When a power line poses a hazard, an officer should be dispatched to protect against personal injury or property damage that might be caused by power lines. The electric company or Public Works should be promptly notified, as appropriate.

412.1.3 RESERVOIRS, PUMPS AND WELLS

Public Works maintains the reservoirs and public water equipment, as well as several underpass and other street drainage pumps. In the event of flooding or equipment malfunctions, emergency personnel should be contacted as soon as possible.

412.1.4 EMERGENCY NUMBERS

A current list of emergency personnel who are to be called for municipal utility emergencies will be maintained by Dispatch.

412.2 TRAFFIC SIGNAL MAINTENANCE

412.2.1 OFFICER'S RESPONSIBILITIES

Upon observing a damaged or malfunctioning signal, the officer will advise Dispatch of the location and problem with the signal. The dispatcher should make the necessary notification to the proper maintenance agency.

Aircraft Accidents

413.1 PURPOSE AND SCOPE

The purpose of this policy is to provide department members with guidelines for handling aircraft accidents.

This policy does not supersede, and is supplementary to, applicable portions of the Crime and Disaster Scene Integrity, Emergency Management Plan and Hazardous Material Response policies.

413.1.1 DEFINITIONS

Definitions related to this policy include:

Aircraft - Any fixed wing aircraft, rotorcraft, balloon, blimp/dirigible or glider that is capable of carrying a person or any unmanned aerial vehicle other than those intended for non-commercial recreational use.

413.2 POLICY

It is the policy of the Cortez Police Department to provide an appropriate emergency response to aircraft accidents. This includes emergency medical care and scene management.

413.3 ARRIVAL AT SCENE

Officers or other authorized members tasked with initial scene management should establish an inner and outer perimeter to:

- (a) Protect persons and property.
- (b) Prevent any disturbance or further damage to the wreckage or debris, except to preserve life or rescue the injured.
- (c) Preserve ground scars and marks made by the aircraft.
- (d) Manage the admission and access of public safety and medical personnel to the extent necessary to preserve life or to stabilize hazardous materials.
- (e) Maintain a record of persons who enter the accident site.
- (f) Consider implementation of an Incident Command System (ICS).

413.4 INJURIES AND CASUALTIES

Members should address emergency medical issues and provide care as a first priority.

Those tasked with the supervision of the scene should coordinate with the National Transportation Safety Board (NTSB) before the removal of bodies. If that is not possible, the scene supervisor should ensure documentation of what was disturbed, including switch/control positions and instrument/gauge readings.

Cortez Police Department

Cortez PD CO Policy Manual

Aircraft Accidents

413.5 NOTIFICATIONS

When an aircraft accident is reported to this department, the responding supervisor shall ensure notification is or has been made to NTSB, the Federal Aviation Administration (FAA), and when applicable, the appropriate branch of the military.

Supervisors shall ensure other notifications are made once an aircraft accident has been reported. The notifications will vary depending on the type of accident, extent of injuries or damage, and the type of aircraft involved. When an aircraft accident has occurred, it is generally necessary to notify the following:

- (a) Fire department
- (b) Appropriate airport tower
- (c) Emergency medical services (EMS)

413.6 CONTROLLING ACCESS AND SCENE AUTHORITY

Prior to NTSB arrival, scene access should be limited to authorized personnel from the:

- (a) FAA.
- (b) Fire department, EMS or other assisting law enforcement agencies.
- (c) Coroner.
- (d) Air Carrier/Operators investigative teams with NTSB approval.
- (e) Appropriate branch of the military, when applicable.
- (f) Other emergency services agencies (e.g., hazardous materials teams, biohazard decontamination teams, fuel recovery specialists, explosive ordnance disposal specialists).

The NTSB has primary responsibility for investigating accidents involving civil aircraft. In the case of a military aircraft accident, the appropriate branch of the military will have primary investigation responsibility.

After the NTSB or military representative arrives on-scene, the efforts of this department will shift to a support role for those agencies.

If NTSB or a military representative determines that an aircraft or accident does not qualify under its jurisdiction, the on-scene department supervisor should ensure the accident is still appropriately investigated and documented.

413.7 DANGEROUS MATERIALS

Members should be aware of potentially dangerous materials that might be present. These may include, but are not limited to:

- (a) Fuel, chemicals, explosives, biological or radioactive materials and bombs or other ordnance.
- (b) Pressure vessels, compressed gas bottles, accumulators and tires.
- (c) Fluids, batteries, flares and igniters.

Cortez Police Department

Cortez PD CO Policy Manual

Aircraft Accidents

- (d) Evacuation chutes, ballistic parachute systems and composite materials.

413.8 DOCUMENTATION

All aircraft accidents occurring within the City of Cortez shall be documented. At a minimum the documentation should include the date, time and location of the incident; any witness statements, if taken; the names of CPD members deployed to assist; other City resources that were utilized; and cross reference information to other investigating agencies. Suspected criminal activity should be documented on the appropriate crime report.

413.8.1 WRECKAGE

When reasonably safe, members should:

- (a) Obtain the aircraft registration number (N number) and note the type of aircraft.
- (b) Attempt to ascertain the number of casualties.
- (c) Obtain photographs or video of the overall wreckage, including the cockpit and damage, starting at the initial point of impact, if possible, and any ground scars or marks made by the aircraft.
 - 1. Military aircraft may contain classified equipment and therefore shall not be photographed unless authorized by a military commanding officer (18 USC § 795).
- (d) Secure, if requested by the lead authority, any electronic data or video recorders from the aircraft that became dislodged or cell phones or other recording devices that are part of the wreckage.
- (e) Acquire copies of any recordings from security cameras that may have captured the incident.

413.8.2 WITNESSES

Members tasked with contacting witnesses should obtain:

- (a) The location of the witness at the time of his/her observation relative to the accident site.
- (b) A detailed description of what was observed or heard.
- (c) Any photographs or recordings of the accident witnesses may be willing to voluntarily surrender.
- (d) The names of all persons reporting the accident, even if not yet interviewed.
- (e) Any audio recordings of reports to 9-1-1 regarding the accident and dispatch records.

413.9 MEDIA RELATIONS

The Public Information Officer (PIO) should coordinate a response to the media, including access issues, road closures, detours and any safety information that is pertinent to the surrounding community. Any release of information regarding details of the accident itself should be coordinated with the NTSB or other authority who may have assumed responsibility for the investigation.

Cortez Police Department

Aircraft Accidents

Depending on the type of aircraft, the airline or the military may be responsible for family notifications and the release of victims' names. The PIO should coordinate with other involved entities before the release of information.

Field Training Officer Program

414.1 PURPOSE AND SCOPE

The Field Training Officer (FTO) Program is intended to provide a standardized program to facilitate the officer's transition from the academic setting to the actual performance of general law enforcement duties of the Cortez Police Department.

It is the policy of this department to assign all new police officers to a structured FTO Program that is designed to prepare the new officer to perform in a patrol assignment and to acquire all of the skills needed to operate in a safe, productive and professional manner.

414.2 FIELD TRAINING OFFICER

The FTO is an experienced officer trained in the art of supervising, training and evaluating entry level and lateral police officers in the application of their previously acquired knowledge and skills.

414.2.1 SELECTION PROCESS

414.2.2 TRAINING

An officer selected as an FTO shall successfully complete an FTO course approved by the Department prior to being assigned as an FTO.

414.3 FIELD TRAINING OFFICER PROGRAM SUPERVISOR

The FTO Program supervisor will be selected from the rank of sergeant or above by the Patrol Lieutenant or the authorized designee. The responsibilities of the FTO Program supervisor includes the following:

- (a) Assign trainees to FTOs.
- (b) Conduct FTO meetings.
- (c) Maintain and ensure FTO/trainee performance evaluations are completed.
- (d) Maintain, update and issue the Field Training Manual to each trainee.
- (e) Monitor individual FTO performance.
- (f) Monitor the overall FTO Program.
- (g) Maintain liaison with FTO coordinators of other agencies.
- (h) Maintain liaison with academy staff on recruit performance during the academy.

Cortez Police Department

Cortez PD CO Policy Manual

Field Training Officer Program

- (i) Develop ongoing training for FTOs.

414.4 TRAINEE DEFINED

Trainee - Any entry level or lateral police officer newly appointed to the Cortez Police Department, who has successfully completed a POST-approved basic academy and possesses a Colorado POST Basic Certificate within one year of commencing employment as a peace officer.

414.5 REQUIRED TRAINING

Entry level officers shall be required to successfully complete the Field Training Program.

The training period for lateral officers may be modified depending on the trainee's demonstrated performance and level of experience, but shall consist of a minimum of eight weeks.

The required training will take place on at least two different shifts and with at least two different FTOs if reasonably possible.

414.5.1 FIELD TRAINING MANUAL

Each new officer will be issued a Field Training Manual at the beginning of his/her Primary Training Phase. This manual is an outline of the subject matter and skills necessary to properly function as an officer with the Cortez Police Department. The officer shall become knowledgeable of the subject matter as outlined. He/she shall also become proficient with those skills as set forth in the manual.

The Field Training Manual will specifically cover those policies, procedures, rules and regulations of the Cortez Police Department.

414.6 EVALUATIONS

Evaluations are an important component of the training process and shall be completed as outlined below.

414.6.1 FIELD TRAINING OFFICER

- (a) FTOs shall complete and submit a written evaluation on the performance of their assigned trainee to their immediate supervisor on a daily basis.
- (b) FTOs shall review the Daily Trainee Performance Evaluations with the trainee each day.
- (c) A detailed end-of-phase performance evaluation on the assigned trainee shall be completed by the FTO at the end of each phase of training.
- (d) FTOs shall be responsible for signing off on all completed topics contained in the Field Training Manual, noting the method of learning and evaluating the performance of the assigned trainee.

414.6.2 TRAINEE

At the completion of the Field Training Program, the trainee shall submit a performance evaluation of each of his/her FTOs and of the Field Training Program.

Cortez Police Department

Cortez PD CO Policy Manual

Field Training Officer Program

414.7 DOCUMENTATION

All documentation of the Field Training Program will be retained in the officer's training files and will consist of the following:

- (a) Daily Trainee Performance Evaluations
- (b) End of phase evaluations
- (c) A Certificate of Completion, certifying that the trainee has successfully completed the required number of hours of field training

Obtaining Air Support Assistance

415.1 PURPOSE AND SCOPE

The use of air support can be invaluable in certain situations. This policy specifies potential situations where the use of air support may be requested and the responsibilities for making a request.

415.2 REQUEST FOR AIR SUPPORT ASSISTANCE

If a supervisor or officer in charge of an incident determines that the use of air support would be beneficial, a request to obtain air support assistance may be made.

415.2.1 REQUEST FOR ASSISTANCE FROM ANOTHER AGENCY

After consideration and approval of the request for air support, the Shift Sergeant or the authorized designee will call the closest agency having air support available. The Shift Sergeant will apprise that agency of the specific details of the incident prompting the request.

415.2.2 CIRCUMSTANCES UNDER WHICH AID MAY BE REQUESTED

Law enforcement air support may be requested under any of the following conditions:

- (a) When the aircraft is activated under existing mutual aid agreements
- (b) Whenever the safety of law enforcement personnel is in jeopardy and the presence of the aircraft may reduce such hazard
- (c) When the use of aircraft will aid in the capture of a suspected fleeing felon whose continued freedom represents an ongoing threat to the community
- (d) When an aircraft is needed to locate a person who is lost and whose continued absence constitutes a serious health or safety hazard
- (e) Vehicle pursuits
- (f) Pre-planned events or actions that require air support
- (g) When the Shift Sergeant or equivalent authority determines a reasonable need exists

While it is recognized that the availability of air support will generally provide valuable assistance to ground personnel, the presence of air support will rarely replace the need for officers on the ground.

Contacts and Temporary Detentions

416.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for temporarily detaining but not arresting persons in the field, conducting field interviews (FI) and pat-down searches, and the taking and disposition of photographs.

416.1.1 DEFINITIONS

Definitions related to this policy include:

Consensual encounter - When an officer contacts an individual but does not create a detention through words, actions, or other means. In other words, a reasonable individual would believe that his/her contact with the officer is voluntary.

Consensual search - A search performed by an officer following the voluntary consent of the person being searched, or the person having control of the place or item being searched.

Field interview (FI) - The brief detainment of an individual, whether on foot or in a vehicle, based on reasonable suspicion for the purpose of determining the individual's identity and resolving the officer's suspicions.

Field photographs - Posed photographs taken of a person during a contact, temporary detention, or arrest in the field. Undercover surveillance photographs of an individual and recordings captured by the normal operation of a body-worn camera, or public safety camera when persons are not posed for the purpose of photographing are not considered field photographs.

Pat-down search - A type of search used by officers in the field to check an individual for dangerous weapons. It involves a thorough patting-down of clothing to locate any weapons or dangerous items that could pose a danger to the officer, the detainee, or others.

Reasonable suspicion - When, under the totality of the circumstances, an officer has articulable facts that criminal activity may be afoot and a particular person is connected with that possible criminal activity.

Temporary detention - When an officer intentionally, through words, actions, or physical force, causes an individual to reasonably believe he/she is required to restrict his/her movement without an actual arrest. Temporary detentions also occur when an officer actually restrains a person's freedom of movement.

416.2 POLICY

The Cortez Police Department respects the right of the public to be free from unreasonable searches or seizures. Due to an unlimited variety of situations confronting the officer, the decision to temporarily detain a person and complete an FI, pat-down search, or field photograph shall

Cortez Police Department

Cortez PD CO Policy Manual

Contacts and Temporary Detentions

be left to the officer based on the totality of the circumstances, officer safety considerations, and constitutional safeguards.

416.3 FIELD INTERVIEWS

Based on observance of suspicious circumstances or upon information from investigation, an officer may initiate the stop of a person, and conduct an FI, when there is articulable, reasonable suspicion to do so. A person, however, shall not be detained longer than is reasonably necessary to resolve the officer's suspicion.

Nothing in this policy is intended to discourage consensual contacts. Frequent casual contact with consenting individuals is encouraged by the Cortez Police Department to strengthen community involvement, community awareness, and problem identification.

416.3.1 INITIATING A FIELD INTERVIEW

When initiating the stop, the officer should be able to point to specific facts which, when considered with the totality of the circumstances, reasonably warrant the stop. Such facts include but are not limited to an individual's:

- (a) Appearance or demeanor suggesting that he/she is part of a criminal enterprise or is engaged in a criminal act.
- (b) Actions suggesting that he/she is engaged in a criminal activity.
- (c) Presence in an area at an inappropriate hour of the day or night.
- (d) Presence in a particular area is suspicious.
- (e) Carrying of suspicious objects or items.
- (f) Excessive clothes for the climate or clothes bulging in a manner that suggest he/she is carrying a dangerous weapon.
- (g) Location in proximate time and place to an alleged crime.
- (h) Physical description or clothing worn that matches a suspect in a recent crime.
- (i) Prior criminal record or involvement in criminal activity as known by the officer.

416.4 WITNESS IDENTIFICATION AND INTERVIEWS

Because potential witnesses to an incident may become unavailable or the integrity of their statements compromised with the passage of time, officers should, when warranted by the seriousness of the case, take reasonable steps to promptly coordinate with an on-scene supervisor and/or criminal investigator to utilize available members for the following:

- (a) Identifying all persons present at the scene and in the immediate area.
 - 1. When feasible, a recorded statement should be obtained from those who claim not to have witnessed the incident but who were present at the time it occurred.
 - 2. Any potential witness who is unwilling or unable to remain available for a formal interview should not be detained absent reasonable suspicion to detain or probable cause to arrest. Without detaining the individual for the sole purpose

Cortez Police Department

Cortez PD CO Policy Manual

Contacts and Temporary Detentions

of identification, officers should attempt to identify the witness prior to his/her departure.

- (b) Witnesses who are willing to provide a formal interview should be asked to meet at a suitable location where criminal investigators may obtain a recorded statement. Such witnesses, if willing, may be transported by department members.
 - 1. A written, verbal, or recorded statement of consent should be obtained prior to transporting a witness. When the witness is a minor, consent should be obtained from the parent or guardian, if available, prior to transport.

416.5 CONSENSUAL SEARCHES

An officer may conduct a consensual search of a person who is not under arrest, and any effects of the person or a vehicle as follows (CRS § 16-3-310):

- (a) The person has apparent or actual authority to provide permission to search the vehicle or effects, if any.
- (b) The person is informed that he/she is being asked to voluntarily consent to a search.
- (c) The person is informed that he/she has the right to refuse the request to search.
- (d) The person voluntarily provides consent.

When asking for consent, officers should explain the scope of the search. Officers should stop a consent search if the person withdraws consent.

Officers should, whenever practicable, obtain written consent. If written consent is not possible, the officer should record any verbal consent.

416.6 PAT-DOWN SEARCHES

Once a valid stop has been made, and consistent with the officer's training and experience, an officer may pat a suspect's outer clothing for weapons if the officer has a reasonable, articulable suspicion the suspect may pose a safety risk. The purpose of this limited search is not to discover evidence of a crime, but to allow the officer to pursue the investigation without fear of violence. Circumstances that may establish justification for performing a pat-down search include but are not limited to (see also CRS § 16-3-103(2)):

- (a) The type of crime suspected, particularly in crimes of violence where the use or threat of weapons is involved.
- (b) Where more than one suspect must be handled by a single officer.
- (c) The hour of the day and the location or area where the contact takes place.
- (d) Prior knowledge of the suspect's use of force and/or propensity to carry weapons.
- (e) The actions and demeanor of the suspect.
- (f) Visual indications which suggest that the suspect is carrying a firearm or other dangerous weapon.

Whenever practicable, a pat-down search should not be conducted by a lone officer. A cover officer should be positioned to ensure safety and should not be involved in the search.

Criminal Organizations

417.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that the Cortez Police Department appropriately utilizes criminal intelligence systems and temporary information files to support investigations of criminal organizations and enterprises.

417.1.1 DEFINITIONS

Definitions related to this policy include:

Criminal intelligence system - Any record system that receives, stores, exchanges or disseminates information that has been evaluated and determined to be relevant to the identification of a criminal organization or enterprise, its members or affiliates. This does not include temporary information files.

417.2 POLICY

The Cortez Police Department recognizes that certain criminal activities, including but not limited to gang crimes and drug trafficking, often involve some degree of regular coordination and may involve a large number of participants over a broad geographical area.

It is the policy of this department to collect and share relevant information while respecting the privacy and legal rights of the public.

417.3 CRIMINAL INTELLIGENCE SYSTEMS

No department member may create, submit to or obtain information from a criminal intelligence system unless the Chief of Police has approved the system for department use.

Any criminal intelligence system approved for department use should meet or exceed the standards of 28 CFR 23.20.

A designated supervisor will be responsible for maintaining each criminal intelligence system that has been approved for department use. The supervisor or the authorized designee should ensure the following:

- (a) Members using any such system are appropriately selected and trained.
- (b) Use of every criminal intelligence system is appropriately reviewed and audited.
- (c) Any system security issues are reasonably addressed.

417.3.1 SYSTEM ENTRIES

It is the designated supervisor's responsibility to approve the entry of any information from a report, FI, photo or other relevant document into an authorized criminal intelligence system. If entries are made based upon information that is not on file with this department, such as open or public source documents or documents that are on file at another agency, the designated supervisor should ensure copies of those documents are retained by the Records Section. Any supporting documentation for an entry shall be retained by the Records Section in accordance

Cortez Police Department

Cortez PD CO Policy Manual

Criminal Organizations

with the established records retention schedule and for at least as long as the entry is maintained in the system.

The designated supervisor should ensure that any documents retained by the Records Section are appropriately marked as intelligence information. The Records Techs may not purge such documents without the approval of the designated supervisor.

417.3.2 CRIMINAL GANG INVESTIGATIVE DATA SYSTEM

It is the designated supervisor's responsibility to approve the entry of any information into a criminal intelligence system operated by the Colorado Bureau of Investigation (CRS § 24-33.5-415.3(3); CRS § 24-33.5-412(1)(i)). Entries into such a database shall be based upon criteria established by statute.

417.4 TEMPORARY INFORMATION FILE

No member may create or keep files on individuals that are separate from the approved criminal intelligence system. However, members may maintain temporary information that is necessary to actively investigate whether a person or group qualifies for entry into the department-approved CIS only as provided in this section. Once information qualifies for inclusion, it should be submitted to the supervisor responsible for consideration of CIS entries.

417.4.1 FILE CONTENTS

A temporary information file may only contain information and documents that, within one year, will have a reasonable likelihood to meet the criteria for entry into an authorized criminal intelligence system.

Information and documents contained in a temporary information file:

- (a) Must only be included upon documented authorization of the responsible department supervisor.
- (b) Should not be originals that would ordinarily be retained by the Records Section or Evidence Room, but should be copies of, or references to, retained documents such as copies of reports, field interview (FI) forms, Dispatch records or booking forms.
- (c) Shall not include opinions. No person, organization or enterprise shall be labeled as being involved in crime beyond what is already in the document or information.
- (d) May include information collected from publicly available sources or references to documents on file with another government agency. Attribution identifying the source should be retained with the information.

417.4.2 FILE REVIEW AND PURGING

The contents of a temporary information file shall not be retained longer than one year. At the end of one year, the contents must be purged or entered in an authorized criminal intelligence system, as applicable.

Cortez Police Department

Cortez PD CO Policy Manual

Criminal Organizations

The designated supervisor shall periodically review the temporary information files to verify that the contents meet the criteria for retention. Validation and purging of files is the responsibility of the supervisor.

417.5 INFORMATION RECOGNITION

Department members should document facts that suggest an individual, organization or enterprise is involved in criminal activity and should forward that information appropriately. Examples include, but are not limited to:

- (a) Gang indicia associated with a person or residence.
- (b) Information related to a drug-trafficking operation.
- (c) Vandalism indicating an animus for a particular group.
- (d) Information related to an illegal gambling operation.

Department supervisors who utilize an authorized criminal intelligence system should work with the Patrol Lieutenant to train members to identify information that may be particularly relevant for inclusion.

417.6 RELEASE OF INFORMATION

Department members shall comply with the rules of an authorized criminal intelligence system regarding inquiries and release of information.

Information from a temporary information file may only be furnished to department members and other law enforcement agencies on a need-to-know basis and consistent with the Records Maintenance and Release Policy.

When an inquiry is made by the parent or guardian of a juvenile as to whether that juvenile's name is in a temporary information file, such information should be provided by the supervisor responsible for the temporary information file, unless there is good cause to believe that the release of such information might jeopardize an ongoing criminal investigation.

417.7 CRIMINAL STREET GANGS

The Detective Division supervisor should ensure that there are an appropriate number of department members who can:

- (a) Testify as experts on matters related to criminal street gangs, and maintain an above average familiarity with identification of criminal street gangs, criminal street gang members and patterns of criminal gang activity.
- (b) Coordinate with other agencies in the region regarding criminal street gang crimes and information.
- (c) Train other members to identify gang indicia and investigate criminal street gang-related crimes.

Cortez Police Department

Cortez PD CO Policy Manual

Criminal Organizations

417.8 TRAINING

The Patrol Lieutenant should provide training on best practices in the use of each authorized criminal intelligence system to those tasked with investigating criminal organizations and enterprises. Training should include:

- (a) The protection of civil liberties.
- (b) Participation in a multiagency criminal intelligence system.
- (c) Submission of information into a multiagency criminal intelligence system or the receipt of information from such a system, including any governing federal and state rules and statutes.
- (d) The type of information appropriate for entry into a criminal intelligence system or temporary information file.
- (e) The review and purging of temporary information files.

Shift Sergeants

418.1 PURPOSE AND SCOPE

Each patrol shift must be directed by supervisors who are capable of making decisions and communicating in a manner consistent with Department policies, procedures, practices, functions and objectives. To accomplish this goal, a Sergeant heads each shift.

418.2 DESIGNATION AS ACTING SHIFT SERGEANT

When a Sergeant is unavailable for duty as Shift Sergeant, in most instances the qualified officer shall be designated as acting Shift Sergeant. This policy does not preclude designating a less senior officer as an acting Shift Sergeant when operational needs require or training permits.

Medical Marijuana

419.1 PURPOSE AND SCOPE

The purpose of this policy is to provide members of this department with guidelines for investigating the acquisition, possession, transportation, delivery, production or use of marijuana under Colorado's medical marijuana laws.

419.1.1 DEFINITIONS

Definitions related to this policy include:

Allowed amount of marijuana - No more marijuana than is medically necessary to address a debilitating or disabling medical condition. Though the amount may be greater, anything at or below the following amount qualifies as an allowed amount (Colo. Const. art. XVIII, § 14; CRS § 25-1.5-106):

- (a) No more than 2 ounces of a usable form of marijuana
- (b) No more than six marijuana plants, with three or fewer being mature, flowering plants that are producing a usable form of marijuana

Medical use - The acquisition, possession, production, use or transportation of marijuana or paraphernalia related to the administration of such marijuana to address the symptoms or effects of a patient's debilitating or disabling medical condition, which may be authorized only after a diagnosis of the patient's debilitating or disabling medical condition by a physician (Colo. Const. art. XVIII, § 14; CRS § 25-1.5-106).

Patient - A person who has a debilitating or disabling medical condition (Colo. Const. art. XVIII, § 14; CRS § 25-1.5-106).

Primary caregiver - A person, other than the patient and the patient's physician, who is 18 years of age or older and has significant responsibility for managing the well-being of a patient who has a debilitating or disabling medical condition (Colo. Const. art. XVIII, § 14). A primary caregiver may have one or more relationships with a patient, including as (CRS § 25-1.5-106):

- (a) A parent of a child and anyone who assists that parent with caregiver responsibilities, including cultivation and transportation.
- (b) An advising caregiver who advises a patient on which medical marijuana products to use and how to dose them, and does not possess, provide, cultivate or transport marijuana on behalf of the patient.
- (c) A transporting caregiver who purchases and transports marijuana to a patient who is homebound.
- (d) A cultivating caregiver who grows marijuana for a patient.

Registry Identification Card(RIC) - That document, issued by the Colorado Department of Public Health and Environment, that identifies a patient authorized to engage in the medical use of

Cortez Police Department

Cortez PD CO Policy Manual

Medical Marijuana

marijuana and such patient's primary caregiver, if one has been designated (Colo. Const. art. XVIII, § 14).

Usable form of marijuana - The seeds, leaves, buds and flowers of the plant (genus) cannabis, and any mixture or preparation thereof, which are appropriate for medical use. It does not include the plant's stalks, stems and roots.

419.2 POLICY

It is the policy of the Cortez Police Department to prioritize resources to avoid making arrests related to marijuana that the arresting officer reasonably believes would not be prosecuted by state or federal authorities.

Colorado medical marijuana laws are intended to provide protection from prosecution to those who acquire, possess, manufacture, produce, use, sell, distribute, dispense or transport marijuana for debilitating or disabling medical conditions. However, Colorado medical marijuana laws do not affect federal laws, and there is no medical exception under federal law for the possession or distribution of marijuana. The Cortez Police Department will exercise discretion to ensure laws are appropriately enforced without unreasonably burdening both those individuals protected under Colorado law and the resources of the Department.

419.3 INVESTIGATION

Investigations involving the acquisition, possession, manufacture, production, use, sale, distribution, dispensing or transportation of marijuana generally fall into one of the following categories:

- (a) Investigations when no person makes a medicinal claim
- (b) Investigations when a medical-use claim is made by an adult who has not been issued a RIC
- (c) Investigations when a medical-use claim is made by an adult who has been issued a RIC
- (d) Investigations when a medical-use claim is made by a juvenile

419.3.1 INVESTIGATIONS WITH NO MEDICINAL CLAIM

In any investigation involving the possession, delivery, production or use of marijuana or drug paraphernalia where no person claims that the marijuana is being used for medicinal purposes, the officer should proceed with a criminal investigation if the amount is greater than permitted for personal use of marijuana under the Colorado Constitution (Colo. Const. art. XVIII, § 16). A medicinal defense may be raised at any time, so officers should document any statements and observations that may be relevant as to whether the marijuana was possessed or produced for medicinal purposes.

Cortez Police Department

Cortez PD CO Policy Manual

Medical Marijuana

419.3.2 INVESTIGATIONS INVOLVING A MEDICAL-USE CLAIM BY AN ADULT WHO HAS NOT BEEN ISSUED A RIC

An adult making a medical-use claim, either as a patient or primary caregiver, should not be arrested for a marijuana-related offense when:

- (a) The patient (Colo. Const. art. XVIII, § 14(2); CRS § 25-1.5-106):
 1. Was previously diagnosed by a physician as having a debilitating or disabling medical condition.
 2. Was advised by his/her physician, in the context of a bona fide physician-patient relationship, that the patient might benefit from the medical use of marijuana in connection with a debilitating or disabling medical condition.
 3. Was collectively in possession of an allowed amount of marijuana.
- (b) The amount is permitted for personal use of marijuana under the Colorado Constitution (Colo. Const. art. XVIII, § 16).

A copy of an application submitted to the Colorado Department of Public Health and Environment, including the written documentation and proof of the date of mailing or other transmission of the written documentation, shall be accorded the same legal effect as a RIC until such time as the patient receives notice that the application has been denied (Colo. Const. art. XVIII, § 14(3)(d)).

419.3.3 INVESTIGATIONS INVOLVING A MEDICAL-USE CLAIM BY AN ADULT WHO HAS BEEN ISSUED A RIC

An adult making a medical-use claim, either as a patient or primary caregiver, shall not be arrested for a marijuana-related offense when all of the following exist (Colo. Const. art. XVIII, § 14(2); CRS § 25-1.5-106):

- (a) The patient or primary caregiver is in lawful possession of a RIC.
- (b) The marijuana in question is for medical use.
- (c) The patient or primary caregiver is in possession of no more than 2 ounces of a usable form of marijuana and no more than six marijuana plants, with three or fewer being mature, flowering plants that are producing a usable form of marijuana.

A patient or primary caregiver in lawful possession of a RIC should not be arrested for any quantity of marijuana above the specified amounts of marijuana (2 ounces, six plants) if the amount is no more than is medically necessary to address a debilitating or disabling medical condition.

Evidence that an extended amount is medically necessary may include a voluntary disclosure by the patient in his/her registration information that he/she intends to cultivate more than six plants for his/her own medical use (CRS § 25-1.5-106).

419.3.4 INVESTIGATIONS RELATED TO A MEDICAL-USE CLAIM BY A JUVENILE

A juvenile under the age of 18 shall not be arrested for a marijuana-related offense if all of the following conditions exist (Colo. Const. art. XVIII, § 14(6); CRS § 25-1.5-106):

Cortez Police Department

Cortez PD CO Policy Manual

Medical Marijuana

- (a) The juvenile is in lawful possession of a RIC.
- (b) The juvenile and parental primary caregiver collectively possess no more than an allowed amount of marijuana.
- (c) The parental primary caregiver controls the acquisition, dosage and frequency of use of the marijuana.

419.3.5 ADDITIONAL CONSIDERATIONS

Officers should consider the following when investigating an incident involving marijuana possession, delivery, production or use:

- (a) Officers shall immediately notify the Colorado Department of Public Health and Environment when any person in possession of a RIC has been determined by a court of law to have willfully violated the provisions of medical marijuana laws or has pleaded guilty to such an offense (Colo. Const. art. XVIII, § 14(3); CRS § 25-1.5-106).
- (b) Because enforcement of medical marijuana laws can be complex, time-consuming and call for resources unavailable at the time of initial investigation, officers may consider submitting a report to the prosecutor for review, in lieu of making an arrest. This can be particularly appropriate when:
 - 1. The suspect has been identified and can be easily located at another time.
 - 2. The case would benefit from review by a person with expertise in medical marijuana investigations.
 - 3. Sufficient evidence, such as photographs or samples, has been lawfully obtained.
 - 4. Any other relevant factors exist, such as limited available department resources and time constraints.
- (c) Whenever the initial investigation reveals an amount of marijuana greater than that specified by law, officers should consider:
 - 1. The amount of marijuana recommended by a medical professional to be ingested.
 - 2. The quality of the marijuana.
 - 3. The method of ingestion (e.g., smoking, eating, nebulizer).
 - 4. The timing of the possession in relation to a harvest (patient may be storing marijuana).
 - 5. Other factors such as the climate and whether the marijuana is being cultivated indoors or outdoors.
- (d) Before proceeding with enforcement related to a locally approved business that cultivates, manufactures or sells medical marijuana or medical marijuana-infused products, officers should consider conferring with appropriate legal counsel.
- (e) Primary caregivers must be registered to cultivate or transport marijuana and have supporting receipts when transporting the marijuana. Officers may report a primary

Cortez Police Department

Cortez PD CO Policy Manual

Medical Marijuana

caregiver to the state licensing authority if the primary caregiver fails to provide proper documentation showing that he/she has registered (CRS § 25-1.5-106).

1. Primary caregivers have additional registration requirements if they grow 37 or more plants. Additionally, primary caregivers may not grow 100 or more plants (CRS § 25-1.5-106).

419.3.6 EXCEPTIONS

Officers may take enforcement action against a patient or primary caregiver who (Colo. Const. art. XVIII, § 14(5); CRS § 25-1.5-106):

- (a) Engages in the medical use of marijuana in a way that endangers the health or well-being of any person.
- (b) Unlawfully engages in the medical use of marijuana in plain view of, or in a place open to, the general public (CRS § 44-10-702).
- (c) Undertakes any task while under the influence of medical marijuana, when doing so would constitute negligence or professional malpractice.
- (d) Possesses or uses non-smokable medical marijuana without authorization on school grounds, in a school bus, or at a school-sponsored event (CRS § 22-1-119.3; CRS § 25-1.5-106).
- (e) Possesses or uses smokable medical marijuana on school grounds, in a school bus, or at a school-sponsored event (CRS § 22-1-119.3; CRS § 25-1.5-106).
- (f) Engages in the use of medical marijuana in a correctional facility, community corrections facility, or in a vehicle, aircraft, or motorboat.
- (g) Engages in the use of medical marijuana while sentenced to jail/prison.
- (h) Operates, navigates, or is in actual physical control of any vehicle, aircraft, or motorboat while under the influence of medical marijuana.
- (i) Manufactures marijuana concentrate in an unregulated environment using an inherently hazardous substance (CRS § 18-18-406.6).
- (j) Grows or possesses on residential property more than the number of marijuana plants as set forth in CRS § 25-1.5-106.

419.4 FEDERAL LAW ENFORCEMENT

Officers should provide information regarding a marijuana investigation to federal law enforcement authorities when it is requested by federal law enforcement authorities or whenever the officer believes those authorities would have a particular interest in the information.

419.5 EVIDENCE

419.5.1 MEMBER RESPONSIBILITIES

The investigating member should advise the receiving Evidence Room member when marijuana may be the subject of a medical claim.

Cortez Police Department

Cortez PD CO Policy Manual

Medical Marijuana

419.5.2 EVIDENCE ROOM SUPERVISOR RESPONSIBILITIES

The Evidence Room Supervisor shall ensure that marijuana, drug paraphernalia or other related property seized from a person engaged or assisting in the use of medical marijuana is not harmed, neglected, injured or destroyed (Colo. Const. art. XVIII, § 14(2)(e)).

Upon the prosecutor's decision to forgo prosecution, or the dismissal of charges or an acquittal, the Evidence Room Supervisor should follow the Property and Evidence Policy and related procedures.

The Evidence Room Supervisor may release marijuana to federal law enforcement authorities upon presentation of a valid court order or by a written order of the staff Supervisor.

Bicycle Patrol Unit

420.1 PURPOSE AND SCOPE

The Cortez Police Department has established the Bicycle Patrol Unit for the purpose of enhancing patrol efforts in the community. Bicycle patrol has been shown to be an effective way to increase officer visibility in congested areas. A bicycle's quiet operation can provide a tactical approach to crimes in progress. The purpose of this policy is to provide guidelines for the safe and effective operation of the patrol bicycle.

420.2 POLICY

Patrol bicycles may be used for regular patrol duty, traffic enforcement, parking control or special events. Its mobility and visibility in the community are hallmarks of its usefulness.

Bicycles may be deployed to any area at all hours of the day or night, according to Department needs and as staffing levels allow.

Requests for specific deployment of bicycle patrol officers shall be coordinated through the Bicycle Patrol Unit supervisor or the Shift Sergeant.

420.3 SELECTION OF PERSONNEL

Interested certified personnel, who are off probation, shall make a request to their appropriate Lieutenant. A copy will be forwarded to the Bicycle Patrol Unit coordinator. Interested personnel shall be evaluated by the following criteria:

- (a) Recognized competence and ability as evidenced by performance
- (b) Special skills or training as they pertain to the assignment
- (c) Good physical condition
- (d) Willingness to perform duties using the bicycle as a mode of transportation

420.3.1 BICYCLE PATROL UNIT SUPERVISOR

The Bicycle Patrol Unit coordinator will be selected by the Patrol Lieutenant or the authorized designee.

The Bicycle Patrol Unit coordinator shall have responsibility for the following:

- (a) Organizing bicycle patrol training
- (b) Inspecting and maintaining inventory of patrol bicycles and program equipment
- (c) Scheduling maintenance and repairs
- (d) Evaluating the performance of bicycle officers
- (e) Coordinating activities with the Patrol Division
- (f) Inspecting and documenting, no less than every three months, that bicycles not in active service are in a serviceable condition
- (g) Other activities as required to maintain the efficient operation of the unit

Cortez Police Department

420.4 TRAINING

Participants in the program must complete an initial Department-approved bicycle-training course after acceptance into the program. Thereafter, bicycle patrol officers should receive yearly in-service training to improve skills and refresh safety, health and operational procedures. The initial training shall minimally include the following:

- Bicycle patrol strategies
- Bicycle safety and accident prevention
- Operational tactics using bicycles

Bicycle patrol officers will be required to qualify with their duty firearm while wearing bicycle safety equipment, including the helmet and riding gloves.

420.5 UNIFORMS AND EQUIPMENT

Officers shall wear the department-approved uniform and safety equipment while operating the department bicycle.

The bicycle patrol unit uniform consists of the standard short-sleeve uniform shirt or other department-approved shirt with department badge and patches, and department-approved bicycle patrol pants or shorts.

Optional equipment includes a jacket in colder weather. Insulated clothing is permitted when worn under the uniform shirt, and a radio head set and microphone.

Bicycle patrol officers shall carry the same equipment on the bicycle patrol duty belt as they would on a regular patrol assignment.

Officers will be responsible for obtaining the necessary forms, citation books and other department equipment needed while on bicycle patrol.

420.6 CARE AND USE OF PATROL BICYCLES

Officers will use a specially marked and equipped patrol bicycle with attached gear bag.

Bicycles utilized for uniformed bicycle patrol shall be primarily black or white with a "Police" decal affixed to each side of the crossbar or the bike's saddlebag or attached gear bag. Every such bicycle shall be equipped with front and rear reflectors, and front lamps. Lamps and reflectors must meet legal requirements.

Bicycles utilized for uniformed bicycle patrol shall be equipped with a rear rack for attached gear bags and/or saddle bags sufficient to carry the necessary equipment for handling routine patrol calls, including report writing, vehicle storage and citations.

Bicycle officers shall conduct an inspection of the bicycle and equipment prior to use to ensure proper working order of the equipment. Officers are responsible for the routine care and maintenance of equipment (e.g., tire pressure, chain lubrication, overall cleaning).

Cortez Police Department

Cortez PD CO Policy Manual

Bicycle Patrol Unit

If a needed repair is beyond the ability of the bicycle officer, a repair request will be completed and forwarded to the program supervisor for repair by an approved technician.

Each bicycle will have scheduled maintenance yearly, to be performed by a repair shop/technician that is approved by the Department.

At the end of a bicycle assignment, the bicycle shall be returned clean and ready for the next tour of duty.

Officers shall not modify the patrol bicycle, remove, modify or add components except with the express approval of the bicycle supervisor or in the event of an emergency.

Bicycles shall be properly secured when not in the officer's immediate presence.

420.7 OFFICER RESPONSIBILITIES

Officers should operate the bicycle in compliance with Colorado law, unless their duties require otherwise. Officers may operate the bicycle without lighting equipment during hours of darkness only when it reasonably appears necessary for officer safety and tactical considerations. Officers must use caution and care when operating the bicycle without lighting equipment or in violation of routine rules of the road.

Foot Pursuits

421.1 PURPOSE AND SCOPE

This policy provides guidelines to assist officers in making the decision to initiate or continue the pursuit of suspects on foot.

421.2 POLICY

It is the policy of this department that officers, when deciding to initiate or continue a foot pursuit, continuously balance the objective of apprehending the suspect with the risk and potential for injury to department members, the public or the suspect.

Officers are expected to act reasonably, based on the totality of the circumstances.

421.3 DECISION TO PURSUE

The safety of department members and the public should be the primary consideration when determining whether a foot pursuit should be initiated or continued. Officers must be mindful that immediate apprehension of a suspect is rarely more important than the safety of the public and department members.

Officers may be justified in initiating a foot pursuit of any individual that the officer reasonably believes is about to engage in, is engaging in or has engaged in criminal activity. The decision to initiate or continue such a foot pursuit, however, must be continuously re-evaluated in light of the circumstances presented at the time.

Mere flight by a person who is not suspected of criminal activity alone shall not serve as justification for engaging in an extended foot pursuit without the development of reasonable suspicion regarding the individual's involvement in criminal activity or being wanted by law enforcement.

Deciding to initiate or continue a foot pursuit is a decision that an officer must make quickly and under unpredictable and dynamic circumstances. It is recognized that foot pursuits may place department members and the public at significant risk. Therefore, no officer or supervisor shall be criticized or disciplined for deciding not to engage in a foot pursuit because of the perceived risk involved.

If circumstances permit, surveillance and containment are generally the safest tactics for apprehending fleeing persons. In deciding whether to initiate or continue a foot pursuit, an officer should continuously consider reasonable alternatives to a foot pursuit based upon the circumstances and resources available, such as:

- (a) Containment of the area.
- (b) Saturation of the area with law enforcement personnel, including assistance from other agencies.
- (c) A canine search.
- (d) Thermal imaging or other sensing technology.
- (e) Air support.

Cortez Police Department

Cortez PD CO Policy Manual

Foot Pursuits

- (f) Apprehension at another time when the identity of the suspect is known or there is information available that would likely allow for later apprehension, and the need to immediately apprehend the suspect does not reasonably appear to outweigh the risk of continuing the foot pursuit.

421.4 GENERAL GUIDELINES

When reasonably practicable, officers should consider alternatives to engaging in or continuing a foot pursuit when:

- (a) Directed by a supervisor to terminate the foot pursuit; such an order shall be considered mandatory.
- (b) The officer is acting alone.
- (c) Two or more officers become separated, lose visual contact with one another or obstacles separate them to the degree that they cannot immediately assist each other should a confrontation take place. In such circumstances, it is generally recommended that a single officer keep the suspect in sight from a safe distance and coordinate the containment effort.
- (d) The officer is unsure of his/her location and direction of travel.
- (e) The officer is pursuing multiple suspects and it is not reasonable to believe that the officer would be able to control the suspect should a confrontation occur.
- (f) The physical condition of the officer renders him/her incapable of controlling the suspect if apprehended.
- (g) The officer loses radio contact with the dispatcher or with assisting or backup officers.
- (h) The suspect enters a building, structure, confined space, isolated area or dense or difficult terrain, and there are insufficient officers to provide backup and containment. The primary officer should consider discontinuing the foot pursuit and coordinating containment pending the arrival of sufficient resources.
- (i) The officer becomes aware of unanticipated or unforeseen circumstances that unreasonably increase the risk to officers or the public.
- (j) The officer reasonably believes that the danger to the pursuing officers or public outweighs the objective of immediate apprehension.
- (k) The officer loses possession of his/her firearm or other essential equipment.
- (l) The officer or a third party is injured during the foot pursuit, requiring immediate assistance, and there are no other emergency personnel available to render assistance.
- (m) The suspect's location is no longer known.
- (n) The identity of the suspect is established or other information exists that will allow for the suspect's apprehension at a later time, and it reasonably appears that there is no immediate threat to department members or the public if the suspect is not immediately apprehended.

Cortez Police Department

Cortez PD CO Policy Manual

Foot Pursuits

- (o) The officer's ability to safely continue the foot pursuit is impaired by inclement weather, darkness or other environmental conditions.

421.5 REPORTING REQUIREMENTS

The initiating officer shall complete appropriate crime/arrest reports documenting, at a minimum:

- (a) Date and time of the foot pursuit.
- (b) Initial reason and circumstances surrounding the foot pursuit.
- (c) Course and approximate distance of the foot pursuit.
- (d) Alleged offenses.
- (e) Involved vehicles and officers.
- (f) Whether a suspect was apprehended as well as the means and methods used.
 - (a) Any response to resistance and aggression shall be reported and documented in compliance with the response to Resistance and Aggression Policy.
- (g) Arrestee information, if applicable.
- (h) Any injuries and/or medical treatment.
- (i) Any property or equipment damage.
- (j) Name of the supervisor at the scene or who handled the incident.

Assisting officers taking an active role in the apprehension of the suspect shall complete supplemental reports as necessary or as directed.

The supervisor reviewing the report will make a preliminary determination that the pursuit appears to be in compliance with this policy or that additional review and/or follow-up is warranted.

In any case in which a suspect is not apprehended and there is insufficient information to support further investigation, a supervisor may authorize that the initiating officer need not complete a formal report.

421.6 RESPONSIBILITIES IN FOOT PURSUITS

421.6.1 INITIATING OFFICER RESPONSIBILITIES

Unless relieved by another officer or a supervisor, the initiating officer shall be responsible for coordinating the progress of the pursuit and containment. When acting alone and when practicable, the initiating officer should not attempt to overtake and confront the suspect but should attempt to keep the suspect in sight until sufficient officers are present to safely apprehend the suspect.

Early communication of available information from the involved officers is essential so that adequate resources can be coordinated and deployed to bring a foot pursuit to a safe conclusion. Officers initiating a foot pursuit should, at a minimum, broadcast the following information as soon as it becomes practicable and available:

- (a) Location and direction of travel

Cortez Police Department

Cortez PD CO Policy Manual

Foot Pursuits

- (b) Call sign identifier
- (c) Reason for the foot pursuit, such as the crime classification
- (d) Number of suspects and description, to include name if known
- (e) Whether the suspect is known or believed to be armed with a dangerous weapon

Officers should be mindful that radio transmissions made while running may be difficult to understand and may need to be repeated.

Absent extenuating circumstances, any officer unable to promptly and effectively broadcast this information should terminate the foot pursuit. If the foot pursuit is discontinued for any reason, immediate efforts for containment should be established and alternatives considered based upon the circumstances and available resources.

When a foot pursuit terminates, the officer will notify the dispatcher of his/her location and the status of the foot pursuit termination (e.g., suspect in custody, lost sight of suspect), and will direct further actions as reasonably appear necessary, to include requesting medical aid as needed for officers, suspects or members of the public.

421.6.2 ASSISTING OFFICER RESPONSIBILITIES

Whenever any officer announces that he/she is engaged in a foot pursuit, all other officers should minimize non-essential radio traffic to permit the involved officers maximum access to the radio frequency.

421.6.3 SUPERVISOR RESPONSIBILITIES

Upon becoming aware of a foot pursuit, the supervisor shall make every reasonable effort to ascertain sufficient information to direct responding resources and to take command, control and coordination of the foot pursuit. The supervisor should respond to the area whenever possible; the supervisor does not, however, need not be physically present to exercise control over the foot pursuit. The supervisor shall continuously assess the situation in order to ensure the foot pursuit is conducted within established department guidelines.

The supervisor shall terminate the foot pursuit when the danger to pursuing officers or the public appears to unreasonably outweigh the objective of immediate apprehension of the suspect.

Upon apprehension of the suspect, the supervisor shall promptly proceed to the termination point to direct the post-foot pursuit activity.

421.6.4 DISPATCH RESPONSIBILITIES

Upon notification or becoming aware that a foot pursuit is in progress, the dispatcher is responsible for:

- (a) Clearing the radio channel of non-emergency traffic.
- (b) Coordinating pursuit communications of the involved officers.
- (c) Broadcasting pursuit updates as well as other pertinent information as necessary.
- (d) Ensuring that a field supervisor is notified of the foot pursuit.

Cortez Police Department

Cortez PD CO Policy Manual

Foot Pursuits

- (e) Notifying and coordinating with other involved or affected agencies as practicable.
- (f) Notifying the Shift Sergeant as soon as practicable.
- (g) Assigning an incident number and logging all pursuit activities.

Homeless Persons

422.1 PURPOSE AND SCOPE

The purpose of this policy is to ensure that personnel understand the needs and rights of the homeless and to establish procedures to guide officers during all contacts with the homeless, whether consensual or for enforcement purposes. The Cortez Police Department recognizes that members of the homeless community are often in need of special protection and services. The Cortez Police Department will address these needs in balance with the overall mission of this department. Therefore, officers will consider the following policy when serving the homeless community.

422.1.1 POLICY

It is the policy of the Cortez Police Department to provide law enforcement services to all members of the community while protecting the rights, dignity and private property of the homeless. Homelessness is not a crime and members of this department will not use homelessness solely as a basis for detention or law enforcement action.

422.2 FIELD CONTACTS

Officers are encouraged to contact the homeless for purposes of rendering aid, support and for community-oriented policing purposes. Nothing in this policy is meant to dissuade an officer from taking reasonable enforcement action when facts support a reasonable suspicion of criminal activity. However, when encountering a homeless person who has committed a nonviolent misdemeanor and continued freedom is not likely to result in a continuation of the offense or a breach of the peace, officers are encouraged to consider long-term solutions to problems that may relate to the homeless, such as shelter referrals, counseling and summons and release in lieu of physical arrest.

Officers should provide homeless persons with resource and assistance information whenever it is reasonably apparent such services may be appropriate.

422.2.1 OTHER CONSIDERATIONS

Homeless members of the community will receive the same level and quality of service provided to other members of our community. The fact that a victim or witness is homeless can, however, require special consideration for a successful investigation and prosecution. Officers should consider the following when handling investigations involving homeless victims, witnesses or suspects:

- (a) Document alternate contact information. This may include obtaining addresses and telephone numbers of relatives and friends.
- (b) Document places the homeless person may frequent.
- (c) Provide homeless victims with victim/witness resources when appropriate.

Cortez Police Department

Cortez PD CO Policy Manual

Homeless Persons

- (d) Obtain statements from all available witnesses in the event a homeless victim is unavailable for a court appearance.
- (e) Consider whether the person may be a dependent adult or elder and if so, proceed in accordance with the Adult Abuse Policy.
- (f) Arrange for transportation for investigation-related matters, such as medical exams and court appearances.
- (g) Consider whether a crime should be reported and submitted for prosecution even when a homeless victim indicates he/she does not desire prosecution.

422.3 PERSONAL PROPERTY

The personal property of homeless persons must not be treated differently than the property of other members of the public. Officers should use reasonable care when handling, collecting and retaining the personal property of homeless persons and should not destroy or discard the personal property of a homeless person.

When a homeless person is arrested or otherwise removed from a public place, officers should make reasonable accommodations to permit the person to lawfully secure his/her personal property. Otherwise, the arrestee's personal property should be collected for safekeeping. If the arrestee has more personal property than can reasonably be collected and transported by the officer, a supervisor should be consulted. The property should be photographed and measures should be taken to remove or secure the property. It will be the supervisor's responsibility to coordinate the removal and safekeeping of the property.

Officers should not conduct or assist in cleanup operations of belongings that reasonably appear to be the property of homeless persons without the prior authorization of a supervisor or the Department homeless liaison officer. When practicable, requests by the public for cleanup operations of a homeless encampment should be referred to the homeless liaison officer.

Officers who encounter unattended encampments, bedding or other personal property in public areas that reasonably appear to belong to a homeless person should not remove or destroy such property and should inform the Department homeless liaison officer if such property appears to involve a trespass, is blight to the community or is the subject of a complaint. It will be the responsibility of the homeless liaison officer to address the matter in a timely fashion.

422.4 MENTAL HEALTH DISORDERS AND MENTAL IMPAIRMENTS

Some homeless persons may suffer from a mental health disorder or a mental impairment. Officers shall not detain a homeless person for an emergency admission to a mental health facility unless facts and circumstances warrant such a detention.

When a mental health disorder hold is not warranted, the contacting officer should provide the homeless person with contact information for mental health assistance, as appropriate. In these circumstances, officers may provide transportation to a mental health specialist if requested by the person and approved by a supervisor.

Cortez Police Department

Cortez PD CO Policy Manual

Homeless Persons

422.5 ECOLOGICAL ISSUES

Sometimes homeless encampments can affect the ecology and natural resources of the community and may involve criminal offenses beyond mere littering. Officers are encouraged to notify other appropriate agencies or departments when a significant impact to the environment has or is likely to occur. Significant impacts to the environment may warrant a crime report, investigation, supporting photographs and supervisor notification.

Public Recording of Law Enforcement Activity

423.1 PURPOSE AND SCOPE

This policy provides guidelines for handling situations in which members of the public photograph or audio/video record law enforcement actions and other public activities that involve members of this department. In addition, this policy provides guidelines for situations where the recordings may be evidence.

423.2 POLICY

The Cortez Police Department recognizes the right of persons to lawfully record members of this department who are performing their official duties. Members of this department will not prohibit or intentionally interfere with such lawful recordings. Any recordings that are deemed to be evidence of a crime or relevant to an investigation will only be collected or seized lawfully.

Officers should exercise restraint and should not resort to highly discretionary arrests for offenses such as interference, failure to comply or disorderly conduct as a means of preventing someone from exercising the right to record members performing their official duties.

423.3 RECORDING LAW ENFORCEMENT ACTIVITY

Members of the public who wish to record law enforcement activities are limited only in certain aspects.

- (a) Recordings may be made from any public place or any private property where the individual has the legal right to be present.
- (b) Beyond the act of photographing or recording, individuals may not interfere with the law enforcement activity. Examples of interference include, but are not limited to:
 - 1. Tampering with a witness or suspect.
 - 2. Inciting others to violate the law.
 - 3. Being so close to the activity as to present a clear safety hazard to the officers.
 - 4. Being so close to the activity as to interfere with an officer's effective communication with a suspect or witness.
- (c) The individual may not present an undue safety risk to the officers, him/herself or others.

423.4 OFFICER RESPONSE

Officers should promptly request that a supervisor respond to the scene whenever it appears that anyone recording activities may be interfering with an investigation or it is believed that the recording may be evidence. If practicable, officers should wait for the supervisor to arrive before taking enforcement action or seizing any cameras or recording media.

Whenever practicable, officers or supervisors should give clear and concise warnings to individuals who are conducting themselves in a manner that would cause their recording or behavior to be unlawful. Accompanying the warnings should be clear directions on what an

Cortez Police Department

Cortez PD CO Policy Manual

Public Recording of Law Enforcement Activity

individual can do to be compliant; directions should be specific enough to allow compliance. For example, rather than directing an individual to clear the area, an officer could advise the person that he/she may continue observing and recording from the sidewalk across the street.

If an arrest or other significant enforcement activity is taken as the result of a recording that interferes with law enforcement activity, officers shall document in a report the nature and extent of the interference or other unlawful behavior and the warnings that were issued.

423.5 SUPERVISOR RESPONSIBILITIES

A supervisor should respond to the scene when requested or any time the circumstances indicate a likelihood of interference or other unlawful behavior.

The supervisor should review the situation with the officer and:

- (a) Request any additional assistance as needed to ensure a safe environment.
- (b) Take a lead role in communicating with individuals who are observing or recording regarding any appropriate limitations on their location or behavior. When practical, the encounter should be recorded.
- (c) When practicable, allow adequate time for individuals to respond to requests for a change of location or behavior.
- (d) Ensure that any enforcement, seizure or other actions are consistent with this policy and constitutional and state law.
- (e) Explain alternatives for individuals who wish to express concern about the conduct of Department members, such as how and where to file a complaint.

423.6 SEIZING RECORDINGS AS EVIDENCE

Officers should not seize recording devices or media unless (42 USC § 2000aa; CRS § 16-3-311):

- (a) There is probable cause to believe the person recording has committed or is committing a crime to which the recording relates, and the recording is reasonably necessary for prosecution of the person.
 1. Absent exigency or consent, a warrant should be sought before seizing or viewing such recordings. Reasonable steps may be taken to prevent erasure of the recording.
- (b) There is reason to believe that the immediate seizure of such recordings is necessary to prevent serious bodily injury or death of any person.
- (c) The person consents.
 1. To ensure that the consent is voluntary, the request should not be made in a threatening or coercive manner.
 - (a) Before obtaining consent, the member shall provide the person with his/her identification, agency name and the reason the information is requested.
 - (b) If the person voluntarily provides his/her device or media to the member, the search of the device or media shall be limited to the

Cortez Police Department

Cortez PD CO Policy Manual

Public Recording of Law Enforcement Activity

relevant recording and the device or media returned as soon as practicable.

2. If the original recording is provided, a copy of the recording should be provided to the recording party, if practicable. The recording party should be permitted to be present while the copy is being made, if feasible. Another way to obtain the evidence is to transmit a copy of the recording from a device to a department device.
3. Recording devices and media that are seized will be submitted within the guidelines of the Property and Evidence Policy.

423.6.1 SEARCH WARRANTS

When a member seizes a recording device or media without the person's consent or without a search warrant, a search warrant for the recording shall be sought within 72 hours of the seizure (CRS § 16-3-311).

Suspicious Activity Reporting

424.1 PURPOSE AND SCOPE

This policy provides guidelines for reporting and investigating suspicious and criminal activity.

424.1.1 DEFINITIONS

Definitions related to this policy include:

Involved party - An individual who has been observed engaging in suspicious activity, as defined in this policy, when no definitive criminal activity can be identified, thus precluding the person's identification as a suspect.

Suspicious activity - Any reported or observed activity that a member reasonably believes may have a nexus to any criminal act or attempted criminal act, or to foreign or domestic terrorism. Actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability should not be considered as factors that create suspicion (although these factors may be used as specific suspect descriptions). Examples of suspicious activity may include but are not limited to:

- Suspected pre-operational surveillance or intelligence gathering (e.g., photographing security features, asking questions about sensitive security-related subjects).
- Tests of security measures and response to incidents (e.g., "dry run," creating false alarms, attempts to enter secure areas without authorization).
- Suspicious purchases (e.g., purchasing large quantities of otherwise legal items, such as fertilizer, that could be used to create an explosive or other dangerous device).
- An individual in possession of such things as a hoax explosive or dispersal device, sensitive materials (e.g., passwords, access codes, classified government information), or coded or ciphered literature or correspondence.

Suspicious Activity Report (SAR) - An incident report used to document suspicious activity.

424.2 POLICY

The Cortez Police Department recognizes the need to protect the public from criminal conduct and acts of terrorism and shall lawfully collect, maintain and disseminate information regarding suspicious activities, while safeguarding civil liberties and privacy protections.

424.3 RESPONSIBILITIES

The Detective Lieutenant and authorized designees will manage SAR activities. Authorized designees should include supervisors who are responsible for department participation in criminal intelligence systems as outlined in the Criminal Organizations Policy.

The responsibilities of the Detective Lieutenant include, but are not limited to:

- (a) Remaining familiar with those databases available to the Department that would facilitate the purpose of this policy.

Cortez Police Department

Cortez PD CO Policy Manual

Suspicious Activity Reporting

- (b) Maintaining adequate training in the area of intelligence gathering to ensure no information is being maintained that would violate the law or civil rights of any individual.
- (c) Ensuring a process is available that would allow members to report relevant information. The process should be designed to promote efficient and quick reporting, and should not be cumbersome, duplicative or complicated.
- (d) Ensuring that members are made aware of the purpose and value of documenting information regarding suspicious activity, as well as the databases and other information resources that are available to the Department.
- (e) Ensuring that SAR information is appropriately disseminated to members in accordance with their job responsibilities.
- (f) Coordinating investigative follow-up, if appropriate.
- (g) Coordinating with any appropriate agency or fusion center.
- (h) Ensuring that, as resources are available, the Department conducts outreach that is designed to encourage members of the community to report suspicious activity and that outlines what they should look for and how they should report it (e.g., website, public service announcements).

424.4 REPORTING AND INVESTIGATION

Any department member receiving information regarding suspicious activity should take any necessary immediate and appropriate action, including a request for tactical response or immediate notification of specialized entities, when applicable. Any non-sworn member who receives such information should ensure that it is passed on to an officer in a timely manner.

If the suspicious activity is not directly related to a reportable crime, the member should prepare a SAR and include information about involved parties and the circumstances of the incident. If, during any investigation, an officer becomes aware of suspicious activity that is unrelated to the current investigation, the information should be documented separately in a SAR and not included in the original incident report. The report number of the original incident should be included in the SAR as a cross reference. A SAR should be processed as any other incident report.

424.5 HANDLING INFORMATION

The Records Section will forward copies of SARs, in a timely manner, to the following:

- Detective Division supervisor
- Crime Analysis Unit
- Other authorized designees

Crisis Intervention Incidents

425.1 PURPOSE AND SCOPE

This policy provides guidelines for interacting with those who may be experiencing a mental health or emotional crisis. Interaction with such individuals has the potential for miscommunication and violence. It often requires an officer to make difficult judgments about a person's mental state and intent in order to effectively and legally interact with the individual.

425.1.1 DEFINITIONS

Definitions related to this policy include:

Person in crisis - A person whose level of distress or mental health symptoms have exceeded the person's internal ability to manage his/her behavior or emotions. A crisis can be precipitated by any number of things, including an increase in the symptoms of mental health disorder despite treatment compliance; non-compliance with treatment, including a failure to take prescribed medications appropriately; or any other circumstance or event that causes the person to engage in erratic, disruptive or dangerous behavior that may be accompanied by impaired judgment.

425.2 POLICY

The Cortez Police Department is committed to providing a consistently high level of service to all members of the community and recognizes that persons in crisis may benefit from intervention. The Department will collaborate, where feasible, with mental health professionals to develop an overall intervention strategy to guide its members' interactions with those experiencing a mental health crisis. This is to ensure equitable and safe treatment of all involved.

425.3 SIGNS

Members should be alert to any of the following possible signs of mental health issues or crises:

- (a) A known history of mental health disorder
- (b) Threats of or attempted suicide
- (c) Loss of memory
- (d) Incoherence, disorientation or slow response
- (e) Delusions, hallucinations, perceptions unrelated to reality or grandiose ideas
- (f) Depression, pronounced feelings of hopelessness or uselessness, extreme sadness or guilt
- (g) Social withdrawal
- (h) Manic or impulsive behavior, extreme agitation, lack of control
- (i) Lack of fear
- (j) Anxiety, aggression, rigidity, inflexibility or paranoia

Members should be aware that this list is not exhaustive. The presence or absence of any of these should not be treated as proof of the presence or absence of a mental health issue or crisis.

Cortez Police Department

Cortez PD CO Policy Manual

Crisis Intervention Incidents

425.4 COORDINATION WITH MENTAL HEALTH PROFESSIONALS

The Chief of Police should designate an appropriate Lieutenant to collaborate with mental health professionals to develop an education and response protocol. It should include a list of community resources to guide department interaction with those who may be suffering from a mental health disorder or who appear to be in a mental health crisis (CRS § 30-10-527; CRS § 31-30-109).

425.5 FIRST RESPONDERS

Safety is a priority for first responders. It is important to recognize that individuals under the influence of alcohol, drugs or both may exhibit symptoms that are similar to those of a person in a mental health crisis. These individuals may still present a serious threat to first responders; such a threat should be addressed with reasonable tactics. Nothing in this policy shall be construed to limit an officer's authority to respond to resistance and aggression when interacting with a person in crisis.

Officers are reminded that mental health issues, mental health crises and unusual behavior alone are not criminal offenses. Individuals may benefit from treatment as opposed to incarceration.

An officer responding to a call involving a person in crisis should:

- (a) Promptly assess the situation independent of reported information and make a preliminary determination regarding whether a mental health crisis may be a factor.
- (b) Request available backup officers and specialized resources as deemed necessary and, if it is reasonably believed that the person is in a crisis situation, use conflict resolution and de-escalation techniques to stabilize the incident as appropriate.
- (c) If feasible, and without compromising safety, turn off flashing lights, bright lights or sirens.
- (d) Attempt to determine if weapons are present or available.
- (e) Take into account the person's mental and emotional state and potential inability to understand commands or to appreciate the consequences of his/her action or inaction, as perceived by the officer.
- (f) Secure the scene and clear the immediate area as necessary.
- (g) Employ tactics to preserve the safety of all participants.
- (h) Determine the nature of any crime.
- (i) Request a supervisor, as warranted.
- (j) Evaluate any available information that might assist in determining cause or motivation for the person's actions or stated intentions.
- (k) If circumstances reasonably permit, consider and employ alternatives to force.

425.6 DE-ESCALATION

Officers should consider that taking no action or passively monitoring the situation may be the most reasonable response to a mental health crisis.

Once it is determined that a situation is a mental health crisis and immediate safety concerns have been addressed, responding members should be aware of the following considerations and should generally:

- Evaluate safety conditions.
- Introduce themselves and attempt to obtain the person's name.
- Be patient, polite, calm, courteous and avoid overreacting.
- Speak and move slowly and in a non-threatening manner.
- Moderate the level of direct eye contact.
- Remove distractions or disruptive people from the area.
- Demonstrate active listening skills (e.g., summarize the person's verbal communication).
- Provide for sufficient avenues of retreat or escape should the situation become volatile.

Responding officers generally should not:

- Use stances or tactics that can be interpreted as aggressive.
- Allow others to interrupt or engage the person.
- Corner a person who is not believed to be armed, violent or suicidal.
- Argue, speak with a raised voice or use threats to obtain compliance.

425.7 INCIDENT ORIENTATION

When responding to an incident that may involve a mental health disorder or a mental health crisis, the officer should request that the dispatcher provide critical information as it becomes available. This includes:

- (a) Whether the person relies on drugs or medication, or may have failed to take his/her medication.
- (b) Whether there have been prior incidents, suicide threats/attempts, and whether there has been previous police response.
- (c) Contact information for a treating physician or mental health professional.

Additional resources and a supervisor should be requested as warranted.

425.8 SUPERVISOR RESPONSIBILITIES

A supervisor should respond to the scene of any interaction with a person in crisis. Responding supervisors should:

- (a) Attempt to secure appropriate and sufficient resources.
- (b) Closely monitor any response to resistance and aggression, including the use of restraints, and ensure that those subjected to the response to resistance and

Cortez Police Department

Cortez PD CO Policy Manual

Crisis Intervention Incidents

aggression are provided with timely access to medical care (see the Handcuffing and Restraints Policy).

- (c) Consider strategic disengagement. Absent an imminent threat to the public and, as circumstances dictate, this may include removing or reducing law enforcement resources or engaging in passive monitoring.
- (d) Ensure that all reports are completed and that incident documentation uses appropriate terminology and language.
- (e) Conduct an after-action tactical and operational debriefing, and prepare an after-action evaluation of the incident to be forwarded to the appropriate Lieutenant.
- (f) Evaluate whether a critical incident stress management debriefing for involved members is warranted.

425.9 INCIDENT REPORTING

Members engaging in any oral or written communication associated with a mental health crisis should be mindful of the sensitive nature of such communications and should exercise appropriate discretion when referring to or describing persons and circumstances.

Members having contact with a person in crisis should keep related information confidential, except to the extent that revealing information is necessary to conform to department reporting procedures or other official mental health or medical proceedings.

425.9.1 DIVERSION

Individuals who are not being arrested should be processed in accordance with the Civil Commitments Policy.

425.10 NON-SWORN INTERACTION WITH PEOPLE IN CRISIS

Non-sworn members may be required to interact with persons in crisis in an administrative capacity, such as dispatching, records request, and animal control issues.

- (a) Members should treat all individuals equally and with dignity and respect.
- (b) If a member believes that he/she is interacting with a person in crisis, he/she should proceed patiently and in a calm manner.
- (c) Members should be aware and understand that the person may make unusual or bizarre claims or requests.

If a person's behavior makes the member feel unsafe, if the person is or becomes disruptive or violent, or if the person acts in such a manner as to cause the member to believe that the person may be harmful to him/herself or others, an officer should be promptly summoned to provide assistance.

425.11 EVALUATION

The Lieutenant designated to coordinate the crisis intervention strategy for this department should ensure that a thorough review and analysis of the department response to these incidents is conducted annually. The report will not include identifying information pertaining to any involved

Cortez Police Department

Cortez PD CO Policy Manual

Crisis Intervention Incidents

individuals, officers or incidents and will be submitted to the Chief of Police through the chain of command.

425.12 TRAINING

In coordination with the mental health community and appropriate stakeholders, the Department will develop and provide comprehensive education and training to all department members to enable them to effectively interact with persons in crisis.

First Amendment Assemblies

428.1 PURPOSE AND SCOPE

This policy provides guidance for responding to public assemblies or demonstrations.

428.2 POLICY

The Cortez Police Department respects the rights of people to peaceably assemble. It is the policy of this department not to unreasonably interfere with, harass, intimidate or discriminate against persons engaged in the lawful exercise of their rights, while also preserving the peace, protecting life and preventing the destruction of property.

428.3 GENERAL CONSIDERATIONS

Individuals or groups present on the public way, such as public facilities, streets or walkways, generally have the right to assemble, rally, demonstrate, protest or otherwise express their views and opinions through varying forms of communication, including the distribution of printed matter. These rights may be limited by laws or ordinances regulating such matters as the obstruction of individual or vehicle access or egress, trespass, noise, picketing, distribution of handbills and leafleting, loitering and disrupting lawful assembly. However, officers shall not take action or fail to take action based on the opinions being expressed.

Participant behavior during a demonstration or other public assembly can vary. This may include, but is not limited to:

- Lawful, constitutionally protected actions and speech.
- Civil disobedience (typically involving minor criminal acts).
- Rioting.

All of these behaviors may be present during the same event. Therefore, it is imperative that law enforcement actions are measured and appropriate for the behaviors officers may encounter. This is particularly critical if force is being used. Adaptable strategies and tactics are essential. The purpose of a law enforcement presence at the scene of public assemblies and demonstrations should be to preserve the peace, to protect life and prevent the destruction of property.

Officers should not:

- (a) Engage in assembly or demonstration-related discussion with participants.
- (b) Harass, confront or intimidate participants.
- (c) Seize the cameras, cell phones or materials of participants or observers unless an officer is placing a person under lawful arrest.

Supervisors should continually observe department members under their commands to ensure that members' interaction with participants and their response to crowd dynamics is appropriate.

Cortez Police Department

Cortez PD CO Policy Manual

First Amendment Assemblies

428.3.1 PHOTOGRAPHS AND VIDEO RECORDINGS

Photographs and video recording, when appropriate, can serve a number of purposes, including support of criminal prosecutions by documenting criminal acts; assistance in evaluating department performance; serving as training material; recording the use of dispersal orders; and facilitating a response to allegations of improper law enforcement conduct.

Photographs and videos will not be used or retained for the sole purpose of collecting or maintaining information about the political, religious or social views of associations, or the activities of any individual, group, association, organization, corporation, business or partnership, unless such information directly relates to an investigation of criminal activities and there is reasonable suspicion that the subject of the information is involved in criminal conduct.

428.4 UNPLANNED EVENTS

When responding to an unplanned or spontaneous public gathering, the first responding officer should conduct an assessment of conditions, including, but not limited to, the following:

- Location
- Number of participants
- Apparent purpose of the event
- Leadership (whether it is apparent and/or whether it is effective)
- Any initial indicators of unlawful or disruptive activity
- Indicators that lawful use of public facilities, streets or walkways will be impacted
- Ability and/or need to continue monitoring the incident

Initial assessment information should be promptly communicated to Dispatch, and the assignment of a supervisor should be requested. Additional resources should be requested as appropriate. The responding supervisor shall assume command of the incident until command is expressly assumed by another, and the assumption of command is communicated to the involved members. A clearly defined command structure that is consistent with the Incident Command System (ICS) should be established as resources are deployed.

428.5 PLANNED EVENT PREPARATION

For planned events, comprehensive, incident-specific operational plans should be developed. The ICS should be considered for such events.

428.5.1 INFORMATION GATHERING AND ASSESSMENT

In order to properly assess the potential impact of a public assembly or demonstration on public safety and order, relevant information should be collected and vetted. This may include:

- Information obtained from outreach to group organizers or leaders.
- Information about past and potential unlawful conduct associated with the event or similar events.

Cortez Police Department

Cortez PD CO Policy Manual

First Amendment Assemblies

- The potential time, duration, scope, and type of planned activities.
- Any other information related to the goal of providing a balanced response to criminal activity and the protection of public safety interests.

Information should be obtained in a transparent manner, and the sources documented. Relevant information should be communicated to the appropriate parties in a timely manner.

Information will be obtained in a lawful manner and will not be based solely on the purpose or content of the assembly or demonstration, or actual or perceived characteristics such as race, ethnicity, national origin, religion, sex, sexual orientation, gender identity or expression, economic status, age, cultural group, or disability of the participants (or any other characteristic that is unrelated to criminal conduct or the identification of a criminal subject).

428.5.2 OPERATIONAL PLANS

An operational planning team with responsibility for event planning and management should be established. The planning team should develop an operational plan for the event.

The operational plan will minimally provide for:

- (a) Command assignments, chain of command structure, roles, and responsibilities.
- (b) Staffing and resource allocation.
- (c) Management of criminal investigations.
- (d) Designation of uniform of the day and related safety equipment (e.g., helmets, shields).
- (e) Deployment of specialized resources.
- (f) Event communications and interoperability in a multijurisdictional event.
- (g) Liaison with demonstration leaders and external agencies.
- (h) Liaison with City government and legal staff.
- (i) Media relations.
- (j) Logistics: food, fuel, replacement equipment, duty hours, relief, and transportation.
- (k) Traffic management plans.
- (l) First aid and emergency medical service provider availability.
- (m) Prisoner transport and detention.
- (n) Review of policies regarding public assemblies and the use of force in crowd control.
- (o) Parameters for declaring an unlawful assembly.
- (p) Arrest protocol, including management of mass arrests.
- (q) Protocol for recording information flow and decisions.
- (r) Rules of engagement, to include kinetic impact projectiles and all other non or less-lethal projectiles and the deployment of chemical agents or irritants including pepper spray and tear gas in accordance with CRS 24-31-905, including rules of conduct,

Cortez Police Department

First Amendment Assemblies

protocols for field force extraction and arrests, and any authorization required for the response to resistance and aggression.

- (s) Protocol for handling complaints during the event.
- (t) Parameters for the use of body-worn cameras and other portable recording devices.

428.5.3 MUTUAL AID AND EXTERNAL RESOURCES

The magnitude and anticipated duration of an event may necessitate interagency cooperation and coordination. The assigned Incident Commander should ensure that any required memorandums of understanding or other agreements are properly executed, and that any anticipated mutual aid is requested and facilitated (see the Mutual Aid and Outside Agency Assistance Policy).

428.6 UNLAWFUL ASSEMBLY DISPERSAL ORDERS

If a public gathering or demonstration remains peaceful and nonviolent, and there is no reasonably imminent threat to persons or property, the Incident Commander should generally authorize continued monitoring of the event.

Should the Incident Commander make a determination that public safety is presently or is about to be jeopardized, he/she or the authorized designee should attempt to verbally persuade event organizers or participants to disperse of their own accord. Warnings and advisements may be communicated through established communications links with leaders and/or participants or to the group.

When initial attempts at verbal persuasion are unsuccessful, the Incident Commander or the authorized designee should make a clear standardized announcement to the gathering that the event is an unlawful assembly, and should order the dispersal of the participants. The announcement should be communicated by whatever methods are reasonably available to ensure that the content of the message is clear and that it has been heard by the participants. The announcement should be amplified, made in different languages as appropriate, made from multiple locations in the affected area and documented by audio and video. The announcement should provide information about what law enforcement actions will take place if illegal behavior continues and should identify routes for egress. A reasonable time to disperse should be allowed following a dispersal order.

428.7 RESPONSE TO RESISTANCE AND AGGRESSION

Response to Resistance and Aggression is governed by current department policy and applicable law (see the Response to Resistance and Aggression, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies).

Individuals refusing to comply with lawful orders (e.g., nonviolent refusal to disperse) should be given a clear verbal warning and a reasonable opportunity to comply. If an individual refuses to comply with lawful orders, the Incident Commander shall evaluate the type of resistance and adopt a reasonable response in order to accomplish the law enforcement mission (such as dispersal or arrest of those acting in violation of the law). Control devices and TASER ® devices should be considered only when the participants' conduct reasonably appears to present the potential to

Cortez Police Department

Cortez PD CO Policy Manual

First Amendment Assemblies

harm officers, themselves or others, or will result in substantial property loss or damage (see the Control Devices and Techniques and the Conducted Energy Device policies).

Force or control devices, including oleoresin capsaicin (OC), should be directed toward individuals and not toward groups or crowds, unless specific individuals cannot reasonably be targeted due to extreme circumstances, such as a riotous crowd.

Any response to resistance and aggression by a member of this department shall be documented promptly, completely and accurately in an appropriate report. The type of report required may depend on the nature of the incident.

428.8 ARRESTS

The Cortez Police Department should respond to unlawful behavior in a manner that is consistent with the operational plan. If practicable, warnings or advisements should be communicated prior to arrest.

Mass arrests should be employed only when alternate tactics and strategies have been, or reasonably appear likely to be, unsuccessful. Mass arrests shall only be undertaken upon the order of the Incident Commander or the authorized designee. There must be probable cause for each arrest.

If employed, mass arrest protocols should fully integrate:

- (a) Reasonable measures to address the safety of officers and arrestees.
- (b) Dedicated arrest, booking and report writing teams.
- (c) Timely access to medical care.
- (d) Timely access to legal resources.
- (e) Timely processing of arrestees.
- (f) Full accountability for arrestees and evidence.
- (g) Coordination and cooperation with the prosecuting authority, jail and courts (see the Summons Releases Policy).

428.9 MEDIA RELATIONS

The staff member should use all available avenues of communication, including press releases, briefings, press conferences and social media to maintain open channels of communication with media representatives and the public about the status and progress of the event, taking all opportunities to reassure the public about the professional management of the event (see the Media Relations Policy).

428.10 DEMOBILIZATION

When appropriate, the Incident Commander or the authorized designee should implement a phased and orderly withdrawal of law enforcement resources. All relieved personnel should promptly complete any required reports, including response to resistance and aggression reports,

Cortez Police Department

Cortez PD CO Policy Manual

First Amendment Assemblies

and account for all issued equipment and vehicles to their supervisors prior to returning to normal operational duties.

428.11 POST EVENT

The Incident Commander should designate a member to assemble full documentation of the event, to include the following:

- (a) Operational plan
- (b) Any incident logs
- (c) Any assignment logs
- (d) Vehicle, fuel, equipment and supply records
- (e) Incident, arrest, response to resistance and aggression, injury and property damage reports
- (f) Photographs, audio/video recordings, Dispatch records/tapes
- (g) Media accounts (print and broadcast media)

428.11.1 AFTER-ACTION REPORTING

The Incident Supervisor should prepare a comprehensive after-action report of the event, explaining all incidents where response to resistance and aggression was used including the following:

- (a) Date, time and description of the event
- (b) Actions taken and outcomes (e.g., injuries, property damage, arrests)
- (c) Problems identified
- (d) Significant events
- (e) Recommendations for improvement; opportunities for training should be documented in a generic manner, without identifying individuals or specific incidents, facts or circumstances.

428.12 TRAINING

Department members should receive periodic training regarding this policy, as well as the dynamics of crowd control and incident management. The Department should, when practicable, train with its external and mutual aid partners.

Civil Disputes

426.1 PURPOSE AND SCOPE

This policy provides members of the Cortez Police Department with guidance for addressing conflicts between persons when no criminal investigation or enforcement action is warranted (e.g., civil matters), with the goal of minimizing any potential for violence or criminal acts.

The Domestic Violence Policy will address specific legal mandates related to domestic violence court orders. References in this policy to “court orders” apply to any order of a court that does not require arrest or enforcement by the terms of the order or by Colorado law.

426.2 POLICY

The Cortez Police Department recognizes that a law enforcement presence at a civil dispute can play an important role in the peace and safety of the community. Subject to available resources, members of this department will assist at the scene of civil disputes with the primary goal of safeguarding persons and property, preventing criminal activity and maintaining the peace. When handling civil disputes, members will remain impartial, maintain a calm presence, give consideration to all sides and refrain from giving legal or inappropriate advice.

426.3 GENERAL CONSIDERATIONS

When appropriate, members handling a civil dispute should encourage the involved parties to seek the assistance of resolution services or take the matter to the civil courts. Members must not become personally involved in disputes and shall at all times remain impartial.

While not intended to be an exhaustive list, members should give considerations to the following when handling civil disputes:

- (a) Civil disputes tend to be confrontational and members should be alert that they can escalate to violence very quickly. De-escalation techniques should be used when appropriate.
- (b) Members should not dismiss alleged or observed criminal violations as a civil matter and should initiate the appropriate investigation and report when criminal activity is apparent.
- (c) Members shall not provide legal advice, however, when appropriate, members should inform the parties when they are at risk of violating criminal laws.
- (d) Members are reminded that they shall not enter a residence or other non-public location without legal authority including valid consent.
- (e) Members should not take an unreasonable amount of time assisting in these matters and generally should contact a supervisor if it appears that peacekeeping efforts longer than 30 minutes are warranted.

426.4 COURT ORDERS

Disputes involving court orders can be complex. Where no mandate exists for an officer to make an arrest for a violation of a court order, the matter should be addressed by documenting any apparent

Cortez Police Department

Cortez PD CO Policy Manual

Civil Disputes

court order violation in a report. If there appears to be a more immediate need for enforcement action, the investigating officer should consult a supervisor prior to making any arrest.

If a person appears to be violating the terms of a court order but is disputing the validity of the order or its applicability, the investigating officer should document the following:

- (a) The person's knowledge of the court order or whether proof of service exists.
- (b) Any specific reason or rationale the involved person offers for not complying with the terms of the order.

A copy of the court order should be attached to the report when available. The report should be forwarded to the appropriate prosecutor. The report should also be forwarded to the court issuing the order with a notice that the report was also forwarded to the prosecutor for review.

426.4.1 STANDBY REQUESTS

Officers responding to a call for standby assistance to retrieve property should meet the person requesting assistance at a neutral location to discuss the process. The person should be advised that items that are disputed will not be allowed to be removed. The member may advise the person to seek private legal advice as to the distribution of disputed property.

Members should accompany the person to the location of the property. Members should ask if the other party will allow removal of the property or whether the other party would remove the property.

If the other party is uncooperative, the person requesting standby assistance should be instructed to seek private legal advice and obtain a court order to obtain the items. Officers should not order the other party to allow entry or the removal of any items. If there is a restraining or similar order against the person requesting standby assistance, that person should be asked to leave the scene or they may be subject to arrest for violation of the order.

If the other party is not present at the location, the member will not allow entry into the location or the removal of property from the location.

426.5 VEHICLES AND PERSONAL PROPERTY

Officers may be faced with disputes regarding possession or ownership of vehicles or other personal property. Officers may review documents provided by parties or available databases (e.g., vehicle registration), but should be aware that legal possession of vehicles or personal property can be complex. Generally, officers should not take any enforcement action unless a crime is apparent. The people and the vehicle or personal property involved should be identified and the incident documented.

426.6 REAL PROPERTY

Disputes over possession or occupancy of real property (e.g., land, homes, apartments) should generally be handled through a person seeking a court order.

Medical Aid and Response

427.1 PURPOSE AND SCOPE

This policy recognizes that members often encounter persons who appear to be in need of medical aid and establishes a law enforcement response to such situations.

427.2 POLICY

It is the policy of the Cortez Police Department that all officers and other designated members be trained to provide emergency medical aid and to facilitate an emergency medical response.

427.3 FIRST RESPONDING MEMBER RESPONSIBILITIES

Whenever practicable, members should take appropriate steps to provide initial medical aid (e.g., first aid, CPR, use of an automated external defibrillator (AED)) in accordance with their training and current certification levels. This should be done for those in need of immediate care and only when the member can safely do so.

Prior to initiating medical aid, the member should contact Dispatch and request response by Emergency Medical Services (EMS) as the member deems appropriate.

Members should follow universal precautions when providing medical aid, such as wearing gloves and avoiding contact with bodily fluids, consistent with the Communicable Diseases Policy. Members should use a barrier or bag device to perform rescue breathing.

When requesting EMS, the member should provide Dispatch with information for relay to EMS personnel in order to enable an appropriate response, including:

- (a) The location where EMS is needed.
- (b) The nature of the incident.
- (c) Any known scene hazards.
- (d) Information on the person in need of EMS, such as:
 1. Signs and symptoms as observed by the member.
 2. Changes in apparent condition.
 3. Number of patients, sex, and age, if known.
 4. Whether the person is conscious, breathing, and alert, or is believed to have consumed drugs or alcohol.
 5. Whether the person is showing signs of extreme agitation or is engaging in violent irrational behavior accompanied by profuse sweating, extraordinary strength beyond their physical characteristics, and imperviousness to pain.

Members should stabilize the scene whenever practicable while awaiting the arrival of EMS.

Members should not direct EMS personnel regarding whether to transport the person for treatment.

Cortez Police Department

Cortez PD CO Policy Manual

Medical Aid and Response

427.4 TRANSPORTING ILL AND INJURED PERSONS

Except in extraordinary cases where alternatives are not reasonably available, members should not transport persons who are not in custody and who are unconscious, who have serious injuries, or who may be seriously ill. EMS personnel should be called to handle patient transportation.

For guidelines regarding transporting ill or injured persons who are in custody, see the Transporting Persons in Custody Policy.

Members should not provide emergency escort for medical transport or civilian vehicles.

427.5 PERSONS REFUSING EMS CARE

If a person who is not in custody refuses EMS care or refuses to be transported to a medical facility, an officer shall not force that person to receive care or be transported.

However, members may assist EMS personnel when EMS personnel determine the person lacks the mental capacity to understand the consequences of refusing medical care or to make an informed decision and the lack of immediate medical attention may result in serious bodily injury or the death of the person.

In cases where a mental health crisis, behavioral health crisis, or substance abuse disorder may be a factor, the officer should consider proceeding with an M.5 in accordance with the Civil Commitments Policy.

If an officer believes that a person who is in custody requires EMS care and the person refuses, the officer should encourage the person to receive medical treatment. The officer may also consider contacting a family member to help persuade the person to agree to treatment or who may be able to authorize treatment for the person.

If the person who is in custody still refuses, the officer will require the person to be transported to the nearest medical facility. In such cases, the officer should consult with a supervisor prior to the transport.

Members shall not sign refusal-for-treatment forms or forms accepting financial responsibility for treatment.

427.6 SICK OR INJURED ARRESTEE

If an arrestee appears ill or injured, or claims illness or injury, the arrestee should be medically cleared prior to booking. If the officer has reason to believe the arrestee is feigning injury or illness, the officer should contact a supervisor, who will determine whether medical clearance will be obtained prior to booking.

If the jail or detention facility refuses to accept custody of an arrestee based on medical screening, the officer should note the name of the facility person refusing to accept custody and the reason for refusal, and should notify a supervisor to determine the appropriate action.

Arrestees who appear to have a serious medical issue should be transported by ambulance to an appropriate medical facility.

Cortez Police Department

Cortez PD CO Policy Manual

Medical Aid and Response

Nothing in this section should delay an officer from requesting EMS when an arrestee reasonably appears to be exhibiting symptoms that appear to be life threatening, including breathing problems or an altered level of consciousness, or is claiming an illness or injury that reasonably warrants an EMS response in accordance with the officer's training.

427.6.1 HOSPITAL SECURITY AND CONTROL

Officers who transport persons in custody to medical facilities for treatment should provide security and control during examination and treatment consistent with department protocols. Any such transport should be conducted in accordance with the Transporting Persons in Custody Policy.

The Patrol Lieutenant should develop protocols related to the following:

- (a) Providing security and control during an examination or treatment, including:
 1. Monitoring the person in custody (e.g., guarding against escape, suicide, and assault of others)
 2. Removal of restraints, if necessary and appropriate (see the Handcuffing and Restraints Policy)
- (b) Responsibility for continuing security and control if the person in custody is admitted to the hospital
 1. This should include transferring custody of the person to an appropriate agency.

427.7 MEDICAL ATTENTION RELATED TO USE OF FORCE

Specific guidelines for medical attention for injuries sustained from a use of force may be found in the Response to Resistance and Aggression, Handcuffing and Restraints, Control Devices and Techniques, and Conducted Energy Device policies.

427.8 AIR AMBULANCE

Generally, when on-scene, EMS personnel will be responsible for determining whether an air ambulance response should be requested. An air ambulance may be appropriate when there are victims with life-threatening injuries or who require specialized treatment (e.g., gunshot wounds, burns, obstetrical cases), and distance or other known delays will affect the EMS response.

The Patrol Lieutenant should develop guidelines for air ambulance landings or enter into local operating agreements with the fire department for the use of air ambulances, as applicable. In creating those guidelines, the Department should identify:

- Responsibility and authority for designating a landing zone and determining the size of the landing zone is at the direction of fire department personnel.
- Responsibility for securing the area and maintaining that security once the landing zone is identified.
- Consideration of the air ambulance provider's minimum standards for proximity to vertical obstructions and surface composition (e.g., dirt, gravel, pavement, concrete, grass).

Cortez Police Department

Cortez PD CO Policy Manual

Medical Aid and Response

- Consideration of the air ambulance provider's minimum standards for horizontal clearance from structures, fences, power poles, antennas or roadways.
- Responsibility for notifying the appropriate highway or transportation agencies if a roadway is selected as a landing zone.
- Procedures for ground personnel to communicate with flight personnel during the operation.

One department member at the scene should be designated as the air ambulance communications contact. Headlights, spotlights and flashlights should not be aimed upward at the air ambulance. Members should direct vehicle and pedestrian traffic away from the landing zone.

Members should follow these cautions when near an air ambulance:

- Never approach the aircraft until signaled by the flight crew.
- Always approach the aircraft from the front.
- Avoid the aircraft's tail rotor area.
- Wear eye protection during landing and take-off.
- Do not carry or hold items, such as IV bags, above the head.
- Ensure that no one smokes near the aircraft.

427.9 ADMINISTRATION OF OPIOID ANTAGONIST

Only members authorized by the Department may possess or administer an opioid antagonist such as naloxone hydrochloride or any similarly acting drug for the treatment of a drug overdose. The medication shall be administered in accordance with written protocol specified by the medical professional who prescribed the overdose medication for use by the member (CRS § 12-30-110; CRS § 12-255-128).

427.9.1 OPIOID ANTAGONIST USER RESPONSIBILITIES

Members who are qualified to administer an opioid antagonist should handle, store, and administer the medication consistent with their training. Members should check the medication and associated administration equipment at the beginning of their shift to ensure they are serviceable and not expired. Any expired medication or unserviceable administration equipment should be removed from service and given to the Patrol Lieutenant.

Any member who administers an opioid antagonist should contact Dispatch as soon as possible and request response by EMS.

427.9.2 OPIOID ANTAGONIST REPORTING

Any member administering an opioid antagonist should detail its use in an appropriate report.

The Patrol Lieutenant will ensure that the Records Techs is provided enough information to meet applicable state reporting requirements.

Cortez Police Department

Cortez PD CO Policy Manual

Medical Aid and Response

427.9.3 OPIOID ANTAGONIST TRAINING

The Patrol Lieutenant should ensure training is provided to members authorized to administer an opioid antagonist.

427.10 FIRST-AID TRAINING

The Patrol Lieutenant should ensure officers receive periodic first-aid training appropriate for their position.

[Mobile Digital Terminal] Use

428.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the proper access, use, and application of the [Mobile Digital Terminal] ([MDT/MDC]) system in order to ensure appropriate access to confidential records from local, state, and national law enforcement databases, and to ensure effective electronic communications between department members and Dispatch. See the CJIS Access, Maintenance, and Security Policy for additional guidance.

428.2 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to messages accessed, transmitted, received or reviewed on any department technology system (see the Information Technology Use Policy for additional guidance).

428.3 RESTRICTED ACCESS AND USE

[MDT/MDC] use is subject to the Information Technology Use, Protected Information, and CJIS Access, Maintenance, and Security policies.

Members shall not access the [MDT/MDC] system if they have not received prior authorization and the required training. Members shall immediately report unauthorized access or use of the [MDT/MDC] by another member to their supervisors or Shift Sergeants.

Use of the [MDT/MDC] system to access law enforcement databases or transmit messages is restricted to official activities, business-related tasks, or communications that are directly related to the business, administration, or practices of the Department. In the event that a member has questions about sending a particular message or accessing a particular database, the member should seek prior approval from their supervisor.

Sending derogatory, defamatory, obscene, disrespectful, sexually suggestive, harassing, or any other inappropriate messages on the [MDT/MDC] system is prohibited and may result in discipline.

It is a violation of this policy to transmit a message or access a law enforcement database under another member's name or to use the password of another member to log in to the [MDT/MDC] system unless directed to do so by a supervisor. Members are required to log off the [MDT/MDC] or secure the [MDT/MDC] when it is unattended. This added security measure will minimize the potential for unauthorized access or misuse.

428.3.1 USE WHILE DRIVING

Use of the [MDT/MDC] by the vehicle operator should be limited to times when the vehicle is stopped. Information that is required for immediate enforcement, investigative, tactical or safety needs should be transmitted over the radio (CRS § 42-4-201).

In no case shall an operator attempt to send or review lengthy messages while the vehicle is in motion.

Cortez Police Department

Cortez PD CO Policy Manual

[Mobile Digital Terminal] Use

At no time when the vehicle is in motion should the display be viewed by the driver for visual entertainment, including Internet browsing or the use of social media or email.

428.4 POLICY

Cortez Police Department members using the [MDT/MDC] shall comply with all appropriate federal and state rules and regulations and shall use the [MDT/MDC] in a professional manner, in accordance with this policy.

428.5 DOCUMENTATION OF ACTIVITY

Except as otherwise directed by the Shift Sergeant or other department-established protocol, all calls for service assigned by a dispatcher should be communicated by voice over the police radio and electronically via the [MDT/MDC] unless security or confidentiality prevents such broadcasting.

[MDT/MDC] and voice transmissions are used to document the member's daily activity. To ensure accuracy:

- (a) All contacts or activity shall be documented at the time of the contact.
- (b) Whenever the activity or contact is initiated by voice, it should be documented by a dispatcher.
- (c) Whenever the activity or contact is not initiated by voice, the member shall document it via the [MDT/MDC].

428.5.1 STATUS CHANGES

All changes in status (e.g., arrival at scene, meal periods, in service) will be transmitted over the police radio or through the [MDT/MDC] system.

Members responding to in-progress calls should advise changes in status over the radio to assist other members responding to the same incident. Other changes in status can be made on the [MDT/MDC] when the vehicle is not in motion.

428.5.2 EMERGENCY ACTIVATION

If there is an emergency activation and the member does not respond to a request for confirmation of the need for emergency assistance or confirms the need, available resources will be sent to assist in locating the member. If the location is known, the nearest available officer should respond in accordance with the Officer Response to Calls Policy.

Members should ensure a field supervisor and the Shift Sergeant are notified of the incident without delay.

Officers not responding to the emergency shall refrain from transmitting on the police radio until a no-further-assistance broadcast is made or if they are also handling an emergency.

428.6 EQUIPMENT CONSIDERATIONS

Cortez Police Department

Cortez PD CO Policy Manual

[Mobile Digital Terminal] Use

428.6.1 MALFUNCTIONING [MDT/MDC]

Whenever possible, members will not use vehicles with malfunctioning [MDT/MDC]s. Whenever members must drive a vehicle in which the [MDT/MDC] is not working, they shall notify Dispatch. It shall be the responsibility of the dispatcher to document all information that will then be transmitted verbally over the police radio.

428.6.2 BOMB CALLS

When investigating reports of possible bombs, members should not communicate on their [MDT/MDC]s when in the evacuation area of a suspected explosive device. Radio frequency emitted by the [MDT/MDC] could cause some devices to detonate.

Body-Worn Cameras

429.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the use of a body-worn camera (BWC) by members of this department and for the access, use, and retention of department BWC media.

The provisions of this policy, including notice, documentation, access, and retention, also apply to other portable audio/video recording devices used by members, where applicable.

This policy does not apply to undercover operations, wiretaps, or eavesdropping (concealed listening devices).

429.1.1 DEFINITIONS

Definitions related to this policy include:

Activate - To place a BWC in active mode (also called event mode). In active mode, the BWC records both video and audio.

BWC media - The video, audio, and images captured by department BWCs and the associated metadata.

BWC media systems - Any software, including web-based programs and mobile applications, used by the Department to upload/download, store, view, transfer, and otherwise maintain BWC media.

Deactivate - To place a BWC in buffering mode (also called ready or pre-event mode). In buffering mode, the BWC records video (without audio) in short, predetermined intervals that are retained only temporarily. However, when a BWC is activated, the interval recorded immediately prior to activation is then stored as part of the BWC media. Deactivate does not mean powering off the BWC.

Event - A general term referring to a set of circumstances that may, but does not necessarily, correlate directly to a single public safety incident.

429.2 POLICY

It is the policy of the Department to use BWCs and BWC media for evidence collection and to accurately document events in a way that promotes member safety and department accountability and transparency while also protecting the privacy of members of the public.

429.3 RESPONSIBILITIES

429.3.1 BWC COORDINATOR RESPONSIBILITIES

The Chief of Police or the authorized designee should delegate certain responsibilities to a BWC coordinator.

The responsibilities of the coordinator include:

Cortez Police Department

Cortez PD CO Policy Manual

Body-Worn Cameras

- (a) Serving as a liaison between the Department and the BWC manufacturer/distributor and any third-party media storage vendor.
- (b) Acquiring sufficient BWCs to equip all members required to wear BWCs on-duty (CRS § 24-31-902).
- (c) Developing inventory procedures for issuing and tracking BWC equipment, including properly marking BWCs as property of the Department and recording the date each BWC is placed into or taken out of service.
- (d) Assisting with troubleshooting and maintenance of BWC equipment and media systems and, when necessary, coordinating the repair or replacement of BWCs.
 - 1. All equipment and system malfunctions and their resolutions should be documented, and maintenance and repair records should be maintained for all BWCs.
- (e) Managing BWC media systems so that:
 - 1. Access is limited to the minimum necessary authorized users and user privileges are restricted to those necessary for the member to conduct assigned department duties.
 - 2. Security requirements, such as two-factor authentication and appropriate password parameters, are in place for user credentials.
- (f) Configuring BWC media systems, or developing manual procedures, so that media is appropriately categorized and retained according to the event type tagged by members.
- (g) Retaining audit logs or records of all access, alteration, and deletion of BWC media and media systems, and conducting periodic audits to ensure compliance with applicable laws, regulations, and department policy.
- (h) Developing and updating BWC training for members who are assigned a BWC or given access to BWC media systems.
- (i) Coordinating with the community relations coordinator to (see the Community Relations Policy):
 - 1. Provide the public with notice of the department's use of BWCs (e.g., posting on the department website or social media pages).
 - 2. Gain insight into community expectations regarding BWC use.
- (j) Coordinating with the Records Techs to (see the Records Section and Records Maintenance and Release policies):
 - 1. Determine and apply proper retention periods to BWC media.
 - 2. Develop procedures for the appropriate release of BWC media.
- (k) Coordinating with the Evidence Room to develop procedures for the transfer, storage, and backup of evidentiary BWC media (see the Property and Evidence Policy).
- (l) Completing an annual administrative review of the BWC program and providing it to the Chief of Police for review.

429.3.2 MEMBER RESPONSIBILITIES

Every member issued a BWC is responsible for its proper use, safekeeping, and maintenance.

At the beginning of each shift or period of BWC use, the member should inspect their assigned BWC to confirm it is charged and in good working order. As part of the inspection, the member should perform a function test by activating the BWC and recording a brief video stating their name, identification number, assignment, and the date and time.

Members should wear their assigned BWC on their outermost garment positioned at or near chest level and as close to the center of their body as practicable. Members are responsible for ensuring there are no obstructions and that the BWC remains in a position suitable for recording.

When a BWC is not in the physical possession of the member to which it is assigned, it should be placed on the charging dock and stored in a secure location.

Members shall report any malfunction or damage to the BWC coordinator or on-duty supervisor as soon as practicable and, if possible, obtain a functioning BWC to use either temporarily while repairs are being made to the member's BWC or as a permanent replacement.

429.4 BWC USE

The following guidelines apply to the use of BWCs:

- (a) Only department-issued BWCs should be used. Members are prohibited from using any other BWC without the express consent of the Chief of Police or the authorized designee.
- (b) BWCs should only be used by the member or members to whom it was issued unless otherwise authorized by a supervisor.
- (c) The use of department-issued BWCs shall be strictly limited to department-related activities.
- (d) Members shall not use BWCs or BWC media systems for which they have not received prior authorization and appropriate training.
- (e) Members shall immediately report unauthorized access or use of BWCs or BWC media systems by another member to their supervisor or the Chief of Police.

429.4.1 PROHIBITIONS

BWCs should not be used to record:

- (a) Routine administrative activities of the Department that do not involve interactions with the public. Care should be taken to avoid incidentally recording confidential documents that the Department has a duty to keep secure (i.e., criminal justice information).
- (b) Areas within the department facilities where members have a reasonable expectation of privacy (e.g., locker rooms or dressing areas, breakrooms) unless responding to a call for service or conducting an investigation.
- (c) Conversations of other members without their knowledge.

Cortez Police Department

Cortez PD CO Policy Manual

Body-Worn Cameras

- (d) When a member is taking an authorized break or otherwise engaged in personal activities.
- (e) In a courtroom unless responding to a call for service or emergency situation.
- (f) Interactions with undercover officers or confidential informants.
- (g) Strip searches.

BWCs shall not be used for the purpose of embarrassment, harassment, or ridicule of any individual or group.

429.5 ACTIVATION OF BWC

Members shall activate their BWC during all calls for service and the performance of law enforcement-related functions (CRS § 24-31-902). As soon as practicable, after the activation of a vehicle's emergency light and sirens, members should activate their BWC. Members are not required to activate their BWC during casual or informal contacts with members of the public that are not part of or related to law enforcement functions. However, members should activate their BWC any time a contact with an individual becomes hostile or adversarial.

Unless otherwise authorized by this policy or approved by a supervisor, BWCs should remain activated until the call for service or law enforcement-related function has concluded. A member may cease recording if they are simply waiting for a tow truck or a family member to arrive, or in other similar situations.

At no time is a member expected to jeopardize their safety to activate their BWC. However, the BWC should be activated as soon as reasonably practicable in required situations.

If a member attempts to activate their BWC but the BWC fails to record an event, the member should notify their supervisor as soon as practicable.

429.5.1 NOTICE OF RECORDING

Unless otherwise approved based on unique circumstances, a member should wear the BWC in a manner that is conspicuous and shall answer truthfully if asked whether they are equipped with a BWC or if their BWC is activated.

429.5.2 PRIVACY CONSIDERATIONS

Members should remain sensitive to the dignity of individuals being recorded and should exercise sound discretion with respect to privacy concerns.

When responding to a place where individuals have an expectation of privacy (e.g., private residences, medical or mental health facilities, restrooms) or to a sensitive situation (e.g., individuals partially or fully unclothed), members are permitted to mute or deactivate their BWC if it reasonably appears that the privacy concern outweighs any legitimate department interest in recording the event. Members may also mute or deactivate their BWC (CRS § 24-31-902):

- (a) To avoid recording personal information that is not related to the case.
- (b) When there is a long break in the incident.

Cortez Police Department

Cortez PD CO Policy Manual

Body-Worn Cameras

- (c) In administrative, tactical, and management discussions when civilians are not present.

Members should choose to mute rather than deactivate BWCs when practicable. Deactivation should only be used when muting the BWC will not accomplish the level of privacy necessary for the situation.

Before muting or deactivating their BWC, the member should verbally narrate the reason on the recording. As soon as possible once the privacy concern is no longer an issue, or when circumstances change so that the privacy concern no longer outweighs the department's interest in recording the event (e.g., the individual becomes combative, the conversation ends), the member should unmute or reactivate their BWC and verbally note that recording has resumed.

429.5.3 LIVESTREAMING

Livestreaming enables authorized individuals to remotely view the audio and video captured by a member's BWC in real time. Only supervisors and [dispatcher]s approved by the Chief of Police or the authorized designee shall have access to livestreaming capabilities.

Livestreaming should only be activated:

- (a) For purposes of member safety when the member is not responding to their radio or there is some other indication of distress.
- (b) To assist with situational awareness or tactical decisions during a significant incident.
- (c) When requested by the member.

429.5.4 DOCUMENTATION

Members are encouraged to provide narration while using a BWC when it would be useful to provide context or clarification of the events being recorded. However, the use of a BWC is not a replacement for written reports and should not be referred to in a written report in place of detailing the event.

Every report prepared by a member who is issued a BWC should state "BWC available" or "BWC unavailable," as applicable, and should document:

- (a) To the extent practicable and relevant, the identity of individuals appearing in the BWC media.
- (b) An explanation of why BWC media is unavailable including any malfunction, damage, or battery issue that resulted in the failure of the BWC to capture all or part of the event.
- (c) Any exigency or other circumstances that prevented the member from immediately activating the recording at the beginning of the event.
- (d) Any period of the event in which the member deactivated or muted their BWC and the reason for such action.
- (e) If livestreaming was activated during the event, the reason for livestreaming and the members who communicated or participated in the event through BWC livestreaming.

Body-Worn Cameras

429.6 UPLOADING BWC MEDIA

Unless otherwise authorized by a supervisor, all media from a member's BWC should be properly uploaded and tagged before the end of their shift. BWC media related to a serious or high-profile event (e.g., search for a missing child, active shooter situation) should be uploaded and tagged as soon as practicable upon returning to the Department.

Following an officer involved shooting or death or other event deemed necessary, a supervisor should take possession of the BWC for each member present and upload and tag the BWC media.

429.6.1 TAGGING BWC MEDIA

Members should tag all media captured by their BWC with their name and/or identification number, the case or incident number, and the event type. BWC media should be tagged upon uploading or, if capabilities permit tagging in the field, as close to the time of the event as possible. If more than one event type applies to BWC media, it should be tagged with each event type. If BWC media can only be tagged with a single event type, the media should be tagged using the event type with the longest retention period.

BWC media depicting sensitive circumstances or events should be tagged as restricted. BWC media should be flagged for supervisor review when it pertains to a significant event such as:

- (a) An incident that is the basis of a formal or informal complaint or is likely to result in a complaint.
- (b) When a member has sustained a serious injury or a line-of-duty death has occurred.
- (c) When a firearm discharge or use of force incident has occurred.
- (d) An event that has attracted or is likely to attract significant media attention.

Supervisors should conduct audits at regular intervals to confirm BWC media is being properly uploaded and tagged by their subordinates.

429.7 BWC MEDIA

All BWC media is the sole property of the Department. Members shall have no expectation of privacy or ownership interest in the content of BWC media.

All BWC media shall be stored and transferred in a manner that is physically and digitally secure with appropriate safeguards to prevent unauthorized modification, use, release, or transfer. Contracts with any third-party vendors for the storage of BWC media should include provisions specifying that all BWC media remains the property of the Department and shall not be used by the vendor for any purpose without explicit approval of the Chief of Police or the authorized designee.

Members shall not alter, copy, delete, release, or permit access to BWC media other than as permitted in this policy without the express consent of the Chief of Police or the authorized designee.

BWC media systems should not be accessed using personal devices unless authorized by the Chief of Police or the authorized designee.

Body-Worn Cameras

429.7.1 ACCESS AND USE OF BWC MEDIA

BWC media systems shall only be accessed by authorized members using the member's own login credentials and in accordance with the Information Technology Use Policy.

BWC media shall only be accessed and viewed for legitimate department-related purposes in accordance with the following guidelines:

- (a) BWC media tagged as restricted should only be accessible by those designated by the Chief of Police or the authorized designee.
- (b) Members may review their own BWC media for department-related purposes. Members should document in their report if they reviewed BWC media before completing the report.
- (c) Investigators may review BWC media pertaining to their assigned cases.
- (d) A member testifying regarding a department-related event may review the pertinent BWC media before testifying.
- (e) Supervisors are permitted to access and view BWC media of their subordinates.
 - 1. Supervisors should review BWC media that is tagged as a significant event or that the supervisor is aware pertains to a significant event.
 - 2. Supervisors should conduct documented reviews of their subordinate's BWC media at least annually to evaluate the member's performance, verify compliance with department procedures, and determine the need for additional training. The review should include a variety of event types when possible. Supervisors should review BWC media with the recording member when it would be beneficial to provide guidance or to conduct one-on-one informal training for the member.
 - 3. Supervisors should conduct periodic reviews of a sample of each subordinate's BWC media to evaluate BWC use and ensure compliance with this policy.
- (f) The Patrol Lieutenant is permitted to access and view BWC media for training purposes.
 - 1. The Patrol Lieutenant should conduct a quarterly review of a random sampling of BWC media to evaluate department performance and effectiveness and to identify specific areas where additional training or changes to protocols would be beneficial. Training Committee members may review BWC media as part of their review to identify training needs.
 - 2. The Patrol Lieutenant may use BWC media for training purposes with the approval of the Chief of Police or the authorized designee. The Patrol Lieutenant should use caution to avoid embarrassing or singling out a member and, to the extent practicable, should seek consent from the members appearing in the BWC media before its use for training. When practicable, sensitive issues depicted in BWC media should be redacted before being used for training.
- (g) The Records Techs may access BWC media when necessary to conduct department-related duties.

Cortez Police Department

Cortez PD CO Policy Manual

Body-Worn Cameras

- (h) The BWC coordinator may access BWC media and the BWC media system as needed to ensure the system is functioning properly, provide troubleshooting assistance, conduct audits, and fulfill other responsibilities related to their role.

429.7.2 PUBLIC ACCESS

Unless disclosure is required by law or a court order, BWC media should not be released to the public if it unreasonably violates a person's privacy or sense of dignity or depicts the interior of:

- (a) A private residence.
- (b) A facility that offers health care, mental health or substance abuse treatment, or social services.
- (c) A school building.
- (d) Any other building in which public access is restricted or which implicates heightened security concerns.

Requests for the release of BWC media shall be processed in accordance with the Records Maintenance and Release Policy and the Enhance Law Enforcement Integrity Act (CRS § 24-31-902). The Records Techs should review BWC media before public release.

429.8 RETENTION OF BWC MEDIA

Non-evidentiary BWC media should be retained in accordance with state records retention laws.

Unless circumstances justify continued retention, BWC media should be permanently deleted upon the expiration of the retention period in a way that it cannot be retrieved. BWC media shall not otherwise be deleted by any person without the authorization of the Chief of Police or the authorized designee.

429.8.1 EVIDENTIARY BWC MEDIA

BWC media relevant to a criminal prosecution should be exported from the BWC media system and securely transferred to digital evidence storage according to established department procedures. Evidentiary BWC media is subject to the same laws, policies, and procedures as all other evidence, including chain of custody, accessibility, and retention periods (see the Property and Evidence Policy).

429.9 TRAINING

The BWC coordinator should ensure that each member issued a BWC receives initial training before use, and periodic refresher training thereafter. Training should include:

- (a) Proper use of the BWC device and accessories.
- (b) When BWC activation is required, permitted, and prohibited.
- (c) How to respond to an individual's request to stop recording.
- (d) Proper use of the BWC media systems, including uploading and tagging procedures.
- (e) Security procedures for BWC media, including appropriate access and use.

Members who are not issued a BWC but who have access to BWC media systems shall receive training on the BWC media system, including appropriate access, use, and security procedures.

Chapter 5 - Traffic Operations

Traffic Function and Responsibility

500.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for improving public safety through education and enforcement of traffic-related laws.

500.2 POLICY

It is the policy of the Cortez Police Department to educate the public on traffic-related issues and to enforce traffic laws. The efforts of the Department will be driven by such factors as the location and/or number of traffic accidents, civilian complaints, traffic volume, traffic conditions, and other traffic-related needs. The ultimate goal of traffic law enforcement and education is to increase public safety.

500.3 DEPLOYMENT

Enforcement efforts may include such techniques as geographic/temporal assignment of department members and equipment, the establishment of preventive patrols to deal with specific categories of unlawful driving, and a variety of educational activities. These activities should incorporate methods that are suitable to the situation; timed to events, seasons, past traffic problems or locations; and, whenever practicable, preceded by enforcement activities.

Several factors are considered in the development of deployment schedules for department members. State and local data on traffic accidents are a valuable resource. Factors for analysis include but are not limited to:

- Location.
- Time.
- Day.
- Violation factors.
- Requests from the public.
- Construction zones.
- School zones.
- Special events.

Department members assigned to uniformed patrol or traffic enforcement functions will emphasize the enforcement of violations that contribute to traffic accidents, and also will consider the hours and locations where traffic accidents tend to occur. Members will take directed enforcement action on request, and random enforcement action when appropriate. Members shall maintain high visibility while working general enforcement, especially in areas where traffic accidents frequently occur.

Cortez Police Department

Cortez PD CO Policy Manual

Traffic Function and Responsibility

500.4 ENFORCEMENT

Enforcement actions are commensurate with applicable laws and take into account the degree and severity of the violation committed. This department does not establish ticket quotas and the number of arrests or citations issued by any officer shall not be used as the sole criterion for evaluating officer overall performance. The visibility and quality of an officer's work effort will be commensurate with the philosophy of this policy. Several methods are effective in the reduction of collisions (CRS § 42-4-101 and CRS § 42-4-104):

500.4.1 WARNINGS AND STOPS WITHOUT CITATION OR ARREST

Warnings should be considered in minor traffic infractions and substituted for arrests or citations when circumstances warrant. Circumstances that do not result in a citation or arrest require providing a business card in compliance with the law, as outlined in the Bias-Based Policing Policy.

500.4.2 TRAFFIC CITATIONS

Traffic citations may be issued when an officer believes it is appropriate. It is essential that officers fully explain the rights and requirements imposed on motorists upon issuance of a citation for a traffic violation. Officers should provide the following information at minimum:

- (a) Explanation of the violation or charge
- (b) Court appearance procedure, including the optional or mandatory appearance by the motorist
- (c) Notice of whether the motorist can enter a plea and pay the fine by mail or at the court
- (d) The court contact information

500.4.3 TRAFFIC CITATION COURT JURISDICTION

An officer who issues a traffic citation shall ensure that the place specified in the summons, complaint or penalty assessment notice is a county court within the county in which the offense is alleged to have been committed (CRS § 42-4-1707(5)).

500.4.4 PHYSICAL ARREST

Physical arrest can be made on a number of criminal traffic offenses. These physical arrest cases usually deal with but are not limited to (CRS § 42-4-1705(1)):

- (a) Vehicular homicide.
- (b) Driving under the influence of alcohol/drugs.
- (c) Hit-and-run resulting in serious injury or death.
- (d) Hit-and-run resulting in damage to any vehicle or property.
- (e) Reasonable cause to believe the violator may leave the state.

500.5 SUSPENDED OR REVOKED DRIVER'S LICENSE

If an officer contacts a traffic violator also driving on a suspended or revoked license, the officer should issue a traffic citation or make an arrest as appropriate.

Cortez Police Department

Cortez PD CO Policy Manual

Traffic Function and Responsibility

500.6 HIGH-VISIBILITY VESTS

The Department has provided American National Standards Institute (ANSI) Class II high-visibility vests to reduce the danger to employees who may be exposed to hazards presented by passing traffic, construction vehicles and disaster recovery equipment (Federal Manual on Uniform Traffic Control Devices, 23 CFR 655.601).

Although intended primarily for use while performing traffic-related assignments, high-visibility vests should be worn at any time increased visibility would improve the safety or efficiency of the employee.

500.6.1 REQUIRED USE

Except when working in a potentially adversarial or confrontational role, such as during vehicle stops, high-visibility vests should be worn at any time it is anticipated that an employee will be exposed to the hazards of approaching traffic or construction and recovery equipment. Examples of when high-visibility vests should be worn include traffic control duties, accident investigations, lane closures and while at disaster scenes, or anytime high visibility is desirable. When emergency conditions preclude the immediate donning of the vest, officers should retrieve and wear the vest as soon as conditions reasonably permit. Use of the vests shall also be mandatory when directed by a supervisor.

Vests maintained in the investigation units may be used anytime a plainclothes officer might benefit from being readily identified as an officer.

Traffic Accident Response and Reporting

501.1 PURPOSE AND SCOPE

The public safety responsibilities of law enforcement include responding to traffic accidents, providing aid and assistance, documentation of the incident and identification of criminal activity. The Cortez Police Department prepares traffic accident reports in compliance with CRS § 42-4-1606 and as a public service makes traffic accident information available to the public.

501.2 CALL RESPONSE

Officers should respond without delay when dispatched to a traffic accident. A traffic accident with injuries reported may include an emergency response if the officer reasonably believes such a response is appropriate.

501.2.1 RESPONSE CONSIDERATIONS

An officer responding to and upon arrival at an accident, should consider the following:

- (a) The most appropriate route to the incident
- (b) Proper placement of the emergency vehicle to provide protection for officers and the scene
- (c) Potential for involvement of hazardous materials
- (d) Additional support that may be necessary (e.g., traffic control, medical aid, HAZMAT, ambulance, tow vehicles and airship landing)
- (e) Providing first aid to any injured parties if it can be done safely, and obtaining medical assistance as necessary
- (f) Traffic control and protection of the scene
- (g) Clearance of the roadway

501.3 ACCIDENT INVESTIGATION

Investigation of traffic collisions should include, at minimum, the following:

- (a) Identification and interview of all involved parties
- (b) Identification and interview of any witnesses
- (c) Determination if any crime has occurred and taking appropriate enforcement action
- (d) Identification and protection of items of apparent evidentiary value
- (e) Documentation of the incident as necessary (e.g., statements, measurements, photographs, collection of evidence and reporting) on appropriate report forms

501.4 TAKING ENFORCEMENT ACTION

After a thorough investigation in which physical evidence or independent witness statements indicate that a violation of Colorado law led to the accident, officers should issue a traffic citation or

Cortez Police Department

Cortez PD CO Policy Manual

Traffic Accident Response and Reporting

a misdemeanor citation to the offending driver. Officers may arrest a person when there is probable cause to believe that an offense was committed by the person to be arrested (CRS § 16-3-102).

Incidents involving more serious violations, such as driving under the influence of drugs or alcohol, vehicular manslaughter or other felonies, shall be enforced immediately. If a driver subject to enforcement is admitted to a hospital, a supervisor shall be contacted to determine the best enforcement option.

501.5 TRAFFIC ACCIDENT REPORTING

501.5.1 OFFICER RESPONSIBILITIES

Department members shall utilize forms approved by the Department of Revenue, Motor Vehicle Division (CRS § 42-4-1608) for the reporting of traffic accidents. All traffic accident reports taken by members of this department shall be forwarded to the Patrol Sergeant for approval and data entry into the records management system.

501.5.2 MODIFICATIONS TO TRAFFIC ACCIDENT REPORTS

A change or modification of a written report that alters a material fact in the report may be made only by the person who prepared the report. A written supplemental report may be made by any authorized employee.

501.6 REPORTING SITUATIONS

501.6.1 TRAFFIC ACCIDENTS INVOLVING CITY VEHICLES

Traffic accident investigation reports shall be taken when a City-owned vehicle is involved in a traffic accident on a roadway or highway, wherein any damage or injury results. A general information report may be taken in lieu of a traffic accident report at the direction of a supervisor when the accident occurs on private property or does not involve another vehicle. Whenever there is damage to a City vehicle, a vehicle damage report shall be completed and forwarded to the appropriate Lieutenant.

Photographs of the accident scene and vehicle damage shall be taken at the discretion of the traffic investigator or any supervisor.

501.6.2 INJURY OR FATALITY TRAFFIC ACCIDENTS WITH POLICE DEPARTMENT EMPLOYEES

When an employee of this department, either on- or off-duty, is involved in a traffic accident within the jurisdiction of the Cortez Police Department and it results in a serious injury or fatality, the Patrol Sergeant or the Shift Sergeant should request the Colorado State Patrol (CSP) or other outside agency to complete an investigation and report.

501.6.3 TRAFFIC COLLISIONS WITH OTHER CITY EMPLOYEES OR OFFICIALS

The Patrol Sergeant or Shift Sergeant may request assistance from the CSP or other outside agency for the investigation of any traffic accident involving any City official or employee where a serious injury or fatality has occurred.

Cortez Police Department

Cortez PD CO Policy Manual

Traffic Accident Response and Reporting

501.6.4 TRAFFIC COLLISIONS INVOLVING INJURED ANIMALS

Department members should refer to the Animal Control Policy when a traffic accident involves disposition of an injured animal.

501.7 NOTIFICATION OF PATROL SERGEANT

In the event of a serious injury or death-related traffic accident, the Officer shall notify the Patrol Sergeant to relate the circumstances of the traffic accident and seek assistance from the Patrol Sergeant. In the absence of a Patrol Sergeant, an investigator may be assigned to investigate the traffic accident.

501.8 NOTIFICATION OF NEXT OF KIN

If a traffic accident causes a life-threatening injury or fatality, the supervisor responsible for the incident should ensure notification of the victim's next of kin or coordinate such notification with the Coroner, department chaplain or another suitable person. Notification should be made as soon as practicable following positive identification of the victim.

The identity of any person seriously injured or deceased in a traffic accident should not be released until notification is made to the victim's next of kin.

Vehicle Towing and Release Policy

502.1 PURPOSE AND SCOPE

This policy provides the procedures for towing a vehicle by or at the direction of the Cortez Police Department and under the authority of CRS § 42-4-1803.

502.2 RESPONSIBILITIES

The responsibilities of those employees storing or impounding a vehicle are as follows.

502.2.1 COMPLETION OF VEHICLE IMPOUND/STORAGE FORM

Department members requesting towing of a vehicle shall complete a vehicle tow-in form that includes written authorization pursuant to CRS § 42-4-1803(1)(b) for the tow truck operator to possess the vehicle and a description of property within the vehicle. A copy is to be given to the tow truck operator and the original is to be submitted to the Records Section as soon as practicable after the vehicle is stored.

Approved storage forms shall be promptly placed into the case file so that they are immediately available for release or for information should inquiries be made.

502.2.2 REMOVAL OF A VEHICLE DISABLED IN A TRAFFIC ACCIDENT

When a vehicle has been involved in a traffic accident and must be removed from the scene, the officer shall have the driver select a towing company, if reasonably possible, and shall relay the request for the specified towing company to Dispatch. When there is no preferred company requested, a company will be selected from the rotational list of towing companies in Dispatch.

If the owner is incapacitated or for any reason it is necessary for the Department to assume responsibility for a vehicle involved in an accident, the officer shall request the dispatcher to call a company selected from the rotational list of towing companies. The officer will then conduct an inventory and store the vehicle using a vehicle impound/storage form.

502.2.3 DRIVING A NON-CITY VEHICLE

Vehicles that have been towed by or at the direction of the Department should not be driven by police personnel unless it is necessary to move a vehicle a short distance to eliminate a hazard, prevent the obstruction of a fire hydrant or to comply with parking regulations.

502.2.4 DISPATCHER'S RESPONSIBILITIES

Upon receiving a request for towing, the dispatcher shall promptly telephone the specified towing service. The officer shall be advised when the request has been made and the towing service has been dispatched.

When there is no preferred company requested, the dispatcher shall call the next firm in rotation from the list of approved towing companies and shall make appropriate entries on that form to ensure the next firm is called.

Vehicle Towing and Release Policy

502.2.5 RECORDS SECTION RESPONSIBILITY

Approved vehicle impound/storage forms shall be promptly filed so that they are immediately available for release or review should inquiries be made.

Dispatch Section personnel should promptly enter pertinent data from a completed vehicle impound/storage form into the Motor Vehicle Verification System to determine if the vehicle has been reported stolen (CRS § 42-4-1804). No later than 10 working days after a vehicle has been towed by this department, Records Section personnel shall report the towing and related information to the Department of Revenue, Motor Vehicle Division as required by CRS § 42-4-1804(1)(b).

Community Services personnel shall make a good faith attempt to notify the owner or lien holder of abandoned vehicles within 10 working days after receipt of a vehicle impound/storage form pursuant to (CRS § 1804(4)(a) and CRS § 1804(4)(b)). The notice shall inform the owner that he/she can request a hearing concerning the legality of the towing of the abandoned motor vehicle (CRS § 1804(4)(c)).

The Community Services should use the notice forms available from the Department of Revenue, Motor Vehicle Division when sending required notices to the owners or lien holders of stolen or abandoned vehicles (CRS § 1804(5)).

502.3 TOWING SERVICES

The City of City of Cortez periodically selects one or more firms to act as official tow services and awards contracts to those firms. Those firms will be used in the following situations:

- (a) When it is necessary to safeguard a vehicle due to the inability of the owner or operator to take the required action.
- (b) When a vehicle is being held as evidence in connection with an investigation.
- (c) When it is otherwise necessary to store a motor vehicle. This would include situations involving the recovery of stolen or abandoned vehicles and the removal of vehicles obstructing traffic in violation of state or local regulations.

If more than one firm has been awarded contracts, they shall be placed on a rotation list. Nothing in this policy shall require the Department to tow a vehicle.

502.4 TOWING AT ARREST SCENES

Whenever a person in charge or in control of a vehicle is arrested, it is the policy of this department to provide reasonable safekeeping by towing the arrestee's vehicle subject to the exceptions described below. However, a vehicle shall be towed whenever it is needed for the furtherance of an investigation or prosecution of the case, or when the community caretaker doctrine would reasonably suggest that the vehicle should be towed. For example, a vehicle shall be towed if it would present a traffic hazard or if it would be in jeopardy of theft or damage if left at the scene.

Cortez Police Department

Cortez PD CO Policy Manual

Vehicle Towing and Release Policy

The following are examples of situations where consideration should be given to leaving a vehicle at the scene in lieu of towing, provided the vehicle can be lawfully parked and left in a reasonably secured and safe condition:

- Traffic-related warrant arrest
- Situations where the vehicle was not used to further the offense for which the occupant was arrested or is not subject to forfeiture proceedings
- Whenever the vehicle otherwise does not need to be stored and the owner requests that it be left at the scene

In such cases, the handling employee shall note in the report that the owner was informed that the Department will not be responsible for theft or damages.

502.5 VEHICLE INVENTORY

All property in a stored or impounded vehicle shall be inventoried and listed on the vehicle storage form. This includes the trunk and any compartments or containers, even if they are closed and/or locked. Members conducting inventory searches should be as thorough and accurate as practicable in preparing an itemized inventory. These inventory procedures are for the purpose of protecting an owner's property while the owner is in police custody, to provide for the safety of officers and the public, and to protect the Department against fraudulent claims of lost, stolen or damaged property.

If the apparent potential for damage to a locked container reasonably appears to outweigh the protection of the items inside, other options to consider regarding locked containers include, but are not limited to, obtaining access to the locked container from the owner, placing the locked container into safekeeping or obtaining a written waiver of responsibility for the contents of the locked container.

502.6 PRESERVATION OF EVIDENCE

An officer removing a vehicle pursuant to CRS § 42-4-1803, who has probable cause to believe that the vehicle or its contents constitute any evidence which tends to show that a criminal offense has been committed, or tends to show that a particular person has committed a criminal offense, should ensure that all legally required and reasonably necessary efforts to preserve the evidence, including but not limited to, safe storage, are taken until the evidence is released to the owner or otherwise disposed of according to law.

502.7 SECURITY OF VEHICLES AND PROPERTY

Unless it would cause an unreasonable delay in the completion of a vehicle impound/storage or create an issue of officer safety, an officer should make reasonable accommodations to permit a driver/owner to retrieve small items of value or personal need (e.g., cash, jewelry, cellular telephone, prescriptions) that are not considered evidence or contraband.

Cortez Police Department

Cortez PD CO Policy Manual

Vehicle Towing and Release Policy

If a search of a vehicle leaves the vehicle or any property contained therein vulnerable to unauthorized entry, theft or damage, personnel conducting the search shall take such steps as are reasonably necessary to secure and/or preserve the vehicle or property.

Vehicle Impound Hearings

503.1 PURPOSE AND SCOPE

This policy establishes a procedure for the requirement to provide vehicle impound or storage hearings (CRS § 42-4-1804(4)(d)).

503.2 STORED OR IMPOUND HEARING

When a vehicle is stored or impounded by any member of the Department a hearing will be conducted upon the request of the registered or legal owner of the vehicle or his/her agent to determine if probable cause existed for the removal and placement of the vehicle.

The hearing shall be conducted within 48 hours of the request, excluding weekends and holidays. The hearing officer must not be the person who directed the storage or impound of the vehicle.

503.2.1 HEARING PROCEDURES

The vehicle storage hearing is an informal process to evaluate the validity of an order to store or impound a vehicle. The employee who caused the storage or removal of the vehicle does not need to be present for this hearing.

All requests for a hearing on an impounded or stored vehicle shall be submitted in writing within 10 days of the date appearing on the notice (CRS § 42-4-1804(4)(d)). The Patrol Sergeant will generally serve as the hearing officer. The person requesting the hearing may record the hearing at his/her own expense.

The failure of either the registered or legal owner or interested person or his/her agent to request a hearing in a timely manner or to attend a scheduled hearing shall be considered a waiver of and satisfaction of the post-storage hearing.

Any relevant evidence may be submitted and reviewed by the hearing officer to determine if reasonable grounds have been established for the storage or impound of the vehicle. The initial burden of proof established by a preponderance of the evidence that the storage/impound was based on probable cause rests with the Department.

After consideration of all information, the hearing officer shall determine the validity of the storage or impound of the vehicle in question and then render a decision. The hearing officer shall also consider any mitigating circumstances attendant to the storage that reasonably would warrant the release of the vehicle or a mediation or reduction of the period the vehicle is impounded.

- (a) If a decision is made that reasonable grounds for storage or impound have been established, the hearing officer shall advise the inquiring party of the decision, and that the inquiring party may pursue further civil remedies if desired.
 1. If mitigating circumstances are found to be relevant, the hearing officer may make reasonable adjustments to the impound period, storage or assessment fees as warranted.

Cortez Police Department

Cortez PD CO Policy Manual

Vehicle Impound Hearings

- (b) If a decision is made that reasonable grounds for storage or impound have not been established or sufficient mitigating circumstances exist, the vehicle in storage shall be released immediately. Towing and storage fees will be at the Department's expense.
- (c) If a decision is made that reasonable grounds for storage have not been established or sufficient mitigating circumstances exist, and the vehicle has been released with fees having been paid, the receipt for such fees will be forwarded to the appropriate Lieutenant. The hearing officer will recommend to the appropriate Lieutenant that the fees paid by the registered or legal owner of the vehicle in question or the owner's agent be reimbursed by the Department.

Impaired Driving

504.1 PURPOSE AND SCOPE

This policy provides guidance to those department members who play a role in the detection and investigation of driving under the influence (DUI).

504.2 POLICY

The Cortez Police Department is committed to the safety of the roadways and the community and will pursue fair but aggressive enforcement of Colorado's impaired driving laws.

504.3 INVESTIGATIONS

Officers should not enforce DUI laws to the exclusion of their other duties unless specifically assigned to DUI enforcement. All officers are expected to enforce these laws with due diligence.

The Patrol Sergeant will develop and maintain, in consultation with the prosecuting attorney, report forms with appropriate checklists to assist investigating officers in documenting relevant information and maximizing efficiency. Any DUI investigation will be documented using these forms. Information documented elsewhere on the form does not need to be duplicated in the report narrative. Information that should be documented includes, at a minimum:

- (a) The field sobriety tests (FSTs) administered and the results.
- (b) The officer's observations that indicate impairment on the part of the individual, and the officer's health-related inquiries that may help to identify any serious health concerns (e.g., diabetic shock).
- (c) Sources of additional information (e.g., reporting party, witnesses) and their observations.
- (d) Information about any audio and/or video recording of the individual's driving or subsequent actions.
- (e) The location and time frame of the individual's vehicle operation and how this was determined.
- (f) Any prior related convictions in Colorado or another jurisdiction.

504.4 FIELD TESTS

The Department will follow the direction of the State in regards to the primary field sobriety tests (FSTs) and any approved alternate tests for officers to use when investigating violations of DUI laws.

504.5 CHEMICAL TESTS

A person implies consent under Colorado law to a chemical test or tests, and to providing the associated chemical sample, when an officer has probable cause to believe that the person was driving a motor vehicle in violation of CRS § 42-4-1301 (DUI, DUI per se, DWAI, or UDD) (CRS § 42-4-1301.1).

Cortez Police Department

Cortez PD CO Policy Manual

Impaired Driving

If a person withdraws this implied consent, or is unable to withdraw consent (e.g., the person is unconscious), the officer should consider implied consent revoked and proceed as though the person has refused to provide a chemical sample.

504.5.1 CHOICE OF TESTS

Officers shall respect a viable choice of chemical test made by an arrestee as provided for by law (e.g., breath will not be acceptable for suspected narcotics influence). Generally, a person may request either a test of his/her blood or breath for determining alcohol content (CRS § 42-4-1301.1). However, if a person under the age of 21 is suspected of underage drinking and driving (UDD), the person may only submit to a breath test.

If a person is suspected of aggravated vehicular unlawful termination of a pregnancy, the type of test or tests shall be determined by the officer (CRS § 18-3.5-108).

For purposes of determining drug content within a person's system, officers may select the most appropriate and viable test of the of the person's blood, saliva and urine. The arrestee is required to take and complete the selected test or tests (CRS § 42-4-1301.1; CRS § 18-3.5-108).

504.5.2 BREATH SAMPLES

The Intoxilyzer Instructor should ensure that all devices used for the collection and analysis of breath samples are properly serviced and tested, and that a record of such service and testing is properly maintained.

Officers obtaining a breath sample should monitor the device for any sign of malfunction. Any anomalies or equipment failures should be noted in the appropriate report and promptly reported to the Patrol Sergeant.

504.5.3 BLOOD SAMPLES

Only persons authorized by law to draw blood shall collect blood samples (CRS § 42-4-1301.1). The blood draw should be witnessed by the assigned officer. No officer, even if properly certified, should perform this task.

Officers should inform an arrestee that if he/she chooses to provide a blood sample, a separate sample can be collected for alternate testing. Unless medical personnel object, two samples should be collected and retained as evidence, so long as only one puncture is required.

The blood sample shall be packaged, marked, handled, stored and transported as required by the testing facility.

If an arrestee cannot submit to a blood draw because he/she has a bleeding disorder or has taken medication that inhibits coagulation, he/she shall not be required to take a blood test. Such inability to take a blood test shall not be considered a refusal. However, that arrestee may be required to complete another available and viable test.

Cortez Police Department

Cortez PD CO Policy Manual

Impaired Driving

504.5.4 STATUTORY NOTIFICATIONS

Officers requesting a sample from a person suspected of DUI should inform the person that failure to submit to testing may result in the revocation of his/her license.

504.6 REFUSALS

When an arrestee refuses to provide a chemical sample, officers should:

- (a) Advise the arrestee of the requirement to provide a sample (CRS § 42-4-1301.1).
- (b) Audio- and/or video-record the admonishment and the response when it is practicable.
- (c) Document the refusal in the appropriate report.

504.6.1 STATUTORY NOTIFICATIONS UPON REFUSAL

Upon refusal to submit to a chemical test as required by law, officers shall personally serve the notice of revocation upon the person and take possession of any state-issued license to operate a motor vehicle that is held by that person and issue the person a seven day temporary permit unless the person already possesses one (CRS § 42-2-126).

504.6.2 BLOOD SAMPLE WITHOUT CONSENT

A blood sample may be obtained from a person who refuses a chemical test when any of the following conditions exist:

- (a) A search warrant has been obtained.
- (b) The officer can articulate that exigent circumstances exist. Exigency does not exist solely because of the short time period associated with the natural dissipation of alcohol or controlled or prohibited substances in the person's bloodstream. Exigency can be established by the existence of special facts, such as a lengthy time delay in obtaining a blood sample due to an accident investigation or medical treatment of the person.
- (c) Exigent circumstances exist and the officer has probable cause to believe the person committed any of the following offenses (CRS § 42-4-1301.1):
 1. Criminally negligent homicide
 2. Vehicular homicide
 3. Assault in the third degree
 4. Vehicular assault

504.6.3 FORCED BLOOD SAMPLE

If an arrestee indicates by word or action that he/she will physically resist a blood draw, the officer should request a supervisor to respond.

The responding supervisor should:

- (a) Evaluate whether using force to obtain a blood sample is appropriate under the circumstances.

Cortez Police Department

Cortez PD CO Policy Manual

Impaired Driving

- (b) Ensure that all attempts to obtain a blood sample through force cease if the person agrees to, and completes, a viable form of testing in a timely manner.
- (c) Advise the person of his/her duty to provide a sample (even if this advisement was previously done by another officer), and attempt to persuade the individual to submit to such a sample without physical resistance.
 - 1. This dialogue should be recorded on audio and/or video when practicable.
- (d) Ensure that the blood sample is taken in a medically approved manner.
- (e) Ensure the forced blood draw is recorded on audio and/or video when practicable.
- (f) Monitor and ensure that the type and level of force applied appears reasonable under the circumstances:
 - 1. Unless otherwise provided in a warrant, force should generally be limited to handcuffing or similar restraint methods.
 - 2. In misdemeanor cases, if the suspect becomes violent or more resistant, no additional force will be used and a refusal should be noted in the report.
 - 3. In felony cases, force that reasonably appears necessary to overcome the resistance to the blood draw may be permitted. Officers may physically restrain a person for the purpose of obtaining a sample only in cases of criminally negligent homicide, vehicular homicide, assault in the third degree, vehicular assault or aggravated vehicular unlawful termination of pregnancy (CRS § 42-4-1301.1; CRS § 18-3.5-108).
- (g) Ensure the use of force and methods used to accomplish the collection of the blood sample are documented in the related report.

If a supervisor is unavailable, officers are expected to use sound judgment and perform as a responding supervisor, as set forth above.

504.7 ARREST AND INVESTIGATION

504.7.1 PRELIMINARY TESTING

An officer may request that a person provide a breath sample for a preliminary screening test when the officer (CRS § 42-4-1301):

- (a) Has reason to believe the person was driving a motor vehicle while under the influence or impaired by alcohol and,
- (b) Has advised the person that he/she may refuse or agree to provide the preliminary breath sample.

If the person is under the age of 21, the officer may conduct a preliminary screening test, without the person's consent, if there is a reasonable belief the person has consumed alcohol (CRS § 42-4-1301).

Cortez Police Department

Cortez PD CO Policy Manual

Impaired Driving

An officer may use the results of the preliminary test in determining whether probable cause exists to believe the person was DUI and whether to administer additional testing (CRS § 42-4-1301).

504.7.2 COLLECTING SAMPLES

Arrestee samples shall be collected and processed in accordance with standards set by the Department of Public Health and Environment (5 CCR 1005-2:1 et seq.).

504.7.3 TIME TO COLLECT SAMPLE

If an officer requests that a person submit to a blood or breath test to determine the alcohol content of the person's blood or breath, the person must cooperate with the request such that the sample can be obtained within two hours of the person's driving (CRS § 42-4-1301.1).

If an officer requests that a person submit to a blood, saliva or urine test to determine the drug content within the person's system, the person must cooperate with the request such that the sample can be obtained within two hours of the person's driving (CRS § 42-4-1301.1).

504.7.4 NOTICE TO COMMERCIAL MOTOR VEHICLE DRIVER

Officers investigating a driver of a commercial motor vehicle license for DUI shall advise the person that a refusal to submit to a chemical test shall result in an out-of-service order for a period of 24 hours and a revocation of the privilege to operate a commercial motor vehicle for one year (CRS § 42-4-1301.1).

504.7.5 OFFICER RESPONSIBILITIES

An officer believing that a person should be subject to license revocation as a result of DUI shall forward the following to the Division of Motor Vehicles (DMV) on the forms prescribed by the DMV (CRS § 42-2-126):

- (a) A copy of the completed notice of revocation form
- (b) A copy of any completed temporary permit
- (c) The person's driver's license
- (d) An affidavit, signed, dated and sworn to by the officer containing information relevant to the legal issues and facts to be considered by the DMV for revoking the person's license

504.7.6 EXTRAORDINARY CIRCUMSTANCES

If an officer requests a person to submit to a chemical test and subsequently determines that there are extraordinary circumstances that prevent the completion of the test elected by the person within the two-hour time period, the officer shall inform the person of such circumstances and request and direct the person to take and complete the other test. The person shall then be required to take and complete, and to cooperate in the completing of, the other test. Extraordinary circumstances include but are not limited to weather related delays, high call volume affecting medical personnel, malfunctioning breath test equipment and other circumstances that preclude the timely collection of a sample (CRS § 42-4-1301.1).

Cortez Police Department

Cortez PD CO Policy Manual

Impaired Driving

504.7.7 UNCONSCIOUS OR DECEASED PERSONS

If an officer believes a person to be DUI and the person cannot submit to a chemical test because the person is unconscious, hospitalized, or undergoing medical treatment, the officer may (CRS § 18-3.5-108; CRS § 42-4-1301.1):

- (a) Have access to and analyze any blood, urine, or saliva that was obtained and not utilized by the health care provider.
- (b) Have access to medical tests administered by the health care provider that show test results of the alcohol or drug content in the person's system. The provisions of CRS § 13-90-107 relating to physician privileged communications do not apply to such test results.

In addition, the blood or urine sample of any deceased driver or pedestrian at least 15 years of age shall be tested for alcohol, drug, and carbon monoxide concentration following the procedures established by the Department of Public Health and Environment (CRS § 42-4-1301.1; CRS § 42-4-1304).

504.7.8 MEDICAL MARIJUANA REGISTRY IDENTIFICATION CARD

504.9 ADMINISTRATIVE HEARINGS

The Records Techs will ensure that all appropriate reports and documents related to administrative license suspensions are reviewed and forwarded to the Division of Motor Vehicles (DMV).

504.10 TRAINING

The Patrol Patrol Lieutenant should ensure that officers participating in the enforcement of DUI laws receive regular training. Training should include, at minimum, current laws on impaired driving, investigative techniques and rules of evidence pertaining to DUI investigations. The Patrol Patrol Lieutenant should confer with the prosecuting attorney's office and update training topics as needed.

Any request from a recipient to dismiss a citation shall be referred to the Patrol Sergeant. Upon a review of the circumstances involving the issuance of the traffic citation, the Patrol Sergeant may request that the Patrol Lieutenant recommend dismissal of the traffic citation. If approved, the citation will be forwarded to the appropriate prosecutor with a request for dismissal. All recipients of traffic citations whose request for dismissal has been denied shall be referred to the appropriate court.

Should an officer determine during a court proceeding that a traffic citation should be dismissed in the interest of justice or where prosecution is deemed inappropriate, the officer may request that the court dismiss the citation. Upon dismissal of the traffic citation by the court, the officer shall notify his/her immediate supervisor of the circumstances surrounding the dismissal and shall complete any paperwork as directed or required. The citation dismissal shall then be forwarded to the Patrol Lieutenant for review.

No recording of a custodial interview should be destroyed or altered without written authorization from the prosecuting attorney and a staff member. Copies of recorded interrogations or interviews may be made in the same or a different format as the original recording, provided the copies are true, accurate and complete and are made only for authorized and legitimate law enforcement purposes.

- (a) All reasonable investigative efforts have been exhausted, no reasonable belief that the person who committed the crime can be identified, and the incident has been documented appropriately.

- (d) The case has been submitted to the appropriate prosecutor, charges have been filed, further investigation is not reasonable, warranted or requested, and there is no need to take the suspect into custody.
- (e) Suspects have been arrested, there are no other suspects, and further investigation is either not warranted or requested.
- (f) Investigation has proven that a crime was not committed (see the Sexual Assault Investigations Policy for special considerations in these cases).

The Domestic Violence, Child Abuse and Adult Abuse policies may also require an arrest or submittal of a case to a prosecutor.

Investigation and Prosecution

600.7 COMPUTERS AND DIGITAL EVIDENCE

The collection, preservation, transportation and storage of computers, cell phones and other digital devices may require specialized handling to preserve the value of the related evidence. If it is anticipated that computers or similar equipment will be seized, officers should request that computer forensic examiners assist with seizing computers and related evidence. If a forensic examiner is unavailable, officers should take reasonable steps to prepare for such seizure and use the resources that are available.

600.8 INVESTIGATIVE USE OF SOCIAL MEDIA AND INTERNET SOURCES

Use of social media and any other internet source to access information for the purpose of criminal investigation shall comply with applicable laws and policies regarding privacy, civil rights and civil liberties. Information gathered via the internet should only be accessed by members while on-duty and for purposes related to the mission of this department. If a member encounters information relevant to a criminal investigation while off-duty or while using his/her own equipment, the member should note the dates, times and locations of the information and report the discovery to his/her supervisor as soon as practicable. The member, or others who have been assigned to do so, should attempt to replicate the finding when on-duty and using department equipment.

Information obtained via the internet should not be archived or stored in any manner other than department-established record-keeping systems (see the Records Maintenance and Release and the Criminal Organizations policies).

600.8.1 ACCESS RESTRICTIONS

Information that can be accessed from any department computer, without the need of an account, password, email address, alias or other identifier (unrestricted websites), may be accessed and used for legitimate investigative purposes without supervisory approval.

Accessing information from any Internet source that requires the use or creation of an account, password, email address, alias or other identifier, or the use of nongovernment IP addresses, requires supervisor approval prior to access. The supervisor will review the justification for accessing the information and consult with legal counsel as necessary to identify any policy or legal restrictions. Any such access and the supervisor approval shall be documented in the related investigative report.

Accessing information that requires the use of a third party's account or online identifier requires supervisor approval and the consent of the third party. The consent must be voluntary and shall be documented in the related investigative report.

Information gathered from any Internet source should be evaluated for its validity, authenticity, accuracy and reliability. Corroborative evidence should be sought and documented in the related investigative report.

Any information collected in furtherance of an investigation through an internet source should be documented in the related report. Documentation should include the source of information and the dates and times that the information was gathered.

600.8.2 INTERCEPTING ELECTRONIC COMMUNICATION

Intercepting social media communications in real time may be subject to federal and state wiretap laws. Officers should seek legal counsel before any such interception.

600.9 MODIFICATION OF CHARGES FILED

Members are not authorized to recommend to the prosecutor or to any other official of the court that charges on a pending case be amended or dismissed without the authorization of a staff member. Any authorized request to modify the charges or to recommend dismissal of charges shall be made to the prosecutor.

Sexual Assault Investigations

601.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the investigation of sexual assaults. These guidelines will address some of the unique aspects of such cases and the effects that these crimes have on the victims.

Mandatory notifications requirements are addressed in the Child Abuse and Adult Abuse policies.

601.1.1 DEFINITIONS

Definitions related to this policy include:

Sexual assault - Any crime or attempted crime of a sexual nature, to include, but not limited to, offenses defined in Title 18, Article 3, Part 4 (Unlawful Sexual Behavior) of the Colorado Revised Statutes.

Sexual Assault Response Team (SART) - A multidisciplinary team generally comprised of advocates; law enforcement officers; forensic medical examiners, including sexual assault nurse examiners (SANEs) if possible; forensic laboratory personnel; and prosecutors. The team is designed to coordinate a broad response to sexual assault victims.

601.2 POLICY

It is the policy of the Cortez Police Department that its members, when responding to reports of sexual assaults, will strive to minimize the trauma experienced by the victims, and will aggressively investigate sexual assaults, pursue expeditious apprehension and conviction of perpetrators, and protect the safety of the victims and the community.

601.3 QUALIFIED INVESTIGATORS

Qualified investigators should be available for assignment of sexual assault investigations. These investigators should:

- (a) Have specialized training in, and be familiar with, interview techniques and the medical and legal issues that are specific to sexual assault investigations.
- (b) Conduct follow-up interviews and investigation.
- (c) Present appropriate cases of alleged sexual assault to the prosecutor for review.
- (d) Coordinate with other enforcement agencies, social service agencies and medical personnel as needed.
- (e) Provide referrals to therapy services, victim advocates and support for the victim.
- (f) Participate in or coordinate with SART or other multidisciplinary investigative teams as applicable.

Cortez Police Department

Cortez PD CO Policy Manual

Sexual Assault Investigations

601.4 REPORTING

In all reported or suspected cases of sexual assault, a report should be written and assigned for follow-up investigation. This includes incidents in which the allegations appear unfounded or unsubstantiated.

601.5 RELEASING INFORMATION TO THE PUBLIC

In cases where the perpetrator is not known to the victim, and especially if there are multiple crimes where more than one appear to be related, consideration should be given to releasing information to the public whenever there is a reasonable likelihood that doing so may result in developing helpful investigative leads. The Detective Division supervisor should weigh the risk of alerting the suspect to the investigation with the need to protect the victim and the public, and to prevent more crimes.

601.6 VICTIM INTERVIEWS

The primary considerations in sexual assault investigations, which begin with the initial call to Dispatch, should be the health and safety of the victim, the preservation of evidence, and preliminary interviews to determine if a crime has been committed and to attempt to identify the suspect.

Whenever possible, a member of SART or the multidisciplinary response team should be included in the initial victim interviews.

An in-depth follow-up interview should not be conducted until after the medical and forensic examinations are completed and the personal needs of the victim have been met (e.g., change of clothes, bathing). The follow-up interview may be delayed to the following day based upon the circumstances. Whenever practicable, the follow-up interview should be conducted by a qualified investigator.

No opinion of whether the case is unfounded shall be included in a report.

Victims should be notified if forensic medical evidence has been submitted to an accredited crime laboratory (CRS § 24-4.1-302.5).

Victims should be apprised of applicable victim's rights provisions, as outlined in the Victim and Witness Assistance Policy.

601.6.1 TRUTH VERIFICATION EXAMINATIONS

Members of the Cortez Police Department shall not ask or require a victim of a sex crime to submit to a truth verification examination as a condition for proceeding with a criminal investigation (34 USC § 10451; CRS § 18-3-407.5).

A truth verification examination shall only be conducted upon a victim with the victim's written informed consent that includes notice that he/she has the right to refuse to submit to the examination. In addition, the victim shall be informed orally with information about the potential use of the result of the examination (CRS § 18-3-407.5).

Cortez Police Department

Cortez PD CO Policy Manual

Sexual Assault Investigations

601.7 COLLECTION AND TESTING OF BIOLOGICAL EVIDENCE

When the facts of the case indicate that collection of biological evidence is warranted, it should be collected regardless of how much time has elapsed since the reported assault. Forensic medical evidence shall be collected if the victim requests the collection (CRS § 24-33.5-113; 8 CCR 1507-29).

If a drug-facilitated sexual assault is suspected, urine and blood samples should be collected from the victim as soon as practicable.

Subject to requirements set forth in this policy, biological evidence from all sexual assault cases, including cases where the suspect is known by the victim, should be submitted for testing.

Victims who choose not to assist with an investigation, do not desire that the matter be investigated or wish to remain anonymous may still consent to the collection of evidence under their control. In these circumstances, the evidence should be collected and stored appropriately.

No Cortez Police Department member shall ask or require a sex crime victim to participate or cooperate in an investigation as a condition of receiving a forensic medical examination (CRS § 18-3-407.5).

601.7.1 COLLECTION AND TESTING REQUIREMENTS

Members investigating sexual assaults or handling related evidence are required to do the following (CRS § 24-33.5-113; 8 CCR 1507-29):

- (a) Obtain the victim's written consent prior to collection of any forensic medical evidence, using the form required by the Department of Public Safety (DPS).
- (b) Submit evidence to the Colorado Bureau of Investigation or an accredited crime laboratory within 21 days, unless the victim withdraws consent.
- (c) Retrieve medical forensic evidence when contacted by a medical facility for appropriate retention (CRS § 18-3-407.5).
- (d) Participate in the DPS statewide sexual assault evidence collection kit system for monitoring the status and location of the victim's sexual assault kit as required by CRS § 24-33.5-113.5.

Forensic evidence associated with an anonymous report made pursuant to CRS § 12-240-139 shall not be submitted to a laboratory for testing (CRS § 18-3-407.5).

Additional guidance regarding evidence retention and destruction is found in the Property and Evidence Policy.

601.7.2 DNA TEST RESULTS

Members investigating sexual assault cases should notify victims of any DNA test results as soon as reasonably practicable (CRS § 24-4.1-302.5).

A SART member should be consulted regarding the best way to deliver biological testing results to a victim so as to minimize victim trauma, especially in cases where there has been a significant delay in getting biological testing results (e.g., delays in testing the evidence or delayed DNA

databank hits). Members should make reasonable efforts to assist the victim by providing available information on local assistance programs and organizations as provided in the Victim and Witness Assistance Policy.

Members investigating sexual assaults cases should ensure that DNA results are entered into databases when appropriate and as soon as practicable.

601.8 DISPOSITION OF CASES

If the assigned investigator has reason to believe the case is without merit, the case may be classified as unfounded only upon review and approval of the Detective Division supervisor.

Classification of a sexual assault as unfounded requires the Detective Division supervisor to determine that the facts have significant irregularities with reported information and that the incident could not have happened as it was reported. When a victim has recanted the victim's original statement, there must be corroborating evidence that the allegations were false or baseless (i.e., no crime occurred) before the case should be determined as unfounded.

The assigned investigator should inform the victim of any change in status of the case, including cases that are closed or reopened (CRS § 24-4.1-302.5).

601.9 TRAINING

Subject to available resources, periodic training should be provided to:

- (a) Members who are first responders. Training should include:
 1. Initial response to sexual assaults.
 2. Legal issues.
 3. Victim advocacy.
 4. Victim's response to trauma.
- (b) Qualified investigators, who should receive advanced training on additional topics. Advanced training should include:
 1. Interviewing sexual assault victims.
 2. SART or multidisciplinary response team.
 3. Medical and legal aspects of sexual assault investigations.
 4. Serial crimes investigations.
 5. Use of community and other federal and state investigative resources, such as the Violent Criminal Apprehension Program (VICAP).
 6. Techniques for communicating with victims to minimize trauma.

Asset Forfeiture

602.1 PURPOSE AND SCOPE

This policy describes the authority and procedure for the seizure, forfeiture and liquidation of property associated with designated offenses.

602.1.1 DEFINITIONS

Definitions related to this policy include:

Fiscal agent - The person designated by the Chief of Police to be responsible for securing and maintaining seized assets and distributing any proceeds realized from any forfeiture proceedings. This includes any time the Cortez Police Department seizes property for forfeiture or when the Cortez Police Department is acting as the fiscal agent pursuant to a multi-agency agreement.

Forfeiture - The process by which legal ownership of an asset is transferred to a government or other authority.

Forfeiture reviewer - The department member assigned by the Chief of Police who is responsible for reviewing all forfeiture cases and for acting as the liaison between the Department and the assigned attorney.

Property subject to forfeiture - Property may generally be subject to forfeiture under the Public Nuisance Abatement Act and the Contraband Forfeiture Act when (CRS § 16-13-303; CRS § 16-13-307; CRS § 16-13-504):

- (a) There has been a conviction or a negotiated plea of a specified offense (see statutes), or the owner fled from an arrest warrant charging one of those offenses.
- (b) Possession of the property was unlawful or the owner of the property was a party to the offense that led to the property's use or purchase.
- (c) The property was instrumental in the commission or facilitation of a specified crime, or the property constitutes traceable proceeds of the crime or related criminal activity.

Seizure - The act of law enforcement officials taking property, cash or assets that have been used in connection with or acquired by specified illegal activities.

602.2 POLICY

The Cortez Police Department recognizes that appropriately applied forfeiture laws are helpful to enforce the law, deter crime and reduce the economic incentive of crime. However, the potential for revenue should never compromise the effective investigation of criminal offenses, officer safety or any person's due process rights.

It is the policy of the Cortez Police Department that all members, including those assigned to internal or external law enforcement task force operations, shall comply with all state and federal laws pertaining to forfeiture.

Cortez Police Department

Asset Forfeiture

602.3 ASSET SEIZURE

Property may be seized for forfeiture as provided in this policy.

602.3.1 PROPERTY SUBJECT TO SEIZURE

The following may be seized upon review and approval of a supervisor and in coordination with the forfeiture reviewer.

- (a) Real property pursuant to a court order (CRS § 16-13-302).
- (b) Non-real property when there is probable cause to believe that it will qualify as property subject to forfeiture and the seizure is incident to a lawful search (CRS § 16-13-315; CRS § 16-13-504).

Whenever practicable, a court order for seizure prior to making a seizure is the preferred method.

A large amount of money standing alone is insufficient to establish the probable cause required to make a seizure.

602.3.2 PROPERTY NOT SUBJECT TO SEIZURE

The following property should not be seized for forfeiture:

- (a) Cash and property that does not meet the district attorney's current minimum forfeiture thresholds should not be seized.
- (b) The owner of the property is an "innocent owner" and did not have knowledge of the illegal conduct prompting the seizure (CRS § 16-13-303; CRS § 16-13-504).
- (c) Rental vehicles, unless the seizing agency has probable cause to believe the motor vehicle rental company, at the time of rental, had knowledge or notice of the criminal activity for which the rental car was used (CRS § 16-13-315; CRS § 16-13-504).

602.3.3 SEIZED BOATS AND MOTOR VEHICLES

Vehicles, watercraft or aircraft seized subject to forfeiture will be taken to a designated storage facility appropriate for the storage of the item in a manner consistent with the Vehicle Towing and Release Policy. A seized vehicle should not be impounded. The officer seizing the vehicle shall notify the detective supervisor of the circumstances as soon as possible.

If the vehicle cannot be operated, a tow truck or trailer will be used to tow the boat or motor vehicle to the storage facility.

Personal property located in a seized boat or motor vehicle shall be removed and booked into property as either evidence or for safekeeping.

If a rented motor vehicle is seized, the Department shall notify the motor vehicle rental company of the seizure. A rented motor vehicle shall be returned to the rental company unless the vehicle must remain in custody for evidentiary purposes or if there is probable cause to believe the rental company had knowledge or notice of the criminal activity (CRS § 16-13-315(3) and CRS § 16-13-504(1.5)).

When property or cash subject to this policy is seized, the officer making the seizure should ensure compliance with the following:

- (a) Complete applicable seizure forms and present the appropriate copy to the person from whom the property is seized. If cash or property is seized from more than one person, a separate copy must be provided to each person, specifying the items seized. When property is seized and no one claims an interest in the property, the officer must leave the copy in the place where the property was found, if it is reasonable to do so.
- (b) Complete and submit a report and original seizure forms within 24 hours of the seizure, if practicable.
- (c) Forward the original seizure forms and related reports to the forfeiture reviewer within two days of seizure.

Photographs should be taken of items seized, particularly cash, jewelry and other valuable items.

Officers who suspect property may be subject to seizure but are not able to seize the property (e.g., the property is located elsewhere, the whereabouts of the property is unknown, it is real estate, bank accounts, non-tangible assets) should document and forward the information in the appropriate report to the forfeiture reviewer.

602.5 MAINTAINING SEIZED PROPERTY

- (g) Ensuring that officers who may be involved in asset forfeiture receive training in the proper use of the seizure forms and the forfeiture process. The training should be developed in consultation with the appropriate legal counsel and may be accomplished through traditional classroom education, electronic media, Daily Training Bulletins (DTBs) or Departmental Directives. The training should cover this policy and address any relevant statutory changes and court decisions.

Informants

603.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the use of informants.

603.1.1 DEFINITIONS

Definitions related to this policy include:

Informant - A person who covertly interacts with other individuals or suspects at the direction of, request of, or by agreement with the Cortez Police Department for law enforcement purposes. This also includes a person agreeing to supply information to the Cortez Police Department for a benefit (e.g., a quid pro quo in the form of a reduced criminal penalty, money).

603.2 POLICY

The Cortez Police Department recognizes the value of informants to law enforcement efforts and will strive to protect the integrity of the informant process. It is the policy of this department that all funds related to informant payments will be routinely audited and that payments to informants will be made according to the criteria outlined in this policy.

603.3 USE OF INFORMANTS

603.3.1 INITIAL APPROVAL

Before using an individual as an informant, an officer should receive approval from his/her supervisor. The officer shall compile sufficient information through a background investigation and experience with the informant in order to determine the suitability of the individual, including age, maturity and risk of physical harm, as well as any indicators of his/her reliability and credibility.

Members of this department should not guarantee absolute safety or confidentiality to an informant.

603.3.2 JUVENILE INFORMANTS

The use of informants under the age of 18 is prohibited.

603.3.3 INFORMANT AGREEMENTS

All informants are required to sign and abide by the provisions of the designated department informant agreement. The officer using the informant shall discuss each of the provisions of the agreement with the informant.

603.4 INFORMANT INTEGRITY

To maintain the integrity of the informant process, the following must be adhered to:

- (a) The identity of an informant acting in a confidential capacity shall not be withheld from a staff member or Investigations officer.
- (a) Identities of informants acting in a confidential capacity shall otherwise be kept confidential.

Cortez Police Department

Cortez PD CO Policy Manual

Informants

- (b) Criminal activity by informants shall not be condoned.
- (c) Informants shall be told they are not acting as police officers, employees or agents of the Cortez Police Department, and that they shall not represent themselves as such.
- (d) The relationship between department members and informants shall always be ethical and professional.
 - (a) Members shall not become intimately involved with an informant.
 - (b) Social contact shall be avoided unless it is necessary to conduct an official investigation.
 - (c) Members shall neither solicit nor accept gratuities or engage in any private business transaction with an informant.
- (e) Officers should not meet with informants in a private place unless accompanied by at least one additional officer.
 - 1. Officers may meet informants alone in an occupied public place, such as a restaurant.
- (f) When contacting informants for the purpose of making payments, officers should arrange for the presence of another officer.
- (g) In all instances when department funds are paid to informants, a voucher shall be completed in advance, itemizing the expenses.
- (h) Since the decision rests with the appropriate prosecutor, officers shall not promise that the informant will receive any form of leniency or immunity from criminal prosecution.

603.4.1 UNSUITABLE INFORMANTS

The suitability of any informant should be considered before engaging him/her in any way in a covert or other investigative process. Members who become aware that an informant may be unsuitable will notify the supervisor, who will initiate a review to determine suitability. Until a determination has been made by a supervisor, the informant should not be used by any member. The supervisor shall determine whether the informant should be used by the Department and, if so, what conditions will be placed on his/her participation or any information the informant provides. The supervisor shall document the decision and conditions in file notes and mark the file "unsuitable" when appropriate.

Considerations for determining whether an informant is unsuitable include, but are not limited to, the following:

- (a) The informant has provided untruthful or unreliable information in the past.
- (b) The informant behaves in a way that may endanger the safety of an officer.
- (c) The informant reveals to suspects the identity of an officer or the existence of an investigation.
- (d) The informant appears to be using his/her affiliation with this department to further criminal objectives.

Cortez Police Department

Cortez PD CO Policy Manual

Informants

- (e) The informant creates officer-safety issues by providing information to multiple law enforcement agencies simultaneously, without prior notification and approval of each agency.
- (f) The informant engages in any other behavior that could jeopardize the safety of officers or the integrity of a criminal investigation.
- (g) The informant commits criminal acts subsequent to entering into an informant agreement.

603.5 INFORMANT FILES

Informant files shall be utilized as a source of background information about the informant, to enable review and evaluation of information provided by the informant, and to minimize incidents that could be used to question the integrity of department members or the reliability of the informant.

Informant files shall be maintained in a secure area within the Investigations. The Investigations officer or the authorized designee shall be responsible for maintaining informant files. Access to the informant files shall be restricted to the staff member, Investigations officer or their authorized designees.

The Detective Lieutenant should arrange for an audit using a representative sample of randomly selected informant files on a periodic basis, but no less than one time per year. If the Investigations officer is replaced, the files will be audited before the new supervisor takes over management of the files. The purpose of the audit is to ensure compliance with file content and updating provisions of this policy. The audit should be conducted by a supervisor who does not have normal access to the informant files.

603.6 FILE SYSTEM PROCEDURE

A separate file shall be maintained on each informant and shall be coded with an assigned informant control number. An informant history that includes the following information shall be prepared for each file:

- (a) Name and aliases
- (b) Date of birth
- (c) Physical description: sex, race, height, weight, hair color, eye color, scars, tattoos or other distinguishing features
- (d) Photograph
- (e) Current home address and telephone numbers
- (f) Current employers, positions, addresses and telephone numbers
- (g) Vehicles owned and registration information
- (h) Places frequented
- (i) Briefs of information provided by the informant and his/her subsequent reliability

Cortez Police Department

Informants

1. If an informant is determined to be unsuitable, the informant's file is to be marked "unsuitable" and notations included detailing the issues that caused this classification.
 - (j) Name of the officer initiating use of the informant
 - (k) Signed informant agreement
 - (l) Update on active or inactive status of informant

603.7 INFORMANT PAYMENTS

No informant will be told in advance or given an exact amount or percentage for his/her service. The amount of funds to be paid to any informant will be evaluated against the following criteria:

- The extent of the informant's personal involvement in the case
- The significance, value or effect on crime
- The value of assets seized
- The quantity of the drugs or other contraband seized
- The informant's previous criminal activity
- The level of risk taken by the informant

The Investigations officer will discuss the above factors with their supervisor and recommend the type and level of payment.

603.7.1 PAYMENT PROCESS

Approved payments to an informant should be in cash using the following process:

- (a) Payments of \$500 and under may be paid in cash from a Investigations buy/expense fund from the designated account.
- (b) Payments exceeding \$500 shall be made by issuance of a check, payable to the officer who will be delivering the payment.
 1. The check shall list the case numbers related to and supporting the payment.
 2. A written statement of the informant's involvement in the case shall be placed in the informant's file.
 3. The statement shall be signed by the informant verifying the statement as a true summary of his/her actions in the case.
- (c) To complete the payment process for any amount, the officer delivering the payment shall complete a cash transfer form.
 1. The cash transfer form shall include the following:
 - (a) Date
 - (b) Payment amount
 - (c) Cortez Police Department case number

Cortez Police Department

Cortez PD CO Policy Manual

Informants

- (d) A statement that the informant is receiving funds in payment for information voluntarily rendered.
- 2. The cash transfer form shall be signed by the informant.
- 3. The cash transfer form will be kept in the informant's file.

603.7.2 REPORTING OF PAYMENTS

Each informant receiving a cash payment shall be advised of his/her responsibility to report the cash to the Internal Revenue Service (IRS) as income. If funds distributed exceed \$600 in any reporting year, the informant should be provided IRS Form 1099 (26 CFR 1.6041-1). If such documentation or reporting may reveal the identity of the informant and by doing so jeopardize any investigation, the safety of officers or the safety of the informant (26 CFR 1.6041-3), then IRS Form 1099 should not be issued.

In such cases, the informant shall be provided a letter identifying the amount he/she must report on a tax return as "other income" and shall be required to provide a signed acknowledgement of receipt of the letter. The completed acknowledgement form and a copy of the letter shall be retained in the informant's file.

603.7.3 AUDIT OF PAYMENTS

The Investigations officer or the authorized designee shall be responsible for compliance with any audit requirements associated with grant provisions and applicable state and federal law.

At least once every calendar year, the Chief of Police or the authorized designee should conduct an audit of all informant funds for the purpose of accountability and security of the funds. The funds and related documents (e.g., buy/expense fund records, cash transfer forms, invoices, receipts and logs) will assist with the audit process.

Eyewitness Identification

604.1 PURPOSE AND SCOPE

This policy sets forth guidelines to be used when members of this department employ eyewitness identification techniques (CRS § 16-1-109; CRS § 16-1-110).

604.1.1 DEFINITIONS

Definitions related to the policy include:

Eyewitness identification process - Any field identification, live lineup or photographic identification.

Field identification - A live presentation of a single individual to a witness following the commission of a criminal offense for the purpose of identifying or eliminating the person as the suspect.

Live lineup - A live presentation of individuals to a witness for the purpose of identifying or eliminating an individual as the suspect.

Photographic lineup - Presentation of photographs to a witness for the purpose of identifying or eliminating an individual as the suspect.

604.2 POLICY

The Cortez Police Department will strive to use eyewitness identification techniques, when appropriate, to enhance the investigative process and will emphasize identifying persons responsible for crime and exonerating the innocent.

604.3 INTERPRETIVE SERVICES

Members should make a reasonable effort to arrange for an interpreter before proceeding with eyewitness identification if communication with a witness is impeded due to language or hearing barriers.

Before the interpreter is permitted to discuss any matter with the witness, the investigating member should explain the identification process to the interpreter. Once it is determined that the interpreter comprehends the process and can explain it to the witness, the eyewitness identification may proceed as provided for within this policy (CRS § 16-1-110).

604.4 EYEWITNESS IDENTIFICATION PROCESS AND FORM

The Detective Division supervisor shall be responsible for the development and maintenance of an eyewitness identification process for use by members when they are conducting eyewitness identifications.

The process should include appropriate forms or reports that provide:

- (a) The date, time, and location of the eyewitness identification procedure.
- (b) The name and identifying information of the witness.

Cortez Police Department

Cortez PD CO Policy Manual

Eyewitness Identification

- (c) The name of the person administering the identification procedure.
- (d) If applicable, the names of all of the individuals present during the identification procedure.
- (e) An instruction to the witness that it is as important to exclude innocent persons as it is to identify a perpetrator.
- (f) An instruction to the witness that the perpetrator may or may not be among those presented and that the witness is not obligated to make an identification (CRS § 16-1-109).
- (g) If the identification process is a photographic or live lineup, an instruction to the witness that the perpetrator may not appear exactly as they did on the date of the incident.
- (h) An instruction to the witness that the investigation will continue regardless of whether an identification is made by the witness (CRS § 16-1-109).
- (i) A signature line where the witness acknowledges understanding the identification procedures and instructions.
- (j) A statement from the witness in the witness's own words describing how certain they are of the identification or non-identification. This statement should be taken at the time of the identification procedure.

The process and related forms should be reviewed at least annually and modified when necessary (CRS § 16-1-109).

604.5 EYEWITNESS IDENTIFICATION

Members are cautioned not to, in any way, influence a witness as to whether any subject or photo presented in a lineup is in any way connected to the case (CRS § 16-1-110). Members should avoid mentioning that:

- The individual was apprehended near the crime scene.
- The evidence points to the individual as the suspect.
- Other witnesses have identified, or failed to identify, the individual as the suspect.

In order to avoid undue influence, witnesses should view suspects or a lineup individually and outside the presence of other witnesses. Witnesses should be instructed to avoid discussing details of the incident or of the identification process with other witnesses.

Whenever feasible, the eyewitness identification procedure should be audio and/or video recorded and the recording should be retained according to current evidence procedures.

604.6 DOCUMENTATION

A thorough description of the eyewitness process and the results of any eyewitness identification should be documented in the case report (CRS § 16-1-109).

If a photographic lineup is utilized, a copy of the photographic lineup presented to the witness should be included in the case report. In addition, the order in which the photographs were presented to the witness should be documented in the case report.

Cortez Police Department

Eyewitness Identification

604.6.1 REPORTING TO COLORADO DIVISION OF CRIMINAL JUSTICE

The following statistical data regarding field identifications shall be reported to the Colorado Division of Criminal Justice as required by CRS § 24-31-903 (see the Records Section Procedures Policy) (CRS § 16-1-109):

- (a) Date, time, and location
- (b) Gender, age, and race of the subject and any eyewitness
- (c) Alleged crime
- (d) Outcome of the show-up

604.7 PUBLIC ACCESS TO POLICY

This policy shall be made available to the public, without cost, upon request (CRS § 16-1-109).

604.8 PHOTOGRAPHIC AND LIVE LINEUP CONSIDERATIONS

When practicable, the member presenting the lineup should not be involved in the investigation of the case or know the identity of the suspect. In no case should the member presenting a lineup to a witness know which photograph or person in the lineup is being viewed by the witness. Techniques to achieve this include randomly numbering photographs, shuffling folders or using a computer program to order the persons in the lineup (CRS § 16-1-109).

Individuals in the lineup should reasonably match the description of the perpetrator provided by the witness and should bear similar characteristics to avoid causing any person to unreasonably stand out. In cases involving multiple suspects, a separate lineup should be conducted for each suspect. The suspects should be placed in a different order within each lineup (CRS § 16-1-109).

The member presenting the lineup to a witness should do so sequentially (i.e., show the witness one person at a time) and not simultaneously. The witness should view all persons in the lineup.

A live lineup should only be used before criminal proceedings have been initiated against the suspect. If there is any question as to whether any criminal proceedings have begun, the investigating member should contact the appropriate prosecuting attorney before proceeding.

604.9 FIELD IDENTIFICATION CONSIDERATIONS

Field identifications, also known as field elimination show-ups or one-on-one identifications, may be helpful in certain cases, where exigent circumstances make it impracticable to conduct a photo or live lineup identifications. A field elimination or show-up identification should not be used when independent probable cause exists to arrest a suspect. In such cases a live or photo lineup is the preferred course of action if eyewitness identification is contemplated.

When initiating a field identification, the member should observe the following guidelines:

- (a) Obtain a complete description of the suspect from the witness.
- (b) Assess whether a witness should be included in a field identification process by considering:
 - 1. The length of time the witness observed the suspect.

Cortez Police Department

Cortez PD CO Policy Manual

Eyewitness Identification

2. The distance between the witness and the suspect.
 3. Whether the witness could view the suspect's face.
 4. The quality of the lighting when the suspect was observed by the witness.
 5. Whether there were distracting noises or activity during the observation.
 6. Any other circumstances affecting the witness's opportunity to observe the suspect.
 7. The length of time that has elapsed since the witness observed the suspect.
- (c) If safe and practicable, the person who is the subject of the show-up shall not be handcuffed or in a patrol vehicle (CRS § 16-1-110).
- (d) When feasible, members should bring the witness to the location of the subject of the show-up, rather than bring the subject of the show-up to the witness.
- (e) The person who is the subject of the show-up should not be shown to the same witness more than once.
- (f) In cases involving multiple suspects, witnesses shall only be permitted to view the subjects of the show-up one at a time (CRS § 16-1-110).
- (g) The person who is the subject of the show-up shall not be required to put on clothing worn by the suspect, to speak words uttered by the suspect, or to perform other actions mimicking those of the suspect (CRS § 16-1-110).
- (h) If a witness positively identifies a subject of the show-up as the suspect, members should not conduct any further field identifications with other witnesses for that suspect. In such instances members should document the contact information for any additional witnesses for follow up, if necessary.

604.9.1 STATE FIELD IDENTIFICATION REQUIREMENTS

An officer conducting a field identification shall (CRS § 16-1-110):

- (a) Transport each witness separately to the location of the field identification.
- (b) Conduct the show-up in a well-lit location with an unobstructed view of the subject of the show-up.
- (c) Separate eyewitnesses from one another at the location of the show-up.
- (d) Provide verbal notification as required by CRS § 16-1-110(3)(d) to each witness prior to showing them the subject.
- (e) Ask the witness about their level of confidence when an identification is made and document the response in the witness's own words.
- (f) Use a body-worn camera to create a video of the entire show-up procedure.

Field identifications shall only be used (CRS § 16-1-110):

- (a) When a crime has been reported and:
 1. An officer, acting on reasonable suspicion, has detained the suspect of the crime within minutes of the commission of the crime and near the location of the crime.

Cortez Police Department

Cortez PD CO Policy Manual

Eyewitness Identification

2. A live or photo lineup is not available as a means of identification given the circumstances.
 3. A witness reasonably believes a subject can identified.
- (b) To verify the identity of a person involved in an intimate relationship as defined in CRS § 18-6-800.3.
- (c) To confirm the identity of a family member known to the witness.

If an eyewitness makes an identification at a show-up and the subject is arrested, additional attempts at identifying the subject shall be through a photographic or live lineup (CRS § 16-1-110).

Brady Material Disclosure

605.1 PURPOSE AND SCOPE

This policy establishes guidelines for identifying and releasing potentially exculpatory or impeachment information (so-called “*Brady* information”) to a prosecuting attorney.

605.1.1 DEFINITIONS

Definitions related to this policy include:

Brady information - Information known or possessed by the Cortez Police Department that is both favorable and material to the current prosecution or defense of a criminal defendant.

605.2 POLICY

The Cortez Police Department will conduct fair and impartial criminal investigations and will provide the prosecution with both incriminating and exculpatory evidence, as well as information that may adversely affect the credibility of a witness. In addition to reporting all evidence of guilt, the Cortez Police Department will assist the prosecution by complying with its obligation to disclose information that is both favorable and material to the defense. The Department will identify and disclose to the prosecution potentially exculpatory information, as provided in this policy.

605.3 DISCLOSURE OF INVESTIGATIVE INFORMATION

Officers must include in their investigative reports adequate investigative information and reference to all material evidence and facts that are reasonably believed to be either incriminating or exculpatory to any individual in the case. If an officer learns of potentially incriminating or exculpatory information any time after submission of a case, the officer or the handling investigator must prepare and submit a supplemental report documenting such information as soon as practicable. Supplemental reports shall be promptly processed and transmitted to the prosecutor’s office.

If information is believed to be privileged or confidential (e.g., confidential informant or attorney-client information, attorney work product), the officer should discuss the matter with a supervisor and/or prosecutor to determine the appropriate manner in which to proceed.

Evidence or facts are considered material if there is a reasonable probability that they would affect the outcome of a criminal proceeding or trial. Determining whether evidence or facts are material often requires legal or even judicial review. If an officer is unsure whether evidence or facts are material, the officer should address the issue with a supervisor.

Supervisors who are uncertain about whether evidence or facts are material should address the issue in a written memo to an appropriate prosecutor. A copy of the memo should be retained in the department case file.

605.4 DISCLOSURE OF PERSONNEL INFORMATION

If a member of this department is a material witness in a criminal case, a person or persons designated by the Chief of Police shall examine the personnel file and/or internal affairs file of the

Cortez Police Department

Cortez PD CO Policy Manual

Brady Material Disclosure

officer to determine whether they contain *Brady* information. If *Brady* information is located, the following procedure shall apply:

- (a) In the event that a motion has not already been filed by the criminal defendant or other party, the prosecuting attorney and department member shall be notified of the potential presence of *Brady* material in the member's personnel file.
- (b) The prosecuting attorney or department counsel should be requested to file a motion in order to initiate an in-camera review by the court.
 1. If no motion is filed, the supervisor should work with counsel to determine whether the records should be disclosed to the prosecutor.
- (c) The Custodian of Records shall accompany all relevant personnel files during any in-camera inspection to address any issues or questions raised by the court.
- (d) If the court determines that there is relevant *Brady* material contained in the files, only that material ordered released will be copied and released to the parties filing the motion.
 1. Prior to the release of any materials pursuant to this process, the Custodian of Records should request a protective order from the court limiting the use of such materials to the involved case and requiring the return of all copies upon completion of the case.
- (e) If a court has determined that relevant *Brady* information is contained in the member's file in any case, the prosecutor should be notified of that fact in all future cases involving that member.

The person or persons designated by the Chief of Police should periodically examine the personnel files and/or internal affairs files of all officers who may be material witnesses in criminal cases to determine whether they contain *Brady* information. The obligation to provide *Brady* information is ongoing. If any new *Brady* information is identified, the prosecuting attorney should be notified.

605.4.1 DISCLOSURE OF MISREPRESENTATIONS

The Chief of Police or the authorized designee shall notify the local district attorney within seven days of any sustained finding that an officer has made a knowing misrepresentation in any of the following (CRS § 24-33.5-114; CRS § 30-10-525; CRS § 31-30-107; CRS § 33-9-111):

- (a) Testimony or an affidavit provided in the scope of the officer's employment.
- (b) During the course of any internal investigation of the officer that relates to alleged criminal conduct, official misconduct or the excessive use of force.

605.5 INVESTIGATING BRADY ISSUES

If the Department receives information from any source that a member may have issues of credibility, dishonesty or has been engaged in an act of moral turpitude or criminal conduct, the

Cortez Police Department

Cortez PD CO Policy Manual

Brady Material Disclosure

information shall be investigated and processed in accordance with the Personnel Complaints Policy.

605.6 TRAINING

Department personnel should receive periodic training on the requirements of this policy.

605.7 BRADY PROCESS

The Chief of Police shall select a member of the Department to coordinate requests for *Brady* information. This person shall be directly responsible to the Assistant Chief or the authorized designee.

The responsibilities of the coordinator include but are not limited to:

- (a) Working with the appropriate prosecutors' offices and the City Attorney's office to establish systems and processes to determine what constitutes *Brady* information and the method for notification and disclosure.
- (b) Maintaining a current list of members who have *Brady* information in their files or backgrounds.
 1. Updating this list whenever potential *Brady* information concerning any department member becomes known to the Department or is placed into a personnel or internal affairs file.

605.7.1 CREDIBILITY DISCLOSURE NOTIFICATION

The coordinator shall establish, in consultation with the appropriate prosecutors' offices, procedures necessary to comply with the requirements of CRS § 16-2.5-501 et seq., including prompt notification in writing of:

- (a) Any sustained finding made on or after Jan. 1, 2022, where an officer:
 1. Knowingly made an untruthful statement concerning a material fact.
 2. Demonstrated a pattern of bias based on race, religion, ethnicity, gender, sexual orientation, age, disability, national origin, or any other protected class under federal and state law.
 3. Tampered with or fabricated evidence.
 4. Was convicted of any crime involving dishonesty.
 5. Violated any Cortez Police Department policy involving dishonesty.
- (b) Criminal charges filed against an officer for any felony or any crime involving dishonesty.
- (c) Any criminal or administrative investigation involving an officer that, if sustained, would require disclosure under (a); and
 1. The officer is a potential witness in a pending criminal case; and
 2. The concurrent investigation relates to the officer's involvement in the pending criminal case.

Cortez Police Department

Cortez PD CO Policy Manual

Brady Material Disclosure

The coordinator shall provide notice of the intent to make a credibility disclosure notification to the involved officer at least seven days prior to contacting the prosecutor's office (CRS § 16-2.5-502).

605.8 SUBPOENA PROCESSING

The individual processing subpoenas (or the supervisor of the subpoenaed member) shall check the subpoenaed member's name against the current list of those who are known to have *Brady* information in their files or background, and shall alert the coordinator if a person on the list is subpoenaed.

Unmanned Aerial System (UAS "Drone")

606.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines and protocol for the deployment and use of the Unmanned Aerial System (UAS) including the retention and/or destruction of media obtained using the UAS in accordance with applicable Federal law, State law, and Cortez Police Department regulations.

606.1.1 DEFINITIONS

Definitions related to this policy include:

606.3 PRIVACY

The use of the UAS potentially involves privacy considerations. Personnel will consider the protection of individual civil rights and the reasonable expectation of privacy as a key component of any decision made to deploy the UAS. Operators will take reasonable precautions to avoid inadvertently recording or transmitting images that infringe upon an individual's right to privacy. This includes consideration by the operator on when to turn on/off the recording function, and the route of the UAS during deployment.

606.4 USE OF UAS

A staff member may authorize the deployment of the UAS under the following circumstances:

- (a) Public safety and life preservation missions including, barricaded suspects, hostage situations, active shooters, apprehension of armed and dangerous fleeing suspects, and high-risk search warrants;

- (o) Anytime a UAS would enhance public safety, improve operational safety, incident stabilization or incident mitigation as determined by the authorizing person;
- (p) Anti-UAV operations when a person is operating a UAV in a manner which impedes emergency personnel who, in the course of their duties, are coping with an emergency;

- (b) The UAS team members will handle all UAS operations, notifications and all necessary preflight guidelines as specified in the UAS Operations Guidelines.
- (c) Due to the complex nature of the UAS, the UAS operator shall have the final authority to determine if the proposed mission is able to be carried out in accordance with this policy.

606.6 PROHIBITED USE

The UAS shall not be used as a weapon nor have any weapons attached to it. It shall not be used to:

 - 1. All video taken for these circumstances shall be logged into evidence in accordance with department policy.
- (b) The video recording function is not required during evidence search or collection.
 - 1. If photographs of evidentiary value are taken they shall be logged into evidence in accordance with department policy.
- (c) The video recording function is not required for search and rescue missions. It is understood that UAV's have limited data storage for video and photographs and a UAS mission may extend further than storage capability. In the event maximum data storage is reached, the UAS team shall replace the storage device as soon as possible given the consideration for exigent circumstances.

606.8 FLIGHT LOGS

It is the responsibility of the UAV operator to log each flight. The logs shall minimally consist of flight location, mission type, flight duration, and weather conditions.

In the event the UAS causes any property damage or injury, the supervisor will immediately take control of the scene and ensure proper notifications are made to Staff.

Warrant Service

607.1 PURPOSE AND SCOPE

This policy establishes guidelines for the planning and serving of arrest and search warrants by members of this department. It is understood that this policy cannot address every variable or circumstance that can arise in the service of a search or arrest warrant, as these tasks can involve rapidly evolving and unique circumstances.

This policy is intended to be used in conjunction with the Operations Planning and Deconfliction Policy, which has additional guidance on planning and serving high-risk warrants.

This policy is not intended to address the service of search warrants on locations or property already secured or routine field warrant arrests by patrol officers.

607.2 POLICY

It is the policy of the Cortez Police Department to balance the safety needs of the public, the safety of department members, privacy interests and other relevant factors when making decisions related to the service of search and arrest warrants.

607.3 SEARCH WARRANTS

Officers should receive authorization from a supervisor before preparing a search warrant application. Once authorization is received, the officer will prepare the affidavit and search warrant, consulting with the applicable prosecuting attorney as needed. The entry for the purpose of executing a search of a dwelling is limited to the hours between 7 a.m. and 7 p.m., unless the judge, for good cause, expressly authorizes execution at another time.

607.4 ARREST WARRANTS

If an officer reasonably believes that serving an arrest warrant may pose a higher risk than commonly faced on a daily basis, the officer will make the shift supervisor aware of his/her concerns before action is taken (see the Operations Planning and Deconfliction Policy).

If the warrant is deemed as high risk, service will be coordinated by the supervisor and staff. If the warrant is not classified as high risk, the supervisor should weigh the risk of entry into a residence to make an arrest against other alternatives, such as arresting the person outside the residence where circumstances may pose a lower risk.

607.4.1 SERVICE OF ARREST WARRANTS

Arrest warrants may be executed only by sworn law enforcement officers. Any arrest made on a warrant must be verified by documentation that some agency has that warrant in its possession and that to the best of that agency's knowledge the warrant is still in effect or that the warrant is active in the warrant management system. No member shall make an arrest on a warrant unless he/she confirms the present status of the warrant immediately before making the arrest.

Cortez Police Department

Cortez PD CO Policy Manual

Warrant Service

607.5 WARRANT PREPARATION

An officer who prepares a warrant should ensure the documentation in support of the warrant contains as applicable:

- (a) Probable cause to support the search or arrest, including relevant dates and times to demonstrate timeliness and facts to support any request for nighttime or no-knock warrant execution (CRS § 16-3-303; CRS § 16-3-305).
 1. No-knock warrant applications shall be consistent with the requirements of state law (CRS § 16-3-303).
- (b) A clear explanation of the affiant's training, experience, and relevant education.
- (c) Adequately supported opinions, when relevant, that are not left to unsubstantiated conclusions.
- (d) A nexus between the place to be searched and the persons or items central to the investigation. The facts supporting this nexus should be clear and current. For example, the affidavit shall explain why there is probable cause to believe that a particular person is currently residing at a particular location or that the items sought are present at a particular location.
- (e) Full disclosure of known or suspected residents at the involved location and any indication of separate living spaces at the involved location. For example, it should be disclosed that several people may be renting bedrooms at a single location, even if the exact location of the rooms is not known.
- (f) A specific description of the location to be searched, including photographs of the location, if reasonably available.
- (g) A sufficient description of the items to be seized.
- (h) Full disclosure of any known exculpatory information relevant to the warrant application (refer to the *Brady* Material Disclosure Policy).

607.6 HIGH-RISK WARRANT SERVICE

The supervisor or the authorized designee shall coordinate the service of warrants that are categorized as high risk and shall have sole authority in determining the manner in which the warrant will be served, including the number of officers deployed.

The member responsible for directing the service should ensure the following as applicable:

- (a) When practicable and when doing so does not cause unreasonable risk, video or photographic documentation is made of the condition of the location prior to execution of a search warrant. The images should include the surrounding area and persons present.
- (b) The warrant service is audio- and video-recorded as required by CRS § 24-31-902 (CRS § 16-3-305).
- (c) Evidence is handled and collected only by those members who are designated to do so. All other members involved in the service of the warrant should alert one of the designated members to the presence of potential evidence and not touch or disturb the items.

Cortez Police Department

Cortez PD CO Policy Manual

Warrant Service

- (d) Reasonable efforts are made during the search to maintain or restore the condition of the location.
- (e) Persons who are detained as part of the warrant service are handled appropriately under the circumstances.
- (f) Reasonable care provisions are made for children and dependent adults (see the Child and Dependent Adult Safety Policy).
- (g) A list is made of all items seized and a copy provided to the person in charge of the premises if present or otherwise left in a conspicuous place.
- (h) A copy of the search warrant is left at the location.
- (i) The condition of the property is documented with video recording or photographs after the search.

607.7 NO-KNOCK ENTRIES

No-knock entries are only authorized if a no-knock warrant has been obtained or if exigent circumstances arise at the scene such that knocking and announcing the officer's presence would create an imminent threat of physical violence to the officer or another person.

607.8 DETENTIONS DURING WARRANT SERVICE

Officers must be sensitive to the safety risks of all persons involved with the service of a warrant. Depending on circumstances and facts present, it may be appropriate to control movements of any or all persons present at a warrant service, including those who may not be the subject of a warrant or suspected in the case. However, officers must be mindful that only reasonable force may be used and weapons should be displayed no longer than the officer reasonably believes is necessary (see the Use of Force Policy).

As soon as it can be determined that an individual is not subject to the scope of a warrant and that no further reasonable suspicion or safety concerns exist to justify further detention, the person should be promptly released.

Officers should, when and to the extent reasonable, accommodate the privacy and personal needs of people who have been detained.

607.9 ACTIONS AFTER WARRANT SERVICE

The supervisor shall ensure that all affidavits, warrants, receipts and returns, regardless of any associated cases, are filed with the issuing judge or magistrate as soon as reasonably possible, but in any event no later than any date specified on the warrant.

607.10 OUTSIDE AGENCIES AND CROSS-JURISDICTIONAL WARRANTS

Supervisors will ensure that cooperative efforts with other agencies in the service of warrants conform to existing mutual aid agreements or other memorandums of understanding and will work cooperatively to mitigate risks including, but not limited to, the following:

- Identity of team members
- Roles and responsibilities

Cortez Police Department

Cortez PD CO Policy Manual

Warrant Service

- Familiarity with equipment
- Rules of engagement
- Asset forfeiture procedures

Any outside agency requesting assistance in the service of a warrant within this jurisdiction should be referred to a supervisor. The supervisor should review and confirm the warrant, including the warrant location, and should discuss the service with the appropriate supervisor from the other agency. The supervisor should ensure that members of the Cortez Police Department are utilized appropriately. Any concerns regarding the requested use of Cortez Police Department members should be brought to the attention of the Chief of Police or the authorized designee. The actual service of the warrant will remain the responsibility of the agency requesting assistance.

If the supervisor is unavailable, the Shift Sergeant should assume this role.

If officers intend to serve a warrant outside Cortez Police Department jurisdiction, the supervisor should provide reasonable advance notice to the applicable agency, request assistance as needed and work cooperatively on operational planning and the mitigation of risks detailed in this policy.

Officers will remain subject to the policies of the Cortez Police Department when assisting outside agencies or serving a warrant outside Cortez Police Department jurisdiction.

607.11 MEDIA ACCESS

No advance information regarding warrant service operations shall be released without the approval of the Chief of Police. Any media inquiries or press release after the fact shall be handled in accordance with the Media Relations Policy.

607.12 DOCUMENTATION

Documentation related to the service of a warrant shall be maintained in accordance with the established records retention schedule.

607.13 TRAINING

The Patrol Lieutenant should ensure officers receive periodic training on this policy and associated topics, such as legal issues, warrant preparation, warrant service and reporting requirements.

Operations Planning and Deconfliction

608.1 PURPOSE AND SCOPE

This policy provides guidelines for planning, deconfliction and execution of high-risk operations.

Additional guidance on planning and serving high-risk warrants is provided in the Warrant Service Policy.

608.1.1 DEFINITIONS

Definitions related to this policy include:

High-risk operations - Operations, including service of search and arrest warrants and sting operations, that are likely to present higher risks than are commonly faced by officers on a daily basis, including suspected fortified locations, reasonable risk of violence or confrontation with multiple persons, or reason to suspect that persons anticipate the operation.

608.2 POLICY

It is the policy of the Cortez Police Department to properly plan and carry out high-risk operations, including participation in a regional deconfliction system, in order to provide coordination, enhance the safety of members and the public, decrease the risk of compromising investigations and prevent duplicating efforts.

608.3 RISK ASSESSMENT

608.3.1 RISK ASSESSMENT REVIEW

Officers will present any relevant documents (such as copies of search warrants and affidavits and arrest warrants) to their supervisors.

The supervisor shall confer and determine the level of risk. Supervisors should take reasonable actions if there is a change in circumstances that elevates the risks associated with the operation.

608.3.2 HIGH-RISK OPERATIONS

If the supervisor, determines that the operation is high risk, the supervisor should:

- (a) Determine what resources will be needed at the location, and contact and/or place on standby any of the following appropriate and available resources:
 1. Special Response Team (SRT)
 2. Additional personnel
 3. Outside agency assistance
 4. Special equipment
 5. Medical personnel
 6. Persons trained in negotiation
 7. Additional surveillance

Cortez Police Department

Cortez PD CO Policy Manual

Operations Planning and Deconfliction

8. Canines
 9. Evidence Room or analytical personnel to assist with cataloguing seizures
 10. Forensic specialists
 11. Specialized mapping for larger or complex locations
- (b) Contact the appropriate department members or other agencies as warranted to begin preparation.
 - (c) Ensure that all legal documents such as search warrants are complete and have any modifications reasonably necessary to support the operation.
 - (d) Coordinate the actual operation.

608.4 DECONFLICTION

Deconfliction systems are designed to identify persons and locations associated with investigations or law enforcement operations and alert participating agencies when others are planning or conducting operations in close proximity or time or are investigating the same individuals, groups or locations.

The officer who is the operations lead should ensure the subject of investigation and operations information have been entered in an applicable deconfliction system to determine if there is reported conflicting activity. This should occur as early in the process as practicable, but no later than two hours prior to the commencement of the operation. The officer should also enter relevant updated information when it is received.

If any conflict is discovered, the supervisor will contact the involved jurisdiction and resolve the potential conflict before proceeding.

608.5 OPERATIONS PLAN

The supervisor should ensure that a written operations plan is developed for all high-risk operations. Plans should also be considered for other operations that would benefit from having a formal plan.

The plan should address such issues as:

- (a) Operation goals, objectives, and strategies.
- (b) Operation location and people:
 1. The subject of investigation (e.g., history of weapon possession/use, known mental health disorder issues, known drug use, threats against police, gang affiliation, criminal history)
 2. The location (e.g., fortification, booby traps, reinforced doors/windows, surveillance cameras and/or lookouts, number/type of buildings, geographic and perimeter barriers, the number and types of weapons likely to be present, information that suggests the presence of explosives, chemicals or other hazardous materials, the potential for multiple dwellings or living spaces,

Cortez Police Department

Cortez PD CO Policy Manual

Operations Planning and Deconfliction

- availability of keys/door combinations), including aerial photos, if available, and maps of neighboring yards and obstacles, diagrams, and other visual aids
3. Other environmental factors (e.g., nearby venues such as schools and day care centers, proximity of adjacent homes or other occupied buildings, anticipated pedestrian and vehicle traffic at the time of service)
 4. Identification of other people who may be present in or around the operation, such as other criminal suspects, innocent third parties, and children
- (c) Information from the risk assessment form by attaching a completed copy in the operational plan.
1. The volume or complexity of the information may indicate that the plan includes a synopsis of the information contained on the risk assessment form to ensure clarity and highlighting of critical information.
- (d) Participants and their roles.
1. An adequate number of uniformed officers should be included in the operation team to provide reasonable notice of a legitimate law enforcement operation.
 2. How all participants will be identified as law enforcement (CRS§ 16-3-305).
- (e) Whether deconfliction submissions are current and all involved individuals, groups, and locations have been deconflicted to the extent reasonably practicable.
- (f) Identification of all communications channels and call-signs.
- (g) Use of force issues.
- (h) Contingencies for handling medical emergencies (e.g., services available at the location, closest hospital, closest trauma center).
- (i) Plans for detaining people who are not under arrest.
- (j) Contingencies for handling children, dependent adults, animals, and other people who might be at the location in accordance with the Child Abuse, Adult Abuse, Child and Dependent Adult Safety and Animal Control policies.
- (k) Communications plan.
- (l) Responsibilities for writing, collecting, reviewing, and approving reports.
- (m) Requirements for no-knock entries as provided in CRS § 16-3-305 and CRS § 16-3-312.
- (n) The entry for the purpose of executing a search of a dwelling is limited to the hours between 7 a.m. and 7 p.m., unless the judge, for good cause, expressly authorizes execution at another time.

608.5.1 OPERATIONS PLAN RETENTION

Since the operations plan contains intelligence information and descriptions of law enforcement tactics, it shall not be filed with the report. The operations plan shall be stored separately and retained in accordance with the established records retention schedule.

Cortez Police Department

Cortez PD CO Policy Manual

Operations Planning and Deconfliction

608.6 OPERATIONS BRIEFING

A briefing should be held prior to the commencement of any high-risk operation to allow all participants to understand the operation, see and identify each other, identify roles and responsibilities and ask questions or seek clarification as needed. Anyone who is not present at the briefing should not respond to the operation location without specific supervisory approval.

- (a) The briefing should include a verbal review of plan elements, using visual aids, to enhance the participants' understanding of the operations plan.
- (b) All participants should be provided a copy of the operations plan and search warrant, if applicable. Participating personnel should be directed to read the search warrant and initial a copy that is retained with the operation plan. Any items to be seized should be identified at the briefing.
- (c) The operations director shall ensure that all participants are visually identifiable as law enforcement officers.
 - 1. Exceptions may be made by the operations director for officers who are conducting surveillance or working undercover. However, those members exempt from visual identification should be able to transition to a visible law enforcement indicator at the time of enforcement actions, such as entries or arrests, if necessary.
- (d) The briefing should include details of the communications plan.
 - 1. It is the responsibility of the operations director to ensure that Dispatch is notified of the time and location of the operation, and to provide a copy of the operation plan prior to officers arriving at the location.
 - 2. If the radio channel needs to be monitored by Dispatch, the dispatcher assigned to monitor the operation should attend the briefing, if practicable, but at a minimum should receive a copy of the operation plan.
 - 3. The briefing should include a communications check to ensure that all participants are able to communicate with the available equipment on the designated radio channel.

608.7 SRT PARTICIPATION

If the supervisor determines that SRT participation is appropriate, the director and the SRT supervisor shall work together to develop a written plan. The SRT supervisor shall assume operational control until all persons at the scene are appropriately detained and it is safe to begin a search. When this occurs, the SRT supervisor shall transfer control of the scene to the handling supervisor. This transfer should be communicated to the officers present.

608.8 MEDIA ACCESS

No advance information regarding planned operations shall be released without the approval of the Chief of Police. Any media inquiries or press release after the fact shall be handled in accordance with the Media Relations Policy.

Cortez Police Department

Cortez PD CO Policy Manual

Operations Planning and Deconfliction

608.9 OPERATIONS DEBRIEFING

High-risk operations should be debriefed as soon as reasonably practicable. The debriefing should include as many participants as possible. This debrief may be separate from any SRT debriefing.

608.10 TRAINING

The Patrol Lieutenant should ensure officers and SRT team members who participate in operations subject to this policy receive periodic training including, but not limited to, topics such as legal issues, deconfliction practices, operations planning concepts and reporting requirements.

608.11 SPECIAL EVENTS AND DIGNITARY PROTECTION

For special events, including dignitary visits, that require department involvement, the operations director should also consider whether to apply some or all of this policy to the event and address the following:

- (a) The size of any crowds anticipated to gather and the likelihood that crowd control could pose a problem
- (b) The possibility of crime in the area
- (c) Protection of VIPs
- (d) Coordination with VIP teams
- (e) Coordination of VIP management with other jurisdictions
- (f) Whether the Department has the capacity to handle the event and, if not, ensure that assistance from the appropriate outside agencies is coordinated
- (g) Personnel allocation
- (h) Possible use of private security
- (i) Traffic management plans
- (j) Arrest protocol, including management of mass arrests

Forensic Genetic Genealogy

609.1 PURPOSE AND SCOPE

This policy provides guidance for the use of forensic genetic genealogy (FGG) to generate investigative leads.

609.1.1 DEFINITIONS

Definitions related to this policy include:

Combined DNA Index System (CODIS) - An FBI computer software program that operates deoxyribonucleic acid (DNA) profile databases for law enforcement use.

DNA typing laboratory - A laboratory that analyzes biological samples, including extracted DNA, in order to provide various DNA profile types. State or local crime labs are generally not equipped to provide single nucleotide polymorphism (SNP) DNA profiles; therefore, the use of private DNA typing laboratories is often necessary for FGG.

Extracted DNA - The DNA isolated from a biological sample remaining after previous DNA testing has been completed.

Forensic genetic genealogy (FGG) - The process of obtaining a SNP DNA profile from a biological sample collected during an investigation; uploading the profile to a genetic genealogy site for comparison to the consumer profiles in the site's database to identify genetic relatives; and using the identified genetic relationships, as well as traditional genealogy research, to generate investigative leads.

Genetic genealogist - A genealogist who uses DNA testing with traditional genealogical research methods to assist law enforcement or private clients in identifying biological relatives of an individual.

Genetic genealogy site - A database of DNA profiles voluntarily submitted by public consumers for the purpose of identifying genetic relatives. The availability of genetic genealogy sites for law enforcement use varies depending on their terms of service.

Short tandem repeat (STR) DNA profile - The results of DNA typing in a format that can be processed through CODIS and state DNA databases. This is the type of DNA used in conventional non-FGG law enforcement investigations.

Single nucleotide polymorphism (SNP) DNA profile - The results of DNA typing in a format that enables an unknown DNA sample to be compared to the DNA profiles maintained by a genetic genealogy site. This is the DNA type used in FGG.

609.2 POLICY

The Cortez Police Department's use of FGG will be in coordination with prosecutors, the Coroner, and other appropriate resources only in qualifying cases after reasonable conventional investigative methods have been pursued. Members will take reasonable steps to maintain the

Cortez Police Department

Cortez PD CO Policy Manual

Forensic Genetic Genealogy

integrity of the FGG process and safeguard the privacy rights of individuals whose DNA profiles are analyzed.

609.3 CRITERIA FOR FGG USE

Before using FGG, the lead investigator should coordinate with the supervisor to determine whether the case meets the following requirements:

- (a) Biological evidence collected as part of the underlying investigation (or extracted DNA from the biological evidence) is available for additional testing and is reasonably believed to be attributable to:
 - 1. The perpetrator of an unsolved violent felony.
 - 2. The unidentified human remains of a suspected homicide victim.
- (b) All reasonable conventional investigative methods have been utilized and all reasonable investigative leads have been pursued (e.g., relevant case information entered in the National Missing and Unidentified Persons System (NamUs) and the Violent Criminal Apprehension Program (ViCAP) national database).
- (c) An STR DNA profile has been developed from the biological evidence collected in the case and, absent unusual circumstances, has been uploaded to CODIS and any applicable state DNA database for comparison with negative results.

609.4 COORDINATION

Once a preliminary determination has been made that a case may qualify for the use of FGG, the lead investigating member should consult with the appropriate prosecutor to address current and prospective legal issues and determine if a search warrant is required.

In the case of unidentified human remains, the lead investigator should also consult with the Coroner.

609.5 SUBMISSION OF SAMPLE

The biological evidence or extracted DNA should be submitted to a DNA typing laboratory approved by the Department in order to obtain a SNP DNA profile.

Once a SNP DNA profile has been obtained from the biological evidence or extracted DNA, the lead investigating member should arrange for it to be compared to the SNP DNA profiles contained in one or more genetic genealogy sites to identify possible genetic relatives. The lead investigator should work with a qualified genetic genealogist as needed during this process.

When submitting a SNP DNA profile for comparison, the lead investigator or the authorized designee (e.g., assigned genetic genealogist) shall notify the genetic genealogy site that the request for comparison is from a law enforcement agency and confirm that the site's terms of service permit FGG for the type of case being investigated. The use of the SNP DNA profile and any subsequent comparison shall be limited to the original underlying investigation.

If at any time during the FGG process the case no longer meets the criteria for FGG use, the lead investigator should promptly notify the DNA typing laboratory, genetic genealogy site, and/or

Cortez Police Department

Cortez PD CO Policy Manual

Forensic Genetic Genealogy

genetic genealogist to cease any further analysis and to return all evidence, data, and materials to the Department.

609.6 ANALYSIS OF FGG DATA

Once results of a comparison are received from a genetic genealogy site, the information should be evaluated by a genetic genealogist, who will assist the lead investigator in identifying potential investigative leads.

The lead investigator should promptly and diligently pursue each viable lead identified through the FGG process using traditional investigative methods, as appropriate, to:

- (a) Eliminate an individual as a potential suspect in the case.
- (b) Link an individual to the case as a potential suspect.
- (c) Identify human remains.

609.7 COLLECTION OF THIRD-PARTY DNA SAMPLE

If it is determined that a third-party DNA sample (i.e., from a person not likely to be a suspect in the investigation) should be collected and analyzed for FGG, consent from the third party should be obtained prior to collection.

If there is a reasonable belief that the integrity of the investigation would be compromised by seeking consent from the third party prior to collection, the lead investigator should consult with the prosecutor regarding applicable laws and procedures in both the jurisdiction of the investigation and the jurisdiction where the collection will occur, if different.

The use of a third-party DNA sample shall be limited to the original underlying investigation.

609.8 POST-IDENTIFICATION

Members shall not rely solely on FGG identification of a potential suspect for probable cause to make an arrest or obtain an arrest warrant. Unless there is sufficient evidence independent of the FGG data to support an arrest, a potential suspect identified through FGG should not be arrested until the suspect's identity is confirmed.

Members shall not rely solely on FGG to identify human remains unless there is sufficient evidence independent of the FGG data to declare the identification or confirmation testing has been completed.

Confirmatory DNA testing should be conducted by collecting a known DNA sample from the potential suspect or, in the case of unidentified human remains, from a close biological relative. This known DNA sample should be submitted for comparison to the original unknown STR DNA profile through conventional methods (e.g., in CODIS).

The lead investigator should consult with the prosecutor to determine the appropriate method of obtaining a known DNA sample.

Once the identity of a suspect or the identity of unidentified human remains has been confirmed through conventional DNA testing, the lead investigator should:

Cortez Police Department

Cortez PD CO Policy Manual

Forensic Genetic Genealogy

- (a) Consult with the prosecutor to evaluate the entire investigative file for consideration of criminal charges or further investigation.
- (b) If applicable, consult with the Coroner for an amendment to a certificate of death.

609.9 PRIVACY CONSIDERATIONS

Members should make reasonable efforts to respect and protect the privacy of non-suspect genetic relatives identified through the FGG process. The names and identifying information of any non-suspect genetic relatives should not be included in official reports, probable cause declarations, or affidavits for search warrants and should not be disclosed unless otherwise required by law or court order.

The lead investigator should formally request that the SNP DNA profile be removed from all genetic genealogy sites upon identity confirmation and should retain a copy of the request for department records. The lead investigator should request that all case-related records and data provided to, or generated by, a genetic genealogist during the FGG process be returned to the Department.

609.10 RETENTION OF DNA SAMPLES AND RELATED RECORDS

Genetic information, including any derivative profiles and genetic genealogy site user information, should be retained in accordance with the established records retention schedule. The lead investigator should coordinate with the property and evidence technician and provide adequate notice to the appropriate prosecutor's office before destroying any profiles or data obtained from the FGG process.

See the Property and Evidence Policy for guidelines regarding biological evidence, including DNA samples.

Chapter 7 - Equipment

Personal Communication Devices

700.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for the use of mobile telephones and communication devices, whether issued or funded by the Department or personally owned, while on-duty or when used for authorized work-related purposes.

This policy generically refers to all such devices as Personal Communication Devices (PCDs) but is intended to include all mobile telephones, personal digital assistants (PDAs), wireless-capable tablets, and similar wireless two-way communications and/or portable internet-access devices. PCD use includes but is not limited to placing and receiving calls, text messaging, blogging and microblogging, emailing, using video or camera features, playing games, and accessing sites or services on the internet.

700.2 POLICY

The Cortez Police Department allows members to utilize department-issued or funded PCDs and to possess personally owned PCDs in the workplace, subject to certain limitations. Any PCD used while on- or off-duty for business-related purposes, or reasonably associated with work-related misconduct, will be subject to monitoring and inspection consistent with applicable law and this policy.

Additionally, the use of a PCD either on-duty or after duty hours for business-related purposes, or reasonably associated with work-related misconduct, may subject the member and the member's PCD records to civil or criminal discovery or disclosure under applicable public records laws.

Members who have questions regarding the application of this policy or the guidelines contained herein are encouraged to seek clarification from supervisory staff.

700.3 PRIVACY EXPECTATION

Members forfeit any expectation of privacy with regard to any communication accessed, transmitted, received, or reviewed on any PCD issued or funded by the Department and shall have no expectation of privacy in their location should the device be equipped with location-detection capabilities. This includes records of all keystrokes or web-browsing history made on the PCD. The fact that access to a database, service, or website requires a username or password will not create an expectation of privacy if it is accessed through department PCDs or networks (see the Information Technology Use Policy for additional guidance).

Members have no expectation of privacy regarding any communications while using a personally owned PCD for department-related business or when the use reasonably implicates work-related misconduct.

700.4 DEPARTMENT-ISSUED PCD

Depending on a member's assignment and the needs of the position, the Department may, at its discretion, issue or fund a PCD for the member's use to facilitate on-duty performance. Department-issued or funded PCDs may not be used for personal business either on- or off-

Cortez Police Department

Personal Communication Devices

duty unless authorized by the Chief of Police or the authorized designee. Such devices and the associated telephone number, if any, shall remain the sole property of the Department and shall be subject to inspection or monitoring (including all related records and content) at any time without notice and without cause.

Unless a member is expressly authorized by the Chief of Police or the authorized designee for off-duty use of the PCD, the PCD will be either secured in the workplace at the completion of the tour of duty or turned off when leaving the workplace.

700.5 PERSONALLY OWNED PCD

Members may carry a personally owned PCD while on-duty, subject to the following conditions and limitations:

- (a) Permission to carry a personally owned PCD may be revoked if it is used contrary to provisions of this policy.
- (b) The Department accepts no responsibility for loss of or damage to a personally owned PCD.
- (c) The PCD and any associated services shall be purchased, used, and maintained solely at the member's expense.
- (d) The device should not be used for work-related purposes except in exigent circumstances (e.g., unavailability of radio communications) or as otherwise authorized by department procedures.
 - 1. Use of a personally owned PCD for work-related business constitutes consent for the Department to access the PCD to inspect and copy the work-related data (e.g., for litigation purposes, public records retention and release obligations, internal investigations).
 - 2. Use of and data within a personally owned PCD may be discoverable in cases when there is reason to believe it is associated with work-related misconduct.
 - 3. Searches of a personally owned PCD by the Department should be limited to those matters reasonably associated with the work-related business or work-related misconduct.
- (e) The device shall not be utilized to record or disclose any department business-related information, including photographs, video, or the recording or transmittal of any information or material obtained or made accessible as a result of employment or appointment with the Department, without the express authorization of the Chief of Police or the authorized designee.
- (f) If the PCD is carried on-duty, members will provide the Department with the telephone number of the device.
- (g) All work-related documents, emails, photographs, recordings, and other public records created or received on a member's personally owned PCD should be transferred to the Cortez Police Department and deleted from the member's PCD as soon as reasonably practicable but no later than the end of the member's shift.

Cortez Police Department

Cortez PD CO Policy Manual

Personal Communication Devices

Except with prior express authorization from their supervisors, members are not obligated or required to carry, access, monitor, or respond to electronic communications using a personally owned PCD while off-duty. If a member is in an authorized status that allows for appropriate compensation consistent with policy or existing collective bargaining agreements, or if the member has prior express authorization from their supervisor, the member may engage in department business-related communications. Should members engage in such approved off-duty communications or work, members entitled to compensation shall promptly document the time worked and communicate the information to their supervisors to ensure appropriate compensation. Members who independently document off-duty department-related business activities in any manner shall promptly provide the Department with a copy of such records to ensure accurate recordkeeping.

700.6 USE OF PCD

The following protocols shall apply to all PCDs that are carried while on-duty or used to conduct department business:

- (a) A PCD shall not be carried in a manner that allows it to be visible while in uniform unless it is in an approved carrier.
- (b) All PCDs in the workplace shall be set to silent or vibrate mode.
- (c) A PCD may not be used to conduct personal business while on-duty except for brief personal communications (e.g., informing family of extended hours). Members shall endeavor to limit their use of PCDs to authorized break times unless an emergency exists.
- (d) Members may use a PCD to communicate with other personnel in situations where the use of radio communications is either impracticable or not feasible. PCDs should not be used as a substitute for, as a way to avoid, or in lieu of regular radio communications.
- (e) Members are prohibited from taking pictures, audio or video recordings, or making copies of any such picture or recording media unless it is directly related to official department business. Disclosure of any such information to any third party through any means requires the express authorization of the Chief of Police or the authorized designee.
- (f) Members will not access social networking sites for any purpose that is not official department business. This restriction does not apply to a personally owned PCD used during authorized break times.
- (g) Using PCDs to harass, threaten, coerce, or otherwise engage in inappropriate conduct with any third party is prohibited. Any member having knowledge of such conduct shall promptly notify a supervisor.

700.7 SUPERVISOR RESPONSIBILITIES

The responsibilities of supervisors include but are not limited to:

- (a) Ensuring that members under their command are provided appropriate training on the use of PCDs consistent with this policy.

Cortez Police Department

Cortez PD CO Policy Manual

Personal Communication Devices

- (b) Monitoring, to the extent practicable, PCD use in the workplace and taking prompt corrective action if a member is observed or reported to be improperly using a PCD.
 - 1. An investigation into improper conduct should be promptly initiated when circumstances warrant.
 - 2. Before conducting any administrative search of a member's personally owned device, supervisors should consult with the Chief of Police or the authorized designee.

700.8 USE WHILE DRIVING

The use of a PCD while driving can adversely affect safety, cause unnecessary distractions, and present a negative image to the public. Officers operating emergency vehicles should restrict the use of these devices to matters of an urgent nature and should, where practicable, stop the vehicle at an appropriate location to use the PCD.

Except in an emergency, members who are operating non-emergency vehicles shall not use a PCD while driving unless the device is specifically designed and configured to allow hands-free use (CRS § 42-4-239). Hands-free use should be restricted to business-related calls or calls of an urgent nature.

700.9 OFFICIAL USE

Members are reminded that PCDs are not secure devices and conversations may be intercepted or overheard. Caution should be exercised while utilizing PCDs to ensure that sensitive information is not inadvertently transmitted. As soon as reasonably possible, members shall conduct sensitive or private communications on a land-based or other department communications network.

Vehicle Maintenance

701.1 PURPOSE AND SCOPE

Employees are responsible for assisting in maintaining Department vehicles so that they are properly equipped, maintained, refueled and present a clean appearance.

701.2 DEFECTIVE VEHICLES

When a Department vehicle becomes inoperative or in need of a repair that affects the safety of the vehicle, that vehicle shall be removed from service for repair. Proper documentation shall be promptly completed by the employee who becomes aware of the defective condition. Paperwork, describing the correction needed, shall be promptly forwarded to vehicle maintenance for repair.

The employee's supervisor should be notified when an assigned vehicle becomes inoperative or needs of repair.

701.2.1 SUSPECTED DAMAGE OR POOR PERFORMANCE

Vehicles that may have suffered damage, perform poorly or whose control or safety features has been diminished shall be immediately removed from service for inspection and repair.

701.2.2 SEVERE USE INSPECTION

Vehicles operated under severe use conditions, which include operations for which the vehicle is not designed or that exceeds the manufacturer's use parameters, should be removed from service and subjected to a safety inspection as soon as practicable. Severe conditions may include rough roadway or off-road operation, hard or extended braking, pursuits or prolonged high-speed operation.

701.2.3 REMOVAL OF WEAPONS

All firearms, weapons and kinetic impact weapons shall be removed from a vehicle and properly secured in the armory prior to the vehicle being released for maintenance, service or repair.

701.5 WASHING OF VEHICLES

All units shall be kept clean at all times and, weather conditions permitting, shall be washed as necessary to enhance their appearance.

Officers on patrol shall obtain clearance from the dispatcher before responding to the car wash. Only one marked unit should be at the car wash at a time unless otherwise approved by a supervisor.

Employees using a vehicle shall remove any trash or debris at the end of the shift. Confidential documents should be placed in a designated receptacle provided for the shredding of this material.

701.6 NON-CERTIFIED EMPLOYEE USE

Vehicle Use

702.1 PURPOSE AND SCOPE

The purpose of this policy is to establish a system of accountability to ensure department-owned vehicles are used appropriately. This policy provides guidelines for on- and off-duty use of department vehicles and shall not be construed to create or imply any contractual obligation by the City of City of Cortez to provide assigned take-home vehicles.

Additional guidelines for member responsibilities when transporting persons in custody may be found in the Transporting Persons in Custody Policy.

702.2 POLICY

The Department provides vehicles for official business use and may assign take-home vehicles based on its determination of operational efficiency, economic impact to the Department, tactical deployments and other considerations.

Chapter 8 - Support Services

Communication Operations

800.1 PURPOSE AND SCOPE

The basic function of the communications system is to satisfy the immediate information needs of the law enforcement agency in the course of its normal daily activities and during emergencies. The latter situation places the greatest demand on the communications system and tests the capability of the system to fulfill its functions.

800.1.1 FEDERAL COMMUNICATIONS COMMISSION (FCC) COMPLIANCE

Cortez Police Department radio operations shall be conducted in accordance with FCC procedures and guidelines.

800.2 COMMUNICATION OPERATIONS

This organization provides 24-hour telephone service to the public for information or assistance that may be needed in emergencies. The ability of citizens to telephone quickly and easily for emergency service is critical. This organization provides access to the 9-1-1 system with a single emergency telephone number.

This organization has two-way radio capability providing continuous communication between Dispatch and officers.

800.2.1 CALL HANDLING

When a call for law enforcement services is received, the dispatcher will determine if the call is an emergency or non-emergency. The dispatcher will determine the call type, location and priority by asking the four key questions:

- Where?
- What?
- When?
- Who?

A person reporting an emergency should not be placed on hold until the dispatcher has obtained all necessary information to ensure the safety of the responding units and the affected citizen. Dispatchers should be courteous, kind, patient and respectful in dealing with the public.

Emergency calls should be dispatched immediately. The Shift Sergeant shall be notified of pending calls for service when units are unavailable for dispatch.

800.2.2 COMMUNICATIONS LOG

It shall be the responsibility of the Dispatch Center to record all relevant information on calls for criminal and noncriminal service or self-initiated activity. Employees shall attempt to elicit, record and share as much information as possible to enhance the safety of the officer and assist in anticipating conditions to be encountered at the scene. Desirable information to be retained would include, at a minimum, the following:

Cortez Police Department

Cortez PD CO Policy Manual

Communication Operations

- CAD number
- Name, address and telephone number of complainant, if possible
- Type of incident reported
- Involvement of weapons, drugs and/or alcohol
- Location of incident reported
- Identification of any officer assigned as primary and backup
- Time of dispatch
- Time of the officer's arrival
- Time of officer's return to service
- Disposition or status of reported incident

800.2.3 ALTERNATIVE COMMUNICATIONS PLAN

In case of 9-1-1 hard line failure:

- All calls will transfer to another Public Safety Answering Point (PSAP) location (primarily Durango).
- The alternate PSAP will contact Cortez dispatch by radio.
- There is an additional portable radio system in place to back-up the primary radio system.
- In the situation that the communication center needs to be evacuated, 9-1-1 and the radio systems can be moved to an alternate location.

800.3 RADIO COMMUNICATIONS

Operations are more efficient and officer safety is enhanced when dispatchers, supervisors and other officers know the status of officers, their locations and the nature of their cases.

800.3.1 OFFICER IDENTIFICATION

Identification systems are based on officer identification numbers. Employees should use their entire call sign when calling the Dispatch Center or another unit. The use of the call sign allows for a brief pause so that the dispatcher or called unit can respond to the appropriate unit. Employees initiating communication with other agencies shall use their entire call sign. This requirement does not apply to continuing conversation between the mobile unit and dispatcher once the mobile unit has been properly identified.

Property and Evidence

801.1 PURPOSE AND SCOPE

This policy provides for the proper collection, storage, security and disposition of evidence and other property. This policy also provides for the protection of the chain of custody and those persons authorized to remove and/or destroy property (CRS § 13-14.5-108).

801.1.1 EVIDENCE ROOM SECURITY

The Evidence Room shall maintain secure storage and control of all property necessitating custody by the Department. The property and evidence technician reports to the assigned staff member and is responsible for the security of the Evidence Room. Evidence Room keys are maintained only by the property and evidence technician and the assigned staff member. The property and evidence technician and the assigned staff member shall not loan Evidence Room keys to anyone and shall maintain keys in a secure manner.

Any individual entering the Evidence Room other than the property and evidence technician must be accompanied by the property and evidence technician or the assigned staff member and must sign in and out on the logbook, giving the date and time of entry and exit, and the purpose, including a specific case or property number. The entry shall be initialed by the accompanying individual.

801.1.2 EVIDENCE ROOM MANAGEMENT RESPONSIBILITIES

The assigned staff member is responsible for the management of the Evidence Room. The assigned staff member should designate a specific property and evidence technician to assist with documenting, classifying, storing, tracking and disposing of property received by or managed by the Evidence Room.

801.2 DEFINITIONS

Definitions related to this policy include:

The location shall be secured to prevent entry and a completed property label placed into a numbered property locker indicating the location of the property.

801.3.2 EXPLOSIVES

Officers who encounter a suspected explosive device shall promptly notify an immediate supervisor or the Shift Sergeant. A bomb squad will be called to handle explosive-related incidents and will be responsible for the handling, storage, sampling and disposal of all suspected explosives.

Explosives, fireworks, and road flares will not be retained in the police facility.

801.3.3 EXCEPTIONAL HANDLING

Certain property items require a separate process. The following items shall be processed in the described manner:

801.3.4 ADDITIONAL DOCUMENTATION

Members must document the circumstances detailing how the property came into their possession. Documentation should be in accordance with the Report Preparation Policy and should include photographs of the property, if appropriate.

801.4 PACKAGING OF PROPERTY

The officer seizing narcotics and dangerous drugs shall retain such property in his/her possession until it is properly weighed, packaged, tagged and placed in an evidence locker. Prior to packaging and if the quantity allows, a presumptive test should be made on all suspected controlled substances. When conducted, the result of this test shall be included in the officer's report.

Narcotics and dangerous drugs shall be packaged in packaging of appropriate size, available in the report room. The booking officer shall initial the sealed package with his/her initials and date. Controlled substances shall not be packaged with other property.

The booking officer shall weigh the suspected narcotics or dangerous drugs in the container in which it was seized. A full description of the item, along with packaging and total weight of the item as seized, will be placed in the case report and on the property label. After packaging and sealing as required, the entire package will be weighed and the Gross Package Weight (GPW) will be written on the outside of the package, initialed and dated by the packaging officer.

The GPW will be verified every time the package is checked in or out of the Evidence Room. Any discrepancies shall be noted on the outside of the package. Any change in weight should be immediately reported to the assigned staff member.

A completed property tag shall be attached to the outside of the container. The chain of custody shall be recorded on the back of this tag.

801.4.3 RIGHT OF REFUSAL

The property and evidence technician has the right to refuse any piece of property that is hazardous or that has not been properly documented or packaged. Should the property and evidence technician refuse an item of property, he/she shall maintain secure custody of the item in a temporary property locker or other safe location and inform the submitting officer's supervisor.

801.5 PROPERTY CONTROL

Each time the property and evidence technician receives property or releases property to another person, he/she shall enter this information in the report management system. Officers desiring property for court shall contact the property and evidence technician at least 72 hours prior to the court day.

801.5.1 RESPONSIBILITIES OF OTHER PERSONNEL

Every time property is released or received, an appropriate entry in the report management system shall be completed to maintain the chain of custody. No property or evidence is to be released without first receiving written authorization from a supervisor or investigator.

801.5.2 TRANSFER OF EVIDENCE TO CRIME LABORATORY

The property and evidence technician releasing the evidence must complete the required information in the report management system. The lab forms will be transported with the property to the examining laboratory. Upon delivering the item involved, the officer will record the delivery time on both copies and indicate the locker in which the item was placed or the employee to whom it was delivered. The original copy of the lab form will remain with the evidence and the copy will be returned to the Records Section for filing with the case.

801.5.3 STATUS OF PROPERTY

Each person receiving property will make the appropriate entry to document the chain of custody. Temporary release of property to officers for investigative purposes, or for court, shall be noted in the report management system, stating the date, time and to whom it was released.

Upon the direction of a prosecuting attorney, property held as evidence of a crime may be photographed and released to the owner.

801.5.5 RELEASE OF PROPERTY

Release of all property shall be properly documented.

With the exception of firearms and other property specifically regulated by statute, found property and property held for safekeeping shall be held for a minimum of 30 days. During such period, property personnel shall attempt to contact the rightful owner by telephone and/or mail when sufficient identifying information is available. Property not held for any other purpose and not claimed within 30 days after notification (or receipt, if notification is not feasible) may be auctioned to the highest bidder at a properly published public auction. If such property is not sold at auction or otherwise lawfully claimed, it may thereafter be destroyed. Upon receipt of the notice, the Department shall preserve the DNA evidence until such time that a court order is obtained to dispose of the DNA evidence (CRS § 18-1-1105(4)).

If the Department does not receive notice from the District Attorney within a reasonable amount of time, the Department may file a motion with the court that entered the conviction in the case, asking for a court order to dispose of the DNA evidence.

803.6 SUBPOENAS AND DISCOVERY REQUESTS

Any member who receives a subpoena duces tecum or discovery request for records should promptly contact a supervisor and the Custodian of Records for review and processing. While a subpoena duces tecum may ultimately be subject to compliance, it is not an order from the court that will automatically require the release of the requested information.

Generally, discovery requests and subpoenas from criminal defendants and their authorized representatives (including attorneys) should be referred to the City or District Attorney, City Attorney or the courts.

All questions regarding compliance with any subpoena duces tecum or discovery request should be promptly referred to legal counsel for the Department so that a timely response can be prepared.

803.7 EXPUNGEMENT OR SEALED RECORDS

Expungement orders or orders to seal criminal records received by the Department shall be reviewed for appropriate action by the Custodian of Records. The Custodian of Records shall expunge or seal such records as ordered by the court. Records may include but are not limited to a record of arrest, investigation, detention, or conviction. Once the record is expunged or sealed, members shall respond to any inquiry as though the record did not exist (CRS § 24-72-702; CRS § 24-72-703).

803.7.1 EXPUNGEMENT OF ARREST RECORDS RESULTING FROM MISTAKEN IDENTITY

If a staff member or supervisor determines that a person was arrested based on mistaken identity and no charges were filed following the arrest, the Custodian of Records shall file a petition for an order to expunge any arrest or criminal records resulting from the mistaken identity. The petition must be filed no later than 90 days after the investigation determines the mistaken identity, in the judicial district where the arrest occurred (CRS § 24-72-702).

803.7.2 EXPUNGEMENT OF CERTAIN JUVENILE RECORDS WITHOUT COURT ORDER

The Custodian of Records shall acknowledge receipt of a notice issued by the district attorney or other diversion provider that a juvenile has successfully completed a prefiling diversion. Upon receipt of the notice, the Custodian of Records shall treat the records as expunged within 35 days and without need of a court order (CRS § 19-1-306).

803.8 SECURITY BREACHES

Members who become aware that any Cortez Police Department system containing personal information may have been breached should notify the Custodian of Records as soon as practicable.

The Custodian of Records shall ensure the required notice is given to any resident of this state whose unsecured personal information is reasonably believed to have been acquired by an unauthorized person. If the security breach is reasonably believed to affect 500 or more Colorado residents, the Custodian of Records shall also notify the Colorado attorney general. Notice may not

Cortez Police Department

Cortez PD CO Policy Manual

Records Maintenance and Release

be required if the Custodian of Records, after a reasonable investigation, makes a determination that misuse of the individual's information has not occurred and is not reasonably likely to occur. Additional notices to consumer reporting agencies may be required if the security breach requires notification to more than 1,000 Colorado residents (CRS § 24-73-103).

Notice shall be given in the most expedient time possible and without unreasonable delay, and not later than 30 days from the discovery of the breach, consistent with the needs of the department and any measures necessary to determine the scope of the breach, prevent further disclosures, and restore the reasonable integrity of the data system. Notice may be delayed if notification will impede a criminal investigation. In such cases, notice shall be made not later than 30 days after a determination is made that notification will no longer impede the investigation (CRS § 24-73-103).

For the purposes of the notice requirement, personal information includes an individual's first name or first initial and last name in combination with any one or more of the following when not encrypted, redacted, or secured by any other method that renders the information unreadable or unusable (CRS § 24-73-103):

- (a) Social Security number
- (b) Driver's license number or identification card number
- (c) Student, military, passport, or health insurance identification number
- (d) Medical information
- (e) Biometric data
- (f) Username or email address, in combination with a password or security questions and answers, that would permit access to an online account
- (g) Full account number or credit or debit card number, in combination with any required security code, access code, or password that would permit access to the individual's account

If the breach reasonably appears to have been made to protected information covered in the Protected Information Policy, the Custodian of Records should promptly notify the appropriate member designated to oversee the security of protected information (see the Protected Information Policy).

803.9 RELEASE OF AUDIO OR VIDEO RECORDINGS RELATED TO ALLEGED MISCONDUCT

Unedited video and audio recordings related to an incident where a peace officer, civilian, or nonprofit organization has made a complaint of officer misconduct shall be released upon a proper public record request within 21 days of the request (CRS § 24-31-902).

The Custodian of Records should work as appropriate with the Chief of Police or the Lieutenant supervisor in determining what recordings may qualify for disclosure when a request for a recording is received.

Cortez Police Department

Cortez PD CO Policy Manual

Records Maintenance and Release

803.9.1 DELAY OF RELEASE

Disclosure of recordings related to alleged misconduct during active criminal or administrative investigations may be delayed up to 45 days from the date the Department knew or reasonably should have known about the incident if disclosure would substantially interfere with or jeopardize the investigation. The Chief of Police or the authorized designee should work as appropriate with the prosecuting attorney so that the prosecuting attorney may produce the required notice (CRS § 24-31-902).

803.9.2 RELEASE OF AUDIO OR VIDEO RECORDINGS DEPICTING A DEATH

Upon request, the Custodian of Records shall release unedited video and audio recordings depicting a death to the victim's spouse, parent, legal guardian, child, sibling, grandparent, grandchild, significant other, or other lawful representative, and inform the requesting party of the requesting party's right to receive and review the recording at least 72 hours prior to public release (CRS § 24-31-902).

803.9.3 RESTRICTIONS RELATED TO PRIVACY

If the Custodian of Records, in consultation with the Chief of Police or the authorized designee, determines that specific portions of a recording may raise substantial privacy concerns for a person depicted in the recording, the Department should use technology to blur portions of a recording made available for release. In such cases, unblurred footage shall not be released without the written authorization of the victim or the victim's next of kin (CRS § 24-31-902).

If blurring is insufficient to protect the substantial privacy interest of a person, the Custodian of Records should, within 20 days of receipt of the complaint of alleged misconduct (CRS § 24-31-902):

- (a) Provide a copy of the recording upon request to the victim or the victim's next of kin.
- (b) Inform the person whose privacy interest is implicated of the right to waive the interest in writing and allow release of the unedited recording.

Protected Information

804.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidelines for the access, transmission, release and security of protected information by members of the Cortez Police Department. Protected Information

804.4 ACCESS TO PROTECTED INFORMATION

Protected information shall not be accessed in violation of any law, order, regulation, user agreement, Cortez Police Department policy, or training. Only those members who have completed applicable training and met any applicable requirements, such as a background check, may access protected information, and only when the member has a legitimate work-related reason for such access.

Unauthorized access, including access for other than a legitimate work-related purpose, is prohibited and may subject a member to administrative action pursuant to the Personnel Complaints Policy and/or criminal prosecution. See the CJIS Access, Maintenance, and Security Policy for additional guidance.

804.5 RELEASE OR DISSEMINATION OF PROTECTED INFORMATION

Protected information may be released only to authorized recipients who have both a right to know and a need to know.

A member who is asked to release protected information that should not be released should refer the requesting person to a supervisor or to the Records Techs for information regarding a formal request.

Unless otherwise ordered or when an investigation would be jeopardized, protected information maintained by the Department may generally be shared with authorized persons from other law enforcement agencies who are assisting in the investigation or conducting a related investigation. Any such information should be released through the Records Section to ensure proper documentation of the release (see the Records Maintenance and Release Policy).

Protected information, such as Criminal Justice Information (CJI), which includes Criminal History Record Information (CHRI), should generally not be transmitted by radio, cellular telephone or any other type of wireless transmission to members in the field or in vehicles through any computer or electronic device, except in cases where there is an immediate need for the information to further an investigation or where circumstances reasonably indicate that the immediate safety of officers, other department members or the public is at risk.

Nothing in this policy is intended to prohibit broadcasting warrant information.

804.6 SECURITY OF PROTECTED INFORMATION

The Chief of Police will select a member of the Department to oversee the security of protected information.

The responsibilities of this position include but are not limited to (see the CJIS Access, Maintenance, and Security Policy for additional guidance):

- (d) Tracking, documenting, and reporting all breach of security incidents to the Chief of Police and appropriate authorities.

804.6.1 MEMBER RESPONSIBILITIES

Members accessing or receiving protected information shall ensure the information is not accessed or received by persons who are not authorized to access or receive it. This includes leaving protected information, such as documents or computer databases, accessible to others when it is reasonably foreseeable that unauthorized access may occur (e.g., on an unattended table or desk; in or on an unattended vehicle; in an unlocked desk drawer or file cabinet; on an unattended computer terminal).

804.7 CHALLENGE TO CRIMINAL OFFENDER RECORD

Any person has the right to challenge the accuracy and completeness of criminal justice records pertaining to him/her and to request that said records be corrected (CRS § 24-72-307). Any such requests shall be forwarded to the Records Techs.

Upon receipt of a request to correct the record, the Records Techs will evaluate the request as follows:

- (a) The Records Techs will review the request for correction and make a determination of whether to grant or refuse the request, in whole or in part.
- (b) In the event that the Records Techs requires additional time to evaluate the merit of the request for correction, the Records Techs shall notify the applicant in writing.
 1. The Records Techs shall then have 30 days from the date of receipt of the request for correction to evaluate the request and to make a determination of whether to grant or refuse the request, in whole or in part.
 2. The Records Techs will communicate that decision to the applicant in writing.
- (c) If the Records Techs refuses to make the requested correction and the person requests a written statement of the grounds for the refusal, the Records Techs shall promptly provide such a written statement.
- (d) If the Records Techs decides to make the correction, the Records Techs will ensure the change is made in the records of the Cortez Police Department and communicate the correction to the Colorado Bureau of Investigation.

804.8 TRAINING

All members authorized to access or release protected information shall complete a training program that complies with any protected information system requirements and identifies authorized access and use of protected information, as well as its proper handling and dissemination.

Computers and Digital Evidence

805.1 PURPOSE AND SCOPE

This policy establishes procedures for the seizure and storage of computers, personal communications devices (PCDs) digital cameras, digital recorders and other electronic devices that are capable of storing digital information. This policy also establishes procedures for the preservation and storage of digital evidence. All evidence seized and/or processed pursuant to this policy shall be done so in compliance with clearly established Fourth Amendment and search and seizure provisions.

805.2 SEIZING COMPUTERS AND RELATED EVIDENCE

Computer equipment requires specialized training and handling to preserve its value as evidence. Officers should be aware of the potential to destroy information through careless or improper handling, and utilize the most knowledgeable available resources. When seizing a computer and accessories the following steps should be taken:

- (a) Photograph each item, front, back and surrounding desktop or office setup, specifically including cable connections to other items. Look for a telephone line or cable to a modem for Internet access.
- (b) Do not overlook the possibility of the presence of physical evidence on and around the hardware relevant to the particular investigation, such as fingerprints, biological or trace evidence and/or documents.
- (c) If the computer is off, do not turn it on.
- (d) If the computer is on, do not shut it down normally and do not click on anything or examine any files.
 1. Photograph the screen, if possible, and note any programs or windows that appear to be open and running.
 2. Disconnect the power cable from the back of the computer box. If the computer is a portable notebook style, disconnect any power cable from the case and remove the battery.
- (e) Label each item with the case number, evidence sheet number and item number.
- (f) Handle and transport the computer and storage media (e.g., tape, disks, memory cards, flash memory, external drives) with care so that potential evidence is not lost.
- (g) Log all computer items into the Evidence Room. Do not store computers where normal room temperature and humidity is not maintained.
- (h) At minimum, officers should document the following in related reports:
 1. Where the computer was located and whether it was in operation
 2. Who was using it at the time
 3. Who claimed ownership
 4. If it can be determined, how it was being used

Cortez Police Department

Cortez PD CO Policy Manual

Computers and Digital Evidence

- (i) In most cases when a computer is involved in criminal acts and is in the possession of the suspect, the computer itself and all storage devices (e.g., printers, remote drives, hard drives, tape drives and disk drives) should be seized along with all media. Accessories (e.g., monitors, mouse, keyboard, software and manuals) should not be seized unless as a precursor to forfeiture or the equipment is proprietary (e.g. Apple keyboard and mouse) and necessary for examination of the associated media.

805.2.1 BUSINESS OR NETWORKED COMPUTERS

If the computer belongs to a business or is part of a network, it may not be feasible to seize the entire computer. Until properly secured, networked computers can be accessed remotely to alter critical hard drive data. Therefore, cases involving networks require specialized handling. Officers should contact a certified forensic computer examiner as soon as practicable for instructions or a response to the scene. It may be possible to perform an on-site inspection or to image the hard drive only of the involved computer. This should be done by someone specifically trained in processing computers for evidence. The forensic copy of the image of the hard drive shall be marked and maintained as primary evidence.

805.2.2 FORENSIC EXAMINATION OF COMPUTERS

If an examination of the contents of the computer's hard drive, disks or any other storage media is required, forward the following items to a computer forensic examiner:

- (a) A copy of reports involving the computer, including the evidence/property sheet
- (b) A copy of a consent to search form signed by the computer owner or the person in possession of the computer, or a copy of a search warrant authorizing the search of the computer hard drive for evidence relating to the investigation or other legal authority for examination
- (c) A list of the items to search for (e.g., photographs, financial records, e-mail, documents)
- (d) A forensic copy of the media will be made; subsequent forensic examination of the copy will be conducted by a trained digital forensic examiner.

805.3 SEIZING DIGITAL STORAGE MEDIA

Digital storage media, including hard drives, floppy disks, CDs, DVDs, tapes, memory cards or flash memory devices, should be seized and stored in a manner that will protect them from damage.

- (a) If the media has a write-protection tab or switch, it should be activated.
- (b) Do not review, access or open digital files prior to submission. If the information is needed for immediate investigation, request the Evidence Room to copy the contents to an appropriate form of storage media.

Cortez Police Department

Cortez PD CO Policy Manual

Computers and Digital Evidence

- (c) Many kinds of storage media can be erased or damaged by magnetic fields. Keep all media away from magnetic devices, electric motors, radio transmitters or other sources of magnetic fields.
- (d) Do not leave storage media where it would be subject to excessive heat, such as in a parked vehicle on a hot day.
- (e) Use plastic cases designed to protect the media, or other protective packaging, to prevent damage.

805.4 SEIZING PERSONAL COMMUNICATION DEVICES

Personal communication devices (PCD), such as cellular phones, Personal Data Assistants (PDA) or other handheld devices connected to any communication network must be handled with care to preserve evidence that may be on the device, including messages, stored data and/or images.

- (a) Officers should not attempt to access, review or search the contents of such devices prior to examination by a forensic expert. Unsent messages can be lost, data can be inadvertently deleted and incoming messages can override stored messages.
- (b) Do not turn the device on or off. The device should be wrapped in no less than six sheets of heavy duty aluminum foil, or placed in a solid metal container, such as a paint can or in a Faraday bag, to prevent the device from sending or receiving information from its host network.
- (c) When seizing the devices, also seize the charging units and keep them plugged in to the chargers until they can be examined. If the batteries go dead, all the data may be lost.

805.5 DIGITAL EVIDENCE RECORDED BY OFFICERS

Officers handling and submitting recorded and digitally stored evidence from digital cameras and audio or video recorders will comply with these procedures to ensure the integrity and admissibility of the evidence.

805.5.1 COLLECTION OF DIGITAL EVIDENCE

Once evidence is recorded it shall not be erased, deleted or altered in any way prior to submission. All photographs taken will be preserved regardless of quality, composition or relevance. Video and audio files will not be altered in any way.

805.5.2 SUBMISSION OF DIGITAL MEDIA

The following are required procedures for the submission of digital media used by cameras or other recorders:

- (a) The recording media (e.g., smart card, compact flash card, or any other media) shall be made available to the Patrol or Detective Secretary as soon as reasonably possible for submission into evidence and inclusion in files to be sent to the DA's Office. The Patrol Secretary or Detective Secretary will download media digitally into the evidence file and to the FTP Police file for distribution to other agencies as appropriate.

Cortez Police Department

Cortez PD CO Policy Manual

Computers and Digital Evidence

- (b) Officers are only authorized to review the data stored on the device that was used to record the data. Copying data from memory cards is prohibited. The Patrol Secretary, Detective Secretary and the Evidence Technician are authorized to copy and/or distribute digital media made from the memory cards.
- (c) As soon as reasonably possible following the collection of evidence, the camera operator is to remove the memory card from his/her digital camera and place the card on the Patrol or Detective Secretary's desk along with appropriate documentation of the case number.

Animal Control

806.1 PURPOSE AND SCOPE

The purpose of this policy is to establish guidelines for interacting with animals and responding to calls for service that involve animals.

806.2 POLICY

It is the policy of the Cortez Police Department to be responsive to the needs of the community regarding animal-related issues. This includes enforcing local, state and federal laws relating to animals and appropriately resolving or referring animal-related problems, as outlined in this policy.

806.3 ANIMAL CONTROL RESPONSIBILITIES

Animal control services are generally the primary responsibility of Animal Control and include:

- (a) Animal-related matters during periods when Animal Control is available.
- (b) Ongoing or persistent animal nuisance complaints. Such complaints may be scheduled, if reasonable, for handling during periods that Animal Control is available for investigation and resolution.
- (c) Follow-up on animal-related calls, such as locating owners of injured animals.
- (d) Tasks identified in the Colorado Animal Protection Act (CRS § 35-42-101 et seq.).

806.4 MEMBER RESPONSIBILITIES

Members who respond to or assist with animal-related calls for service should evaluate the situation to determine appropriate actions to control the situation.

Due to the hazards of handling animals without proper training and equipment, responding members generally should not attempt to capture and pick up any animal, but should keep the animal under observation until the arrival of appropriate assistance.

Members may consider acting before the arrival of such assistance when:

- (a) There is a threat to public safety.
- (b) An animal has bitten someone. Members should take measures to confine the animal and prevent further injury.
- (c) An animal is creating a traffic hazard.
- (d) An animal is seriously injured.
- (e) The owner/handler of an animal has been arrested or is incapacitated. In such circumstances, the member should find appropriate placement for the animal.
 - 1. This is only necessary when the arrestee is expected to be in custody for a time period longer than would reasonably allow him/her to properly care for the animal.

Cortez Police Department

Cortez PD CO Policy Manual

Animal Control

2. With the owner's consent, locating appropriate placement may require contacting relatives or neighbors to care for the animal.
3. If no person can be found or the owner does not or cannot give consent, the animal should be taken to a designated animal care facility.

806.5 DECEASED ANIMALS

When a member becomes aware of a deceased animal, all reasonable attempts should be made to preliminarily determine if the death of the animal is related to criminal activity.

Deceased animals on public property should be removed, sealed in a plastic bag and properly disposed of by the responding member.

Members should not climb onto or under any privately owned structure for the purpose of removing a deceased animal.

806.6 INJURED ANIMALS

When a member becomes aware of an injured domesticated animal, all reasonable attempts shall be made to contact the owner or responsible handler. If an owner or responsible handler cannot be located, the animal should be taken to a designated animal care facility.

806.7 ANIMAL CRUELTY COMPLAINTS

Laws relating to the cruelty to animals should be enforced, including but not limited to CRS § 18-9-202 et seq.

- (a) An investigation should be conducted on all reports of animal cruelty.
- (b) Legal steps should be taken to protect an animal that is in need of immediate care or protection from acts of cruelty.

806.8 ANIMAL BITE REPORTS

Members investigating an animal bite should obtain as much information as possible for follow-up with the appropriate health or animal authorities. Efforts should be made to capture or otherwise have the animal placed under control. Members should attempt to identify and notify the owner of the final disposition of the animal.

If a biting animal has been killed (see Destruction of Animals section) in order to prevent further injury or death, if possible do not use a head shot. The local board of health shall be notified of the facts related to the bite and the killing, and the body of the animal shall be held for release to the board of health (6 CCR 1009-1:1).

806.9 STRAY DOGS

If the dog has a license or can otherwise be identified, the owner should be contacted, if possible. If the owner is contacted, the dog should be released to the owner and a citation may be issued, if appropriate. If a dog is taken into custody, it shall be transported to the appropriate shelter/holding pen.

Members shall provide reasonable treatment to animals in their care (e.g., food, water, shelter).

Animal Control

806.10 DANGEROUS ANIMALS

In the event responding members cannot fulfill a request for service because an animal is difficult or dangerous to handle, the Shift Sergeant will be contacted to determine available resources, including requesting the assistance of animal control services from an allied agency.

806.11 PUBLIC NUISANCE CALLS RELATING TO ANIMALS

Members should diligently address calls related to nuisance animals (e.g., barking dogs), because such calls may involve significant quality-of-life issues.

806.12 DESTRUCTION OF ANIMALS

When it is necessary to use a firearm to euthanize a badly injured animal or stop an animal that poses an imminent threat to human safety, the Firearms Policy shall be followed.

The member responsible for supervising should not have other duties that could unreasonably conflict with his/her supervision (6 CCR 1010-13:18.0). Any individual in custody must be able to summon the supervising member if needed. If the person in custody is deaf or hard of hearing or cannot speak, accommodations shall be made.

At least one female department member should be present when a female adult is in temporary custody. In the event that none is readily available, the female in custody should be transported to another facility or released pursuant to another lawful process.

Absent exigent circumstances, such as a medical emergency or a violent subject, members should not enter the cell of a person of the opposite sex unless a member of the same sex as the person in custody is present.

If there is any suspicion that the individual may be suicidal, he/she shall be transported to the jail or other appropriate facility.

The officer should promptly notify the Shift Sergeant of any conditions that may warrant immediate medical attention or other appropriate action. The Shift Sergeant shall determine whether the individual will be placed in a cell, immediately released or transported to the jail or other facility.

Visitation may be denied or terminated by a supervisor if the visitor poses a danger to the security of the facility or there is other good cause (e.g., visitor appears to be under the influence of drugs and/or alcoholic beverages, refuses to submit to being searched, violates facility or visitation rules). Any visitation that is denied or terminated early shall have the actions and reasons documented. Copies of the documentation will be provided to the Patrol Lieutenant and placed into the file of the individual in custody.

- Staff neglect or violation of responsibilities that may have contributed to sexual abuse or sexual harassment

During intake the Department shall notify all detainees of the zero-tolerance policy regarding sexual abuse and sexual harassment, and of at least one way to report abuse or harassment to a public or private entity that is not part of the Department and that is able to receive and immediately forward detainee reports of sexual abuse and sexual harassment to agency officials. This allows the detainee to remain anonymous (28 CFR 115.132; 28 CFR 115.151).

901.4.1 MEMBER RESPONSIBILITIES

Department members shall accept reports from detainees and third parties and shall promptly document all reports (28 CFR 115.151).

- (b) Retaliation against detainees or the member who reports any such incident.
- (c) Any neglect or violation of responsibilities on the part of any department member that may have contributed to an incident or retaliation (28 CFR 115.161).

No member shall reveal any information related to a sexual abuse report to anyone other than to the extent necessary to make treatment and investigation decisions.

901.4.2 SHIFT SERGEANT RESPONSIBILITIES

The Shift Sergeant shall report to the department's designated investigators all allegations of sexual abuse, harassment, retaliation, neglect or violations leading to sexual abuse, harassment or retaliation. This includes third-party and anonymous reports (28 CFR 115.161).

If the alleged victim is under the age of 18 or considered a vulnerable adult, the Shift Sergeant shall also report the allegation as required under mandatory reporting laws and department policy.

Upon receiving an allegation that a detainee was sexually abused while confined at another facility, the Shift Sergeant shall notify the head of the facility or the appropriate office of the agency where the alleged abuse occurred. The notification shall be made as soon as possible but no later than 72 hours after receiving the allegation. The Shift Sergeant shall document such notification (28 CFR 115.163).

If an alleged detainee victim is transferred from the Temporary Holding Facility to a jail, prison or medical facility, the Department shall, as permitted by law, inform the receiving facility of the incident and the detainee's potential need for medical or social services, unless the detainee requests otherwise (28 CFR 115.165).

901.5 INVESTIGATIONS

The Department shall promptly, thoroughly and objectively investigate all allegations, including third-party and anonymous reports, of sexual abuse or sexual harassment. Only investigators who have received department-approved special training shall conduct sexual abuse investigations (28 CFR 115.171).

901.5.1 FIRST RESPONDERS

The first officer to respond to a report of sexual abuse or sexual assault shall (28 CFR 115.164):

- (a) Separate the parties.
- (b) Establish a crime scene to preserve and protect any evidence. Identify and secure witnesses until steps can be taken to collect any evidence.

- (d) If the abuse occurred within a time period that still allows for the collection of physical evidence, ensure that the alleged abuser does not take any actions that could destroy physical evidence, including, as appropriate, washing, brushing teeth, changing clothes, urinating, defecating, smoking, drinking or eating.

If the first responder is not an officer the responder shall request that the alleged victim not take any actions that could destroy physical evidence and should then notify a law enforcement staff member (28 CFR 115.164).

901.5.2 INVESTIGATOR RESPONSIBILITIES

Investigators shall (28 CFR 115.171):

- (a) Gather and preserve direct and circumstantial evidence, including any available physical and biological evidence and any available electronic monitoring data.
- (b) Interview alleged victims, suspects and witnesses.
- (c) Review any prior complaints and reports of sexual abuse involving the suspect.
- (d) Conduct compelled interviews only after consulting with prosecutors as to whether compelled interviews may be an obstacle for subsequent criminal prosecution.
- (e) Assess the credibility of the alleged victim, suspect or witness on an individual basis and not by the person's status as a detainee or a member of the Cortez Police Department.
- (f) Document in written reports a description of physical, testimonial, documentary and other evidence, the reasoning behind any credibility assessments, and investigative facts and findings.
- (g) Refer allegations of conduct that may be criminal to the City or District Attorney for possible prosecution, including any time there is probable cause to believe a detainee sexually abused another detainee in the Temporary Holding Facility (28 CFR 115.178).
- (h) Cooperate with outside investigators and remain informed about the progress of any outside investigation.

901.5.3 ADMINISTRATIVE INVESTIGATIONS

Administrative investigations shall include an effort to determine whether staff actions or failures to act contributed to the abuse. The departure of the alleged abuser or victim from the employment or control of this department shall not be used as a basis for terminating an investigation (28 CFR 115.171).

901.5.4 SEXUAL ASSAULT AND SEXUAL ABUSE VICTIMS

No detainee who alleges sexual abuse shall be required to submit to a polygraph examination or other truth-telling device as a condition for proceeding with the investigation of such an allegation (28 CFR 115.171(e)).

Cortez Police Department

Cortez PD CO Policy Manual

Prison Rape Elimination

Detainee victims of sexual abuse shall receive timely, unimpeded access to emergency medical treatment. Treatment services shall be provided to the victim without financial cost and regardless of whether the victim names the abuser or cooperates with any investigation arising out of the incident (28 CFR 115.182).

901.5.5 CONCLUSIONS AND FINDINGS

All completed investigations shall be forwarded to the Chief of Police, or if the allegations may reasonably involve the Chief of Police, to the City Manager. The Chief of Police or City Manager shall review the investigation and determine whether any allegations of sexual abuse or sexual harassment have been substantiated by a preponderance of the evidence (28 CFR 115.172).

All personnel shall be subject to disciplinary sanctions up to and including termination for violating this policy. Termination shall be the presumptive disciplinary sanction for department members who have engaged in sexual abuse. All discipline shall be commensurate with the nature and circumstances of the acts committed, the member's disciplinary history and the sanctions imposed for comparable offenses by other members with similar histories (28 CFR 115.176).

All terminations for violations of this policy, or resignations by members who would have been terminated if not for their resignation, shall be criminally investigated unless the activity was clearly not criminal and reported to any relevant licensing body (28 CFR 115.176).

Any contractor or volunteer who engages in sexual abuse shall be prohibited from contact with detainees and reported to any relevant licensing bodies (28 CFR 115.177). The Chief of Police shall take appropriate remedial measures and consider whether to prohibit further contact with detainees by a contractor or volunteer.

901.6 RETALIATION PROHIBITED

All detainees and members who report sexual abuse or sexual harassment or who cooperate with sexual abuse or sexual harassment investigations shall be protected from retaliation (28 CFR 115.167). If any other individual who cooperates with an investigation expresses a fear of retaliation, appropriate measures shall be taken to protect that individual.

The Shift Sergeant or the authorized designee shall employ multiple protection measures, such as housing changes or transfers for detainee victims or abusers, removal of alleged abusers from contact with victims, and emotional support services for detainees or members who fear retaliation for reporting sexual abuse or sexual harassment or for cooperating with investigations.

The Shift Sergeant or the authorized designee shall identify a staff member to monitor the conduct and treatment of detainees or members who have reported sexual abuse and of detainees who were reported to have suffered sexual abuse. The staff member shall act promptly to remedy any such retaliation. In the case of detainees, such monitoring shall also include periodic status checks.

901.7 REVIEWS AND AUDITS

Cortez Police Department

Cortez PD CO Policy Manual

Prison Rape Elimination

901.7.1 INCIDENT REVIEWS

An incident review shall be conducted at the conclusion of every sexual abuse investigation, unless the allegation has been determined to be unfounded. The review should occur within 30 days of the conclusion of the investigation. The review team shall include upper-level management officials and seek input from line supervisors and investigators (28 CFR 115.186).

The review shall (28 CFR 115.186):

- (a) Consider whether the allegation or investigation indicates a need to change policy or practice to better prevent, detect or respond to sexual abuse.
- (b) Consider whether the incident or allegation was motivated by race; ethnicity; gender identity; lesbian, gay, bisexual, transgender or intersex identification, status or perceived status; gang affiliation; or was motivated or otherwise caused by other group dynamics at the facility.
- (c) Examine the area in the facility where the incident allegedly occurred to assess whether physical barriers in the area may enable abuse.
- (d) Assess the adequacy of staffing levels in that area during different shifts.
- (e) Assess whether monitoring technology should be deployed or augmented to supplement supervision by staff.

The review team shall prepare a report of its findings, including any determinations made pursuant to this section and any recommendations for improvement. The report shall be submitted to the Chief of Police and the PREA Coordinator. The Chief of Police or the authorized designee shall implement the recommendations for improvement or shall document the reasons for not doing so (28 CFR 115.186).

901.7.2 DATA REVIEWS

The facility shall conduct an annual review of collected and aggregated incident-based sexual abuse data. The review should include, as needed, data from incident-based documents, including reports, investigation files and sexual abuse incident reviews (28 CFR 115.187).

The purpose of these reviews is to assess and improve the effectiveness of sexual abuse prevention, detection and response policies, practices and training. An annual report shall be prepared that includes (28 CFR 115.188):

- (a) Identification of any potential problem areas.
- (b) Identification of any corrective actions taken.
- (c) Recommendations for any additional corrective actions.
- (d) A comparison of the current year's data and corrective actions with those from prior years.

Cortez Police Department

Cortez PD CO Policy Manual

Prison Rape Elimination

The report shall be approved by the Chief of Police and made readily available to the public through the department website or, if it does not have one, through other means. Material may be redacted from the reports when publication would present a clear and specific threat to the safety and security of the Temporary Holding Facility. However, the nature of the redacted material shall be indicated.

All aggregated sexual abuse data from Cortez Police Department facilities and private facilities with which it contracts shall be made readily available to the public at least annually through the department website or, if it does not have one, through other means. Before making aggregated sexual abuse data publicly available, all personal identifiers shall be removed (28 CFR 115.189).

901.8 RECORDS

The Department shall retain all written reports from administrative and criminal investigations pursuant to this policy for as long as the alleged abuser is held or employed by the Department, plus five years (28 CFR 115.171).

All other data collected pursuant to this policy shall be securely retained for at least 10 years after the date of the initial collection unless federal, state or local law requires otherwise (28 CFR 115.189).

901.9 TRAINING

All employees, volunteers and contractors who may have contact with detainees shall receive department-approved training on the prevention and detection of sexual abuse and sexual harassment within this facility. The Patrol Lieutenant shall be responsible for developing and administering this training as appropriate, covering at a minimum (28 CFR 115.131):

All current employees and volunteers who may have contact with detainees shall be trained within one year of the effective date of the PREA standards. The agency shall provide annual refresher information to all such employees and volunteers to ensure that they understand the current sexual abuse and sexual harassment policies and procedures.

Cortez Police Department

Cortez PD CO Policy Manual

901.6 TRANSPORT VANS

An officer trained on the safety and restraint systems of a transport van should be present during the transport van's use for transporting a person in custody.

An officer should assist persons getting into and out of the transport van to avoid falls.

901.7 TRANSPORTING PERSONS IN CUSTODY WHO HAVE A DISABILITY

When transporting a person in custody who has a disability, a transporting officer should request assistance as necessary to transport the person in a reasonable and safe manner. The transporting officer should ensure that any special equipment (e.g., canes, wheelchairs, prosthetics) is transported to the person's destination in a way that does not threaten the safety or security of the person in custody or the officer.

Officers transporting a person who has a disability should consult with the person in custody and use good judgment in determining what, if any, restraining devices may be appropriate based on the person's disability to ensure the security, safety, and dignity of all persons.

Cortez Police Department

Cortez PD CO Policy Manual

Transporting Persons in Custody

901.8 TRANSPORTING ILL OR INJURED PERSONS IN CUSTODY

Absent exceptional circumstances, persons in labor or delivery should not be transported by officers. EMS personnel should be called to handle transportation.

901.10 CIVIL COMMITMENT TRANSPORTS

When transporting any individual for civil commitment, the transporting officer should request that Dispatch notify the receiving facility of the estimated time of arrival, the level of cooperation of the individual, and whether any special medical care is needed.

Should the person require transport in a medical transport vehicle, and the safety of any person, including the person in custody, requires the presence of an officer during the transport, Shift Sergeant approval is required before transport commences.

See the Civil Commitments Policy for additional guidance.

901.12 EXTENDED TRANSPORTS

During transports for extended durations, transporting officers may be required to make necessary stops. With supervisory approval and due consideration for security risks and the in-custody person's health and well-being, these stops should be limited to fuel, meals, bathroom breaks, and other purposes reasonably necessary for the continuation of the transport.

901.17 TRAINING

The Patrol Lieutenant should provide periodic training on this policy and procedures related to transporting persons in custody, restraint systems, and restraint devices.

Exposure only includes those instances that occur due to a member's position at the Cortez Police Department. (See the exposure control plan for further details to assist in identifying whether an exposure has occurred.)

The supervisor should complete the incident documentation in conjunction with other reporting requirements that may apply.

1005.5.3 MEDICAL CONSULTATION, EVALUATION AND TREATMENT

Department members shall have the opportunity to have a confidential medical evaluation immediately after an exposure and follow-up evaluations as necessary.

Cortez Police Department

Cortez PD CO Policy Manual

Communicable Diseases

- (b) Whether the member has been notified of any medical conditions resulting from exposure to blood or other potentially infectious materials which require further evaluation or treatment.

No other information should be requested or accepted by the Department.

1005.5.4 COUNSELING

The Department shall provide the member, and his/her family if necessary, the opportunity for counseling and consultation regarding the exposure.

1005.5.5 SOURCE TESTING

Testing a person for communicable diseases when that person was the source of an exposure should be done when it is desired by the exposed member or when it is otherwise appropriate. Source testing is the responsibility of the ECO. If the ECO is unavailable to seek timely testing of the source, it is the responsibility of the exposed member's supervisor to ensure testing is sought.

Source testing may be achieved by:

- (a) Obtaining consent from the individual.
- (b) Working with the Colorado Department of Public Health and Environment or local health officers through their authority to investigate and control communicable diseases (CRS § 25-1.5-102; CRS § 25-4-506; CRS § 25-4-408; CRS § 25-4-412; CRS § 25-4-413).

Since there is the potential for overlap between the different manners in which source testing may occur, the ECO is responsible for coordinating the testing to prevent unnecessary or duplicate testing.

The ECO should seek the consent of the individual for testing and consult the City Attorney to discuss other options when no statute exists for compelling the source of an exposure to undergo testing if he/she refuses.

1005.6 CONFIDENTIALITY OF REPORTS

Medical information shall remain in confidential files and shall not be disclosed to anyone without the member's written consent (except as required by law).

Test results from persons who may have been the source of an exposure are to be kept confidential as well.

Incomplete - A matter in which the complaining party either refuses to cooperate or becomes unavailable after diligent follow-up investigation. At the discretion of the assigned supervisor or Lieutenant, such matters may be further investigated depending on the seriousness of the complaint and the availability of sufficient information.

- (d) Anonymous and third-party complaints should be accepted and investigated to the extent that sufficient information is provided.
- (e) Tort claims and lawsuits may generate a personnel complaint.

1006.4 AVAILABILITY AND ACCEPTANCE OF COMPLAINTS

1006.4.1 COMPLAINT FORMS

Personnel complaint forms will be maintained in a clearly visible location in the public area of the police facility and be accessible through the department website. Forms may also be available at other City facilities.

Personnel complaint forms in languages other than English may also be provided, as determined necessary or practicable.

1006.4.2 ACCEPTANCE

All complaints will be courteously accepted by any department member and promptly given to the appropriate supervisor. Although written complaints are preferred, a complaint may also be filed orally, either in person or by telephone. Such complaints will be directed to a supervisor. If a supervisor is not immediately available to take an oral complaint, the receiving member shall obtain contact information sufficient for the supervisor to contact the complainant. The supervisor, upon contact with the complainant, shall complete and submit a complaint form as appropriate.

Although not required, complainants should be encouraged to file complaints in person so that proper identification, signatures, photographs or physical evidence may be obtained as necessary.

1006.5 DOCUMENTATION

Supervisors shall ensure that all formal and informal complaints are documented on a complaint form. The supervisor shall ensure that the nature of the complaint is defined as clearly as possible.

All complaints and inquiries should also be documented in a log that records and tracks complaints. The log shall include the nature of the complaint and the actions taken to address the complaint. On an annual basis, the Department should audit the log and send an audit report to the Chief of Police or the authorized designee.

1006.6 ADMINISTRATIVE INVESTIGATIONS

Allegations of misconduct will be administratively investigated as follows.

Cortez Police Department

Cortez PD CO Policy Manual

Personnel Complaints

1006.6.1 SUPERVISOR RESPONSIBILITIES

In general, the primary responsibility for the investigation of a personnel complaint shall rest with the member's immediate supervisor, unless the supervisor is the complainant, or the supervisor is the ultimate decision-maker regarding disciplinary action or has any personal involvement regarding the alleged misconduct. The Chief of Police or the authorized designee may direct that another supervisor investigate any complaint.

A supervisor who becomes aware of alleged misconduct shall take reasonable steps to prevent aggravation of the situation.

The responsibilities of supervisors include, but are not limited to:

- (a) Ensuring that upon receiving or initiating any formal complaint, a complaint form is completed.
 - (a) The original complaint form will be directed to the Shift Sergeant of the accused member, via the chain of command, who will take appropriate action and/or determine who will have responsibility for the investigation.
 - (b) In circumstances where the integrity of the investigation could be jeopardized by reducing the complaint to writing or where the confidentiality of a complainant is at issue, a supervisor shall orally report the matter to the member's Lieutenant or Staff, who will initiate appropriate action.
- (b) Responding to all complaints in a courteous and professional manner.
- (c) Resolving those personnel complaints that can be resolved immediately.
 - 1. Follow-up contact with the complainant should be made within 24 hours of the Department receiving the complaint.
 - 2. If the matter is resolved and no further action is required, the supervisor will note the resolution on a complaint form and forward the form to the Shift Sergeant.
- (d) Ensuring that upon receipt of a complaint involving allegations of a potentially serious nature, the Shift Sergeant and Chief of Police are notified via the chain of command as soon as practicable.
- (e) Promptly contacting the Shift Sergeant for direction regarding their roles in addressing a complaint that relates to sexual, racial, ethnic or other forms of prohibited harassment or discrimination. The City of Cortez Human Resources may be contacted, if necessary.
- (f) Forwarding unresolved personnel complaints to the Shift Sergeant, who will determine whether to contact the complainant or assign the complaint for investigation.
- (g) Informing the complainant of the investigator's name and the complaint number within three days after assignment.
- (h) Investigating a complaint as follows:

Personnel Complaints

2. When appropriate, ensuring immediate medical attention is provided and photographs of alleged injuries and accessible uninjured areas are taken.
- (i) Ensuring that the procedural rights of the accused member are followed.
 - (j) Ensuring interviews of the complainant are generally conducted during reasonable hours.

1006.6.2 ADMINISTRATIVE INVESTIGATION PROCEDURES

Whether conducted by a supervisor or a Lieutenant, the following applies to employees:

- (a) Interviews of an accused employee shall be conducted during reasonable hours and preferably when the employee is on-duty. If the employee is off-duty, he/she shall be compensated.
- (b) Unless waived by the employee, interviews of an accused employee shall be at the Cortez Police Department or other reasonable and appropriate place.
- (c) No more than two interviewers should ask questions of an accused employee.
- (d) Prior to any interview, an employee should be informed of the nature of the investigation.
 1. This should be provided in written form and include the employee's rights and responsibilities relative to the investigation.
 2. The employee should be informed of the ranks, names and commands of the person in charge of the interview and of all other persons to be present during the interview.
- (e) All interviews should be for a reasonable period and the employee's personal needs should be accommodated.
- (f) No employee should be subjected to offensive or threatening language, nor shall any promises, rewards or other inducements be used to obtain answers.
- (g) Any employee refusing to answer questions directly related to the investigation may be ordered to answer questions administratively and may be subject to discipline for failing to do so.
 1. An employee should be given an order to answer questions in an administrative investigation that might incriminate the member in a criminal matter only after the member has been given a *Garrity* advisement. Administrative investigators should consider the impact that compelling a statement from the employee may have on any related criminal investigation and should take reasonable steps to avoid creating any foreseeable conflicts between the two related investigations. This may include conferring with the person in charge of the criminal investigation (e.g., discussion of processes, timing, implications).
 2. No information or evidence administratively coerced from an employee may be provided to anyone involved in conducting the criminal investigation or to any prosecutor.

Cortez Police Department

Cortez PD CO Policy Manual

Personnel Complaints

- (h) The interviewer should record all interviews of employees and witnesses. The employee may also record the interview. If the employee has been previously interviewed, a copy of that recorded interview should be provided to the employee prior to any subsequent interview.
 - 1. Upon request, the employee shall be provided copies of recordings, transcriptions and reports made of an interview session.
- (i) All employees subjected to interviews that could result in discipline have the right to have an uninvolved representative present during the interview. However, in order to maintain the integrity of each individual's statement, involved employees shall not consult or meet with a representative or attorney collectively or in groups prior to being interviewed.
 - 1. Uninvolved attorneys or representatives present during interviews shall not be required to disclose any information received from the employee during the administrative investigation.
- (j) All employees shall provide complete and truthful responses to questions posed during interviews.
- (k) No employee may be compelled to submit to a deception detection device examination, nor shall any refusal to submit to such examination be mentioned in any investigation.

Information concerning administrative interviews shall not be released to the public unless approved by the Chief of Police or the authorized designee.

1006.6.3 ADMINISTRATIVE INVESTIGATION FORMAT

Formal investigations of personnel complaints shall be thorough, complete and essentially follow this format:

Introduction - Include the identity of the members, the identity of the assigned investigators, the initial date and source of the complaint.

Synopsis - Provide a brief summary of the facts giving rise to the investigation.

Summary - List the allegations separately, including applicable policy sections, with a brief summary of the evidence relevant to each allegation. A separate recommended finding should be provided for each allegation.

Evidence - Each allegation should be set forth with the details of the evidence applicable to each allegation provided, including comprehensive summaries of member and witness statements. Other evidence related to each allegation should also be detailed in this section.

Conclusion - A recommendation regarding further action or disposition should be provided.

Exhibits - A separate list of exhibits (e.g., recordings, photos, documents) should be attached to the report.

1006.6.4 DISPOSITIONS

Each personnel complaint shall be classified with one of the following dispositions:

Cortez Police Department

Cortez PD CO Policy Manual

Personnel Complaints

Unfounded - When the investigation discloses that the alleged acts did not occur or did not involve department members. Complaints that are determined to be frivolous will fall within the classification of unfounded.

Exonerated - When the investigation discloses that the alleged act occurred but that the act was justified, lawful and/or proper.

Not sustained - When the investigation discloses that there is insufficient evidence to sustain the complaint or fully exonerate the member.

Sustained - When the investigation discloses sufficient evidence to establish that the act occurred and that it constituted misconduct.

If an investigation discloses misconduct or improper job performance that was not alleged in the original complaint, the investigator shall take appropriate action with regard to any additional allegations.

1006.6.5 COMPLETION OF INVESTIGATIONS

Every investigator or supervisor assigned to investigate a personnel complaint or other alleged misconduct shall proceed with due diligence in an effort to complete the investigation within one year from the date of discovery by an individual authorized to initiate an investigation.

1006.6.6 NOTIFICATION TO COMPLAINANT

Supervisors should periodically communicate the status of an investigation to the complainant. Upon final disposition of a formal investigation and after taking into account any restrictions provided in applicable collective bargaining agreements and by Colorado law, the complaining party should be provided written notification of the outcome of the investigation.

1006.7 ADMINISTRATIVE SEARCHES

Assigned lockers, storage spaces and other areas, including desks, offices and vehicles, may be searched as part of an administrative investigation upon a reasonable suspicion of misconduct.

Such areas may also be searched any time by a supervisor for non-investigative purposes, such as obtaining a needed report, radio or other document or equipment.

1006.8 ADMINISTRATIVE LEAVE

When a complaint of misconduct is of a serious nature, or when circumstances indicate that allowing the accused to continue to work would adversely affect the mission of the Department, the Chief of Police or the authorized designee may temporarily assign an accused employee to administrative leave. Any employee placed on administrative leave:

- (a) May be required to relinquish any department badge, identification, assigned weapons and any other department equipment.
- (b) Shall be required to continue to comply with all policies and lawful orders of a supervisor.

Cortez Police Department

Cortez PD CO Policy Manual

Personnel Complaints

- (c) May be temporarily reassigned to a different shift, generally a normal business-hours shift, during the investigation. The employee may be required to remain available for contact at all times during such shift, and will report as ordered.

1006.9 CRIMINAL INVESTIGATION

Where a member is accused of potential criminal conduct, a separate supervisor or investigator shall be assigned to investigate the criminal allegations apart from any administrative investigation. Any separate administrative investigation may parallel a criminal investigation.

The Chief of Police shall be notified as soon as practicable when a member is accused of criminal conduct. The Chief of Police may request a criminal investigation by an outside law enforcement agency.

A member accused of criminal conduct shall be provided with all rights afforded to a civilian. The member should not be administratively ordered to provide any information in the criminal investigation.

The Cortez Police Department may release information concerning the arrest or detention of any member, including an officer, that has not led to a conviction.

No disciplinary action should be taken until an independent administrative investigation is conducted.

1006.10 POST-ADMINISTRATIVE INVESTIGATION PROCEDURES

Upon completion of a formal investigation, an investigation report should be forwarded to the Chief of Police through the chain of command. Each level of command should review and include their comments in writing before forwarding the report. The Chief of Police may accept or modify any classification or recommendation for disciplinary action.

1006.10.1 LIEUTENANT RESPONSIBILITIES

Upon receipt of any completed personnel investigation, the Lieutenant of the involved member shall review the entire investigative file, the member's personnel file and any other relevant materials.

The Lieutenant may make recommendations regarding the disposition of any allegations and the amount of discipline, if any, to be imposed.

Prior to forwarding recommendations to the Chief of Police, the Lieutenant may return the entire investigation to the assigned investigator or supervisor for further investigation or action.

When forwarding any written recommendation to the Chief of Police, the Lieutenant shall include all relevant materials supporting the recommendation. Actual copies of a member's existing personnel file need not be provided and may be incorporated by reference.

Cortez Police Department

Cortez PD CO Policy Manual

Personnel Complaints

1006.10.2 CHIEF OF POLICE RESPONSIBILITIES

Upon receipt of any written recommendation for disciplinary action, the Chief of Police shall review the recommendation and all accompanying materials. The Chief of Police may modify any recommendation and/or may return the file to the Lieutenant for further investigation or action.

Once the Chief of Police is satisfied that no further investigation or action is required by staff, the Chief of Police shall determine the amount of discipline, if any, that should be imposed. In the event disciplinary action is proposed, the Chief of Police shall provide the member with a written notice and the following:

- (a) Access to all of the materials considered by the Chief of Police in recommending the proposed discipline.
- (b) An opportunity to respond orally or in writing to the Chief of Police within five days of receiving the notice.
 - 1. Upon a showing of good cause by the member, the Chief of Police may grant a reasonable extension of time for the member to respond.
 - 2. If the member elects to respond orally, the presentation shall be recorded by the Department. Upon request, the member shall be provided with a copy of the recording.

Once the member has completed his/her response or if the member has elected to waive any such response, the Chief of Police shall consider all information received in regard to the recommended discipline. The Chief of Police shall render a timely written decision to the member and specify the grounds and reasons for discipline and the effective date of the discipline. Once the Chief of Police has issued a written decision, the discipline shall become effective.

1006.10.3 FORMS OF DISCIPLINE

The following methods may be considered for correcting poor job performance or misconduct:

- (a) Training
- (b) Counseling
 - 1. Counseling may be administered by the Staff or other supervisor depending on the severity of the matter.
 - 2. The supervisor or staff member administering the counseling shall document the purpose and effect of the counseling.
- (c) Verbal reprimand
- (d) Written reprimand
- (e) Loss of leave
- (f) Suspension without pay
- (g) Punitive transfer
- (h) Demotion
- (i) Reduction in pay or step

Personnel Complaints

(j) Termination

The order of the above listed methods does not imply a required sequence. The Chief of Police should determine the method of correction by considering the actions of the member.

1006.11 PRE-DISCIPLINE EMPLOYEE RESPONSE

The pre-discipline process is intended to provide the accused employee with an opportunity to present a written or oral response to the Chief of Police after having had an opportunity to review the supporting materials and prior to imposition of any recommended discipline. The employee shall consider the following:

- (a) The response is not intended to be an adversarial or formal hearing.
- (b) Although the employee may be represented by an uninvolved representative or legal counsel, the response is not designed to accommodate the presentation of testimony or witnesses.
- (c) The employee may suggest that further investigation could be conducted or the employee may offer any additional information or mitigating factors for the Chief of Police to consider.
- (d) In the event that the Chief of Police elects to cause further investigation to be conducted, the employee shall be provided with the results prior to the imposition of any discipline.
- (e) The employee may thereafter have the opportunity to further respond orally or in writing to the Chief of Police on the limited issues of information raised in any subsequent materials.

1006.12 RESIGNATIONS/RETIREMENTS PRIOR TO DISCIPLINE

In the event that a member tenders a written resignation or notice of retirement prior to the imposition of discipline, it shall be noted in the file. The tender of a resignation or retirement by itself shall not serve as grounds for the termination of any pending investigation or discipline.

The Chief of Police or the authorized designee shall notify the Division of Criminal Justice when an officer resigned while under investigation for violating department policy (CRS § 24-31-903).

1006.13 POST-DISCIPLINE APPEAL RIGHTS

Non-probationary employees have the right to appeal discipline using the procedures established by personnel rules.

1006.14 PROBATIONARY EMPLOYEES AND OTHER MEMBERS

At-will and probationary employees and members other than non-probationary employees may be disciplined and/or released from employment without adherence to any of the procedures set out in this policy, and without notice or cause at any time. These individuals are not entitled to any rights under this policy. However, any of these individuals released for misconduct should be afforded an opportunity solely to clear their names through a liberty interest hearing, which shall be limited to a single appearance before the Chief of Police or the authorized designee.

Cortez Police Department

Cortez PD CO Policy Manual

Personnel Complaints

Any probationary period may be extended at the discretion of the Chief of Police in cases where the individual has been absent for more than a week or when additional time to review the individual is considered to be appropriate.

1006.15 RETENTION OF PERSONNEL INVESTIGATION FILES

All personnel complaints shall be maintained in accordance with the established records retention schedule and as described in the Personnel Records Policy.

1006.16 NOTIFICATION OF POST

The Chief of Police or the authorized designee shall notify POST of any sustained findings of use or threatened use of unlawful force or failure to intervene by any officer currently employed by this department (CRS § 18-1-707; CRS § 24-31-904).

The Chief of Police or the authorized designee shall provide information regarding officer misconduct (e.g., knowingly making an untruthful statement, termination for cause, resignation or retirement pending investigation, resignation in lieu of termination for cause, conduct that subjects the officer to criminal investigation) to the POST Board misconduct database as required (CRS § 24-31-303; 4 CCR 901-1:17; 4 CCR 901-1:32).

Seat Belts

1007.1 PURPOSE AND SCOPE

This policy establishes guidelines for the use of seat belts and child restraints. This policy will apply to all members operating or riding in department vehicles.

Guidance for transporting persons in custody may be found in the Transporting Persons in Custody and Handcuffing and Restraints policies.

1007.1.1 DEFINITIONS

Definitions related to this policy include:

Child restraint system - An infant or child passenger restraint system that meets Federal Motor Vehicle Safety Standards (FMVSS) and Regulations set forth in 49 CFR 571.213 (CRS § 42-4-236).

1007.2 WEARING OF SAFETY RESTRAINTS

All members shall wear properly adjusted safety restraints when operating or riding in a seat equipped with restraints, in any vehicle owned, leased or rented by this department while on- or off-duty or when in any privately owned vehicle while on-duty. The member driving such a vehicle shall ensure that all other occupants, including non-members, are also properly restrained (CRS § 42-4-236; CRS § 42-4-237).

Exceptions to the requirement to wear safety restraints may be made only in exceptional situations where, due to unusual circumstances, wearing a seat belt would endanger the member or the public. Members must be prepared to justify any deviation from this requirement.

1007.3 INOPERABLE SEAT BELTS

Department vehicles shall not be operated when the seat belt in the driver's position is inoperable. Persons shall not be transported in a seat in which the seat belt is inoperable.

Department vehicle seat belts shall not be modified, removed, deactivated or altered in any way, except by the vehicle maintenance and repair staff, who shall do so only with the express authorization of the Chief of Police.

Members who discover an inoperable restraint system shall report the defect to the appropriate supervisor. Prompt action will be taken to replace or repair the system.

1007.4 VEHICLES MANUFACTURED WITHOUT SEAT BELTS

Vehicles manufactured and certified for use without seat belts or other restraint systems are subject to the manufacturer's operating requirements for safe use.

1007.5 POLICY

It is the policy of the Cortez Police Department that members use safety and child restraint systems to reduce the possibility of death or injury in a motor vehicle accident.

Cortez Police Department

Cortez PD CO Policy Manual

Seat Belts

1007.6 TRANSPORTING CHILDREN

All children who are 8 years of age and under shall be restrained in a child restraint system (CRS § 42-4-236).

Rear seat passengers in a cage-equipped vehicle may have reduced clearance, which requires careful seating and positioning of seat belts. Due to this reduced clearance, and if permitted by law, children and any child restraint system may be secured in the front seat of such vehicles provided this positioning meets federal safety standards and the vehicle and child restraint system manufacturer's design and use recommendations. In the event that a child is transported in the front seat of a vehicle, the seat should be pushed back as far as possible and the passenger-side airbag should be deactivated. If this is not possible, members should arrange alternate transportation when feasible.

1007.7 VEHICLE AIRBAGS

In all vehicles equipped with airbag restraint systems, the system will not be tampered with or deactivated, except when transporting children as written elsewhere in this policy. All equipment installed in vehicles equipped with airbags will be installed as per the vehicle manufacturer specifications to avoid the danger of interfering with the effective deployment of the airbag device.

Body Armor

1008.1 PURPOSE AND SCOPE

The purpose of this policy is to provide law enforcement officers with guidelines for the proper use of body armor.

1008.2 POLICY

It is the policy of the Cortez Police Department to maximize officer safety through the use of body armor in combination with prescribed safety procedures. While body armor provides a significant level of protection, it is not a substitute for the observance of officer safety procedures.

1008.3 ISSUANCE OF BODY ARMOR

The Patrol Lieutenant shall ensure that body armor is issued to all officers when the officer begins service at the Cortez Police Department and that, when issued, the body armor meets or exceeds the standards of the National Institute of Justice.

The Patrol Lieutenant shall establish a body armor replacement schedule and ensure that replacement body armor is issued pursuant to the schedule or whenever the body armor becomes worn or damaged to the point that its effectiveness or functionality has been compromised.

1008.3.1 USE OF SOFT BODY ARMOR

Generally, the use of body armor is required subject to the following:

- (a) Officers shall only wear agency-approved body armor.
- (b) Officers shall wear body armor anytime they are in a situation where they could reasonably be expected to take enforcement action.
- (c) Officers may be excused from wearing body armor when they are functioning primarily in an administrative or support capacity and could not reasonably be expected to take enforcement action.
- (d) Body armor shall be worn when an officer is working in uniform or taking part in Department range training.
- (e) An officer may be excused from wearing body armor when he/she is involved in undercover or plainclothes work that his/her supervisor determines could be compromised by wearing body armor, or when a supervisor determines that other circumstances make it inappropriate to mandate wearing body armor.

1008.3.2 CARE AND MAINTENANCE OF SOFT BODY ARMOR

Soft body armor should never be stored for any period of time in an area where environmental conditions (e.g., temperature, light, humidity) are not reasonably controlled (e.g., normal ambient room temperature/humidity conditions), such as in automobiles or automobile trunks.

Soft body armor should be cared for and cleaned pursuant to the manufacturer's care instructions provided with the soft body armor. The instructions can be found on labels located on the external surface of each ballistic panel. The carrier should also have a label that contains care instructions.

Cortez Police Department

Cortez PD CO Policy Manual

Body Armor

Failure to follow these instructions may damage the ballistic performance capabilities of the armor. If care instructions for the soft body armor cannot be located, contact the manufacturer to request care instructions.

Soft body armor should not be exposed to any cleaning agents or methods not specifically recommended by the manufacturer, as noted on the armor panel label.

Soft body armor should be replaced in accordance with the manufacturer's recommended replacement schedule.

Fitness for Duty

1009.1 PURPOSE AND SCOPE

Monitoring members' fitness for duty is essential for the safety and welfare of the members of the Department and the community. The purpose of this policy is to ensure that all officers of this department remain fit for duty and able to perform their job functions.

1009.2 MEMBER RESPONSIBILITIES

It shall be the responsibility of each member of this department to maintain physical stamina and psychological stability sufficient to safely and effectively perform the essential duties of the position.

During working hours, all members are required to be alert, attentive, and capable of performing their assigned responsibilities.

Members who feel unable to perform their duties shall promptly notify a supervisor. In the event that a member believes that another department member is unable to perform the member's duties, such observations shall be promptly reported to a supervisor.

1009.3 SUPERVISOR RESPONSIBILITIES

All supervisors should be alert to any indication that a member may be unable to safely perform the member's duties due to an underlying physical or psychological impairment or condition.

Such indications may include:

- (a) An abrupt and negative change in the member's normal behavior.
- (b) A pattern of irrational conduct, hostility, or oppositional behavior.
- (c) Personal expressions of instability.
- (d) Inappropriate use of alcohol or other substances, including prescribed medication.
- (e) A pattern of questionable judgment, impulsive behavior, or the inability to manage emotions.
- (f) Any other factor or combination of factors causing a supervisor to believe the member may be suffering from an impairment or condition requiring intervention.

Supervisors shall maintain the confidentiality of any information consistent with this policy.

1009.3.1 REPORTING

A supervisor observing a member, or receiving a report of a member, who is perceived to be unable to safely or effectively perform the member's duties shall promptly document all objective information and/or observations.

The supervisor should attempt to meet with the member to inquire about the conduct or behavior giving rise to the concerns.

Cortez Police Department

Cortez PD CO Policy Manual

Fitness for Duty

If a meeting does not resolve the supervisor's concerns or does not take place, the supervisor shall promptly document the supervisor's observations and actions in a written report and inform the Shift Sergeant or the member's Lieutenant.

1009.3.2 DUTY STATUS

In conjunction with the Shift Sergeant or the member's Lieutenant, the supervisor should make a preliminary determination regarding the member's duty status.

If a determination is made that the member can safely and effectively perform the essential functions of the member's job, the member should be returned to duty and arrangements made for appropriate follow-up.

If a preliminary determination is made that the member's conduct or behavior represents an inability to safely and effectively perform the essential functions of the member's job, the Shift Sergeant or the member's Lieutenant should immediately relieve the member of duty pending further evaluation.

Employees relieved of duty shall comply with the administrative leave provisions of the Personnel Complaints Policy.

The Chief of Police shall be promptly notified in the event that any member is relieved of duty.

1009.4 LIMITATION ON HOURS WORKED

Absent emergency operations, members should not work more than:

- 16 hours in a one-day period (24-hour period)
- 30 hours in any two-day period (48-hour period)
- 84 hours in any seven-day period (168-hour period)

Except in unusual circumstances, members should have a minimum of eight hours off between shifts. Supervisors should give consideration to reasonable rest periods and are authorized to deny overtime or relieve any member who has exceeded the above guidelines to off-duty status.

Limitations on the number of hours worked apply to shift changes, shift trades, rotation, holdover, training, special events, contract work, general overtime, and any other work assignments.

1009.5 APPEALS

Employees disputing the application or interpretation of this policy may submit a grievance as provided in the Grievance Procedure Policy.

1009.6 POLICY

The Cortez Police Department strives to provide a safe and productive work environment and ensure that all members of this department can safely and effectively perform the essential functions of their jobs. Under limited circumstances, the Department may require a professional evaluation of a member's physical and/or mental capabilities to determine the member's ability to perform essential functions.

Cortez Police Department

Cortez PD CO Policy Manual

Fitness for Duty

1009.7 FITNESS-FOR-DUTY EVALUATIONS

A fitness-for-duty evaluation may be ordered whenever circumstances reasonably indicate that a member is unfit for duty or following an officer-involved shooting or death-in-custody incident.

1009.7.1 PROCESS

The Chief of Police, in cooperation with the Department of Human Resources, may order the member to undergo a fitness-for-duty evaluation.

The examining practitioner will provide the Department with a report indicating whether the member is fit for duty. If the member is not fit for duty, the practitioner will include the existing restrictions or conditions in the report.

In order to facilitate the evaluation of any member, the Department will provide all appropriate documents and available information.

All reports and evaluations submitted by the examining practitioner shall be part of the member's confidential medical file.

Any member ordered to undergo a fitness-for-duty evaluation shall comply with the terms of the order and cooperate fully with the examining practitioner. Any failure to comply with such an order and any failure to cooperate with the practitioner may be deemed insubordination and shall subject the member to discipline, up to and including termination.

Determinations regarding duty status of members who are found to be unfit for duty or fit for duty with limitations will be made in cooperation with the Department of Human Resources.

Meal Periods and Breaks

1010.1 PURPOSE AND SCOPE

This policy regarding meals and breaks, insofar as reasonably possible, shall conform to the policy governing all City employees.

1010.1.1 MEAL PERIODS

Certified employees and dispatchers shall remain on-duty subject to call during meal breaks. All other employees are not on-call during meal breaks unless directed otherwise by a supervisor.

Uniformed officers shall request clearance from Dispatch prior to taking a meal period. Uniformed officers shall take their breaks within the City limits and shall monitor their radios unless on assignment outside of the City.

The time spent for the meal period shall not exceed the authorized time allowed.

1010.1.2 15-MINUTE BREAKS

Each employee is entitled to a 15-minute break, near the midpoint, for each four-hour work period. Only one 15-minute break shall be taken during each four hours of duty. No breaks shall be taken during the first or last hour of an employee's shift unless approved by a supervisor.

Employees normally assigned to the police facility shall remain in the police facility for their breaks. This does not prohibit them from taking a break if they are outside the facility on official business.

Field officers will take their breaks in their assigned areas, subject to call, and shall monitor their radios. When field officers take their breaks away from their vehicles, they shall do so only with the knowledge and clearance of Dispatch.

Lactation Breaks

1011.1 PURPOSE AND SCOPE

The purpose of this policy is to provide guidance regarding reasonable accommodations for lactating members.

1011.2 POLICY

It is the policy of the Cortez Police Department to provide, in compliance with federal and state law, reasonable accommodations for lactating members. This includes break time and appropriate facilities to accommodate any member desiring to express breast milk for the member's nursing child for up to two years after the child's birth (29 USC § 218d; 42 USC § 2000gg-1; 29 CFR 1636.3; CRS § 8-13.5-101; CRS § 8-13.5-104).

1011.3 LACTATION BREAK TIME

A rest period should be permitted each time the member requires a lactation break (29 USC § 218d; 42 USC § 2000gg-1; 29 CFR 1636.3). In general, lactation breaks that cumulatively total 30 minutes or less during any four-hour work period or major portion of a four-hour work period would be considered reasonable. However, individual circumstances may require more or less time.

Lactation breaks, if feasible, should be taken at the same time as the member's regularly scheduled rest or meal periods. While a reasonable effort will be made to provide additional time beyond authorized breaks, any such time exceeding regularly scheduled and paid break time will be unpaid.

Members desiring to take a lactation break shall notify the [dispatcher] or a supervisor prior to taking such a break. Such breaks may be reasonably delayed if they would seriously disrupt department operations.

Once a lactation break has been approved, the break should not be interrupted except for emergency or exigent circumstances.

1011.4 PRIVATE LOCATION

The Department will make reasonable efforts to accommodate members with the use of an appropriate room or other location to express milk in private. Such room or place should be in proximity to the member's work area and shall be other than a bathroom or toilet stall. Outside Employment

1014.1 PURPOSE AND SCOPE

To avoid actual or perceived conflicts of interest for Department employees engaging in outside employment, all employees shall initially obtain written approval from Staff prior to engaging in any outside employment. Approval of outside employment shall be at the discretion of the Chief of Police in accordance with the provisions of this policy.

1014.1.1 DEFINITIONS

Definitions related to this policy include:

Outside employment - The employment of any member of this department who receives wages, compensation or other consideration of value from another employer, organization or individual not affiliated directly with this department for services, products or benefits rendered. For purposes of this section, the definition of outside employment includes those employees who are self-employed and not affiliated directly with this department for services, products or benefits rendered.

Outside overtime - Overtime involving any member of this department who performs duties or services on behalf of an outside organization, company or individual within this jurisdiction on behalf of the Department. Such outside overtime shall be requested and scheduled directly through this department so that the Department may be reimbursed for the cost of wages and benefits.

1014.2 OBTAINING APPROVAL

No member of this department may engage in any outside employment without first obtaining prior written approval of the Chief of Police. Failure to obtain prior written approval for outside employment or engaging in outside employment prohibited by this policy is grounds for disciplinary action.

To obtain approval for outside employment, the employee must complete an application that shall be submitted to the employee's immediate supervisor. The application will then be forwarded through the appropriate chain of command to the Chief of Police for consideration.

If approved, the employee will be provided with a copy of the approved application. Unless otherwise indicated in writing on the approved application, an approved application will be valid through the end of the calendar year in which it is approved. Any employee seeking to continue outside employment shall submit a new application in a timely manner.

1014.2.2 REVOCATION/SUSPENSION OF AN APPROVED OUTSIDE EMPLOYMENT APPLICATION

The outside employment may be revoked:

- (a) If an employee's performance declines to a point where it is evaluated by a supervisor as needing improvement to reach an overall level of minimum acceptable competency, and the outside employment may be related to the employee's performance. The Chief of Police may, at his/her discretion, notify the employee of the intent to revoke any previously approved outside employment application. After the appeal process has concluded, the revocation will remain in force until the employee's performance directly related to the outside employment has been re-established to the minimum level of acceptable competency.
- (b) If, at any time during the term of an approved outside employment application, an employee's conduct or outside employment conflicts with the provisions of Department policy, or any law.

- (b) Involves the employee's receipt or acceptance of any money or other consideration from anyone other than this department for the performance of an act that the employee, if not performing such act, would be required or expected to render in the regular course or hours of employment or as a part of the employee's duties as a member of this department.
- (c) Involves the performance of an act in other than the employee's capacity as a member of this department that may later be subject directly or indirectly to the control, inspection, review, audit or enforcement of any other employee of this department.

1014.3.1 OUTSIDE SECURITY EMPLOYMENT

Due to the potential conflict of interest, no member of this department may engage in any outside or secondary employment as a private security guard, private investigator or other similar private security position.

Any private organization, entity or individual seeking special services for security or traffic control from members of this department must submit a written request to the Chief of Police in advance of the desired service. Such outside overtime will be monitored by the patrol supervisor.

This shall include the prohibition of access to official records or databases of this department or other agencies through the use of the employee's position with this department.

1014.4.1 REVIEW OF FINANCIAL RECORDS

Prior to providing written approval for an outside employment position, the Department may request that an employee provide his/her personal financial records for review/audit in order to determine whether a conflict of interest exists.

Failure of the employee to provide the requested personal financial records could result in revocation of the outside employment application. If, after approving a request for an outside employment position, the Department becomes concerned that a conflict of interest exists based on a financial reason, the Department may request that the employee provide his/her personal financial records for review/audit. If the employee elects not to provide the requested records, his/her outside employment application may be revoked pursuant to this policy.

1014.6 CHANGES IN OUTSIDE EMPLOYMENT STATUS

If an employee terminates his/her outside employment during the period of an approved application, the employee shall promptly submit written notification of such termination to the Chief of Police through the appropriate chain of command. Any subsequent request for renewal or continued outside employment must thereafter be processed and approved through normal procedures set forth in this policy.

Employees who are uncertain whether a change in outside employment is material shall report the change.

1014.6 OUTSIDE EMPLOYMENT WHILE ON DISABILITY OR ADMINISTRATIVE LEAVE

Department members engaged in outside employment who are placed on disability or administrative leave or modified/light-duty shall inform their immediate supervisor in writing within five days whether they intend to continue to engage in outside employment while on such leave or light-duty status. The immediate supervisor shall review the duties of the outside employment along with any work-related doctor's orders and make a recommendation to the Chief of Police whether such outside employment should continue or the approved application be suspended or revoked.

In the event the Chief of Police determines that the outside employment should be discontinued or if the employee fails to promptly notify the supervisor of his/her intentions regarding the employment application, a notice of intent to revoke the employee's application will be forwarded to the involved employee and a copy attached to the original employment application. Temporary Modified-Duty Assignments

1017.1 PURPOSE AND SCOPE

This policy establishes procedures for providing temporary modified-duty assignments. This policy is not intended to affect the rights or benefits of employees under federal or state law, City rules, or current collective bargaining agreements. For example, nothing in this policy affects the obligation of the Department to engage in a good faith, interactive process to consider reasonable accommodations for any employee with a temporary or permanent disability or limitation that is protected under federal or state law.

1017.2 POLICY

Subject to operational considerations, the Cortez Police Department may identify temporary modified-duty assignments for employees who have an injury or medical condition resulting in temporary work limitations or restrictions. A temporary assignment allows the employee to work, while providing the Department with a productive employee during the temporary period.

1017.3 GENERAL CONSIDERATIONS

Priority consideration for temporary modified-duty assignments will be given to employees with work-related injuries or illnesses that are temporary in nature. Employees having disabilities covered under the Americans with Disabilities Act (ADA) or the Colorado Anti-Discrimination Act (CADA) shall be treated equally, without regard to any preference for a work-related injury (CRS § 24-34-401 et seq.).

No position in the Cortez Police Department shall be created or maintained as a temporary modified-duty assignment.

Temporary modified-duty assignments are a management prerogative and not an employee right. The availability of temporary modified-duty assignments will be determined on a case-by-case basis, consistent with the operational needs of the Department. Temporary modified-duty assignments are subject to continuous reassessment, with consideration given to operational needs and the employee's ability to perform in a modified-duty assignment.

The Chief of Police or the authorized designee may restrict employees working in temporary modified-duty assignments from wearing a uniform, displaying a badge, carrying a firearm, operating an emergency vehicle or engaging in outside employment, or may otherwise limit them in employing their peace officer powers.

Temporary modified-duty assignments shall generally not exceed a cumulative total of 1,040 hours in any one-year period.

Speech, Expression, and Social Networking

1018.1 PURPOSE AND SCOPE

This policy is intended to address issues associated with the use of social networking sites, and provides guidelines for the regulation and balancing of member speech and expression with the needs of the Cortez Police Department.

This policy applies to all forms of communication including but not limited to digital media, print media, public or private speech, and use of all internet services, including the web, email, file transfer, remote computer access, news services, social networking, social media, instant messaging, blogs, forums, and other file-sharing sites.

Nothing in this policy is intended to prohibit or infringe upon any communication, speech, or expression that is protected under law. This includes speech and expression protected under state or federal constitutions as well as labor or other applicable laws. For example, this policy does not limit a member from speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or an employee group, about matters of public concern, such as misconduct or corruption.

Members are encouraged to consult with their supervisors regarding any questions arising from the application or potential application of this policy.

1018.2 POLICY

Members of public entities occupy a trusted position in the community, and thus, their statements have the potential to contravene the policies and performance of the Cortez Police Department. Due to the nature of the work and influence associated with the law enforcement profession, it is necessary that members of this department be subject to certain reasonable limitations on their speech and expression. To achieve its mission and efficiently provide service to the public, the Department will carefully balance the individual member's rights against the needs and interests of the Department when exercising a reasonable degree of control over its members' speech and expression.

1018.3 SAFETY

Members should carefully consider the implications of their speech or any other form of expression when using the internet. Speech and expression that may negatively affect the safety of Cortez Police Department members, such as posting personal information in a public forum or posting a photograph taken with a Global Positioning System (GPS)-enabled camera, can result in compromising a member's home address or family ties. Members should therefore not disseminate or post any information on any forum or medium that could reasonably be anticipated to compromise the safety of any member, a member's family, or associates. Examples of the type of information that could reasonably be expected to compromise safety include:

- Disclosing a photograph and name or address of an officer who is working undercover.
- Disclosing the address of a fellow department member.

Speech, Expression, and Social Networking

- Otherwise disclosing where another officer can be located off-duty.

1018.4 PROHIBITED SPEECH, EXPRESSION, AND CONDUCT

To meet the safety, performance, and public-trust needs of the Cortez Police Department, the following are prohibited unless the speech is otherwise protected (e.g., a member speaking as a private citizen, including acting as an authorized member of a recognized bargaining unit or an employee group, on a matter of public concern):

- (a) Speech or expression made pursuant to an official duty that tends to compromise or damage the mission, function, reputation, or professionalism of the Department or its members.
- (b) Speech or expression that, while not made pursuant to an official duty, is significantly linked to, or related to, the Department and tends to compromise or damage the mission, function, reputation, or professionalism of the Department or its members. Examples may include:
 1. Statements that indicate disregard for the law or the state or U.S. Constitutions.
 2. Expression that demonstrates support for criminal activity
 3. Participation in sexually explicit photographs or videos for compensation or distribution.
- (c) Speech or expression that could reasonably be foreseen as having a negative impact on the credibility of the member as a witness. For example, posting to a website statements or expressions that glorify or endorse dishonesty, unlawful discrimination, or illegal behavior.
- (d) Speech or expression of any form that could reasonably be foreseen as having a negative impact on the safety of the members of the Department (e.g., a statement on a blog that provides specific details as to how and when prisoner transportations are made could reasonably be foreseen as potentially jeopardizing members by informing criminals of details that could facilitate an escape or attempted escape).
- (e) Speech or expression that is contrary to the canons of the Law Enforcement Code of Ethics as adopted by the Department.
- (f) Use or disclosure, through whatever means, of any information, photograph, digital media, or other recording obtained or accessible as a result of employment or appointment with the Department for financial or personal gain, or any disclosure of such materials without the express authorization of the Chief of Police or the authorized designee.
- (g) Posting, transmitting, or disseminating any photographs, digital media or audio recordings, likenesses or images of department logos, emblems, uniforms, badges, patches, marked vehicles, equipment, or other material that specifically identifies the Cortez Police Department on any personal or social networking or other website or web page, without the express authorization of the Chief of Police.

Speech, Expression, and Social Networking

Members must take reasonable and prompt action to remove any content, including content posted by others, that is in violation of this policy from any web page or website maintained by the employee (e.g., social or personal website).

1018.4.1 UNAUTHORIZED ENDORSEMENTS AND ADVERTISEMENTS

While members are not restricted from engaging in the following activities as private citizens or as authorized members of recognized bargaining units or employee groups, members may not represent the Cortez Police Department or identify themselves in any way that could be reasonably perceived as representing the Department in order to do any of the following, unless specifically authorized by the Chief of Police:

- (a) Endorse, support, oppose, or contradict any political campaign or initiative.
- (b) Endorse, support, oppose, or contradict any social issue, cause, or religion.
- (c) Endorse, support, or oppose any product, service, company, or other commercial entity.
- (d) Appear in any commercial, social, or nonprofit publication; or any motion picture, film, video, or public broadcast; or on any website.

Additionally, when it can reasonably be construed that a member, acting in their individual capacity or through an outside group or organization, including as an authorized member of a recognized bargaining unit or an employee group, is affiliated with this department, the member shall give a specific disclaiming statement that any such speech or expression is not representative of the Cortez Police Department.

Members retain their rights to vote as they choose, to support candidates of their choice, and to express their opinions as private citizens, including as authorized members of recognized bargaining units or employee groups, on political subjects and candidates at all times while off-duty. However, members may not use their official authority or influence to interfere with or affect the result of elections or nominations for office. Members are also prohibited from directly or indirectly using their official authority to coerce, command, or advise another member to pay, lend, or contribute anything of value to a party, committee, organization, agency, or person for political purposes (5 USC § 1502).

1018.4.2 CIVIL LIABILITY

Members should consider that they may be subject to civil litigation for:

- (a) Publishing or posting false information that harms the reputation of another person, group or organization.
- (b) Publishing or posting private facts and personal information about someone that has not been previously revealed to the public, is not of legitimate public concern and would be offensive to a reasonable person.

1018.5.1 OTHER PRIVACY CONSIDERATIONS

Members should consider that privacy protection varies among social media sites and personal information posted on such sites may not be protected.

1018.6 CONSIDERATIONS

In determining whether to grant authorization of any speech or conduct that is prohibited under this policy, the factors that the Chief of Police or the authorized designee should consider include:

- (a) Whether the speech or conduct would negatively affect the efficiency of delivering public services.
- (b) Whether the speech or conduct would be contrary to the good order of the Department or the efficiency or morale of its members.
- (c) Whether the speech or conduct would reflect unfavorably upon the Department.
- (d) Whether the speech or conduct would negatively affect the member's appearance of impartiality in the performance of their duties.

Anti-Retaliation

1021.1 PURPOSE AND SCOPE

This policy prohibits retaliation against members who identify workplace issues, such as fraud, waste, abuse of authority, gross mismanagement or any inappropriate conduct or practices, including violations that may pose a threat to the health, safety or well-being of members.

This policy does not prohibit actions taken for nondiscriminatory or non-retaliatory reasons, such as discipline for cause.

These guidelines are intended to supplement and not limit members' access to other applicable remedies. Nothing in this policy shall diminish the rights or remedies of a member pursuant to any applicable federal law, provision of the U.S. Constitution, law, ordinance or collective bargaining agreement.

1021.2 POLICY

The Cortez Police Department has a zero tolerance for retaliation and is committed to taking reasonable steps to protect from retaliation members who, in good faith, engage in permitted behavior or who report or participate in the reporting or investigation of workplace issues. No member may retaliate against any person for engaging in lawful or otherwise permitted behavior; for opposing a practice believed to be unlawful, unethical, discriminatory or retaliatory; for reporting or making a complaint under this policy; or for participating in any investigation related to a complaint under this or any other policy.

Members shall not report or state an intention to report information or an allegation knowing it to be false, with willful or reckless disregard for the truth or falsity of the information or otherwise act in bad faith.

Investigations are generally more effective when the identity of the reporting member is known, thereby allowing investigators to obtain additional information from the reporting member. However, complaints may be made anonymously. All reasonable efforts shall be made to protect the reporting member's identity. However, confidential information may be disclosed to the extent required by law or to the degree necessary to conduct an adequate investigation and make a determination regarding a complaint. In some situations, the investigative process may not be complete unless the source of the information and a statement by the member is part of the investigative process.
